EXPLANATORY NOTE

(This note is not part of the Act of Sederunt)

This Act of Sederunt extends the means of authentication of documents by the courts so as to include electronic authentication. This facilitates the operation of the Scottish Courts and Tribunals Service's Integrated Case Management System.

Paragraph 2 provides that where court documents require to be signed by a court or any of the persons named in paragraph 3, those documents may be authenticated electronically.

Paragraph 3 names the persons who may authenticate documents electronically.
