**2014 No. 83**

**The Electronic Documents (Scotland) Regulations 2014**

**Requirements of formally valid electronic document**

2. For an electronic document required by section 1(2) of the 1995 Act<sup>(1)</sup> to be valid the electronic signature of a granter incorporated into or logically associated with that document must be an advanced electronic signature.

---

(1) Section 1(2) is amended by the 2012 Act, section 96(2)(a) for limited purposes by, and subject to transitional provision for ARTL documents in article 3(2) of, [S.S.I. 2014/41](#).
