SCHEDULE 2

Amendments to Form 1 (application for approval of a Debt Payment Programme: Individuals)

PART 2

2f. Sensitivity obligation

In terms of the Debt Arrangement Scheme (Scotland) Regulations 2011 all DPP applications must be included in the DAS Register which is an on-line public record of all DPPs in Scotland. This information includes the applicant(s) name, address, date of birth and principal place of business (if any).

However, where the DAS Administrator is of the opinion that inclusion of the information in the DAS Register would be likely to jeopardise the safety or welfare of any person (e.g. where a person may be at risk of violence) information about a DPP application need not be included in the DAS Register.

If you consider that inclusion of information about your DPP application in the DAS Register would be likely to jeopardise your safety or welfare, or that of any other person, you should set out details below and provide supporting evidence (e.g. from the police) with this form. The DAS Administrator will then consider whether information about your DPP application should be included in the DAS Register.

I confirm that I have a legitimate reason for certain details being withheld or treated sensitively for the purpose of the DAS Register.
