2014 No. 217

The Teachers' Pension Scheme (Scotland) Regulations 2014

PART 6

Survivor's benefits

CHAPTER 5

Additional (surviving adult) pensions

Annual rate of additional (surviving adult) pension: short-term

- 144.**—(1) The short-term rate of additional (surviving adult) pension—
- (a) applies if a member (D) dies in service or dies as a pensioner member; and
 - (b) is payable for the first 3 months after D's death.
- (2) The short-term rate is calculated as follows—
- (a) if D dies in service, it is the annual rate of additional (self only) pension payable as at D's death; or
 - (b) if D dies as a pensioner member—
 - (i) where a phased retirement pension became payable before D's death, it is the annual rate of additional (self only) pension which would have been payable as at D's death if D had applied under regulation 91 to receive additional pension with the phased retirement earned pension; and
 - (ii) where a retirement pension other than a phased retirement pension became payable before D's death, it is the annual rate of additional (self only) pension payable as at D's death.
- (3) Part 2 of Schedule 2 makes further provision in relation to payment of additional pension in respect of a member who dies in service.
