
SCOTTISH STATUTORY INSTRUMENTS

2017 No. 147

**The Road Works (Qualifications of Operatives
and Supervisors) (Scotland) Regulations 2017**

Grace period before registration

4. For a period of two months beginning with the date on which a person is issued with a certificate or a renewal certificate for a type of work, the person is deemed to be qualified in that type of work notwithstanding that the relevant certificate has not been registered or re-registered (as the case may be) in the approved register.
