**The Requirements for Community Learning
and Development (Scotland) Regulations 2013**

Assessment of community learning and development needs

2. An education authority is required to initiate and, having done so, to maintain and facilitate a process by which community learning and development secured within the area of the education authority is secured in a way that—

- (a) identifies target individuals and groups;
- (b) has regard to the needs of those target individuals and groups for that community learning and development;
- (c) assesses the degree to which those needs are already being met; and
- (d) identifies barriers to the adequate and efficient provision of that community learning and development.
