

POLICY NOTE

THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014 (CONSEQUENTIAL MODIFICATIONS AND SAVING) ORDER 2015

SSI 2015 No. 157

1. The above instrument was made in exercise of the powers conferred by section 70 of the Public Bodies (Joint Working) (Scotland) Act 2014 (“the 2014 Act”). The instrument is subject to affirmative procedure.

Policy Objectives

2. This Order makes amendments to legislation which are appropriate in consequence of the 2014 Act .
3. The policy objectives relating to the Act are fully described in the Policy Memorandum which accompanied the Bill. To view the Policy Memorandum click [here](#).
4. This Order makes amendments to primary and secondary legislation with effect in Scotland, which are consequential on the power to establish Integration Joint Boards in section 9 of the 2014 Act and Paragraphs 2(2) and (3), 5, 6, 10(2) and (4), 11, 13 and Part 2 of the Schedule make amendments in order that Integration Joint Boards, once established, will have similar powers and duties as Health Boards and local authorities do at present.
5. Further amendments are made in consequence of the provisions in sections 1,2, 9 and 15 of the 2014 Act which allow a Health Board and local authority to delegate certain of their statutory functions, either to each other or to an integration joint board. Paragraphs 1(2) and (2), 4, 7(2), 8(3) and 10(3) of the Schedule make amendments in relation to this delegation of functions. These amendments will ensure that where a function is delegated, the amended provisions will continue to apply in relation to that function.
6. Paragraph 1(4) of the Schedule makes amendments in relation to the setting and recovery of charges for social care services or accommodation. By virtue of section 1(5) of, and the schedule to the 2014 Act, a local authority may not delegate functions in relation to charges for social care services or residential accommodation. By virtue of regulations made under section 1(7) of the Act (and subject to the integration model that is used) a local authority must delegate its functions that relate to the provision of social care services. The amendments made by paragraph 1(4) of the Schedule modify the charging functions in section 87 of the Social Work (Scotland) Act 1968 (and sections 22 and 26 of the National Assistance Act 2914 as applied by section 87). The effect of these modifications is that the local authority may continue to exercise its statutory functions in relation to charges for the provision of social care services and residential accommodation in respect of services and accommodation which are provided by a person to whom the local authority has delegated the function of providing those services and accommodation.

7. The Order also makes changes that are needed as a consequence of the repeal of section 5A of the Social Work (Scotland) Act 1968 by section 71 of the 2014 Act. Section 5A contains a definition of ‘community care services’ which is widely used by other legislation. Paragraph 1(3) of the Schedule inserts a replacement definition in section 12A of the 1968 Act, in order that there will continue to be a clear legislative definition of these services. Paragraphs 2(4)(a), (5) – (7), 3, 7(3), 9 and 12 make repeals and amendments to replace other references to section 5A with a reference to that new definition in section 12A.
8. Article 3 of the Order contains a savings provision so that arrangements made under sections 15 to 17 of the Community Care and Health (Scotland) Act 2002 (which are repealed by section 71 (3) of the 2014 Act) may continue in operation they are repealed with arrangements under the 2014 Act. This provides for a smooth transition between discretionary integration arrangements under the 2002 Act and the start of the mandatory arrangements under the 2014 Act. Arrangements under the 2002 Act have only been entered into between Highland Council and Highland Health Board.
