The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020(1) (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by a resolution of, the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 (“the Local Levels Regulations”). These Regulations come into force on 31 May 2021.

Regulation 3 amends schedule 3 of the Local Levels Regulations, which sets out restrictions applying in Level 2 areas. Paragraph 11 of schedule 3 sets out restrictions on public gatherings indoors in Level 2 areas. The amendment is to the effect that gathering is permitted in Level 2 areas for the purpose of organised activity involving persons of any age (organised activity is defined in paragraph 11(3) of schedule 3).

Regulation 4 amends schedule 7 of the Local Levels Regulations to add a new exception to the requirement to wear a face covering in certain indoor places. The effect of the amendment is that, in certain circumstances, a person does not require to wear a face covering in a place mentioned in paragraph 3 of schedule 7 of the Local Levels Regulations if they are receiving a close contact service that requires access to the area covered by a face covering.
