Assumed pensionable pay

21.—(1) During the period the circumstances specified in paragraph (2) apply in relation to an employment, the pensionable pay that an active member is, in relation to that employment, treated as receiving for the purposes of these Regulations (including this regulation), other than regulations 9 to 12 and 14 excluding 11(2) (contributions), is that member's assumed pensionable pay calculated in accordance with paragraph (4).

(2) The circumstances are that the member—

- (a) is on leave due to sickness or injury and is on reduced contractual pay or no pay;
- (b) is on child-related leave other than any part of that leave period where the pensionable pay received is greater than the assumed pensionable pay for that part of the leave period; or
- (c) is absent on reserve forces service leave.

(3) Paragraph (2)(c) does not apply in respect of any period of service which qualifies the member for benefits under any other occupational pension scheme in respect of that service.

(4) The annual rate of assumed pensionable pay for an employment for a Scheme year is—

(a) where the member is paid monthly—

- (i) the pensionable pay the member received relating to that employment in the three months preceding the commencement of the pay period in which the circumstance specified in paragraph (2) began or, for the purposes of regulations 37(1)(a) (calculation of ill-health pension amounts), 38(3)(death grants: active members), 39(4)(b) (Survivor benefits: partners of active members), 40(4)(b), (5)(b), (9)(b) and (10)(b) (Survivor benefits: children of active members), the pay period in which the ill-health retirement or death occurred;

(ii) less any lump sum received during that period;

(iii) with the resulting sum being grossed up to an annual figure;

(iv) to which any regular lump sum payment received in the 12 months preceding the date specified in paragraph (i) should be added;

(b) where the member is paid otherwise than monthly—

- (i) the pensionable pay the member received relating to that employment in the 13 weeks preceding the commencement of the pay period in which the circumstance

specified in paragraph (2) began or, for the purposes of regulations 37(1)(a) (calculation of ill-health pension amounts), 38(3) (death grants; active members), 40(4)(b), (5)(b), (9)(b) and (10)(b) (Survivor benefits: children of active members) the pay period in which, respectively, the ill-health retirement or death occurred;

(ii) less any lump sum received;

(iii) with the resulting sum being grossed up to an annual figure;

(iv) to which any regular lump sum payment received in the 12 months preceding the date specified in paragraph (i) should be added.

(5) For the purposes of paragraph (4) a “regular lump sum” is a payment for which the member’s employer determines there is a reasonable expectation that such a payment would be paid on a regular basis.

(6) The assumed pensionable pay that a member is treated as receiving is adjusted by the revaluation adjustment on the first day of the second Scheme year which commenced after the first date on which the member is treated as receiving assumed pensionable pay.
