**The Town and Country Planning (Hazardous
Substances) (Scotland) Regulations 2015**

PART 3

Applications

Applications for continuation of hazardous substances consent where there has been a change in the person in control of part of the land

8.—(1) An application to a planning authority under section 15(1) of the principal Act (continuation of a hazardous substances consent where there has been a change in the person in control of part of the land to which the consent relates) is to be made in accordance with this regulation.

(2) The application must contain—

- (a) the name and address of the applicant;
- (b) the name and address of any agent acting on behalf of the applicant and whether any notice or other correspondence which is required by these Regulations to be sent to the applicant should be sent to the agent instead of the applicant;
- (c) the postal address of the land to which the relevant consent relates or, if the land in question has no postal address, a description of the location of the land;
- (d) a description of the use of each area of the land identified in the accompanying change of control plan;
- (e) a description of any relevant changes in circumstances since the relevant consent was granted; and
- (f) the date on which the change in the person in control of part of the land to which the relevant consent relates is to take place, where known.

(3) The application must be accompanied by—

- (a) a copy of the relevant consent;
- (b) a change of control plan;
- (c) the certificate completed in accordance with regulation 5(2) (notice to owner by applicant); and
- (d) the fee payable under regulation 55.

(4) The change of control plan referred to in paragraph (3)(b) is a plan of the land to which the relevant consent relates, drawn to a scale of not less than 1 to 2,500, which identifies each area of the land which is to be under separate control after the proposed change in the person in control.
