2018 No. 3

## PART 4

### FACULTY JURISDICTION

#### *Subject-matter of faculty*

#### **61 Vesting of privately owned parts of church**

- (1) The consistory court of a diocese may grant a faculty to vest a building forming part of, and physically connected with, a church in the diocese in the person in whom the church is vested.
- (2) Proceedings for obtaining a faculty under this section may be brought only by—
  - (a) the incumbent of the benefice to which the parish in which the church is situated belongs, or
  - (b) the PCC for that parish.
- (3) The court may grant a faculty under this section only if it is satisfied of the following four matters.
- (4) The first matter is that—
  - (a) the person in whom the church is vested is not the owner entitled to possession of the building, or
  - (b) there is reasonable doubt as to who has a right of ownership or possession over the building.
- (5) The second matter is that the incumbent or PCC, or some other person, has taken all reasonable steps since, or shortly before, the commencement of the proceedings to communicate with every person who may reasonably be supposed to have a right of ownership or possession (whether absolute or limited) over the building.

*Status: Point in time view as at 01/09/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Ecclesiastical Jurisdiction and Care of Churches Measure 2018. Cross Heading: Subject-matter of faculty. (See end of Document for details)*

- (6) The third matter is that—
- (a) despite the steps mentioned in subsection (5) being taken, there has been no communication with any such person as is mentioned in that subsection, or
  - (b) every such person with whom communication has been made and who, on reasonable grounds, claims a right of ownership or possession over the building consents to the grant of the faculty.
- (7) The fourth matter is that, during the seven years immediately before the commencement of the proceedings, no works of repair, redecoration or reconstruction have been carried out on the building by or on behalf of a person claiming title to the building that is adverse to the title of the person in whom the church is vested.
- (8) In proceedings for obtaining a faculty under this section, the court may appoint a solicitor to represent all the persons, known or unknown, who—
- (a) may have a right of ownership or possession over the building, but
  - (b) are not represented.
- (9) The proper costs of a solicitor appointed under subsection (8) in the proceedings are to be paid by the person bringing the proceedings, unless the court orders otherwise.
- (10) Where a faculty is granted under this section, the building specified in it is, by virtue of the faculty itself and without any further or other assurance or conveyance, to vest in the person in whom the church is vested as part of the church for all purposes; and any rights of property of any other person in the building terminate on the grant of the faculty.
- (11) The reference in subsection (8) to a solicitor includes a reference to a body which—
- (a) is recognised under section 9 of the Administration of Justice Act 1985, or
  - (b) holds a licence in force under Part 5 of the Legal Services Act 2007.

  - (b) the person bringing the proceedings has obtained the written consent of the bishop of the diocese.
- (3) A court may grant a faculty for the partial demolition of a church if—
  - (a) the court is satisfied that the part of the church left standing will be used for public worship according to the rites and ceremonies of the Church of England for a substantial period after the demolition, and
  - (b) the person bringing the proceedings has obtained the written consent of the bishop of the diocese.

- (5) A reference in this section to the partial demolition of a church—
  - (a) is a reference to removal of such part of the church as would, in the opinion of the court, significantly affect its external appearance, and

  - (a) the demolition is urgently necessary in the interests of health or safety or for the preservation of the church,
  - (b) it is not practicable to secure health or safety or (as the case may be) the preservation of the church by works of repair or works for affording temporary support or shelter, and
  - (c) the works to be carried out are limited to the minimum measures immediately necessary.
- (2) An instrument under this section may require the person to whom it is issued (subject to the person obtaining any faculty required) to carry out such works for the restoration of the church following its demolition or partial demolition as the instrument may specify.
- (3) In the case of partial demolition of a church which is a listed building or is in a conservation area, an instrument under this section must require the person to whom it is issued, as soon as practicable after the works have been carried out, to give the local planning authority notice in writing describing the works.
- (4) Where the chancellor of a diocese issues an instrument under this section, he or she must send a copy of the instrument to—
  - (a) the Church Buildings Council, and
  - (b) the local planning authority.
- (5) “Listed building” and “conservation area” each have the same meaning as in the Planning (Listed Buildings and Conservation Areas) Act 1990 (see section 91 of that Act); and “local planning authority”, in relation to an area, means the body exercising the functions of the local planning authority under section 8 of that Act in that area.

  - (b) cannot be found after reasonable efforts to find him or her have been made.
- (2) The monuments in relation to which a power to grant a faculty under this section is exercisable include a monument erected under or affected by a faculty, whenever granted.
