2017 No. 39

**The Participation Request (Procedure)
(Scotland) Regulations 2017**

Information about modification of an outcome improvement process

10. The information to be published under section 29(3) of the Act following modification of an outcome improvement process is—

- (a) the name of the community participation body and of any public service authority involved in the modified outcome improvement process;
- (b) the outcome to which the modified outcome improvement process relates;
- (c) the outcome improvement process which has been modified;
- (d) how that outcome improvement process has been modified; and
- (e) how the modified outcome improvement process is to operate.
