**2018 No. 110**

**The Town and Country Planning (Fees for Applications and Deemed Applications) (Scotland) Amendment Regulations 2018**

**Citation, commencement and interpretation**

1.—(1) These Regulations may be cited as the Town and Country Planning (Fees for Applications and Deemed Applications) (Scotland) Amendment Regulations 2018 and come into force on 24th May 2018.

(2) In these Regulations “the principal Regulations” means the Town and Country Planning (Fees for Applications and Deemed Applications) (Scotland) Regulations 2004(1).

**Amendment of the principal Regulations**

2.—(1) The principal Regulations are amended in accordance with paragraph (2).

(2) In the table in Part III of the schedule (table scale of fees), after category 9 insert—

---

“9A. The construction of a hydro-electric £401 for each 0.1 hectare, subject to a generating station and the carrying out of any other operations in connection with the maximum of £20,055.”  
construction of the generating station, including the construction or installation of any means of access to the generating station, pipes or other conduits and overhead electric lines.

---

**Saving provision**

3. Notwithstanding the amendment of the principal Regulations by regulation 2, the principal Regulations continue to apply in respect of any application for planning permission for development described in that regulation made before 24th May 2018 as they did immediately before that date.

St Andrew’s House,  
Edinburgh
