This Order, which comes into force on 1st February 2006, reduces the range of products that are required to bear duty stamps. It amends paragraph 1(3) of Schedule 2A to the [Alcoholic Liquor Duties Act 1979\(c.4\)](#) so that the Schedule only applies to spirits, wine, and made-wine, of a strength of 30 per cent alcohol by volume or more, whereas it had previously applied to all spirits, as well as wine or made-wine of a strength exceeding 22 per cent alcohol by volume.

A full regulatory impact assessment of duty stamps was published on 8 April 2004. An update to this document which assesses the effect of the Duty Stamps Regulations 2006 (S.I. 2006/) and the changes made by this Order, on the costs to business was published in December 2005 and is available from:
