(This note is not part of the Regulations)

These Regulations amend the Producer Responsibility Obligations (Packaging Waste) Regulations 2007 ([S.I. 2007/871](#)). Those Regulations impose on producers obligations to recycle packaging waste in order to attain overall recycling and material-specific recycling targets.

These Regulations set an overall recycling target as well as material-specific recycling targets for 2023 on obligated producers in Scotland in relation to glass, plastic, aluminium, steel, paper/board and wood.
