**2016 No. 43**

**The Reservoirs (Scotland) Regulations 2016**

**PART 3**

**REGISTRATION**

**Controlled reservoirs register: additional information**

**10.**—(1) From the date on which a controlled reservoir is required to be registered under the Act, the controlled reservoirs register must contain the business address of any construction engineer, inspecting engineer, other qualified civil engineer or supervising engineer appointed at any time in relation to the reservoir.

(2) From the date on which a 1975 Act reservoir is required to be registered under the Act, the controlled reservoirs register must contain the name and business address of any construction engineer, inspecting engineer or supervising engineer appointed immediately before that date (or, if any such engineer was not appointed at that point, the last such engineer appointed) under the 1975 Act in relation to the reservoir, and the period of any such appointment.

(3) In paragraph (2)—

“1975 Act reservoir” means—

- (a) a controlled reservoir which was, immediately before 1st April 2015, required to be registered in a register maintained under section 2(2) of the 1975 Act; or
- (b) a controlled reservoir which—
  - (i) was not, immediately before 1st April 2015, required to be registered in a register maintained under section 2(2) of the 1975 Act; and
  - (ii) was, on or after that date, required to be registered in a register maintained under section 2(2) of the 1975 Act;

“construction engineer” has the meaning it had in section 6(1) of the 1975 Act;

“inspecting engineer” has the meaning it had in section 10(1) of the 1975 Act; and

“supervising engineer” has the meaning it had in section 12(1) of the 1975 Act.
