- (2) A court may grant a faculty for the demolition or partial demolition of a church if—
- (a) the court is satisfied that another church or part of a church will be erected on the site or curtilage of the church or part in question, or on part of the site or curtilage, to take the place of the church or part, and
 - (b) the person bringing the proceedings has obtained the written consent of the bishop of the diocese.
- (3) A court may grant a faculty for the partial demolition of a church if—
- (a) the court is satisfied that the part of the church left standing will be used for public worship according to the rites and ceremonies of the Church of England for a substantial period after the demolition, and
 - (b) the person bringing the proceedings has obtained the written consent of the bishop of the diocese.
- (4) A court may grant a faculty for the partial demolition of a church if it is satisfied that the demolition is necessary for the purposes of the repair or alteration of the church or the reconstruction of the part to be demolished.
- (5) A reference in this section to the partial demolition of a church—
- (a) is a reference to removal of such part of the church as would, in the opinion of the court, significantly affect its external appearance, and
 - (b) does not include a reference to the destruction or removal of minor or ancillary structures forming part of the building.

63 Emergency demolition of church

- (1) The chancellor of a diocese may by an instrument in writing signed by him or her authorise the demolition of the whole or part of a church in the diocese if the chancellor is satisfied that—
- (a) the demolition is urgently necessary in the interests of health or safety or for the preservation of the church,

- (b) it is not practicable to secure health or safety or (as the case may be) the preservation of the church by works of repair or works for affording temporary support or shelter, and
 - (c) the works to be carried out are limited to the minimum measures immediately necessary.
- (2) An instrument under this section may require the person to whom it is issued (subject to the person obtaining any faculty required) to carry out such works for the restoration of the church following its demolition or partial demolition as the instrument may specify.
- (3) In the case of partial demolition of a church which is a listed building or is in a conservation area, an instrument under this section must require the person to whom it is issued, as soon as practicable after the works have been carried out, to give the local planning authority notice in writing describing the works.
- (4) Where the chancellor of a diocese issues an instrument under this section, he or she must send a copy of the instrument to—
- (a) the Church Buildings Council, and
 - (b) the local planning authority.
- (5) “Listed building” and “conservation area” each have the same meaning as in the Planning (Listed Buildings and Conservation Areas) Act 1990 (see section 91 of that Act); and “local planning authority”, in relation to an area, means the body exercising the functions of the local planning authority under section 8 of that Act in that area.
- (6) The power conferred by this section does not affect any power of a chancellor which was exercisable under a rule of law on 1 March 1993 and is still exercisable on the commencement of this section.

64 Erection of building on disused burial ground

- (1) The consistory court of a diocese may, in spite of section 3 of the Disused Burial Grounds Act 1884 (which prohibits the erection of a building on a disused burial ground except for the purpose of enlarging a place of worship), grant a faculty permitting the erection of a building on a disused burial ground in the diocese otherwise than for the purpose specified by that section, if either of the following conditions is satisfied.
- (2) The first condition is that no interments have taken place in the land on which the building is to stand during the period of 50 years preceding the date of the petition for the faculty.
- (3) The second condition is that—
- (a) no personal representative or relative of a person whose remains have been interred in the land during that period has objected to the grant of the faculty, or
 - (b) any such objection has been withdrawn.
- (4) The power conferred by this section does not affect any other power which the court has to authorise the erection of a building on a burial ground.

Measure contains provisions that are not valid for this point in time.

65 Exclusive right to burial places

- (1) Where an exclusive right to a burial place was granted or acquired before 15 April 1964 (the day on which the Faculty Jurisdiction Measure 1964 was passed), the right is to cease on 15 April 2064 or, if the terms of the grant or acquisition provide for the right to cease before that date, in accordance with the provision made by those terms, unless—
 - (a) it has been enlarged or continued by a faculty granted on or after 15 April 1964, but before the commencement of this section, in accordance with section 8 of the Faculty Jurisdiction Measure 1964, or
 - (b) it is enlarged or continued by a faculty granted after the commencement of this section.
- (2) The reference in subsection (1) to an exclusive right to a burial place acquired before 15 April 1964 includes a reference to an exclusive right of burial reserved before that date under section 9 of the Consecration of Churchyards Act 1867.
- (3) Where an exclusive right to a burial place was granted by a faculty granted on or after 15 April 1964 but before the commencement of this section, the right is to cease at the end of the period of 100 years beginning with the date of the faculty or, if the faculty provides for the right to cease before the end of that period, in accordance with the provision made by the faculty, unless—
 - (a) it has been enlarged or continued by a faculty granted before the commencement of this section in accordance with section 8 of the Faculty Jurisdiction Measure 1964, or
 - (b) it is enlarged or continued by a faculty granted after the commencement of this section.
- (4) An exclusive right to a burial place may not be granted or acquired after the commencement of this section otherwise than by—
 - (a) the grant of a faculty, or
 - (b) the reservation of an exclusive right of burial under section 90(2).
- (5) The period for which an exclusive right to a burial place may be granted, enlarged or continued by a faculty granted after the commencement of this section must not exceed 100 years beginning with the date of the faculty.
- (6) A reference in this section to an exclusive right to a burial place is a reference to a right, whether absolute or limited, to the exclusive use of a particular part of a churchyard, burial ground or other consecrated land for the purposes of sepulture.
- (7) This section does not apply to a burial ground or cemetery provided under the Local Government Act 1972.

66 Monuments

- (1) The consistory court of a diocese may grant a faculty for the moving, demolition, alteration or carrying out of other work to a monument erected in or on, or on the curtilage of, a church or other consecrated building or on consecrated ground, even if the owner of the monument—
 - (a) withholds consent to the faculty, or
 - (b) cannot be found after reasonable efforts to find him or her have been made.

Status: Point in time view as at 10/05/2018. This version of this Measure contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Ecclesiastical Jurisdiction and Care of Churches Measure 2018. (See end of Document for details)

- (2) The monuments in relation to which a power to grant a faculty under this section is exercisable include a monument erected under or affected by a faculty, whenever granted.
- (3) If the court is satisfied that the matter is of such urgency that it would not be reasonable to require the petitioner to seek the consent of the owner of the monument or to take the steps referred to in subsection (1)(b), it may grant the faculty (even though the consent has not been obtained and those steps have not been taken).
- (4) “Monument” includes a tomb, gravestone or other memorial, and any kerb or setting forming part of it; and a reference to a monument includes a reference to a monument erected after the passing of this Measure.
- (5) “Owner”, in relation to a monument, means—
 - (a) the person who erected the monument, or
 - (b) after that person's death, the heir or heirs at law of the person or persons in whose memory the monument was erected.
- (6) The reference in subsection (1) to consecrated ground does not include a reference to a consecrated burial ground to which section 11 of the Open Spaces Act 1906 applies.
- (7) In proceedings to which section 3 of the Faculty Jurisdiction Measure 1964 applies which were pending on 1 January 2015 (the date on which the substitution of subsection (3) of that section came into force) and which are still pending on the commencement of this section, the court may exercise the power under subsection (3) of this section.
- (8) But subsection (7) of this section does not prevent the continuing application to such proceedings of subsection (3) of that section as originally enacted (which prevents the grant of a faculty affecting a monument if the owner does not consent).

67 Sale of books in a parochial library

- (1) A faculty may be granted for the sale of a book remaining in or belonging to a parochial library.
- (2) The proceeds from the sale of a book under a faculty under this section must be applied for such ecclesiastical purposes of the parish in which the library is situated as may be specified in the faculty.
- (3) Before granting a faculty under this section, the consistory court of the diocese concerned must seek advice from the advisory committee.
- (4) Any question as to whether a particular library is, or is not, a parochial library is to be determined by the Charity Commission.

Powers of court

68 Conditions etc. on grant of faculty

- (1) The conditions subject to which a faculty may be granted include in particular a condition requiring the work authorised or ordered by the faculty (or part of that work) to be carried out under the supervision of the archdeacon or another person nominated by the court granting the faculty.

Status: Point in time view as at 10/05/2018. This version of this

Changes to legislation: There are currently no known outstanding effects for the Ecclesiastical Jurisdiction and Care of Churches Measure 2018. (See end of Document for details)

- (2) In the case of a faculty authorising the disposal of an article, the conditions subject to which the faculty may be granted include in particular a condition requiring a specified period to elapse before the disposal takes place.
- (3) Where the court grants a faculty to a person other than an archdeacon and considers that the work authorised or ordered by the faculty should be carried out (whether or not by that person), it may also order—
 - (a) that, in default of that person carrying out the work, a faculty is to be granted to the archdeacon authorising him or her to carry out the work, and
 - (b) that, in that event, the expenses incurred by the archdeacon in carrying out the work are to be paid by that person.

69 Costs orders against person responsible for act or default

- (1) This section applies if, in proceedings brought by a person for obtaining a faculty, it appears to the court that another person who is party to the proceedings was responsible wholly or partly for an act or default in consequence of which the proceedings were brought.
- (2) The court may order the whole or part of the costs and expenses of or consequent on the proceedings to be paid by the person responsible.
- (3) The costs and expenses which may be included in an order under this section include costs and expenses incurred in carrying out any work authorised or ordered by the faculty, so far as such costs and expenses have been occasioned by the act or default concerned.
- (4) The court may make an order under this section only if it is satisfied that the proceedings were brought no later than six years after the act or default was committed.

70 Special citation to add party to proceedings

- (1) In proceedings for obtaining a faculty, the court may issue a special citation to add as a party to the proceedings a person alleged to be responsible wholly or in part for an act or default in consequence of which the proceedings were brought, even if the person lives outside the diocese concerned.

- (3) The court may issue a citation under this section only if it is satisfied that the proceedings were brought no later than six years after the act or default was committed.
- (4) A failure to comply without a reasonable excuse with a requirement of a special citation issued by the court under this section is a contempt of that court.

71 Injunction

- (1) This section applies where at any time, whether before or after proceedings for obtaining a faculty have been brought, it appears to the consistory court of a diocese that a person intends—

- (2) A relevant act is an act in relation to a church or churchyard in the diocese or an article appertaining to a church in the diocese which would be unlawful under ecclesiastical law.
- (3) The court may issue an injunction restraining the person from committing or continuing to commit, or from causing or permitting the commission or continuance of, the relevant act.
- (4) An injunction under this section may be issued—
 - (a) on an application by the archdeacon of the archdeaconry concerned,
 - (b) on an application by any other person appearing to the court to have sufficient interest in the matter, or
 - (c) on the court's own motion.
- (5) A failure to comply without a reasonable excuse with an injunction issued by the court under this section is a contempt of that court.

72 Restoration order

- (1) This section applies where at any time, whether before or after proceedings for obtaining a faculty have been brought, it appears to the consistory court of a diocese that a person—
 - (a) has committed a relevant act, or
 - (b) has caused or permitted the commission of a relevant act.
- (2) A relevant act is an act in relation to a church or churchyard in the diocese or an article appertaining to a church in the diocese which is unlawful under ecclesiastical law.
- (3) The court may make an order (a “restoration order”) requiring the person to take such steps as the court considers necessary, within such time as the court specifies, for the purpose of restoring the position so far as possible to what it was immediately before the act was committed.
- (4) A restoration order may be made—
 - (a) on an application by the archdeacon of the archdeaconry concerned,
 - (b) on an application by any other person appearing to the court to have sufficient interest in the matter, or
 - (c) on the court's own motion.
- (5) The court may make a restoration order only if it is satisfied that the proceedings for the order were brought no later than six years after the relevant act was committed.
- (6) A failure to comply without a reasonable excuse with a restoration order made by the court under this section is a contempt of that court.

73 Sections 69, 70 and 72: deliberate concealment of facts

- (1) This section applies where, in proceedings brought by an archdeacon for obtaining a faculty or for a restoration order, a fact relevant to the bringing of the proceedings has been deliberately concealed from him or her.

Status: Point in time view as at 10/05/2018. This version of this

Measure contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Ecclesiastical Jurisdiction and Care of Churches Measure 2018. (See end of Document for details)

- (2) The period of six years referred to in each of sections 69(4), 70(3) and 72(5) does not begin to run until the time when the archdeacon discovered the concealment or could with reasonable diligence have discovered it.
- (3) A deliberate commission of a breach of duty in circumstances in which it is unlikely to be discovered for some time amounts for the purposes of this section to deliberate concealment of the facts involved in the breach of duty.

Role of archdeacon

74 Exercise of faculty jurisdiction

- (1) The archdeacon of every archdeaconry in a diocese is to exercise the jurisdiction of the consistory court of the diocese in such faculty matters relating to the archdeaconry, to such extent and in such manner as rules may specify.
- (2) An archdeacon who exercises jurisdiction under subsection (1) may grant a faculty in any cause of faculty to be considered by him or her which is unopposed.
- (3) A faculty granted by an archdeacon under subsection (2) has effect as if it had been granted by the chancellor of the diocese.
- (4) Subsection (5) applies where, in a cause of faculty to be considered by an archdeacon—
 - (a) he or she declines to grant a faculty,
 - (b) he or she considers that the matter should be dealt with as a matter of urgency without reference to the advisory committee for advice under section 79(2), or
 - (c) the grant of the faculty is opposed.
- (5) The archdeacon must cause the matter to be referred to the chancellor of the diocese for him or her to deal with it.
- (6) This section does not give an archdeacon power—
 - (a) to order a person to pay costs or expenses,
 - (b) to issue an injunction or make a restoration order, or
 - (c) to grant an interim faculty pending the final determination of the matter.
- (7) Where an archdeacon considers that a question arises as to the payment of costs or expenses, the issue of an injunction, the making of a restoration order or the grant of an interim faculty, the archdeacon must cause the matter to be referred to the chancellor of the diocese for him or her to deal with it.

75 Grant of licence for temporary minor re-ordering

- (1) The archdeacon of every archdeaconry may grant a licence authorising, without a faculty, the minor re-ordering of a church in his or her archdeaconry for a temporary period to such extent and in such manner as rules may specify.
- (2) The archdeacon may amend or revoke a licence granted under this section in relation to the archdeaconry.

76 Convening meeting in a case of default

- (1) Where it appears to an archdeacon that something has been done in a parish in the archdeaconry which ought not to have been done without a faculty, the archdeacon may convene an extraordinary meeting of the PCC, or an extraordinary parochial church meeting, in order to discuss the matter.
- (2) The archdeacon must either take the chair or appoint a person to chair the meeting.
- (3) The chair of the meeting, unless otherwise entitled to attend the meeting, is not entitled to vote on any resolution before the meeting.

Cases where faculty not required

77 Power to specify matters in rules

- (1) Rules may specify matters within the jurisdiction of a consistory court which may be undertaken without a faculty; but this is subject to subsection (7).
- (2) The rules may specify conditions which may be imposed on the undertaking of such a matter; and different conditions may be specified in relation to different matters.
- (3) The conditions may in particular include—
 - (a) a condition that the archdeacon is consulted on the proposal to undertake the matter and that it may be undertaken without a faculty only if the archdeacon gives notice in writing that it may be undertaken without a faculty, and
 - (b) a condition that, if the archdeacon gives notice as mentioned in paragraph (a), the archdeacon may make the undertaking of the matter subject to such additional conditions as he or she may specify in the notice.
- (4) The rules may require that, where the archdeacon is consulted as mentioned in subsection (3)(a), he or she must seek the advice of the advisory committee or such of its members or officers as he or she thinks fit before deciding whether to give notice as mentioned in subsection (3)(a).
- (5) Where the archdeacon decides not to give notice as mentioned in subsection (3)(a)—
 - (a) the decision must be recorded in writing, and
 - (b) the matter in question may not be undertaken without a faculty.
- (6) Where the archdeacon is the incumbent or priest in charge of the benefice in which it is proposed to undertake the matter, references in subsections (3) to (5) to the archdeacon are to be read as references to the chancellor.
- (7) Subsection (1) does not apply to the following matters—
 - (a) works which involve alteration to or the extension of a listed building to such an extent as would be likely to affect its character as a building of special architectural or historic interest;

- (11) Section 62(5) (which defines references to partial demolition in relation to a church) applies for the purposes of this section in relation to any building.

78 Power of chancellor to specify matters

- (1) The chancellor of a diocese may by order provide that a matter specified in the order may be undertaken without a faculty (in addition to the matters that are specified in rules by virtue of section 77(1)).
- (2) An order under subsection (1)—
 - (a) may specify a matter only if it could be specified in rules by virtue of section 77(1);
 - (b) may specify such conditions as may be specified in rules by virtue of section 77(2);
 - (c) may apply to the whole or a specified part of the diocese.
- (3) Where the chancellor of a diocese considers that there are special circumstances affecting a parish or church, churchyard or other building or place in the diocese which justify doing so, he or she may by order provide that a matter specified in the order may not be undertaken without a faculty even though it is a matter that is specified by virtue of section 77(1).
- (4) The chancellor of a diocese must seek the advice of the advisory committee before making an order under subsection (1) or (3), unless he or she is satisfied that the matter is sufficiently urgent to justify making an order without obtaining the committee's advice.
- (5) The chancellor of a diocese must send each order he or she makes under subsection (1) or (3) to the registrar of the diocese; and the registrar must file each order in the diocesan registry.

Status: Point in time view as at 10/05/2018. This version of this Measure contains provisions that are not valid for this point in time.

Supplementary

79 Consultation with advisory committee

- (1) The chancellor of a diocese must seek the advice of the advisory committee before making a final determination in proceedings for obtaining a faculty, issuing a permanent injunction under section 71 or making a restoration order unless—
 - (a) the action proposed relates exclusively to exhumation or the reservation of a grave space, or
 - (b) the chancellor is satisfied that the matter is sufficiently urgent to justify granting a faculty, issuing an injunction or making a restoration order without obtaining the committee's advice.
- (2) An archdeacon must seek the advice of the advisory committee before making a final determination in proceedings for obtaining a faculty, unless the action proposed relates exclusively to exhumation or the reservation of a grave space.
