These Regulations amend the National Health Service (Charges to Overseas Visitors) (Scotland) Regulations 1989 (“the Principal Regulations”) which provide for the making and recovery of charges for health services provided to certain persons who are not ordinarily resident in the United Kingdom.

Regulation 2 amends the Principal Regulations to provide exemptions from charging in relation to overseas visitors who are lawfully present in the United Kingdom but are ordinarily resident in Ukraine, as well as exemptions for their spouse, civil partner or child.

That regulation also provides that charges incurred since 24 February 2022 until the coming into force of these Regulations in respect of such overseas visitors should: if not yet made, not be made; if made, should not be recovered; or, if paid, should be repaid.

No impact assessments have been prepared for these Regulations.
