2017 No. 114

The Agriculture, Land Drainage and
Irrigation Projects (Environmental Impact
Assessment) (Scotland) Regulations 2017

PART 2

AGRICULTURE AND IRRIGATION PROJECTS

Additional information

18.—(1) In order to ensure the completeness and quality of the EIA report, the Scottish Ministers must (having regard in particular to current knowledge and methods of assessment) seek from the applicant supplementary information about a matter to be included in the EIA report in accordance with regulation 4(2) which in the opinion of the Scottish Ministers is directly relevant to reaching a reasoned conclusion on the significant effects of the project on the environment.

(2) The applicant must provide the information, and such information provided is referred to in these Regulations as “supplementary information”.

(3) Where additional information is provided, regulation 17 applies to the provision of such information as it applies to the submission of an EIA report as if references to the report were references to the additional information.
