The Bovine Viral Diarrhoea (Scotland) Amendment Order 2013

Amendment of the Bovine Viral Diarrhoea (Scotland) Order 2013

5. For article 12(1) (decision on type of sample to take) substitute—

“(1) Subject to paragraph (2)—

- (a) the keeper of a breeding herd may take and submit (or arrange to have taken and submitted) a sample or samples described in article 11(2) (other than a sample described in article 11(2)(d)) without consulting a veterinary surgeon;
- (b) the keeper of a breeding bovine animal may take and submit (or arrange to have taken and submitted) a sample as described in article 11(5A) (other than a sample described in article 11(5A)(b)) without consulting a veterinary surgeon.”.
