EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Looked After Children (Scotland) Regulations 2009 (“the 2009 Regulations”) to make provision for a placement limit in relation to the number of children that may be placed with a foster carer at any one time.

Regulation 2(5) inserts regulation 27A into the 2009 Regulations to provide that a local authority must not place a child with a foster carer where the placement would result in more than 3 children being placed with that foster carer at any one time.

The limit does not apply when a group of more than 3 siblings are being placed by a local authority or when an emergency placement of a child with a foster carer in accordance with regulation 36 of the 2009 Regulations or a short-term placement of less than 4 weeks would result in more than 3 children being placed with that carer.

Regulation 2 also makes some minor amendments to the 2009 Regulations in consequence of the new placement limit.
