
SCOTTISH STATUTORY INSTRUMENTS

2014 No. 267

**The Pollution Prevention and Control
(Scotland) Amendment Regulations 2014**

Solvents: conditions

7. For regulation 34 (solvents: conditions), substitute—

“Solvents: conditions

34. SEPA must include in a permit to operate a solvents installation—

- (a) such conditions as SEPA considers necessary to give effect to the provisions of Chapter V of and Annex VII to the Industrial Emissions Directive, and
- (b) a condition requiring the operator to inform SEPA, without delay, of any incident or accident significantly affecting the environment.”.
