EXPLANATORY NOTE

(This note is not part of the Order)

This Order changes as from 1st May 2013 the pension contribution rates of firefighters in Scotland who are members of the Scheme set out in the Firemen's Pension Scheme Order 1992.

In addition, a new band of pensionable pay has been created so that those firefighters who earn more than £15,000 and up to and including £21,000 will pay a lower rate than those earning more than £21,000 and up to and including £30,000.
