Laid before the Scottish Parliament - - - - at 2.45 p.m. on 10th

and (3)*

The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020(1) (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by, a resolution of the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations (which, with the exception of regulation 8, come into force on at 6.00 p.m. on 11 December 2020) amend the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 (“the principal regulations”) and make a temporary modification of the principal regulations.

Regulation 3 inserts a definition of County Donegal in connection with regulations 5 and 7.

Regulation 4 modifies regulation 3A of the principal regulations so that, in relation to certain islands, it is permitted to hold gatherings indoors in private dwellings in certain circumstances.

Regulation 5 modifies regulation 3B of the principal regulations so that the temporary modifications in regulation 3B, in relation to reasonable excuse for contravening the travel restrictions in a Level 3 or Level 4 area, are extended to cover travel to the Republic of Ireland or Jersey and, in relation to the common travel area, reflect the changes to the common travel area made by regulation 7.

Regulation 6 changes the levels of restrictions and requirements which apply in the local authority areas listed in paragraphs (2), (4) and (6). The restrictions and requirements applicable in relation to the different levels are set out in schedules 1 to 5 of the principal regulations.

Regulation 7 amends schedule 7A of the principal regulations so that the restrictions in relation to the common travel area apply to County Donegal (and no longer apply to the rest of the Republic of Ireland) and Jersey.

Regulation 8 provides for a temporary lifting of the restriction on betting shops, premises which provide close contact services and retail and library premises in Level 4 areas, and this regulation comes into force at 6.00 a.m. on 11 December 2020.
