(2) Moneys for the time being standing to the credit of the reserve fund may be invested in any securities in which officers are for the time being authorised to invest moneys including debenture stock or other security created by the Council.

(3) Any reserve fund provided under this article may be applied—

- (a) in making good to the regional rate fund any deficiency at any time arising in the income of the Council from the harbour undertaking;
- (b) in meeting any extraordinary claim or demand at any time arising against the Council in respect of the harbour undertaking;
- (c) in defraying any expenditure in connection with the harbour undertaking for which capital is properly applicable or in providing money for repayment of loans;
- (d) in defraying expenditure to be incurred from time to time in repairing, maintaining, replacing and renewing buildings, works, plant, vessels, equipment or articles forming part of the harbour undertaking; or
- (e) for any purpose which in the opinion of the Council is desirable in the interests of securing the improvement, maintenance or management of the harbour in an efficient and economical manner or of facilitating the efficient and economic transport of goods or passengers by sea to or from the harbour.

(4) The Council may exercise the powers of this article so as to provide a combined reserve fund in respect both of the harbour undertaking and any other similar undertaking of the Council, and the foregoing provisions of this article as to a reserve fund shall apply with all necessary modifications to any such combined reserve fund.

(5) Any monies held in any combined reserve fund referred to in paragraph 4 may be applied for the purposes of any of the Council's harbour undertakings.
