2015 No. 384

The Renewables Obligation (Scotland) Amendment Order 2015

Transitional provisions

17. In relation to biomass used before 1st April 2016, paragraph 2 of Schedule A1A of the principal Order (as inserted by article 13 of, and Schedule 1 to, this Order) has effect as if for subparagraph (b)(iii) there were substituted—

“(iii) the average greenhouse gas emissions from the relevant biomass used by the station to generate electricity during the period from the day this Order comes into force to 31st March 2016 are equal to, or less than, the relevant target.”.

Changes to legislation:

There are currently no known outstanding effects for the The Renewables Obligation (Scotland) Amendment Order 2015, Section 17.
