(7) The register (including the entries cancelled when institutions are removed from the register) shall be open to public inspection at all reasonable times.

(8) Where any information contained in the register is not in documentary form, paragraph (7) shall be construed as requiring the information to be available for public inspection in legible form at all reasonable times.

(3) If there is an appeal to the Tribunal against any decision of the Commission to enter an institution in the register, or not to remove an institution from the register, then until the Commission is satisfied whether the decision of the Commission is or is not to stand, the entry in the register shall be maintained, but shall be in suspense and marked to indicate that it is in suspense.

(4) For the purposes of paragraph (1) an institution shall be deemed not to be on the register during any period when the entry relating to it is in suspense under paragraph (3).

(5) Any question affecting the registration or removal from the register of an institution may, notwithstanding that it has been determined by a decision on appeal under Schedule 3, be considered afresh by the Commission and shall not be concluded by that decision, if it appears to the Commission that there has been a change of circumstances or that the decision is inconsistent with a later judicial decision.

Status of registered charity to appear on official publications etc.

- (i) is the same as, or
 - (ii) is in the opinion of the Commission too like,
- the name, at the time when the registered name was entered in the register in respect of the charity, of any other charity (whether registered or not);
- (b) the name of the charity is in the opinion of the Commission likely to mislead the public as to the true nature—
 - (i) of the purposes of the charity as set out in its trusts, or
 - (ii) of the activities which the charity carries on under its trusts in pursuit of those purposes;
 - (c) the name of the charity includes any word or expression for the time being specified in regulations made by the Department and the inclusion in its name of that word or expression is in the opinion of the Commission likely to mislead the public in any respect as to the status of the charity;
 - (d) the name of the charity is in the opinion of the Commission likely to give the impression that the charity is connected in some way with a government department or any district council, or with any other body of persons or any individual, when it is not so connected; or
 - (e) the name of the charity is in the opinion of the Commission offensive;

and in this paragraph any reference to the name of a charity is, in relation to a registered charity, a reference to the name by which it is registered.

(3) Any direction given by virtue of paragraph (2)(a) must be given within 12 months of the time when the registered name was entered in the register in respect of the charity.

(4) Any direction given under this Article with respect to a charity shall be given to the charity trustees; and on receiving any such direction the charity trustees shall give effect to it notwithstanding anything in the trusts of the charity.

(5) Where the name of any charity is changed under this Article, then (without prejudice to Article 19(3)) it shall be the duty of the charity trustees forthwith to notify the Commission of the charity's new name and of the date on which the change occurred.

(6) A change of name by a charity under this Article does not affect any rights or obligations of the charity; and any legal proceedings that might have been continued or commenced by or against it in its former name may be continued or commenced by or against it in its new name.

(7) Article 36(3) of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (minor variations in names to be disregarded) shall apply for the purposes of this Article as if the reference to Article 36(1)(c) of that Order were a reference to paragraph (2)(a) above.

(8) Any reference in this Article to the charity trustees of a charity shall, in relation to a charity which is a company, be read as a reference to the directors of the company.

Effect of direction under Article 22 where charity is a company

23.—(1) Where any direction is given under Article 22 with respect to a charity which is a company, the direction shall be taken to require the name of the charity to be changed by resolution of the directors of the company.

(2) Article 388 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (registration etc. of resolutions and agreements) shall apply to any resolution passed by the directors in compliance with any such direction.

(3) Where the name of such a charity is changed in compliance with any such direction, the registrar of companies—

- (a) shall, subject to Article 36 of the Companies (Northern Ireland) Order 1986 (prohibition on registration of certain names), enter the new name on the register of companies in place of the former name, and
- (b) shall issue a certificate of incorporation altered to meet the circumstances of the case; and the change of name has effect from the date on which the altered certificate is issued.

PART V

INFORMATION POWERS

General power to institute inquiries

24.—(1) The Commission may institute inquiries with regard to charities or a particular charity or class of charities, either generally or for particular purposes.

(2) The Commission may either conduct such an inquiry or appoint a person to conduct it and make a report to the Commission.

(3) For the purposes of any such inquiry the Commission, or a person appointed by the Commission to conduct it, may direct any person (subject to the provisions of this Article)—

- (a) to furnish accounts and statements in writing with respect to any matter in question at the inquiry, being a matter on which he has or can reasonably obtain information, or to return answers in writing to any questions or inquiries addressed to him on any such matter, and to verify any such accounts, statements or answers by statutory declaration;
- (b) to furnish copies of documents in his custody or under his control which relate to any matter in question at the inquiry, and to verify any such copies by statutory declaration;
- (c) to attend at a specified time and place and give evidence or produce any such documents.

(4) For the purposes of any such inquiry evidence may be taken on oath, and the person conducting the inquiry may for that purpose administer oaths, or may instead of administering an oath require the person examined to make and subscribe a declaration of the truth of the matters about which he is examined.

(5) The Commission may pay to any person the necessary expenses of his attendance to give evidence or produce documents for the purpose of an inquiry under this Article, and a person shall not be required in obedience to a direction under sub-paragraph (c) of paragraph (3) to go more than 10 miles from his place of residence unless those expenses are paid or tendered to him.

(6) Where an inquiry has been held under this Article, the Commission may either—

- (a) cause the report of the person conducting the inquiry, or such other statement of the results of the inquiry as the Commission thinks fit, to be printed and published, or
- (b) publish any such report or statement in some other way which is calculated in the Commission's opinion to bring it to the attention of persons who may wish to make representations to the Commission about the action to be taken.

Power to call for documents and search records

25.—(1) The Commission may by order—

- (a) require any person to furnish the Commission with any information in his possession which relates to any charity and is relevant to the discharge of the Commission's functions or of the functions of the official custodian;

(b) require any person who has in his custody or under his control any document which relates to any charity and is relevant to the discharge of the Commission's functions or of the functions of the official custodian—

- (i) to furnish the Commission with a copy of or extract from the document, or
- (ii) (unless the document forms part of the records or other documents of a court or of a public or local authority) to transmit the document itself to the Commission for its inspection.

(2) Any member of staff of the Commission, if so authorised by it, shall be entitled without payment to inspect and take copies of or extracts from the records or other documents of any court, or of any public registry or office of records, for any purpose connected with the discharge of the functions of the Commission or of the official custodian.

(3) The Commission shall be entitled without payment to keep any copy or extract furnished to it under paragraph (1), and where a document transmitted to the Commission under that paragraph for it to inspect relates only to one or more charities and is not held by any person entitled as trustee or otherwise to the custody of it, the Commission may keep it or may deliver it to the charity trustees or to any other person who may be so entitled.

(4) The rights conferred by paragraph (2) shall, in relation to information recorded otherwise than in legible form, include the right to require the information to be made available in legible form for inspection or for a copy or extract to be made of or from it.

(5) In paragraph (2) the reference to a member of the staff of the Commission includes the official custodian even if he is not a member of the staff of the Commission.

Disclosure of information by and to the Commission

26.—(1) The Commission may disclose any information to any public body or office-holder (in Northern Ireland, in any other part of the United Kingdom or in a country or territory outside the United Kingdom)—

- (a) for any purpose connected with the exercise of the Commission's functions, or
- (b) for the purpose of enabling or assisting the public body or office-holder to exercise any functions.

(2) Any person to whom this paragraph applies may disclose any information to the Commission for the purpose of enabling or assisting it to exercise any functions.

(3) Paragraph (2) applies to—

- (a) any Northern Ireland authority,
- (b) the Northern Ireland Assembly Commission,
- (c) any district council,
- (d) any constable, and
- (e) any other public authority whose functions are exercisable only or mainly in or as regards Northern Ireland and relate only or mainly to transferred matters.

(4) In paragraph (3)(a) "Northern Ireland authority" means the First Minister, the deputy First Minister, a Northern Ireland Minister or a Northern Ireland department.

(5) A power to disclose information under paragraph (1) or (2) is subject to any express restriction imposed by or under any other statutory provision.

(6) Where any information disclosed to the Commission under or for the purposes of any statutory provision is so disclosed subject to any express restriction on the disclosure of the information by the Commission, the Commission's power of disclosure under paragraph (1) shall, in relation to the information, be exercisable subject to any such restriction.

Supply of false or misleading information to Commission, etc.

27.—(1) Any person who knowingly or recklessly provides the Commission with information which is false or misleading in a material particular shall be guilty of an offence if the information—

- (a) is provided in purported compliance with a requirement imposed by or under this Order; or
- (b) is provided otherwise than as mentioned in sub-paragraph (a) but in circumstances in which the person providing the information intends, or could reasonably be expected to know, that it would be used by the Commission for the purpose of discharging its functions under this Order.

(2) Any person who wilfully alters, suppresses, conceals or destroys any document which he is or is liable to be required, by or under this Order, to produce to the Commission shall be guilty of an offence.

(3) Any person guilty of an offence under this Article shall be liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum;
- (b) on conviction on indictment, to imprisonment for a term not exceeding 2 years or to a fine, or both.

(4) In this Article references to the Commission include references to any person conducting an inquiry under Article 24.

PART VI

APPLICATION OF PROPERTY CY-PRÈS AND ASSISTANCE AND SUPERVISION OF CHARITIES BY COURT AND COMMISSION

Extended powers of Court and variation of charters

Occasions for applying property cy-près

28.—(1) Subject to paragraph (3), the circumstances in which the original purposes of a charitable gift can be altered to allow the property given or part of it to be applied cy-près shall be as follows—

- (a) where the original purposes, in whole or in part—
 - (i) have been as far as may be fulfilled; or
 - (ii) cannot be carried out, or not according to the directions given and to the spirit of the gift; or
- (b) where the original purposes provide a use for part only of the property available by virtue of the gift; or
- (c) where the property available by virtue of the gift and other property applicable for similar purposes can be more effectively used in conjunction, and to that end can suitably, regard being had to the appropriate considerations, be made applicable to common purposes; or
- (d) where the original purposes were laid down by reference to an area which then was but has since ceased to be a unit for some other purpose, or by reference to a class of persons or to an area which has for any reason since ceased to be suitable, regard being had to the appropriate considerations, or to be practical in administering the gift; or
- (e) where the original purposes, in whole or in part, have, since they were laid down,—
 - (i) been adequately provided for by other means; or

- (ii) ceased, as being useless or harmful to the community or for other reasons, to be in law charitable; or
- (iii) ceased in any other way to provide a suitable and effective method of using the property available by virtue of the gift, regard being had to the appropriate considerations.

(2) In paragraph (1) “the appropriate considerations” means—

- (a) (on the one hand) the spirit of the gift concerned, and
- (b) (on the other) the social and economic circumstances prevailing at the time of the proposed alteration of the original purposes.

(3) Paragraph (1) shall not affect the conditions which must be satisfied in order that property given for charitable purposes may be applied *cy-près* except in so far as those conditions require a failure of the original purposes.

(4) In authorising property comprised in a charitable gift to be applied *cy-près*, the Court or the Commission shall have power to alter—

- (a) the purposes for which the property given may be applied; and
- (b) the provisions and conditions governing the application of the property for those purposes;

so as to secure that the property is applied as beneficially as is possible, consistently with the spirit of the gift.

(5) In ascertaining the spirit of a gift for the purpose of paragraph (1)(a)(ii) or (4) the Court or the Commission may take into account the conduct, and any habits or actions, of the donor and any written or oral declarations made by him at any time in relation to the gift.

(6) References in the foregoing paragraphs to the original purposes of a gift shall be construed, where the application of the property given has been altered or regulated by a scheme or otherwise, as referring to the purposes for which the property is for the time being applicable.

(7) It is hereby declared that a trust for charitable purposes places a trustee under a duty, where the case permits and requires the property or some part of it to be applied *cy-près*, to secure its effective use for charity by taking steps to enable it to be so applied.

Application *cy-près* of gifts of donors unknown or disclaiming

29.—(1) Property given for specific charitable purposes which fail shall be applicable *cy-près* as if given for charitable purposes generally, where it belongs—

- (a) to a donor who after—
 - (i) the prescribed advertisements and inquiries have been published and made, and
 - (ii) the prescribed period beginning with the publication of those advertisements has expired,
 cannot be identified or cannot be found; or
- (b) to a donor who has executed a disclaimer in the prescribed form of his right to have the property returned.

(2) Where the prescribed advertisements and inquiries have been published and made by or on behalf of trustees with respect to any such property, the trustees shall not be liable to any person in respect of the property if no claim by him to be interested in it is received by them before the expiry of the period mentioned in paragraph (1)(a)(ii).

(3) For the purposes of this Article property shall be conclusively presumed (without any advertisement or inquiry) to belong to donors who cannot be identified, in so far as it consists—

- (a) of the proceeds of cash collections made by means of collecting boxes or by other means not adapted for distinguishing one gift from another; or
- (b) of the proceeds of any lottery, competition, entertainment, sale or similar money-raising activity, after allowing for property given to provide prizes or articles for sale or otherwise to enable the activity to be undertaken.

(4) The Court or the Commission may by order direct that property not falling within paragraph (3) shall for the purposes of this Article be treated (without any advertisement or inquiry) as belonging to donors who cannot be identified where it appears to the Court or the Commission either—

- (a) that it would be unreasonable, having regard to the amounts likely to be returned to the donors, to incur expense with a view to returning the property; or
- (b) that it would be unreasonable, having regard to the nature, circumstances and amounts of the gifts, and to the lapse of time since the gifts were made, for the donors to expect the property to be returned.

(5) Where property is applied cy-près by virtue of this Article, the donor shall be deemed to have parted with all his interest at the time when the gift was made; but where property is so applied as belonging to donors who cannot be identified or cannot be found, and is not so applied by virtue of paragraph (3) or (4)—

- (a) the scheme shall specify the total amount of that property; and
- (b) the donor of any part of that amount shall be entitled, if he makes a claim not later than 6 months after the date on which the scheme is made, to recover from the charity for which the property is applied a sum equal to that part, less any expenses properly incurred by the charity trustees after that date in connection with claims relating to his gift; and
- (c) the scheme may include directions as to the provision to be made for meeting any such claim.

(6) Where—

- (a) any sum is, in accordance with any such directions, set aside for meeting any such claims, but
- (b) the aggregate amount of any such claims actually made exceeds the relevant amount,

then, if the Commission so directs, each of the donors in question shall be entitled only to such proportion of the relevant amount as the amount of his claim bears to the aggregate amount referred to in sub-paragraph (b); and for this purpose “the relevant amount” means the amount of the sum so set aside after deduction of any expenses properly incurred by the charity trustees in connection with claims relating to the donors' gifts.

(7) For the purposes of this Article, charitable purposes shall be deemed to “fail” where any difficulty in applying property to those purposes makes that property or the part not applicable cy-près available to be returned to the donors.

(8) In this Article “prescribed” means prescribed by regulations made by the Commission; and such regulations may, as respects the advertisements which are to be published for the purposes of paragraph (1)(a), make provision as to the form and content of such advertisements as well as the manner in which they are to be published.

(9) In this Article, except in so far as the context otherwise requires, references to a donor include persons claiming through or under the original donor, and references to property given include the property for the time being representing the property originally given or property derived from it.

(10) This Article shall apply to property given for charitable purposes, notwithstanding that it was so given before the commencement of this Article.

Application cy-près of gifts made in response to certain solicitations

30.—(1) This Article applies to property given—

- (a) for specific charitable purposes, and
- (b) in response to a solicitation within paragraph (2).

(2) A solicitation is within this paragraph if—

- (a) it is made for specific charitable purposes, and
- (b) it is accompanied by a statement to the effect that property given in response to it will, in the event of those purposes failing, be applicable cy-près as if given for charitable purposes generally, unless the donor makes a relevant declaration at the time of making the gift.

(3) A “relevant declaration” is a declaration in writing by the donor to the effect that, in the event of the specific charitable purposes failing, he wishes the trustees holding the property to give him the opportunity to request the return of the property in question (or a sum equal to its value at the time of the making of the gift).

(4) Paragraphs (5) and (6) apply if—

- (a) a person has given property as mentioned in paragraph (1),
- (b) the specific charitable purposes fail, and
- (c) the donor has made a relevant declaration.

(5) The trustees holding the property must take the prescribed steps for the purpose of—

- (a) informing the donor of the failure of the purposes,
- (b) enquiring whether he wishes to request the return of the property (or a sum equal to its value), and
- (c) if within the prescribed period he makes such a request, returning the property (or such a sum) to him.

(6) If those trustees have taken all appropriate prescribed steps but—

- (a) they have failed to find the donor, or
- (b) the donor does not within the prescribed period request the return of the property (or a sum equal to its value),

Article 29(1) shall apply to the property as if it belonged to a donor within sub-paragraph (b) of that paragraph (application of property where donor has disclaimed right to return of property).

(7) If—

- (a) a person has given property as mentioned in paragraph (1),
- (b) the specific charitable purposes fail, and
- (c) the donor has not made a relevant declaration,

Article 29(1) shall similarly apply to the property as if it belonged to a donor within sub-paragraph (b) of that paragraph.

(8) For the purposes of this Article—

- (a) “solicitation” means a solicitation made in any manner and however communicated to the persons to whom it is addressed,
- (b) it is irrelevant whether any consideration is or is to be given in return for the property in question, and
- (c) where any appeal consists of both solicitations that are accompanied by statements within paragraph (2)(b) and solicitations that are not so accompanied, a person giving property

as a result of the appeal is to be taken to have responded to the former solicitations and not the latter, unless he proves otherwise.

(9) In this Article “prescribed” means prescribed by regulations made by the Commission.

(10) Paragraphs (7) and (9) of Article 29 shall apply for the purposes of this Article as they apply for the purposes of Article 29.

Cy-près schemes

31.—(1) The power of the Court or the Commission to make schemes for the application of property cy-près shall be exercised in accordance with this Article.

(2) Where any property given for charitable purposes is applicable cy-près, the Court or the Commission may make a scheme providing for the property to be applied—

- (a) for such charitable purposes, and
- (b) (if the scheme provides for the property to be transferred to another charity) by or on trust for such other charity,

as it considers appropriate, having regard to the matters set out in paragraph (3).

(3) The matters are—

- (a) the spirit of the original gift,
- (b) the desirability of securing that the property is applied for charitable purposes which are close to the original purposes, and
- (c) the need for the relevant charity to have purposes which are suitable and effective in the light of current social and economic circumstances.

The “relevant charity” means the charity by or on behalf of which the property is to be applied under the scheme.

(4) If a scheme provides for the property to be transferred to another charity, the scheme may impose on the charity trustees of that charity a duty to secure that the property is applied for purposes which are, so far as is reasonably practicable, similar in character to the original purposes.

(5) In this Article references to property given include the property for the time being representing the property originally given or property derived from it.

(6) In this Article references to the transfer of property to a charity are references to its transfer—

- (a) to the charity, or
- (b) to the charity trustees, or
- (c) to any trustee for the charity, or
- (d) to a person nominated by the charity trustees to hold it in trust for the charity,

as the scheme may provide.

Charities governed by charter

32. Where a Royal charter establishing or regulating a body corporate is amendable by the grant and acceptance of a further charter, a scheme relating to the body corporate or to the administration of property held by the body (including a scheme for the cy-près application of any such property) may be made by the Court under the Court’s jurisdiction with respect to charities notwithstanding that the scheme cannot take effect without the alteration of the charter, but shall be so framed that the scheme, or such part of it as cannot take effect without the alteration of the charter, does not purport to come into operation unless or until Her Majesty thinks fit to amend the charter in such manner as will permit the scheme or that part of it to have effect.

Powers of Commission to make schemes and act for protection of charities etc.

Concurrent jurisdiction with High Court for certain purposes

33.—(1) Subject to the provisions of this Order, the Commission may by order exercise the same jurisdiction and powers as are exercisable by the High Court in charity proceedings for the following purposes—

- (a) establishing a scheme for the administration of a charity;
- (b) appointing, discharging or removing a charity trustee or trustee for a charity, or removing an officer or employee;
- (c) vesting or transferring property, or requiring or entitling any person to call for or make any transfer of property or any payment.

(2) Where the Court directs a scheme for the administration of a charity to be established, the Court may by order refer the matter to the Commission for it to prepare or settle a scheme in accordance with such directions (if any) as the Court sees fit to give, and any such order may provide for the scheme to be put into effect by order of the Commission as if prepared under paragraph (1) and without any further order of the Court.

(3) The Commission shall not have jurisdiction under this Article to try or determine the title at law or in equity to any property as between a charity or trustee for a charity and a person holding or claiming the property or an interest in it adversely to the charity, or to try or determine any question as to the existence or extent of any charge or trust.

(4) Subject to the following paragraphs, the Commission shall not exercise its jurisdiction under this Article as respects any charity, except—

- (a) on the application of the charity; or
- (b) on an order of the Court under paragraph (2); or
- (c) on the application of the Attorney General.

(5) In the case of a charity whose gross income does not in aggregate exceed £500 a year, the Commission may exercise its jurisdiction under this Article on the application—

- (a) of any one or more of the charity trustees; or
- (b) of any person interested in the charity.

(6) Where, in the case of a charity, the Commission is satisfied that the charity trustees ought in the interests of the charity to apply for a scheme, but have unreasonably refused or neglected to do so and the Commission has given the charity trustees an opportunity to make representations to it, the Commission may proceed as if an application for a scheme had been made by the charity but the Commission shall not have power in a case where it acts by virtue of this paragraph to alter the purposes of a charity, unless 40 years have elapsed from the date of its foundation.

(7) Where—

- (a) a charity cannot apply to the Commission for a scheme by reason of any vacancy among the charity trustees or the absence or incapacity of any of them, but
- (b) such an application is made by such number of the charity trustees as the Commission considers appropriate in the circumstances of the case,

the Commission may nevertheless proceed as if the application were an application made by the charity.

(8) The Commission may on the application of any charity trustee or trustee for a charity exercise its jurisdiction under this Article for the purpose of discharging him from his trusteeship.

(9) Before exercising any jurisdiction under this Article otherwise than on an order of the Court, the Commission shall give notice of its intention to do so to each of the charity trustees, except any

that cannot be found or has no known address or who is party or privy to an application for the exercise of the jurisdiction; and any such notice may be given by post and, if given by post, may be addressed to the recipient's last known address.

(10) The Commission shall not exercise its jurisdiction under this Article in any case (not referred to the Commission by order of the Court) which, by reason of its contentious character, or of any special question of law or of fact which it may involve, or for other reasons, the Commission may consider more fit to be adjudicated on by the Court.

(11) If the Department thinks it expedient to do so—

- (a) in consequence of changes in the value of money, or
- (b) with a view to increasing the number of charities in respect of which the Commission may exercise its jurisdiction under this Article in accordance with paragraph (5),

it may by order amend that paragraph by substituting a different sum for the sum for the time being specified there.

Further powers to make schemes or alter application of charitable property

34.—(1) Where it appears to the Commission that a scheme should be established for the administration of a charity, but also that it is necessary or desirable for the scheme to alter the provision made by an Act of the Parliament of the United Kingdom or Northern Ireland legislation establishing or regulating the charity or to make any other provision which goes or might go beyond the powers exercisable by the Commission apart from this Article, or that it is for any reason proper for the scheme to be subject to review by the Assembly, then (subject to paragraph (6)) the Commission may settle a scheme accordingly with a view to its being given effect under this Article.

(2) A scheme settled by the Commission under this Article may be given effect by order of the Department, and a draft of the order shall be laid before the Assembly.

(3) In the case of a scheme which goes beyond the powers exercisable apart from this Article in altering a statutory provision contained in or having effect under any public general Act of Parliament of the United Kingdom or Northern Ireland legislation, the order shall not be made unless the draft has been approved by resolution of the Assembly.

(4) Subject to paragraph (5), any provision of a scheme brought into effect under this Article may be modified or superseded by the Court or the Commission as if it were a scheme brought into effect by order of the Commission under Article 33.

(5) Where paragraph (3) applies to a scheme, the order giving effect to it may direct that the scheme shall not be modified or superseded by a scheme brought into effect otherwise than under this Article, and may also direct that that paragraph shall apply to any scheme modifying or superseding the scheme to which the order gives effect.

(6) The Commission shall not proceed under this Article without the like application and the like notice to the charity trustees, as would be required if it was proceeding (without an order of the Court) under Article 33; but on any application for a scheme, or in a case where it acts by virtue of paragraph (6) or (7) of that Article, the Commission may proceed under this Article or that Article as appears to it appropriate.

(7) Notwithstanding anything in the trusts of a charity, no expenditure incurred in preparing or promoting a Bill in the Parliament of the United Kingdom or an Act of the Assembly shall without the consent of the Court or the Commission be defrayed out of any moneys applicable for the purposes of a charity.

(8) Where the Commission is satisfied—

- (a) that the whole of the income of a charity cannot in existing circumstances be effectively applied for the purposes of the charity; and

(b) that, if those circumstances continue, a scheme might be made for applying the surplus cy-près; and

(c) that it is for any reason not yet desirable to make such a scheme;

then the Commission may by order authorise the charity trustees at their discretion (but subject to any conditions imposed by the order) to apply any accrued or accruing income for any purposes for which it might be made applicable by such a scheme, and any application authorised by the order shall be deemed to be within the purposes of the charity.

(9) An order under paragraph (8) shall not extend to more than £300 out of income accrued before the date of the order, not to income accruing more than 3 years after that date, nor to more than £100 out of the income accruing in any of those 3 years.

(10) In this Article “Northern Ireland legislation” has the meaning given in section 24(5) of the Interpretation Act 1978 (c. 30).

Power to act for protection of charities

35.—(1) Where, at any time after it has instituted an inquiry under Article 24 with respect to any charity, the Commission is satisfied—

(a) that there is or has been any misconduct or mismanagement in the administration of the charity; or

(b) that it is necessary or desirable to act for the purpose of protecting the property of the charity or securing a proper application for the purposes of the charity of that property or of property coming to the charity,

the Commission may of its own motion do one or more of the following things—

(i) by order suspend any trustee, charity trustee, officer, agent or employee of the charity from the exercise of his office or employment pending consideration being given to his removal (whether under this Article or otherwise);

(ii) by order appoint such number of additional charity trustees as it considers necessary for the proper administration of the charity;

(iii) by order vest any property held by or in trust for the charity in the official custodian, or require the persons in whom any such property is vested to transfer it to him, or appoint any person to transfer any such property to him;

(iv) order any person who holds any property on behalf of the charity, or of any trustee for it, not to part with the property without the approval of the Commission;

(v) order any debtor of the charity not to make any payment in or towards the discharge of his liability to the charity without the approval of the Commission;

(vi) by order restrict (notwithstanding anything in the trusts of the charity) the transactions which may be entered into, or the nature or amount of the payments which may be made, in the administration of the charity without the approval of the Commission;

(vii) by order appoint (in accordance with Article 36) an interim manager, who shall act as receiver and manager in respect of the property and affairs of the charity.

(2) Where, at any time after it has instituted an inquiry under Article 24 with respect to any charity, the Commission is satisfied—

(a) that there is or has been any misconduct or mismanagement in the administration of the charity; and

(b) that it is necessary or desirable to act for the purpose of protecting the property of the charity or securing a proper application for the purposes of the charity of that property or of property coming to the charity,

the Commission may of its own motion do either or both of the following things—

- (i) by order remove any trustee, charity trustee, officer, agent or employee of the charity who has been responsible for or privy to the misconduct or mismanagement or has by his conduct contributed to it or facilitated it;
- (ii) by order establish a scheme for the administration of the charity.

(3) The references in paragraphs (1) or (2) to misconduct or mismanagement shall (notwithstanding anything in the trusts of the charity) extend to the employment for the remuneration or reward of persons acting in the affairs of the charity, or for other administrative purposes, of sums which are excessive in relation to the property which is or is likely to be applied or applicable for the purposes of the charity.

(4) The Commission may also remove a charity trustee by order made of its own motion—

- (a) where, within the last 5 years, the trustee—
 - (i) having previously been adjudged bankrupt or had his estate sequestrated, has been discharged, or
 - (ii) having previously made a composition or arrangement with, or granted a trust deed for, his creditors, has been discharged in respect of it;
- (b) where the trustee is a corporation in liquidation;

- (e) where the trustee is outside Northern Ireland or cannot be found or does not act, and his absence or failure to act impedes the proper administration of the charity.

(5) The Commission may by order made of its own motion appoint a person to be a charity trustee—

- (a) in place of a charity trustee removed by the Commission under this Article or otherwise;
- (b) where there are no charity trustees, or where by reason of vacancies in their number or the absence or incapacity of any of their number the charity cannot apply for the appointment;
- (c) where there is a single charity trustee, not being a corporation aggregate, and the Commission is of opinion that it is necessary to increase the number for the proper administration of the charity;
- (d) where the Commission is of opinion that it is necessary for the proper administration of the charity to have an additional charity trustee because one of the existing charity trustees who ought nevertheless to remain a charity trustee either cannot be found or does not act or is outside Northern Ireland.

(6) The powers of the Commission under this Article to remove or appoint charity trustees of its own motion shall include power to make any such order with respect to the vesting in or transfer to the charity trustees of any property as the Commission could make on the removal or appointment of a charity trustee by it under Article 33.

(7) Any order under this Article for the removal or appointment of a charity trustee or trustee for a charity, or for the vesting or transfer of any property, shall be of the like effect as an order made under Article 33.

(8) The power of the Commission to make an order under paragraph (1)(i) shall not be exercisable so as to suspend any person from the exercise of his office or employment for a period of more than 12 months; but (without prejudice to the generality of Article 175(1), any such order made in the case of any person may make provision as respects the period of his suspension for matters arising out of it, and in particular for enabling any person to execute any instrument in his name or otherwise

act for him and, in the case of a charity trustee, for adjusting any rules governing the proceedings of the charity trustees to take account of the reduction in the number capable of acting.

(9) Before exercising any jurisdiction under this Article otherwise than by virtue of paragraph (1), the Commission shall give notice of its intention to do so to each of the charity trustees, except any that cannot be found or has no known address; and any such notice may be given by post and, if given by post, may be addressed to the recipient's last known address.

(10) The Commission shall, at such intervals as it thinks fit, review any order made by it under paragraph (i), or any of paragraphs (iii) to (vii), of paragraph (1); and, if on any such review it appears to the Commission that it would be appropriate to discharge the order in whole or in part, the Commission shall so discharge it (whether subject to any savings or other transitional provisions or not).

(11) If any person contravenes an order under paragraph (1)(iv), (v) or (vi), he shall be guilty of an offence under this Order and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(12) Paragraph (11) shall not be taken to preclude the bringing of proceedings for breach of trust against any charity trustee or trustee for a charity in respect of a contravention of an order under paragraph (1)(iv) or (vi) (whether proceedings in respect of the contravention are brought against him under paragraph (11) or not).

(3) Where the official custodian is discharged from his trusteeship of any property, or the trusts on which he holds any property come to an end, the Court may make such vesting orders and give such directions as may seem to the Court to be necessary or expedient in consequence.

(4) No person shall be liable for any loss occasioned by his acting in conformity with an order under this Article or by his giving effect to anything done in pursuance of such an order, or be excused from so doing by reason of the order having been in any respect improperly obtained.

Supplementary provisions as to property vested in official custodian

44.—(1) Subject to the provisions of this Order, where property is vested in the official custodian in trust for a charity, he shall not exercise any powers of management, but he shall as trustee of any property have all the same powers, duties and liabilities, and be entitled to the same rights and immunities, and be subject to the control and orders of the court, as the Department may by regulations prescribe.

(2) Subject to paragraph (3), where any land is vested in the official custodian in trust for a charity, the charity trustees shall have power in his name and on his behalf to execute and do all

assurances and things which they could properly execute or do in their own name and on their own behalf if the land were vested in them.

(3) If any land is so vested in the official custodian by virtue of an order under Article 35, the power conferred on the charity trustees by paragraph (2) shall not be exercisable by them in relation to any transaction affecting the land, unless the transaction is authorised by order of the Court or of the Commission.

(4) Where any land is vested in the official custodian in trust for a charity, the charity trustees shall have the like power to make obligations entered into by them binding on the land as if it were vested in them; and any covenant, agreement or condition which is enforceable by or against the custodian by reason of the land being vested in him shall be enforceable by or against the charity trustees as if the land were vested in them.

(5) In relation to a corporate charity, paragraphs (2), (3) and (4) shall apply with the substitution of references to the charity for references to the charity trustees.

(6) Paragraphs (2), (3) and (4) shall not authorise any charity trustees or charity to impose any personal liability on the official custodian.

(7) Where the official custodian is entitled as trustee for a charity to the custody of securities or documents of title relating to the trust property, he may permit them to be in the possession or under the control of the charity trustees without thereby incurring any liability.

Establishment of common investment or deposit funds

Schemes to establish common investment funds

45.—(1) The Court or the Commission may by order make and bring into effect schemes (in this Article referred to as “common investment schemes”) for the establishment of common investment funds under trusts which provide—

- (a) for property transferred to the fund by or on behalf of a charity participating in the scheme to be invested under the control of trustees appointed to manage the fund; and
- (b) for the participating charities to be entitled (subject to the provisions of the scheme) to the capital and income of the fund in shares determined by reference to the amount or value of the property transferred to it by or on behalf of each of them and to the value of the fund at the time of the transfers.

(2) The Court or the Commission may make a common investment scheme on the application of any two or more charities.

(3) A common investment scheme may be made in terms admitting any charity to participate, or the scheme may restrict the right to participate in any manner.

(4) A common investment scheme may provide for appropriate bodies to be admitted to participate in the scheme (in addition to the participating charities) to such extent as the trustees appointed to manage the fund may determine.

(5) In this Article “appropriate body” means—

- (a) a Scottish recognised body, or
- (b) an England and Wales charity,

and, in the application of the relevant provisions in relation to a scheme which contains provisions authorised by paragraph (4), “charity” includes an appropriate body.

“The relevant provisions” are paragraphs (1) and (6) to (8) and (in relation only to a charity within sub-paragraph (b)) paragraph (9).

(6) A common investment scheme may make provision for, and for all matters connected with, the establishment, investment, management and winding up of the common investment fund, and may in particular include provision—

- (a) for remunerating persons appointed trustees to hold or manage the fund or any part of it, with or without provision authorising a person to receive the remuneration notwithstanding that he is also a charity trustee of or trustee for a participating charity;
- (b) for restricting the size of the fund, and for regulating as to time, amount or otherwise the right to transfer property to or withdraw it from the fund, and for enabling sums to be advanced out of the fund by way of loan to a participating charity pending the withdrawal of property from the fund by the charity;
- (c) for enabling income to be withheld from distribution with a view to avoiding fluctuations in the amounts distributed, and generally for regulating distributions of income;
- (d) for enabling money to be borrowed temporarily for the purpose of meeting payments to be made out of the funds;
- (e) for enabling questions arising under the scheme as to the right of a charity to participate, or as to the rights of participating charities, or as to any other matter, to be conclusively determined by the decision of the trustees managing the fund or in any other manner;
- (f) for regulating the accounts and information to be supplied to participating charities.

(7) A common investment scheme, in addition to the provision for property to be transferred to the fund on the basis that the charity shall be entitled to a share in the capital and income of the fund, may include provision for enabling sums to be deposited by or on behalf of a charity on the basis that (subject to the provisions of the scheme) the charity shall be entitled to repayment of the sums deposited and to interest thereon at a rate determined by or under the scheme; and where a scheme makes any such provision it shall also provide for excluding from the amount of capital and income to be shared between charities participating otherwise than by way of deposit such amounts (not exceeding the amounts properly attributable to the making of deposits) as are from time to time reasonably required in respect of the liabilities of the fund for the repayment of deposits and for the interest on deposits, including amounts required by way of reserve.

(8) Except in so far as a common investment scheme provides to the contrary, the rights under it of a participating charity shall not be capable of being assigned or charged, nor shall any trustee or other person concerned in the management of the common investment fund be required or entitled to take account of any trust or other equity affecting a participating charity or its property or rights.

(9) The powers of investment of every charity shall include power to participate in common investment schemes unless the power is excluded by a provision specifically referring to common investment schemes in the trusts of the charity.

(10) A common investment fund shall be deemed for all purposes to be a charity.

(11) Paragraph (10) shall apply not only to common investment funds established under the powers of this Article, but also to any similar fund established for the exclusive benefit of charities by or under any statutory provision relating to any particular charities or class of charity.

Schemes to establish common deposit funds

46.—(1) The Court or the Commission may by order make and bring into effect schemes (in this Article referred to as “common deposit schemes”) for the establishment of common deposit funds under trusts which provide—

- (a) for sums to be deposited by or on behalf of a charity participating in the scheme and invested under the control of trustees appointed to manage the fund; and
- (b) for any such charity to be entitled (subject to the provisions of the scheme) to repayment of any sums so deposited and to interest thereon at a rate determined under the scheme.

(2) Subject to paragraph (3), the following provisions of Article 45, namely—

- (a) paragraphs (2), (3) and (6), and
- (b) paragraphs (8) to (11),

shall have effect in relation to common deposit schemes and common deposit funds as they have effect in relation to common investment schemes and common investment funds.

(3) In its application in accordance with paragraph (2), paragraph (6) of Article 45 shall have effect with the substitution for sub-paragraphs (b) and (c) of the following paragraphs—

- “(b) for regulating as to time, amount or otherwise the right to repayment of sums deposited in the fund;
- (c) for authorising a part of the income for any year to be credited to a reserve account maintained for the purpose of counteracting any losses accruing to the fund, and generally for regulating the manner in which the rate of interest on deposits is to be determined from time to time;”.

(4) A common deposit scheme may provide for appropriate bodies to be admitted to participate in the scheme (in addition to the participating charities) to such extent as the trustees appointed to manage the fund may determine.

(5) In this Article “appropriate body” means—

- (a) a Scottish recognised body, or
- (b) an England and Wales charity,

and, in the application of the relevant provisions in relation to a scheme which contains provisions authorised by paragraph (4), “charity” includes an appropriate body.

(6) “The relevant provisions” are—

- (a) paragraph (1), and
- (b) paragraphs (6) and (8) of Article 45, as they apply in accordance with paragraphs (2) and (3), and
- (c) (in relation only to a charity within paragraph (5)(b)) paragraph (9) of that Article, as it so applies.

(2) In those Articles “England and Wales charity” means an institution—

- (a) which is a charity under the law of England and Wales, and

*Additional powers of Commission***Power to authorise dealings with charity property, etc.**

48.—(1) Subject to the provisions of this Article, where it appears to the Commission that any action proposed or contemplated in the administration of a charity is expedient in the interests of the charity, the Commission may by order sanction that action, whether or not it would otherwise be within the powers exercisable by the charity trustees in the administration of the charity; and anything done under the authority of such an order shall be deemed to be properly done in the exercise of those powers.

(2) An order under this Article may be made so as to authorise a particular transaction, compromise or the like, or a particular application of property, or so as to give a more general authority, and (without prejudice to the generality of paragraph (1)) may authorise a charity to use common premises, or employ a common staff, or otherwise combine for any purpose of administration, with any other charity.

(3) An order under this Article may give directions as to the manner in which any expenditure is to be borne and as to other matters connected with or arising out of the action thereby authorised; and where anything is done in pursuance of an authority given by any such order, any directions given in connection therewith shall be binding on the charity trustees for the time being as if contained in the trusts of the charity; but any such directions may on the application of the charity be modified or superseded by a further order.

(4) Without prejudice to the generality of paragraph (3), the directions which may be given by an order under this Article shall in particular include directions for meeting any expenditure out of a specified fund, for charging any expenditure to capital or to income, for requiring expenditure charged to capital to be recouped out of income within a specified period, for restricting the costs to be incurred at the expense of the charity, or for the investment of moneys arising from any transaction.

(5) An order under this Article may authorise an act notwithstanding that the trusts of the charity provide for the act to be done by or under the authority of the Court; but no such order authorises the doing of any act expressly prohibited by any statutory provision or by the trusts of the charity or shall extend or alter the purposes of the charity.

Power to authorise ex gratia payments, etc.

49.—(1) Subject to paragraph (3), the Commission may by order exercise the same power as is exercisable by the Attorney General to authorise the charity trustees of a charity—

- (a) to make any application of property of the charity, or
- (b) to waive to any extent, on behalf of the charity, its entitlement to receive any property,

in a case where the charity trustees—

- (i) (apart from this Article) have no power to do so, but
- (ii) in all the circumstances regard themselves as being under a moral obligation to do so.

(2) The power conferred on the Commission by paragraph (1) shall be exercisable by the Commission under the supervision of, and in accordance with such directions as may be given by, the Attorney General; and any such directions may in particular require the Commission, in such circumstances as are specified in the directions—

- (a) to refrain from exercising that power; or
- (b) to consult the Attorney General before exercising it.

(3) Where—

- (a) an application is made to the Commission for it to exercise that power in a case where it is not precluded from doing so by any such directions, but
- (b) the Commission considers that it would nevertheless be desirable for the application to be entertained by the Attorney General rather than by the Commission,

the Commission shall refer the application to the Attorney General.

(4) It is hereby declared that where, in the case of any application made to the Commission as mentioned in paragraph (3)(a), the Commission determines the application by refusing to authorise charity trustees to take any action falling within paragraph (1)(a) or (b), that refusal shall not preclude the Attorney General, on an application subsequently made to him by the trustees, from authorising the trustees to take that action.

Power to give directions about dormant bank accounts of charities

50.—(1) Where the Commission—

- (a) is informed by a relevant institution—

 - (ii) that the account, or (if it so holds two or more accounts) each of the accounts, is dormant, and
- (b) is unable, after making reasonable inquiries, to locate that charity or any of its trustees,

it may give a direction under paragraph (2).

(2) A direction under this paragraph is a direction which—

- (b) requires the institution concerned to transfer to each of two or more other charities so specified in the direction such part of that amount or aggregate amount as is there specified in relation to that charity.

(3) The Commission may specify in a direction under paragraph (2) such other charity or charities as it considers appropriate, having regard, in a case where the purposes of the relevant charity are known to the Commission, to those purposes and to the purposes of the other charity or charities; but the Commission shall not so specify any charity unless it has received from the charity trustees confirmation that those trustees are willing to accept the amount proposed to be transferred to the charity.

(4) Any amount received by a charity by virtue of this Article shall be received by the charity on terms that—

- (a) it shall be held and applied by the charity for the purposes of the charity, but
- (b) it shall, as property of the charity, nevertheless be subject to any restrictions on expenditure to which it was subject as property of the relevant charity.

(5) Where—

- (a) the Commission has been informed as mentioned in paragraph (1)(a) by any relevant institution, and
- (b) before any transfer is made by the institution in pursuance of a direction under paragraph (2), the institution has, by reason of any circumstances, cause to believe that the account, or (as the case may be) any of the accounts, held by it in the name of or on behalf of the relevant charity is no longer dormant,

the institution shall forthwith notify those circumstances in writing to the Commission; and, if it appears to the Commission that the account or accounts in question is or are no longer dormant, they shall revoke any direction under paragraph (2) which has previously been given by them to the institution with respect to the relevant charity.

(6) The receipt of any charity trustees or trustee for a charity in respect of any amount received from a relevant institution by virtue of this Article shall be complete discharge of the institution in respect of that amount.

(7) No obligation as to secrecy or other restriction on disclosure (however imposed) shall preclude a relevant institution from disclosing any information to the Commission for the purpose of enabling them to discharge their functions under this Article.

(8) For the purposes of this Article—

(a) an account is dormant if no transaction, other than—

(i) a transaction consisting in a payment into the account, or

(ii) a transaction which the institution holding the account has itself caused to be effected,

has been effected in relation to the account within the period of 5 years immediately preceding the date when the Commission is informed as mentioned in sub-paragraph (a) of paragraph (1);

(b) “relevant institution” means—

(i) a person who has permission under Part 4 of the Financial Services and Markets Act 2000 (c. 8) to accept deposits,

(ii) an EEA firm of the kind mentioned in paragraph 5(b) of Schedule 3 to that Act which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12(1) of that Schedule) to accept deposits,

and this definition must be read with section 22 of and Schedule 2 to that Act and any relevant order under that section; and

(c) references to the transfer of any amount to a charity are references to its transfer—

(i) to the charity trustees, or

(ii) to any trustee for the charity,

as the charity trustees may determine (and any reference to any amount received by a charity shall be construed accordingly).

(9) For the purpose of determining the matters in respect of which any of the powers conferred by Article 24 or 25 may be exercised it shall be assumed that the Commission has no functions under this Article in relation to accounts to which this paragraph applies (with the result that, for example, a relevant institution shall not, in connection with the functions of the Commission under this Article, be required under Article 24(3)(a) to furnish any statements, or answer any question or inquiries, with respect to any such accounts held by the institution).

This paragraph applies to accounts which are dormant accounts by virtue of paragraph (8)(a) but would not be such accounts if paragraph (i) of that provision were omitted.

Power to give advice and guidance

51.—(1) The Commission may, on the application of any charity trustee or trustee for a charity, give that person its opinion or advice in relation to any matter—

(a) relating to the performance of any duties of his, as such a trustee, in relation to the charity concerned, or

(b) otherwise relating to the proper administration of the charity.

(2) A charity trustee or trustee for a charity who acts in accordance with any opinion or advice given by the Commission under paragraph (1) (whether to him or to another trustee) is to be taken, as regards his responsibility for so acting, to have acted in accordance with his trust.

(3) But paragraph (2) does not apply to a person if, when so acting, either—

- (a) he knows or has reasonable cause to suspect that the opinion or advice was given in ignorance of material facts, or
- (b) a decision of the Court or the Tribunal has been obtained on the matter or proceedings are pending to obtain one.

(4) The Commission may, in connection with its second general function mentioned in Article 10(2), give such advice or guidance with respect to the administration of charities as it considers appropriate.

(5) Any advice or guidance so given may relate to—

- (a) charities generally,
- (b) any class of charities, or
- (c) any particular charity,

and may take such form, and be given in such manner, as the Commission considers appropriate.

Power to determine membership of charity

52.—(1) The Commission may—

- (a) on the application of a charity, or
- (b) at any time after the institution of an inquiry under Article 24 with respect to a charity,

determine who are the members of the charity.

(2) The Commission's power under paragraph (1) may also be exercised by a person appointed by the Commission for the purpose.

(3) In a case within paragraph (1)(b) the Commission may, if it thinks fit, so appoint the person appointed to conduct the inquiry.

Powers for preservation of charity documents

53.—(1) The Commission may provide books in which any deed, will or other document relating to a charity may be enrolled.

(2) The Commission may accept for safe keeping any document of or relating to a charity, and the charity trustees or other persons having the custody of documents of or relating to a charity (including a charity which has ceased to exist) may with the consent of the Commission deposit them with the Commission for safe keeping, except in the case of documents required by some other statutory provision to be kept elsewhere.

(3) Where a document is enrolled by the Commission or is for the time being deposited with the Commission under this Article, evidence of its contents may be given by means of a copy certified by any member of staff of the Commission generally or specially authorised by the Commission to act for this purpose; and a document purporting to be such a copy shall be received in evidence without proof of the official position, authority or handwriting of the person certifying it or of the original document being enrolled or deposited as aforesaid.

(4) Regulations made by the Department may make provision for such documents deposited with the Commission under this Article as may be prescribed by the regulations to be destroyed or otherwise disposed of after such period or in such circumstances as may be so prescribed.

(5) Paragraphs (3) and (4) shall apply to any document transmitted to the Commission under Article 25 and kept by the Commission under paragraph (3) of that Article, as if the document had been deposited with the Commission for safe keeping under this Article.

Power to order taxation of solicitor's bill

54.—(1) The Commission may order that a solicitor's bill of costs for business done for a charity, or for charity trustees or trustees for a charity, shall be taxed, by the Master (Taxing Office).

(2) On any order under this Article for the taxation of a solicitor's bill the taxation shall proceed, and the taxing officer shall have the same powers and duties, and the costs of the taxation shall be borne, as if the order had been made, on the application of the person chargeable with the bill, by the Court.

(3) An order shall not be made under this Article for the taxation of any bill—

- (a) after the bill has been paid, unless the Commission is of opinion that the bill contains exorbitant charges; or
- (b) if the solicitor's costs are not subject to taxation on an order of the Court by reason of—
 - (i) an agreement as to his remuneration; or
 - (ii) the lapse of time since payment of the bill.

Power to enter premises

55.—(1) A lay magistrate may issue a warrant under this Article if satisfied, on a complaint by a member of the Commission's staff, that there are reasonable grounds for believing that each of the conditions in paragraph (2) is satisfied.

(2) The conditions are—

- (a) that an inquiry has been instituted under Article 24;
- (b) that there is on the premises to be specified in the warrant any document or information relevant to that inquiry which the Commission could require to be produced or furnished under Article 25(1); and
- (c) that, if the Commission were to make an order requiring the document or information to be so produced or furnished—
 - (i) the order would not be complied with, or
 - (ii) the document or information would be removed, tampered with, concealed or destroyed.

(3) A warrant under this Article is a warrant authorising the member of the Commission's staff who is named in it—

- (a) to enter and search the premises specified in it;
- (b) to take such other persons with him as the Commission considers are needed to assist him in doing anything that he is authorised to do under the warrant;
- (c) to take possession of any documents which appear to fall within paragraph (2)(b), or to take any other steps which appear to be necessary for preserving, or preventing interference with, any such documents;
- (d) to take possession of any computer disk or other electronic storage device which appears to contain information falling within paragraph (2)(b), or information contained in a document so falling, or to take any other steps which appear to be necessary for preserving, or preventing interference with, any such information;

- (e) to take copies of, or extracts from, any documents or information falling within sub-paragraph (c) or (d);
 - (f) to require any person on the premises to provide an explanation of any such document or information or to state where any such documents or information may be found;
 - (g) to require any such person to give him such assistance as he may reasonably require for the taking of copies or extracts as mentioned in sub-paragraph (e).
- (4) Entry and search under such a warrant must be at a reasonable hour and within one month of the date of its issue.
- (5) The member of the Commission's staff who is authorised under such a warrant ("the authorised person") must, if required to do so, produce—
- (a) the warrant, and
 - (b) documentary evidence that he is a member of the Commission's staff,
- for inspection by the occupier of the premises or anyone acting on his behalf.
- (6) The authorised person must make a written record of—
- (a) the date and time of his entry on the premises;
 - (b) the number of persons (if any) who accompanied him onto the premises;
 - (c) the period for which he (and any such persons) remained on the premises;
 - (d) what he (and any such persons) did while on the premises; and
 - (e) any document or device of which he took possession while there.
- (7) If required to do so, the authorised person must give a copy of the record to the occupier of the premises or someone acting on his behalf.
- (8) Unless it is not reasonably practicable to do so, the authorised person must comply with the following requirements before leaving the premises, namely—
- (a) the requirements of paragraph (6), and
 - (b) any requirement made under paragraph (7) before he leaves the premises.
- (9) Where possession of any document or device is taken under this Article—
- (a) the document may be retained for so long as the Commission considers that it is necessary to retain it (rather than a copy of it) for the purposes of the relevant inquiry under Article 24, or
 - (b) the device may be retained for so long as the Commission considers that it is necessary to retain it for the purposes of that inquiry,
- as the case may be.
- (10) Once it appears to the Commission that the retention of any document or device has ceased to be so necessary, it shall arrange for the document or device to be returned as soon as is reasonably practicable—
- (a) to the person from whose possession it was taken, or
 - (b) to any of the charity trustees of the charity to which it belonged or related.
- (11) A person who intentionally obstructs the exercise of any rights conferred by a warrant under this Article is guilty of an offence and liable on summary conviction—
- (a) to imprisonment for a term not exceeding 6 months, or
 - (b) to a fine not exceeding level 5 on the standard scale,
- or to both.

Legal proceedings relating to charities

Proceedings by Commission

56.—(1) Subject to paragraph (2), the Commission may exercise the same powers with respect to—

- (a) the taking of legal proceedings with reference to charities or the property or affairs of charities, or
- (b) the compromise of claims with a view to avoiding or ending such proceedings,

as are exercisable by the Attorney General acting ex officio.

(2) Paragraph (1) does not apply to the power of the Attorney General under Article 98(1) to present a petition for the winding up of a charity.

(3) The practice and procedure to be followed in relation to any proceedings taken by the Commission under paragraph (1) shall be the same in all respects (and in particular as regards costs) as if they were proceedings taken by the Attorney General acting ex officio.

(4) No rule of law or practice shall be taken to require the Attorney General to be a party to any such proceedings.

(5) The powers exercisable by the Commission by virtue of this Article shall be exercisable by the Commission of its own motion, but shall be exercisable only with the agreement of the Attorney General on each occasion.

Proceedings by other persons

57.—(1) Charity proceedings may be taken with reference to a charity either by the charity, or by any of the charity trustees, or by any person interested in the charity, but not by any other person.

(2) Subject to the following provisions of this Article, no charity proceedings relating to a charity shall be entertained or proceeded with in any court unless the taking of the proceedings is authorised by order of the Commission.

(3) The Commission shall not, without special reasons, authorise the taking of charity proceedings where in its opinion the case can be dealt with by the Commission under the powers of this Order other than those conferred by Article 56.

(4) This Article shall not require any order for the taking of proceedings in a pending cause or matter or for the bringing of any appeal.

(5) Where the foregoing provisions of this Article require the taking of charity proceedings to be authorised by an order of the Commission, the proceedings may nevertheless be entertained or proceeded with if, after the order had been applied for and refused, leave to take the proceedings was obtained from one of the judges of the High Court attached to the Chancery Division.

(6) Nothing in the foregoing paragraphs shall apply to the taking of proceedings by the Attorney General, with or without a relator, or to the taking of proceedings by the Commission in accordance with Article 56.

(7) Where it appears to the Commission, on an application for an order under this Article or otherwise, that it is desirable for legal proceedings to be taken with reference to any charity or its property or affairs, and for the proceedings to be taken by the Attorney General, the Commission shall so inform the Attorney General, and send him such statements and particulars as the Commission thinks necessary to explain the matter.

(8) In this Article “charity proceedings” means proceedings in any court in Northern Ireland brought under the court’s jurisdiction with respect to charities, or brought under the court’s jurisdiction with respect to trusts in relation to the administration of a trust for charitable purposes.

Report of Article 24 inquiry to be evidence in certain proceedings

58.—(1) A copy of the report of the person conducting an inquiry under Article 24 shall, if certified by the Commission to be a true copy, be admissible in any proceedings to which this Article applies—

- (a) as evidence of any fact stated in the report; and
- (b) as evidence of the opinion of that person as to any matter referred to in it.

(2) This Article applies to—

- (a) any legal proceedings instituted by the Commission under this Part; and
- (b) any legal proceedings instituted by the Attorney General in respect of a charity.

(3) A document purporting to be a certificate issued for the purposes of paragraph (1) shall be received in evidence and be deemed to be such a certificate, unless the contrary is proved.

Property held on behalf of English, Welsh and Scottish charities

Powers in relation to certain English, Welsh and Scottish charities

59.—(1) Paragraph (2) applies where the Charity Commission for England and Wales or the Scottish Charity Regulator informs the Commission that a relevant financial institution or other person in Northern Ireland holds moveable property on behalf of a body—

- (a) which is registered as a charity in England and Wales under section 3 of the Charities Act 1993 (c. 10), or which, by virtue of section 3A(2) of that Act, is not required to register as a charity under that section; or
- (b) which is registered in the Scottish Charity Register under section 3 of the [Charities and Trustee Investment \(Scotland\) Act 2005 \(asp 10\)](#).

(2) The Court may, on an application by the Charity Commission for England and Wales or the Scottish Charity Regulator, make an order requiring the relevant financial institution or other person not to part with the property without the Court's consent.

(3) An order under paragraph (2) may be made subject to conditions and may be varied or recalled.

(4) Where the Court has made an order under paragraph (2) and, on an application by the Commission, it is satisfied as to the matters set out in paragraph (5) it may transfer the property to a charity specified in the application—

- (a) which has purposes which are the same as or which resemble closely the purposes of the body whose property is transferred, and
- (b) which has intimated that it is prepared to receive the property.

(5) Those matters are—

- (a) that there has been misconduct in the administration of the body, and
- (b) that it is necessary or desirable to transfer the property for the purpose of protecting it or securing a proper application of it for the purposes of the body from which it is to be transferred.

(6) In proceedings before it under this Article in relation to a charity, the Court may, instead of awarding expenses against the charity, award expenses against a charity trustee of the charity or against any two or more of its charity trustees jointly and severally.

(7) In this Article “relevant financial institution” means—

- (a) a person who has permission under Part 4 of the Financial Services and Markets Act 2000 (c. 8) to accept deposits,

(b) an EEA firm of the kind mentioned in paragraph 5(b) of Schedule 3 to that Act which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12(1) of that Schedule) to accept deposits,
and this definition must be read with section 22 of and Schedule 2 to that Act and any relevant order under that section.

PART VII

CHARITY LAND

Interpretation of Part VII

60.—(1) In this Part—

“land” means land in Northern Ireland;

“mortgage” includes a charge; and

“rent-charge” means a periodical payment charged on land.

(2) Nothing in Article 61 or 62 applies to any disposition of land by way of mortgage or other security.

Restriction on dispositions

61.—(1) Subject to the following provisions of this Article and Article 63, no land held by or in trust for a charity shall be disposed of without an order of the Court or of the Commission.

(2) Paragraph (1) shall not apply to a disposition of such land if—

(a) the disposition is made to a person who is not—

(i) a connected person (as defined in Schedule 5), or

(ii) a trustee for, or nominee of, a connected person; and

(b) the requirements of paragraph (3) or (5) have been complied with in relation to it.

(3) Except where the proposed disposition is the granting of such a lease as is mentioned in paragraph (5), the requirements mentioned in paragraph (2)(b) are that the charity trustees must, before entering into an agreement for the disposition of the land—

(a) obtain and consider a written report on the proposed disposition from a qualified surveyor instructed by the trustees and acting exclusively for the charity;

(b) advertise the proposed disposition for such period and in such manner as the surveyor has advised in his report (unless he has there advised that it would not be in the best interests of the charity to advertise the proposed disposition); and

(c) decide that they are satisfied, having considered the surveyor’s report, that the terms on which the disposition is proposed to be made are the best that can reasonably be obtained for the charity.

(4) For the purposes of paragraph (3) a person is a qualified surveyor if—

(a) he is a fellow or professional associate of the Royal Institution of Chartered Surveyors or of the Incorporated Society of Valuers and Auctioneers or satisfies such other requirement or requirements as may be prescribed by regulations made by the Department; and

(b) he is reasonably believed by the charity trustees to have ability in, and experience of, the valuation of land of the particular kind, and in the particular area, in question;

and any report prepared for the purposes of that paragraph shall contain such information, and deal with such matters, as may be prescribed by regulations so made.

(5) Where the proposed disposition is the granting of a lease for a term ending not more than 7 years after it is granted (other than one granted wholly or partly in consideration of a fine), the requirements mentioned in paragraph (2)(b) are that the charity trustees must, before entering into an agreement for the lease—

- (a) obtain and consider the advice on the proposed disposition of a person who is reasonably believed by the trustees to have the requisite ability and practical experience to provide them with competent advice on the proposed disposition; and
- (b) decide that they are satisfied, having considered that person's advice, that the terms on which the disposition is proposed to be made are the best that can reasonably be obtained for the charity.

(6) Where—

- (a) any land is held by or in trust for a charity, and
- (b) the trusts on which it is so held stipulate that it is to be used for the purposes, or any particular purposes, of the charity,

then (subject to paragraphs (8) and (9) and without prejudice to the operation of the preceding provisions of this Article) the land shall not be disposed of unless the charity trustees have before the relevant time—

- (i) given public notice of the proposed disposition, inviting representations to be made to them within a time specified in the notice, being not less than one month from the date of the notice; and
- (ii) taken into consideration any representations made to them within that time about the proposed disposition.

(7) In paragraph (6) “the relevant time” means—

- (a) where the charity trustees enter into an agreement to dispose of the land, the time when they entered into that agreement, and
- (b) in any other case, the time of the disposition.

(8) Paragraph (6) shall not apply to any such disposition of land as is there mentioned if—

- (a) the disposition is to be effected with a view to acquiring by way of replacement other property which is to be held on the trusts referred to in sub-paragraph (b) of that paragraph; or
- (b) the disposition is the granting of a lease for a term ending not more than 2 years after it is granted (other than one granted wholly or partly in consideration of a fine).

(9) The Commission may direct—

- (a) that paragraph (6) shall not apply to dispositions of land held by or in trust for a charity or class of charities (whether generally or only in the case of a specified class of dispositions or land, or otherwise as may be provided in the direction), or
- (b) that that paragraph shall not apply to a particular disposition of land held by or in trust for a charity,

if, on an application made to the Commission in writing by or on behalf of the charity or charities in question, the Commission is satisfied that it would be in the interests of the charity or charities for the Commission to give the direction.

(10) The restrictions on disposition imposed by this Article apply notwithstanding anything in the trusts of a charity; but nothing in this Article applies—

- (a) to any disposition for which general or special authority is expressly given (without the authority being made subject to the sanction of an order of the Court) by or under any statutory provision or by any scheme legally established; or
- (b) to any disposition of land held by or in trust for a charity which—
 - (i) is made to another charity otherwise than for the best price that can reasonably be obtained, and
 - (ii) is authorised to be so made by the trusts of the first-mentioned charity; or
- (c) to the granting, by or on behalf of a charity and in accordance with its trusts, of a lease to any beneficiary under those trusts where the lease—
 - (i) is granted otherwise than for the best rent that can reasonably be obtained; and
 - (ii) is intended to enable the demised premises to be occupied for the purposes, or any particular purposes, of the charity.

Supplementary provisions relating to dispositions

62.—(1) Any of the following instruments, namely—

- (a) any contract for the sale, or for a lease or other disposition, of land which is held by or in trust for a charity, and
- (b) any conveyance, transfer, lease or other instrument effecting a disposition of such land, shall state—
 - (i) that the land is held by or in trust for a charity,
 - (ii) whether the disposition is one falling within sub-paragraph (a), (b) or (c) of paragraph (10) of Article 61, and
 - (iii) if the disposition is not one falling within any of those sub-paragraphs, that the land is land to which the restrictions on disposition imposed by that Article apply.

(2) Where any land held by or in trust for a charity is disposed of by a disposition to which paragraph (1) or (2) of Article 61 applies, the charity trustees shall certify in the instrument by which the disposition is effected—

- (a) (where paragraph (1) of that Article applies) that the disposition has been sanctioned by an order of the Court or of the Commission (as the case may be), or
- (b) (where paragraph (2) of that Article applies) that the charity trustees have power under the trusts of the charity to effect the disposition, and that they have complied with the provisions of that Article so far as applicable to it.

(3) Where paragraph (2) has been complied with in relation to any disposition of land, then in favour of a person who (whether under the disposition or afterwards) acquires an estate in the land for money or money's worth, it shall be conclusively presumed that the facts were as stated in the certificate.

(4) Where—

- (a) any land held by or in trust for a charity is disposed of by a disposition to which paragraph (1) or (2) of Article 61 applies, but
- (b) paragraph (2) has not been complied with in relation to the disposition, then in favour of a person who (whether under the disposition or afterwards) in good faith acquires an estate in the land for money or money's worth, the disposition shall be valid whether or not—

- (i) the disposition has been sanctioned by an order of the Court or of the Commission, or
- (ii) the charity trustees have power under the trusts of the charity to effect the disposition and have complied with the provisions of that Article so far as applicable to it.

- (5) Any of the following instruments, namely—
- (a) any contract for the sale, or for a lease or other disposition, of land which will, as a result of the disposition, be held by or in trust for a charity, and
 - (b) any conveyance, transfer, lease or other instrument effecting a disposition of such land,
- shall state—
- (i) that the land will, as a result of the disposition, be held by or in trust for a charity,
 - (ii) that the restrictions on disposition imposed by Article 61 will apply to the land (subject to paragraph (10) of that Article).

Release of charity rentcharges

63.—(1) Article 61(1) and Article 62 shall not apply to the release by a charity of a rentcharge which it is entitled to receive if the release is given in consideration of the payment of an amount which is not less than 9 times the annual amount of the rentcharge.

(2) Where a charity which is entitled to receive a rentcharge releases it in consideration of the payment of an amount not exceeding £500, any costs incurred by the charity in connection with proving its title to the rentcharge shall be recoverable by the charity from the person or persons in whose favour the rentcharge is being released.

(3) The Department may by order—

- (a) amend paragraph (1) by substituting a different multiplier for the multiplier for the time being specified there, or
- (b) amend paragraph (2) by substituting a different sum for the sum for the time being specified there.

Restrictions on mortgaging

64.—(1) Subject to paragraph (2), no mortgage of land held by or in trust for a charity shall be granted without an order of the Court or of the Commission.

(2) Paragraph (1) shall not apply to a mortgage of any such land if the charity trustees have, before executing the mortgage, obtained and considered proper advice, given to them in writing, on the relevant matters or matter mentioned in paragraph (3) or (4) (as the case may be).

(3) In the case of a mortgage to secure the repayment of a proposed loan or grant, the relevant matters are—

- (a) whether the loan or grant is necessary in order for the charity trustees to be able to pursue the particular course of action in connection with which they are seeking the loan or grant;
- (b) whether the terms of the loan or grant are reasonable having regard to the status of the charity as the prospective recipient of the loan or grant; and
- (c) the ability of the charity to repay on those terms the sum proposed to be paid by way of loan or grant.

(4) In the case of a mortgage to secure the discharge of any other proposed obligation, the relevant matter is whether it is reasonable for the charity trustees to undertake to discharge the obligation, having regard to the charity's purposes.

(5) Paragraph (3) or (as the case may be) paragraph (4) applies in relation to such a mortgage as is mentioned in that paragraph whether the mortgage—

- (a) would only have effect to secure the repayment of the proposed loan or grant or the discharge of the proposed obligation, or

- (b) would also have effect to secure the repayment of sums paid by way of loan or grant, or the discharge of other obligations undertaken, after the date of its execution.

(6) Paragraph (7) applies where—

- (a) the charity trustees of a charity have executed a mortgage of land held by or in trust for a charity in accordance with paragraph (2), and
- (b) the mortgage has effect to secure the repayment of sums paid by way of loan or grant, or the discharge of other obligations undertaken, after the date of its execution.

(7) In such a case, the charity trustees must not after that date enter into any transaction involving—

- (a) the payment of any such sums, or
- (b) the undertaking of any such obligations,

unless they have, before entering into the transaction, obtained and considered proper advice, given to them in writing, on the matters or matter mentioned in paragraph (3)(a) to (c) or (4) (as the case may be).

(8) For the purposes of this Article proper advice is the advice of a person—

- (a) who is reasonably believed by the charity trustees to be qualified by his ability in and practical experience of financial matters; and
- (b) who has no financial interest in relation to the loan, grant or other transaction in connection with which his advice is given;

and such advice may constitute proper advice for those purposes notwithstanding that the person giving it does so in the course of his employment as an officer or employee of the charity or of the charity trustees.

(9) This Article applies notwithstanding anything in the trusts of a charity; but nothing in this Article applies to any mortgage for which general or special authority is given as mentioned in Article 61(10)(a).

Supplementary provisions relating to mortgaging

65.—(1) Any mortgage of land held by or in trust for a charity shall state—

- (a) that the land is held by or in trust for a charity,
- (b) whether the mortgage is one falling within paragraph (9) of Article 64, and
- (c) if the mortgage is not one falling within that paragraph, that the mortgage is one to which the restrictions imposed by that Article apply.

(2) Where paragraph (1) or (2) of Article 64 applies to any mortgage of land held by or in trust for a charity, the charity trustees shall certify in the mortgage—

- (a) (where paragraph (1) of that Article applies) that the mortgage has been sanctioned by an order of the Court or of the Commission (as the case may be), or
- (b) (where paragraph (2) of that Article applies) that the charity trustees have power under the trusts of the charity to grant the mortgage, and that they have obtained and considered such advice as is mentioned in that paragraph.

(3) Where paragraph (2) has been complied with in relation to any mortgage, then in favour of a person who (whether under the mortgage or afterwards) acquires an interest in the land in question for money or money's worth, it shall be conclusively presumed that the facts were as stated in the certificate.

(4) Where—

- (a) paragraph (1) or (2) of Article 64 applies to any mortgage of land held by or in trust for a charity, but
 - (b) paragraph (2) has not been complied with in relation to the mortgage,
- then in favour of a person who (whether under the mortgage or afterwards) in good faith acquires an interest in the land for money or money's worth, the mortgage shall be valid whether or not—
- (i) the mortgage has been sanctioned by an order of the Court or of the Commission, or
 - (ii) the charity trustees have power under the trusts of the charity to grant the mortgage and have obtained and considered such advice as is mentioned in paragraph (2) of that Article.

PART VIII

CHARITY ACCOUNTS, REPORTS AND RETURNS

Duty to keep accounting records

66.—(1) The charity trustees of a charity shall ensure that accounting records are kept in respect of the charity which are sufficient to show and explain all the charity's transactions, and which are such as to—

- (a) disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and
 - (b) enable the trustees to ensure that, where any statements of accounts are prepared by them under Article 67(1), those statements of accounts comply with the requirements of regulations under that provision.
- (2) The accounting records shall in particular contain—
- (a) entries showing from day to day all sums of money received and expended by the charity, and the matters in respect of which the receipt and expenditure takes place; and
 - (b) a record of the assets and liabilities of the charity.

(3) The charity trustees of a charity shall preserve any accounting records made for the purposes of this Article in respect of the charity for at least 6 years from the end of the financial year of the charity in which they are made.

(4) Where a charity ceases to exist within the period of 6 years mentioned in paragraph (3) as it applies to any accounting records, the obligation to preserve those records in accordance with that paragraph shall continue to be discharged by the last charity trustees of the charity, unless the Commission consents in writing to the records being destroyed or otherwise disposed of.

(5) Nothing in this Article applies to a charity which is a company.

Annual statements of accounts

67.—(1) The charity trustees of a charity shall (subject to paragraph (3)) prepare in respect of each financial year of the charity a statement of accounts complying with such requirements as to its form and contents as may be prescribed by regulations made by the Department.

(2) Without prejudice to the generality of paragraph (1), regulations under that paragraph may make provision—

- (a) for any such statement to be prepared in accordance with such methods and principles as are specified or referred to in the regulations;
- (b) as to any information to be provided by way of notes to the accounts;

and regulations under that paragraph may also make provision for determining the financial years of a charity for the purposes of this Order and any regulations made under it.

(3) Where a charity's gross income in any financial year does not exceed £100,000, the charity trustees may, in respect of that year, elect to prepare the following, namely—

- (a) a receipts and payments account, and
- (b) a statement of assets and liabilities,

instead of a statement of accounts under paragraph (1).

(4) The charity trustees of a charity shall preserve—

- (a) any statement of accounts prepared by them under paragraph (1), or
- (b) any account and statement prepared by them under paragraph (3);

for at least 6 years from the end of the financial year to which any such statement relates or (as the case may be) to which any such account and statement relate.

(5) Paragraph (4) of Article 66 shall apply in relation to the preservation of any such statement or account and statement as it applies in relation to the preservation of any accounting records (the references to paragraph (3) of that Article being read as references to paragraph (4) above).

(6) The Department may by order amend paragraph (3) by substituting a different sum for the sum for the time being specified there.

(7) Nothing in this Article applies to a charity which is a company.

(8) Provisions about the preparation of accounts in respect of groups consisting of certain charities and their subsidiary undertakings, and about other matters relating to such groups, are contained in Schedule 6 (see Article 75).

- (b) the charity's gross income in that year exceeds the accounts threshold and at the end of the year the aggregate value of its assets (before deduction of liabilities) exceeds £2,800,000.

“The accounts threshold” means £100,000 or such other sum as is for the time being specified in Article 67(3).

(2) If this paragraph applies to a financial year of a charity, the accounts of the charity for that year shall be audited by a person who—

- (b) be audited by such a person as is mentioned in paragraph (2).

This is subject to the requirements of paragraph (4) where the gross income exceeds £100,000, and to any order under paragraph (5).

(4) If paragraph (3) applies to the accounts of a charity for a year and the charity's gross income in that year exceeds £100,000, a person qualifies as an independent examiner for the purposes of sub-paragraph (a) of that paragraph if (and only if) he is an independent person—

- (b) that, although paragraph (2) does not apply to a financial year of a charity, it would nevertheless be desirable for the accounts of the charity for that year to be audited by such a person as is mentioned in that paragraph,

the Commission may by order require the accounts of the charity for that year to be audited by such a person as is mentioned in that paragraph.

(6) If the Commission makes an order under paragraph (5) with respect to a charity, then unless—

- (b) the charity trustees themselves appoint an auditor in accordance with the order,

the auditor shall be a person appointed by the Commission.

(7) The expenses of any audit carried out by an auditor appointed by the Commission under paragraph (6), including the auditor's remuneration, shall be recoverable by the Commission—

- (a) from the charity trustees of the charity concerned, who shall be personally liable, jointly and severally, for those expenses; or
- (b) to the extent that it appears to the Commission not to be practical to seek recovery of those expenses in accordance with sub-paragraph (a), from the funds of the charity.

(8) The Commission may—

- (a) give guidance to charity trustees in connection with the selection of a person for appointment as an independent examiner;
- (b) give such directions as it thinks appropriate with respect to the carrying out of an examination in pursuance of paragraph (3)(a);

and any such guidance or directions may either be of general application or apply to a particular charity only.

(9) The Department may by order—

 as the case may be;
 - (c) with respect to the making of a report by an independent examiner in respect of an examination carried out by him under Article 68;

 - (f) enabling the Commission, in circumstances specified in the regulations, to dispense with the requirements of Article 68(2) or (3) in the case of a particular charity or in the case of any particular financial year of a charity.
- (2) If any person fails to afford an auditor or an independent examiner any facility to which he is entitled by virtue of paragraph (1)(d) or (e), the Commission may by order give—

he may make a report on the matter to the Commission.

(4) Where the duty or power under paragraph (2) or (3) has arisen in relation to a person acting in the capacity mentioned in paragraph (1), the duty or power is not affected by his subsequently ceasing to act in that capacity.

(2) The penalty is—

PART IX

CHARITY TRUSTEES

CHAPTER I

INCORPORATION OF CHARITY TRUSTEES

Interpretation of Chapter I

76. In this Chapter—

“incorporated body” means a body incorporated under Article 77;

“the relevant charity”, in relation to an incorporated body, means the charity the trustees of which have been incorporated as that body;

“the trustees”, in relation to a charity, means the charity trustees.

Incorporation of trustees of a charity

77.—(1) Where—

- (a) the trustees of a charity, in accordance with Article 79, apply to the Commission for a certificate of incorporation of the trustees as a body corporate, and
- (b) the Commission considers that the incorporation of the trustees would be in the interests of the charity,

the Commission may grant such a certificate, subject to such conditions or directions as the Commission thinks fit to insert in it.

- (2) On the grant of such a certificate—
 - (a) the trustees of the charity shall become a body corporate by such name as is specified in the certificate; and
 - (b) (without prejudice to the operation of Article 81) any relevant rights or liabilities of those trustees shall become rights or liabilities of that body.
- (3) After their incorporation the trustees—
 - (a) may sue and be sued in their corporate name; and
 - (b) shall have the same powers, and be subject to the same restrictions and limitations, as respects the holding, acquisition and disposal of property for or in connection with the purposes of the charity as they had or were subject to while unincorporated;

and any relevant legal proceedings that might have been continued or commenced by or against the trustees may be continued or commenced by or against them in their corporate name.

- (4) A body incorporated under this Article need not have a common seal.
- (5) In this Article—
 - “relevant rights or liabilities” means rights or liabilities in connection with any property vesting in the body in question under Article 78; and
 - “relevant legal proceedings” means legal proceedings in connection with any such property.

Estate to vest in body corporate

78. The certificate of incorporation shall vest in the body corporate all real and personal estate, of whatever nature or tenure, belonging to or held by any person or persons in trust for the charity, and thereupon any person or persons in whose name or names any stocks, funds or securities are standing in trust for the charity, shall transfer them into the name of the body corporate, except that the foregoing provisions shall not apply to property vested in the official custodian.

Applications for incorporation

79.—(1) Every application to the Commission for a certificate of incorporation under this Chapter shall—

- (a) be in writing and signed by the trustees of the charity concerned; and
 - (b) be accompanied by such documents or information as the Commission may require for the purpose of the application.
- (2) The Commission may require—
- (a) any statement contained in any such application, or
 - (b) any document or information supplied under paragraph (1)(b),

to be verified in such manner as it may specify.

Nomination of trustees, and filling up vacancies

80.—(1) Before a certificate of incorporation is granted under this Chapter, trustees of the charity must have been effectually appointed to the satisfaction of the Commission.

(2) Where a certificate of incorporation is granted vacancies in the number of the trustees of the charity shall from time to time be filled up so far as required by the constitution or settlement of the charity, or by any conditions or directions in the certificate, by such legal means as would have been available for the appointment of new trustees of the charity if no certificate of incorporation had been granted, or otherwise as required by such conditions or directions.

Liability of trustees and others, notwithstanding incorporation

81. After a certificate of incorporation has been granted under this Chapter all trustees of the charity, notwithstanding their incorporation, shall be chargeable for such property as shall come into their hands, and shall be answerable and accountable for their own acts, receipts, neglects, and defaults, and for the due administration of the charity and its property, in the same manner and to the same extent as if no such incorporation had been effected.

Certificate to be evidence of compliance with requirements for incorporation

82. A certificate of incorporation granted under this Chapter shall be conclusive evidence that all the preliminary requirements for incorporation under this Chapter have been complied with, and the date of incorporation mentioned in the certificate shall be deemed to be the date at which incorporation has taken place.

Power of Commission to amend certificate of incorporation

83.—(1) The Commission may amend a certificate of incorporation either on the application of the incorporated body to which it relates or of the Commission's own motion.

(2) Before making any such amendment of the Commission's own motion, the Commission shall by notice in writing—

- (a) inform the trustees of the relevant charity of its proposals, and
- (b) invite those trustees to make representations to it within a time specified in the notice, being not less than one month from the date of the notice.

(3) The Commission shall take into consideration any representations made by those trustees within the time so specified, and may then (without further notice) proceed with its proposals either without modification or with such modifications as appear to it to be desirable.

(4) The Commission may amend a certificate of incorporation either—

- (a) by making an order specifying the amendment; or
- (b) by issuing a new certificate of incorporation taking account of the amendment.

Records of applications and certificates

84.—(1) The Commission shall keep a record of all applications for, and certificates of, incorporation under this Chapter and shall preserve all documents sent to it under this Chapter.

(2) Subject to paragraph (3), any person may inspect such documents, under the direction of the Commission, and any person may require a copy or extract of any such document to be certified by a certificate signed by a member of the staff of the Commission.

(3) If the Commission so determines, paragraph (2) shall not apply to any particular document, or to any document of a description, specified in the determination.

Enforcement of orders and directions

85. All conditions and directions inserted in any certificate of incorporation shall be binding upon and performed or observed by the trustees as trusts of the charity, and Article 174 shall apply to any trustee who fails to perform or observe any such condition or direction as it applies to a person guilty of disobedience to any such order of the Commission as is mentioned in that Article.

Gifts to charity before incorporation to have same effect afterwards

86. After the incorporation of the trustees of any charity under this Chapter every donation, gift and disposition of property, real or personal, lawfully made before the incorporation but not having actually taken effect, or thereafter lawfully made, by deed, will or otherwise to or in favour of the charity, or the trustees of the charity, or otherwise for the purposes of the charity, shall take effect as if made to or in favour of the incorporated body or otherwise for the like purposes.

Execution of documents by incorporated body

87.—(1) This Article has effect as respects the execution of documents by an incorporated body.

(2) If an incorporated body has a common seal, a document may be executed by the body by the affixing of its common seal.

(3) Whether or not it has a common seal, a document may be executed by an incorporated body either—

- (a) by being signed by a majority of the trustees of the relevant charity and expressed (in whatever form of words) to be executed by the body; or
- (b) by being executed in pursuance of an authority given under paragraph (4).

(4) For the purposes of paragraph (3)(b) the trustees of the relevant charity in the case of an incorporated body may, subject to the trusts of the charity, confer on any 2 or more of their number—

- (a) a general authority, or
- (b) an authority limited in such manner as the trustees think fit,

to execute in the name and on behalf of the body documents for giving effect to transactions to which the body is a party.

(5) An authority under paragraph (4)—

- (a) shall suffice for any document if it is given in writing or by resolution of a meeting of the trustees of the relevant charity, notwithstanding the want of any formality that would be required in giving an authority apart from that paragraph;
- (b) may be given so as to make the powers conferred exercisable by any of the trustees, or may be restricted to named persons or in any other way;
- (c) subject to any such restriction, and until it is revoked, shall, notwithstanding any change in the trustees of the relevant charity, have effect as a continuing authority given by the trustees from time to time of the charity and exercisable by such trustees.

(6) In any authority under paragraph (4) to execute a document in the name and on behalf of an incorporated body there shall, unless the contrary intention appears, be implied authority also to execute it for the body in the name and on behalf of the official custodian or of any other person, in any case in which the trustees could do so.

(7) A document duly executed by an incorporated body which makes it clear on its face that it is intended by the person or persons making it to be a deed has effect, upon delivery, as a deed; and it shall be presumed, unless a contrary intention is proved, to be delivered upon its being so executed.

(8) In favour of a purchaser a document shall be deemed to have been duly executed by such a body if it purports to be signed—

- (a) by a majority of the trustees of the relevant charity, or
- (b) by such of the trustees of the relevant charity as are authorised by the trustees of that charity to execute it in the name and on behalf of the body,

and, where the document makes it clear on its face that it is intended by the person or persons making it to be a deed, it shall be deemed to have been delivered upon its being executed.

For this purpose “purchaser” means a purchaser in good faith for valuable consideration and includes a lessee, mortgagee or other person who for valuable consideration acquires an interest in property.

Power of Commission to dissolve incorporated body

88.—(1) Where the Commission is satisfied—

- (a) that an incorporated body has no assets or does not operate, or
- (b) that the relevant charity in the case of an incorporated body has ceased to exist, or
- (c) that the institution previously constituting, or treated by the Commission as constituting, any such charity has ceased to be, or (as the case may be) was not at the time of the body’s incorporation, a charity, or
- (d) that the purposes of the relevant charity in the case of an incorporated body have been achieved so far as is possible or are in practice incapable of being achieved,

the Commission may of its own motion make an order dissolving the body as from such date as is specified in the order.

(2) Where the Commission is satisfied, on the application of the trustees of the relevant charity in the case of an incorporated body, that it would be in the interests of the charity for that body to be dissolved, the Commission may make an order dissolving the body as from such date as is specified in the order.

(3) Subject to paragraph (4), an order made under this Article with respect to an incorporated body shall have the effect of vesting in the trustees of the relevant charity, in trust for that charity, all property for the time being vested—

- (a) in the body, or
- (b) in any other person (apart from the official custodian),

in trust for that charity.

(4) If the Commission so directs in the order—

- (a) all or any specified part of that property shall, instead of vesting in the trustees of the relevant charity, vest—
 - (i) in a specified person as trustee for, or nominee of, that charity, or
 - (ii) in such persons (other than the trustees of the relevant charity) as may be specified;
- (b) any specified investments, or any specified class or description of investments, held by any person in trust for the relevant charity shall be transferred—
 - (i) to the trustees of that charity, or
 - (ii) to any such person or persons as is or are mentioned in sub-paragraph (a)(i) or (ii);and for this purpose “specified” means specified by the Commission in the order.

(5) Where an order to which this paragraph applies is made with respect to an incorporated body—

- (a) any rights or liabilities of the body shall become rights or liabilities of the trustees of the relevant charity; and
- (b) any legal proceedings that might have been continued or commenced by or against the body may be continued or commenced by or against those trustees.

- (6) Paragraph (5) applies to any order under this Article by virtue of which—
- (a) any property vested as mentioned in paragraph (3) is vested—
 - (i) in the trustees of the relevant charity, or
 - (ii) in any person as trustee for, or nominee of, that charity; or
 - (b) any investments held by any person in trust for the relevant charity are required to be transferred—
 - (i) to the trustees of that charity, or
 - (ii) to any person as trustee for, or nominee of, that charity.

(7) For the purposes of this Article the Commission shall keep, in such manner as it thinks fit, a register of all persons who have been removed from office as mentioned in paragraph (1)(d) either—

- (a) by an order of the Commission, or
- (b) by an order of the Court;

and, where any person is so removed from office by an order of the Court, the Court shall notify the Commission of his removal.

(8) The entries in the register kept under paragraph (7) shall be available for public inspection in legible form at all reasonable times.

Person acting as charity trustee while disqualified

90.—(1) Subject to paragraph (2), any person who acts as a charity trustee or trustee for a charity while he is disqualified for being such a trustee by virtue of Article 89 shall be guilty of an offence and liable—

- (a) on summary conviction, to imprisonment for a term not exceeding 6 months or to a fine not exceeding the statutory maximum, or both;
- (b) on conviction on indictment, to imprisonment for a term not exceeding 2 years or to a fine, or both.

- (2) Paragraph (1) shall not apply where—
- (a) the charity concerned is a company; and
 - (b) the disqualified person is disqualified by virtue only of sub-paragraph (b) or (e) of Article 89(1).
- (3) Any acts done as charity trustee or trustee for a charity by a person disqualified for being such a trustee by virtue of Article 89 shall not be invalid by reason only of that disqualification.
- (4) Where the Commission is satisfied—
- (a) that any person has acted as charity trustee or trustee for a charity while disqualified for being such a trustee by virtue of Article 89, and
 - (b) that, while so acting, he has received from the charity any sums by way of remuneration or expenses, or any benefit in kind, in connection with his acting as charity trustee or trustee for the charity,

the Commission may by order direct him to repay to the charity the whole or part of any such sums, or (as the case may be) to pay to the charity the whole or part of the monetary value (as determined by the Commission) of any such benefit.

(5) Paragraph (4) does not apply to any sums received by way of remuneration or expenses in respect of any time when the person concerned was not disqualified for being a charity trustee or trustee for the charity.

Remuneration of trustees etc. providing services to charity

91.—(1) This Article applies to remuneration for services provided by a person to or on behalf of a charity where—

- (a) he is a charity trustee or trustee for the charity, or
- (b) he is connected with a charity trustee or trustee for the charity and the remuneration might result in that trustee obtaining any benefit.

This is subject to paragraph (7).

(2) If conditions A to D are met in relation to remuneration within paragraph (1), the person providing the services (“the relevant person”) is entitled to receive the remuneration out of the funds of the charity.

(3) Condition A is that the amount or maximum amount of the remuneration—

- (a) is set out in an agreement in writing between—
 - (i) the charity or its charity trustees (as the case may be), and
 - (ii) the relevant person,
 under which the relevant person is to provide the services in question to or on behalf of the charity, and
- (b) does not exceed what is reasonable in the circumstances for the provision by that person of the services in question.

(4) Condition B is that, before entering into that agreement, the charity trustees decided that they were satisfied that it would be in the best interests of the charity for the services to be provided by the relevant person to or on behalf of the charity for the amount or maximum amount of remuneration set out in the agreement.

(5) Condition C is that if immediately after the agreement is entered into there is, in the case of the charity, more than one person who is a charity trustee and is—

- (a) a person in respect of whom an agreement within paragraph (3) is in force, or

(b) a person who is entitled to receive remuneration out of the funds of the charity otherwise than by virtue of such an agreement, or

(c) a person connected with a person falling within sub-paragraph (a) or (b),

the total number of them constitute a minority of the persons for the time being holding office as charity trustees of the charity.

(6) Condition D is that the trusts of the charity do not contain any express provision that prohibits the relevant person from receiving the remuneration.

(7) Nothing in this Article applies to—

- (a) any remuneration for services provided by a person in his capacity as a charity trustee or trustee for a charity or under a contract of employment, or
- (b) any remuneration not within sub-paragraph (a) which a person is entitled to receive out of the funds of a charity by virtue of any provision or order within paragraph (8).

(8) The provisions or orders within this paragraph are—

- (a) any provision contained in the trusts of the charity,
- (b) any order of the Court or the Commission,
- (c) any statutory provision other than this Article.

(9) Article 92 applies for the purposes of this Article.

Supplementary provisions for purposes of Article 91

92.—(1) Before entering into an agreement within Article 91(3) the charity trustees must have regard to any guidance given by the Commission concerning the making of such agreements.

(2) The duty of care in section 1(1) of the Trustee Act (Northern Ireland) 2001 (c. 14) applies to a charity trustee when making such a decision as is mentioned in Article 91(4).

(3) For the purposes of Article 91(5) an agreement within Article 91(3) is in force so long as any obligations under the agreement have not been fully discharged by a party to it.

(4) In Article 91—

“benefit” means a direct or indirect benefit of any nature;

“maximum amount”, in relation to remuneration, means the maximum amount of the remuneration whether specified in or ascertainable under the terms of the agreement in question;

“remuneration” includes any benefit in kind (and “amount” accordingly includes monetary value);

“services”, in the context of remuneration for services, includes goods that are supplied in connection with the provision of services.

(5) For the purposes of Article 91 the following persons are “connected” with a charity trustee or trustee for a charity—

- (a) a child, parent, grandchild, grandparent, brother or sister of the trustee;
- (b) the spouse or civil partner of the trustee or of any person falling within sub-paragraph (a);
- (c) a person carrying on business in partnership with the trustee or with any person falling within sub-paragraph (a) or (b);

 - (i) by the trustee or by any person falling within sub-paragraph (a), (b) or (c), or
 - (ii) by two or more persons falling within paragraph (i) when taken together;

(e) a body corporate in which—

- (i) the trustee or any connected person falling within any of sub-paragraphs (a) to (c) has a substantial interest, or

(6) Paragraphs 2 to 4 of Schedule 5 apply for the purposes of paragraph (5) as they apply for the purposes of provisions of that Schedule.

Disqualification of trustee receiving remuneration under Article 91

- (a) who is or would be entitled to remuneration under an agreement or proposed agreement within Article 91(3), or
- (b) who is connected with a person who is or would be so entitled.

(2) The charity trustee or trustee for a charity is disqualified from acting as such in relation to any decision or other matter connected with the agreement.

(3) But any act done by such a person which he is disqualified from doing by virtue of paragraph (2) shall not be invalid by reason only of that disqualification.

(4) Where the Commission is satisfied—

- (a) that a person (“the disqualified trustee”) has done any act which he was disqualified from doing by virtue of paragraph (2), and
- (b) that the disqualified trustee or a person connected with him has received or is to receive from the charity any remuneration under the agreement in question,

it may make an order under paragraph (5) or (6) (as appropriate).

(5) An order under this paragraph is one requiring the disqualified trustee—

- (a) to reimburse to the charity the whole or part of the remuneration received as mentioned in paragraph (4)(b);
- (b) to the extent that the remuneration consists of a benefit in kind, to reimburse to the charity the whole or part of the monetary value (as determined by the Commission) of the benefit in kind.

(6) An order under this paragraph is one directing that the disqualified trustee or (as the case may be) connected person is not to be paid the whole or part of the remuneration mentioned in paragraph (4)(b).

(7) If the Commission makes an order under paragraph (5) or (6), the disqualified trustee or (as the case may be) connected person accordingly ceases to have any entitlement under the agreement to so much of the remuneration (or its monetary value) as the order requires him to reimburse to the charity or (as the case may be) as it directs is not to be paid to him.

(8) Paragraphs (4) to (6) of Article 92 apply for the purposes of this Article as they apply for the purposes of Article 91.

 - (a) that a person to whom this Article applies is or may be personally liable for a breach of trust or breach of duty committed in his capacity as a person within sub-paragraph (a), (b) or (c) of paragraph (1), but
 - (b) that he has acted honestly and reasonably and ought fairly to be excused for the breach of trust or duty,

the Commission may make an order relieving him wholly or partly from any such liability.

- (3) An order under paragraph (2) may grant the relief on such terms as the Commission thinks fit.

(4) Paragraph (2) does not apply in relation to any personal contractual liability of a charity trustee or trustee for a charity.

95.—(1) Article 675 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (power of court to grant relief to officers or auditors of companies) shall have effect in relation to a person to whom this Article applies as it has effect in relation to a person employed as auditor by a company.

- (2) This Article applies to—
 - (a) a person acting in a capacity within Article 94(1)(b) or (c) in a case where, apart from this Article, Article 675 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) would not apply to him as a person so acting, and
 - (b) a charity trustee of a CIO.

- (b) any negligence, default, breach of duty or breach of trust committed by them in their capacity as directors or officers of the charity (if it is a body corporate) or of any body corporate carrying on any activities on behalf of the charity.

(2) The terms of such insurance must, however, be so framed as to exclude the provision of any indemnity for a person in respect of—

- (a) any liability incurred by him to pay—

- (i) a fine imposed in criminal proceedings, or
 - (ii) a sum payable to a regulator authority by way of a penalty in respect of non-compliance with any requirement of a regulatory nature (however arising);
 - (b) any liability incurred by him in defending any criminal proceedings in which he is convicted of an offence arising out of any fraud or dishonesty, or wilful or reckless misconduct, by him; or
 - (c) any liability incurred by him to the charity that arises out of any conduct which he knew (or must reasonably be assumed to have known) was not in the interest of the charity or in the case of which he did not care whether it was in the best interests of the charity or not.
- (3) For the purposes of paragraph (2)(b)—
- (a) the reference to any such conviction is a reference to one that has become final;
 - (b) a conviction becomes final—
 - (i) if not appealed against, at the end of the period for bringing an appeal, or
 - (ii) if appealed against, at the time when the appeal (or any further appeal) is disposed of; and
 - (c) an appeal is disposed of—
 - (i) if it is determined and the period for bringing any further appeal has ended, or
 - (ii) if it is abandoned or otherwise ceases to have effect.
- (4) The charity trustees of a charity may not purchase insurance under this Article unless they decide that they are satisfied that it is in the best interests of the charity for them to do so.

- (6) The Department may by order make such amendments of paragraphs (2) and (3) as it considers appropriate.
- (7) No order may be made under paragraph (6) unless a draft of the order has been laid before and approved by a resolution of the Assembly.
- (8) This Article—
- (a) does not authorise the purchase of any insurance whose purchase is expressly prohibited by the trusts of the charity, but
 - (b) has effect despite any provision prohibiting the charity trustees or trustees for the charity receiving any personal benefit out of the funds of the charity.

PART X

CHARITABLE COMPANIES

Winding up

98.—(1) Where a charity may be wound up by the High Court under the [Insolvency \(Northern Ireland\) Order 1989 \(NI 19\)](#), a petition for it to be wound up under that Order may be presented by the Attorney General, as well as by any person authorised by that Order.

(2) Where a charity may be so wound up by the High Court, such a petition may also be presented by the Commission if, at any time after it has instituted an inquiry under Article 24 with respect to the charity, it is satisfied as mentioned in Article 35(1)(a) or (b).

(3) Where a charitable company is dissolved, the Commission may make an application under Article 602 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (power of court to declare dissolution of company void) for an order to be made under that Article with respect to the company; and for this purpose paragraph (1) of that Article shall have effect in relation to a charitable company as if the reference to the liquidator of the company included a reference to the Commission.

(4) Where a charitable company’s name has been struck off the register of companies under Article 603 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (power of registrar to strike defunct company off register), the Commission may make an application under Article 603(2) of that Order (objection to striking off by person aggrieved) for an order restoring the company’s name to that register; and for this purpose Article 603(2) shall have effect in relation to a charitable company as if the reference to any such person aggrieved as is there mentioned included a reference to the Commission.

(5) The powers exercisable by the Commission by virtue of this Article shall be exercisable by the Commission of its own motion, but shall be exercisable only with the agreement of the Attorney General on each occasion.

(6) In this Article “charitable company” means a company which is a charity.

Alteration of objects clause

99.—(1) Where a charity is a company or other body corporate having power to alter the instruments establishing or regulating it as a body corporate, no exercise of that power which has the effect of the body ceasing to be a charity shall be valid so as to affect the application of—

- (a) any property acquired under any disposition or agreement previously made otherwise than for full consideration in money or money’s worth, or any property representing property so acquired,
- (b) any property representing income which has accrued before the alteration is made, or

- (c) the income from any such property as aforesaid.
- (2) Where a charity is a company, any regulated alteration by the company—
 - (a) requires the prior written consent of the Commission, and
 - (b) is ineffective if such consent has not been obtained.
- (3) The following are “regulated alterations”—
 - (a) any alteration of the objects clause in the company’s memorandum of association,
 - (b) any alteration of any provision of its memorandum or articles of association directing the application of property of the company on its dissolution, and
 - (c) any alteration of any provision of its memorandum or articles of association where the alteration would provide authorisation for any benefit to be obtained by directors or members of the company or persons connected with them.
- (4) For the purposes of paragraph (3)—
 - (a) “benefit” means a direct or indirect benefit of any nature, except that it does not include any remuneration (within the meaning of Article 91) whose receipt may be authorised under that Article; and
 - (b) the same rules apply for determining whether a person is connected with a director or member of the company as apply, in accordance with Article 92(5) and (6), for determining whether a person is connected with a charity trustee for the purposes of Article 91.
- (5) Where a company has made a regulated alteration in accordance with paragraph (2) and—
 - (a) in connection with the alteration is required by virtue of—
 - (i) Article 17(1) of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (delivery of documents following alteration of objects), or
 - (ii) that provision as applied by Article 28(3) of that Order (alteration of condition in memorandum which could have been contained in articles),
 to deliver to the registrar of companies a printed copy of its memorandum, as altered, or
 - (b) is required by virtue of Article 388(1) of that Order (registration, etc. of resolutions and agreements) to forward to the registrar a printed or other copy of the special resolution effecting the alteration,
 the copy so delivered or forwarded by the company shall be accompanied by a copy of the Commission’s consent.
- (6) Article 17(3) of that Order (offences) shall apply to any default by a company in complying with paragraph (5) as it applies to any such default as is mentioned in that provision.

Invalidity of certain transactions

100.—(1) Articles 45 and 45A of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (capacity of company not limited by its memorandum; power of directors to bind company) do not apply to the acts of a company which is a charity except in favour of a person who—

- (a) gives full consideration in money or money’s worth in relation to the act in question, and
- (b) does not know that the act is not permitted by the company’s memorandum or, as the case may be, is beyond the powers of the directors,

or who does not know at the time the act is done that the company is a charity.

(2) However, where such a company purports to transfer or grant an interest in property, the fact that the act was not permitted by the company’s memorandum or, as the case may be, that the directors in connection with the act exceeded any limitation on their powers under the company’s constitution, does not affect the title of a person who subsequently acquires the property or any

interest in it for full consideration without actual notice of any such circumstances affecting the validity of the company's act.

(3) In any proceedings arising out of paragraph (1) the burden of proving—

- (a) that a person knew that an act was not permitted by the company's memorandum or was beyond the powers of the directors, or
- (b) that a person knew that the company was a charity,

lies on the person making that allegation.

(4) Where a company is a charity, the ratification of an act under Article 45(3) of the Companies (Northern Ireland) Order 1986, or the ratification of a transaction to which Article 330A of that Order applies (invalidity of certain transactions to which directors or their associates are parties), is ineffective without the prior written consent of the Commission.

Requirement of consent of Commission to certain acts

101.—(1) Where a company is a charity—

- (a) any approval given by the company for the purposes of any of the provisions of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) specified in paragraph (2), and
- (b) any affirmation by it for the purposes of Article 330(2)(c) of that Order (affirmation of voidable arrangements under which assets are acquired by or from a director or person connected with him),

is ineffective without the prior written consent of the Commission.

(2) The provisions of the Companies (Northern Ireland) Order 1986 referred to in paragraph (1) (a) are—

- (a) Article 320 (payment to director in respect of loss of office or retirement);
- (b) Article 321(1) (payment to director in respect of loss of office or retirement made in connection with transfer of undertaking or property of company);
- (c) Article 327(3) (incorporation in director's service contract of term whereby his employment will or may continue for a period of more than 5 years);
- (d) Article 328(1) (arrangement whereby assets are acquired by or from director or person connected with him);
- (e) Article 345(3)(a) (provision of funds to meet certain expenses incurred by director).

Name to appear on correspondence, etc.

102. Article 40(7) of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (exemption from requirements relating to publication of name etc.) shall not, in its application to any company which is a charity, have the effect of exempting the company from the requirements of Article 357(1) of that Order (company's name to appear in its correspondence etc.).

Status to appear on correspondence etc.

103.—(1) Where a company is a charity and its name does not include the word "charity" or the word "charitable", the fact that the company is a charity shall be stated in legible characters—

- (a) in all business letters of the company,
- (b) in all its notices and other official publications,
- (c) in all bills of exchange, promissory notes, endorsements, cheques and orders for money or goods purporting to be signed on behalf of the company,

- (d) in all conveyances purporting to be executed by the company, and
- (e) in all bills rendered by it and in all its invoices, receipts, and letters of credit.

(2) In paragraph (1)(d) “conveyance” means any instrument creating, transferring, varying or extinguishing an interest in land.

(3) Paragraphs (2) to (4) of Article 357 of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (offences in connection with failure to include required particulars in business letters etc.) shall apply in relation to a contravention of paragraph (1), taking the reference in paragraph (3)(b) of that Article to a bill of parcels as a reference to any such bill as is mentioned in paragraph (1)(e) above.

Duty of charity’s auditors etc. to report matters to Commission

104.—(1) Article 70(2) to (7) shall apply in relation to a person acting as—

- (a) an auditor of a charitable company appointed under Chapter V of Part XII of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (auditors), or
- (b) a reporting accountant appointed by a charitable company for the purposes of Article 257C of that Order (report required instead of audit),

as they apply in relation to a person such as is mentioned in Article 70(1).

(2) For this purpose any reference in Article 70 to a person acting in the capacity mentioned in Article 70(1) is to be read as a reference to his acting in the capacity mentioned in paragraph (1) of this Article.

(3) In this Article “charitable company” means a charity which is a company.

Investigation of accounts

105.—(1) In the case of a charity which is a company the Commission may by order require that the condition and accounts of the charity for such period as the Commission thinks fit shall be investigated and audited by an auditor appointed by the Commission, being a person eligible for appointment as a company auditor under Article 28 of the [Companies \(Northern Ireland\) Order 1990 \(NI 5\)](#).

(2) An auditor acting under paragraph (1)—

- (a) shall have a right of access to all books, accounts and documents relating to the charity which are in the possession or control of the charity trustees or to which the charity trustees have access;
- (b) shall be entitled to require from any charity trustee, past or present, and from any past or present officer or employee of the charity such information and explanation as he thinks necessary for the performance of his duties;
- (c) shall at the conclusion or during the progress of the audit make such reports to the Commission about the audit or about the accounts or affairs of the charity as he thinks the case requires, and shall send a copy of any such report to the charity trustees.

(3) The expenses of any audit under paragraph (1), including the remuneration of the auditor, shall be paid by the Commission.

(4) If any person fails to afford an auditor any facility to which he is entitled under paragraph (2) the Commission may by order give to that person or to the charity trustees for the time being such directions as the Commission thinks appropriate for securing that the default is made good.

Annual audit or examination of accounts of charitable companies

106. In Article 257A(4) of the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (circumstances in which charitable company’s accounts may be subject to an accountant’s report instead of an audit)—

- (a) in sub-paragraph (b) (gross income between £90,000 and £250,000) for “£250,000” substitute “£500,000”; and
- (b) in sub-paragraph (c) (balance sheet total not more than £1.4 million) for “£1.4 million” substitute “£2.8 million”.

- (b) such other documents or information as may be prescribed by regulations made by the Department, and
- (c) such other documents or information as the Commission may require for the purposes of the application.

- (3) The Commission shall refuse such an application if—
 - (a) it is not satisfied that the CIO would be a charity at the time it would be registered, or
 - (b) the CIO’s proposed constitution does not comply with one or more of the requirements of Article 108 and any regulations made under that Article.
- (4) The Commission may refuse such an application if—
 - (a) the proposed name of the CIO is the same as, or is in the opinion of the Commission too like, the name of any other charity (whether registered or not), or
 - (b) the Commission is of the opinion referred to in any of sub-paragraphs (b) to (e) of Article 22(2) (power of Commission to require change in charity’s name) in relation to the proposed name of the CIO (reading sub-paragraph (b) as referring to the proposed purposes of the CIO and to the activities which it is proposed it should carry on).

Effect of registration

112.—(1) If the Commission grants an application under Article 111 it shall register the CIO to which the application relates as a charity in the register of charities.

(2) Upon the registration of the CIO in the register of charities, it becomes by virtue of the registration a body corporate—

- (a) whose constitution is that proposed in the application,
- (b) whose name is that specified in the constitution, and
- (c) whose first member is, or first members are, the applicants referred to in Article 111.

(3) All property for the time being vested in the applicants (or, if more than one, any of them) on trust for the charitable purposes of the CIO (when incorporated) shall by virtue of this paragraph become vested in the CIO upon its registration.

(4) The entry relating to the charity’s registration in the register of charities shall include—

- (a) the date of the charity’s registration, and
- (b) a note saying that it is constituted as a CIO.

(5) A copy of the entry in the register shall be sent to the charity at the principal office of the CIO.

Conversion, amalgamation and transfer

Conversion of charitable company or registered industrial and provident society

113.—(1) The following may apply to the Commission to be converted into a CIO, and for the CIO’s registration as a charity, in accordance with this Article—

- (a) a charitable company,
- (b) a charity which is a registered society within the meaning of the Industrial and Provident Societies Act (Northern Ireland) 1969 (c. 24).

(2) But such an application may not be made by a company or registered society having a share capital if any of the shares are not fully paid up.

(3) Such an application is referred to in this Article and Articles 114 and 115 as an “application for conversion”.

(4) The Commission shall notify the following of any application for conversion—

- (a) the appropriate registrar, and

- (6) The resolution referred to in paragraph (5)(a) shall be—
- (a) a special resolution of the company or registered society, or
 - (b) a unanimous resolution signed by or on behalf of all the members of the company or registered society who would be entitled to vote on a special resolution.
- (7) In the case of a registered society, “special resolution” has the meaning given in section 61(3) of the Industrial and Provident Societies Act (Northern Ireland) 1969.
- (8) In the case of a company limited by guarantee which makes an application for conversion (whether or not it also has a share capital), the proposed constitution of the CIO shall (unless paragraph (10) applies) provide for the CIO’s members to be liable to contribute to its assets if it is wound up, and for the amount up to which they are so liable.
- (9) That amount shall not be less than the amount up to which they were liable to contribute to the assets of the company if it was wound up.
- (10) If the amount each member of the company is liable to contribute to its assets on its winding up is £10 or less, the guarantee shall be extinguished on the conversion of the company into a CIO, and the requirements of paragraphs (8) and (9) do not apply.
- (11) In paragraph (4), and in Articles 114 and 115, “the appropriate registrar” means—
- (a) in the case of an application for conversion by a charitable company, the registrar of companies,
 - (b) in the case of an application for conversion by a registered society, the registrar for the purposes of the Industrial and Provident Societies Act (Northern Ireland) 1969 (c. 24).
- (12) In this Article, “charitable company” means a company which is a charity.

Conversion: consideration of application

114.—(1) The Commission shall consult those to whom it has given notice of an application for conversion under Article 113(4) about whether the application should be granted.

- (2) The Commission shall refuse an application for conversion if—
- (a) it is not satisfied that the CIO would be a charity at the time it would be registered,
 - (b) the CIO’s proposed constitution does not comply with one or more of the requirements of Article 108 and any regulations made under that Article, or
 - (c) in the case of an application for conversion made by a company limited by guarantee, the CIO’s proposed constitution does not comply with the requirements of paragraphs (8) and (9) of Article 113.
- (3) The Commission may refuse an application for conversion if—
- (a) the proposed name of the CIO is the same as, or is in the opinion of the Commission too like, the name of any other charity (whether registered or not),

- (b) the Commission is of the opinion referred to in any of sub-paragraphs (b) to (e) of Article 22(2) (power of Commission to require change in charity's name) in relation to the proposed name of the CIO (reading sub-paragraph (b) as referring to the proposed purposes of the CIO and to the activities which it is proposed it should carry on), or
 - (c) having considered any representations received from those whom it has consulted under paragraph (1), the Commission considers (having regard to any regulations made under paragraph (4)) that it would not be appropriate to grant the application.
- (4) The Department may make provision in regulations about circumstances in which it would not be appropriate to grant an application for conversion.
- (5) If the Commission refuses an application for conversion, it shall so notify the appropriate registrar (see Article 113(11)).

Conversion: supplementary

- 115.**—(1) If the Commission grants an application for conversion, it shall—
- (a) register the CIO to which the application related in the register of charities, and
 - (b) send to the appropriate registrar (see Article 113(11)) a copy of each of the resolutions of the converting company or registered society referred to in Article 113(5)(a) and (c), and a copy of the entry in the register relating to the CIO.
- (2) The registration of the CIO in the register shall be provisional only until the appropriate registrar cancels the registration of the company or registered society as required by paragraph (3)(b).
- (3) The appropriate registrar shall—
- (a) register the documents sent to him under paragraph (1)(b), and
 - (b) cancel the registration of the company in the register of companies, or of the society in the register maintained under the Industrial and Provident Societies Act (Northern Ireland) 1969 (c. 24),
- and shall notify the Commission that he has done so.
- (4) When the appropriate registrar cancels the registration of the company or of the registered society, the company or registered society is thereupon converted into a CIO, being a body corporate—
- (a) whose constitution is that proposed in the application for conversion,
 - (b) whose name is that specified in the constitution, and
 - (c) whose first members are the members of the converting company or society immediately before the moment of conversion.
- (5) If the converting company or registered society had a share capital, upon the conversion of the company or registered society all the shares shall by virtue of this paragraph be cancelled, and no former holder of any cancelled share shall have any right in respect of it after its cancellation.
- (6) Paragraph (5) does not affect any right which accrued in respect of a share before its cancellation.
- (7) The entry relating to the charity's registration in the register shall include—
- (a) a note that it is constituted as a CIO,
 - (b) the date on which it became so constituted, and
 - (c) a note of the name of the company or society which was converted into the CIO,
- but the matters mentioned in sub-paragraphs (a) and (b) are to be included only when the appropriate registrar has notified the Commission as required by paragraph (3).
- (8) A copy of the entry in the register shall be sent to the charity at the principal office of the CIO.

(9) The conversion of a charitable company or of a registered society into a CIO does not affect, in particular, any liability to which the company or registered society was subject by virtue of its being a charitable company or registered society.

Conversion of community interest company

116.—(1) The Department may by regulations make provision for the conversion of a community interest company into a CIO, and for the CIO’s registration as a charity.

(2) The regulations may, in particular, apply, or apply with modifications specified in the regulations, or disapply, anything in Articles 51 to 53 of the [Companies \(Audit, Investigations and Community Enterprise\) \(Northern Ireland\) Order 2005 \(NI 17\)](#) or in Articles 113 to 115 above.

Amalgamation of CIOs

117.—(1) Any two or more CIOs (“the old CIOs”) may, in accordance with this Article, apply to the Commission to be amalgamated, and for the incorporation and registration as a charity of a new CIO (“the new CIO”) as their successor.

(2) Such an application is referred to in this Article and Article 118 as an “application for amalgamation”.

(3) Paragraphs (2) to (4) of Article 111 apply in relation to an application for amalgamation as they apply to an application for a CIO to be constituted, but in those paragraphs—

- (a) “the applicants” shall be construed as meaning the old CIOs, and
- (b) references to the CIO are to the new CIO.

(4) In addition to the documents and information referred to in Article 111(2), the old CIOs shall supply the Commission with—

- (a) a copy of a resolution of each of the old CIOs approving the proposed amalgamation, and
- (b) a copy of a resolution of each of the old CIOs adopting the proposed constitution of the new CIO.

(5) The resolutions referred to in paragraph (4) must have been passed—

- (a) by a 75% majority of those voting at a general meeting of the CIO (including those voting by proxy or by post, if voting that way is permitted), or
- (b) unanimously by the CIO’s members, otherwise than at a general meeting.

(6) The date of passing of such a resolution is—

- (a) the date of the general meeting at which it was passed, or
- (b) if it was passed otherwise than at a general meeting, the date on which provision in the CIO’s constitution or in regulations made under paragraph 13 of Schedule 7 deems it to have been passed (but that date may not be earlier than that on which the last member agreed to it).

(7) Each old CIO shall—

- (a) give notice of the proposed amalgamation in the way (or ways) that in the opinion of its charity trustees will make it most likely to come to the attention of those who would be affected by the amalgamation, and
- (b) send a copy of the notice to the Commission.

(8) The notice shall invite any person who considers that he would be affected by the proposed amalgamation to make representations to the Commission not later than a date determined by the Commission and specified in the notice.

(9) In addition to being required to refuse it on one of the grounds mentioned in Article 111(3) as applied by paragraph (3) of this Article, the Commission shall refuse an application for amalgamation if it considers that there is a serious risk that the new CIO would be unable properly to pursue its purposes.

(10) The Commission may refuse an application for amalgamation if it is not satisfied that the provision in the constitution of the new CIO about the matters mentioned in paragraph (11) is the same, or substantially the same, as the provision about those matters in the constitutions of each of the old CIOs.

(11) The matters are—

- (a) the purposes of the CIO,
- (b) the application of property of the CIO on its dissolution, and
- (c) authorisation for any benefit to be obtained by charity trustees or members of the CIO or persons connected with them.

(12) For the purposes of paragraph (11)(c)—

- (a) “benefit” means a direct or indirect benefit of any nature, except that it does not include any remuneration (within the meaning of Article 91) whose receipt may be authorised under that Article, and
- (b) the same rules apply for determining whether a person is connected with a charity trustee or member of the CIO as apply, in accordance with Article 92(5) and (6), for determining whether a person is connected with a charity trustee for the purposes of Article 91.

Amalgamation: supplementary

118.—(1) If the Commission grants an application for amalgamation, it shall register the new CIO in the register of charities.

(2) Upon the registration of the new CIO it thereupon becomes by virtue of the registration a body corporate—

- (a) whose constitution is that proposed in the application for amalgamation,
- (b) whose name is that specified in the constitution, and
- (c) whose first members are the members of the old CIOs immediately before the new CIO was registered.

(3) Upon the registration of the new CIO—

- (a) all the property, rights and liabilities of each of the old CIOs shall become by virtue of this paragraph the property, rights and liabilities of the new CIO, and
- (b) each of the old CIOs shall be dissolved.

(4) Any gift which—

- (a) is expressed as a gift to one of the old CIOs, and
- (b) takes effect on or after the date of registration of the new CIO,

takes effect as a gift to the new CIO.

(5) The entry relating to the registration in the register of the charity constituted as the new CIO shall include—

- (a) a note that it is constituted as a CIO,
- (b) the date of the charity’s registration, and
- (c) a note that the CIO was formed following amalgamation, and of the name of each of the old CIOs.

(6) A copy of the entry in the register shall be sent to the charity at the principal office of the new CIO.

Transfer of CIO's undertaking

119.—(1) A CIO may resolve that all its property, rights and liabilities should be transferred to another CIO specified in the resolution.

(2) Where a CIO has passed such a resolution, it shall send to the Commission—

- (a) a copy of the resolution, and
- (b) a copy of a resolution of the transferee CIO agreeing to the transfer to it.

(3) Paragraphs (5) and (6) of Article 117 apply to the resolutions referred to in paragraphs (1) and (2)(b) as they apply to the resolutions referred to in Article 117(4).

(4) Having received the copy resolutions referred to in paragraph (2), the Commission—

- (a) may direct the transferor CIO to give public notice of its resolution in such manner as is specified in the direction, and
- (b) if it gives such a direction, must take into account any representations made to it by persons appearing to it to be interested in the transferor CIO, where those representations are made to it within the period of 28 days beginning with the date when public notice of the resolution is given by the transferor CIO.

(5) the resolution shall not take effect until confirmed by the Commission.

(6) The Commission shall refuse to confirm the resolution if it considers that there is a serious risk that the transferee CIO would be unable properly to pursue the purposes of the transferor CIO.

(7) The Commission may refuse to confirm the resolution if it is not satisfied that the provision in the constitution of the transferee CIO about the matters mentioned in Article 117(11) above is the same, or substantially the same, as the provision about those matters in the constitution of the transferor CIO.

(8) If the Commission does not notify the transferor CIO within the relevant period that it is either confirming or refusing to confirm the resolution, the resolution is to be treated as confirmed by the Commission on the day after the end of that period.

(9) Subject to paragraph (10), “the relevant period” means—

- (a) in a case where the Commission directs the transferor CIO under paragraph (4) to give public notice of its resolution, the period of 6 months beginning with the date when that notice is given, or
- (b) in any other case, the period of 6 months beginning with the date when both of the copy resolutions referred to in paragraph (2) have been received by the Commission.

(10) The Commission may at any time within the period of 6 months mentioned in paragraph (9) (a) or (b) give the transferor CIO a notice extending the relevant period by such period (not exceeding 6 months) as is specified in the notice.

(11) A notice under paragraph (10) must set out the Commission's reasons for the extension.

(12) If the resolution is confirmed (or treated as confirmed) by the Commission—

- (a) all the property, rights and liabilities of the transferor CIO shall become by virtue of this paragraph the property, rights and liabilities of the transferee CIO in accordance with the resolution, and
- (b) the transferor CIO shall be dissolved.

(13) Any gift which—

- (a) is expressed as a gift to the transferor CIO, and

(b) takes effect on or after the date on which the resolution is confirmed (or treated as confirmed),
takes effect as a gift to the transferee CIO.

Winding up, insolvency and dissolution

Regulations about winding up, insolvency and dissolution

120.—(1) The Department may by regulations make provision about—

- (a) the winding up of CIOs,
- (b) their insolvency,
- (c) their dissolution, and
- (d) their revival and restoration to the register following dissolution.

(2) The regulations may, in particular, make provision—

- (a) about the transfer on the dissolution of a CIO of its property and rights (including property and rights held on trust for the CIO) to the official custodian or another person or body,
- (b) requiring any person in whose name any stocks, funds or securities are standing in trust for a CIO to transfer them into the name of the official custodian or another person or body,

- (e) about circumstances in which charity trustees may be personally liable for contributions to the assets of a CIO or for its debts,
- (f) about the reversal on a CIO's revival of anything done on its dissolution.

(3) The regulations may—

- (a) apply any statutory provision which would not otherwise apply, either without modification or with modifications specified in the regulations,
- (b) disapply, or modify (in ways specified in the regulations) the application of, any statutory provision which would otherwise apply.

(4) No regulations shall be made under this Article unless a draft of the regulations has been laid before and approved by resolution of the Assembly.

Miscellaneous

Power to transfer all property of unincorporated charity to one or more CIOs

121. Article 124 (power to transfer all property of unincorporated charity) applies with the omission of sub-paragraph (a) of paragraph (1) in relation to a resolution by the charity trustees of a charity to transfer all its property to a CIO or to divide its property between two or more CIOs.

Further provision about CIOs

122. The provisions of Schedule 7 shall have effect with respect to CIOs.

Regulations

123.—(1) The Department may by regulations make further provision about applications for registration of CIOs, the administration of CIOs, the conversion of charitable companies, registered societies and community interest companies into CIOs, the amalgamation of CIOs, and in relation to CIOs generally.

(2) The regulations may, in particular, make provision about—

- (a) the execution of deeds and documents,
- (b) the electronic communication of messages or documents relevant to a CIO or to any dealing with the Commission in relation to one,
- (c) the maintenance of registers of members and of charity trustees,
- (d) the maintenance of other registers (for example, a register of charges over the CIO’s assets).

(3) The regulations may, in relation to charities constituted as CIOs—

- (a) disapply any of Articles 18 to 20,
- (b) modify the application of any of those Articles in ways specified in the regulations.

(4) Paragraphs (3) and (4) of Article 120 apply for the purposes of this Article as they apply for the purposes of that Article.

PART XII

POWERS OF UNINCORPORATED CHARITIES

Transfer of property

Power to transfer all property of unincorporated charity

124.—(1) This Article applies to a charity if—

- (a) its gross income in its last financial year did not exceed £10,000,
- (b) it does not hold any designated land, and
- (c) it is not a company or other body corporate.

“Designated land” means land held on trusts which stipulate that it is to be used for the purposes, or any particular purposes, of the charity.

(2) The charity trustees of such a charity may resolve for the purposes of this Article—

- (a) that all the property of the charity should be transferred to another charity specified in the resolution, or
- (b) that all the property of the charity should be transferred to two or more charities specified in the resolution in accordance with such division of the property between them as is so specified.

(3) But the charity trustees of a charity (“the transferor charity”) do not have power to pass a resolution under paragraph (2) unless they are satisfied—

- (a) that it is expedient in the interests of furthering the purposes for which the property is held by the transferor charity for the property to be transferred in accordance with the resolution, and

(b) that the purposes (or any of the purposes) of any charity to which property is to be transferred under the resolution are substantially similar to the purposes (or any of the purposes) of the transferor charity.

(4) Any resolution under paragraph (2) must be passed by a majority of not less than two-thirds of the charity trustees who vote on the resolution.

(5) Where charity trustees have passed a resolution under paragraph (2), they must send a copy of it to the Commission, together with a statement of their reasons for passing it.

(6) Having received the copy of the resolution, the Commission—

(a) may direct the charity trustees to give public notice of the resolution in such manner as is specified in the direction, and

(b) if it gives such a direction, must take into account any representations made to it by persons appearing to it to be interested in the charity, where those representations are made to it within the period of 28 days beginning with the date when public notice of the resolution is given by the charity trustees.

(7) The Commission may also direct the charity trustees to provide the Commission with additional information or explanations relating to—

(a) the circumstances in and by reference to which they have decided to act under this Article, or

(b) their compliance with any obligation imposed on them by or under this Article in connection with the resolution.

(8) Subject to the provisions of Article 125, a resolution under paragraph (2) takes effect at the end of the period of 60 days beginning with the date on which the copy of it was received by the Commission.

(9) Where such a resolution has taken effect, the charity trustees must arrange for all the property of the transferor charity to be transferred in accordance with the resolution, and on terms that any property so transferred—

(a) is to be held by the charity to which it is transferred (“the transferee charity”) in accordance with paragraph (10), but

(b) when so held is nevertheless to be subject to any restrictions on expenditure to which it was subject as property of the transferor charity;

and the charity trustees must arrange for the property to be so transferred by such date after the resolution takes effect as they agree with the charity trustees of the transferee charity or charities concerned.

(10) The charity trustees of any charity to which property is transferred under this Article must secure, so far as is reasonably practicable, that the property is applied for such of its purposes as are substantially similar to those of the transferor charity.

But this requirement does not apply if those charity trustees consider that complying with it would not result in a suitable and effective method of applying the property.

(11) For the purpose of enabling any property to be transferred to a charity under this Article, the Commission may, at the request of the charity trustees of that charity, make orders vesting any property of the transferor charity—

(a) in the transferee charity, in its charity trustees or in any trustee for that charity, or

(b) in any other person nominated by those charity trustees to hold property in trust for that charity.

(12) The Department may by order amend paragraph (1) by substituting a different sum for the sum for the time being specified there.

(13) In this Article references to the transfer of property to a charity are references to its transfer—

- (a) to the charity, or
- (b) to the charity trustees, or
- (c) to any trustee for the charity, or
- (d) to a person nominated by the charity trustees to hold it in trust for the charity,

as the charity trustees may determine.

(14) Where a charity has a permanent endowment, this Article has effect in accordance with Article 126.

Resolution not to take effect or to take effect at later date

125.—(1) This Article deals with circumstances in which a resolution under Article 124(2) either—

- (a) does not take effect under Article 124(8), or
 - (b) takes effect at a time later than that mentioned in Article 124(8).
- (2) A resolution does not take effect under Article 124(8) if before the end of—
- (a) the period of 60 days mentioned in Article 124(8) (“the 60-day period”), or
 - (b) that period as modified by paragraph (3) or (4),

the Commission notifies the charity trustees in writing that it objects to the resolution, either on procedural grounds or on the merits of the proposals contained in the resolution.

“On procedural grounds” means on the grounds that any obligation imposed on the charity trustees by or under Article 124 has not been complied with in connection with the resolution.

(3) If under Article 124(6) the Commission directs the charity trustees to give public notice of a resolution, the running of the 60-day period is suspended by virtue of this paragraph—

- (a) as from the date on which the direction is given to the charity trustees, and
- (b) until the end of the period of 42 days beginning with the date on which public notice of the resolution is given by the charity trustees.

(4) If under Article 124(7) the Commission directs the charity trustees to provide any information or explanations, the running of the 60-day period is suspended by virtue of this paragraph—

- (a) as from the date on which the direction is given to the charity trustees, and
- (b) until the date on which the information or explanations is or are provided to the Commission.

(5) Paragraph (6) applies once the period of time, or the total period of time, during which the 60-day period is suspended by virtue of either or both of paragraphs (3) and (4) exceeds 120 days.

(6) At that point the resolution (if not previously objected to by the Commission) is to be treated as if it had never been passed.

Transfer where charity has permanent endowment

126.—(1) This Article provides for the operation of Article 124 where a charity within Article 124(1) has a permanent endowment (whether or not the charity’s trusts contain provision for the termination of the charity).

(2) In such a case Article 124 applies as follows—

- (a) if the charity has both a permanent endowment and other property (“unrestricted property”)—

- (i) a resolution under Article 124(2) must relate to both its permanent endowment and its unrestricted property, and
 - (ii) that Article applies in relation to its unrestricted property in accordance with paragraph (3) and in relation to its permanent endowment in accordance with paragraphs (4) to (11);
- (b) if all of the property of the charity is comprised in its permanent endowment, that paragraph applies in relation to its permanent endowment in accordance with paragraphs (4) to (11).
- (3) Article 124 applies in relation to unrestricted property of the charity as if references in that Article to all or any of the property of the charity were references to all or any of its unrestricted property.
- (4) Article 124 applies in relation to the permanent endowment of the charity with the following modifications.
- (5) References in that Article to all or any of the property of the charity are references to all or any of the property comprised in its permanent endowment.
- (6) If the property comprised in its permanent endowment is to be transferred to a single charity, the charity trustees must (instead of being satisfied as mentioned in Article 124(3)(b)) be satisfied that the proposed transferee charity has purposes which are substantially similar to all of the purposes of the transferor charity.
- (7) If the property comprised in its permanent endowment is to be transferred to two or more charities, the charity trustees must (instead of being satisfied as mentioned in Article 124(3)(b)) be satisfied—
- (a) that the proposed transferee charities, taken together, have purposes which are substantially similar to all of the purposes of the transferor charity, and
 - (b) that each of the proposed transferee charities has purposes which are substantially similar to one or more of the purposes of the transferor charity.
- (8) In the case of a transfer to which paragraph (7) applies, the resolution under Article 124(2) must provide for the property comprised in the permanent endowment of the charity to be divided between the transferee charities in such a way as to take account of such guidance as may be given by the Commission for the purposes of this Article.
- (9) The requirement in Article 124(10) shall apply in the case of every such transfer, and in complying with that requirement the charity trustees of a transferee charity must secure that the application of property transferred to the charity takes account of any such guidance.
- (10) Any guidance given by the Commission for the purposes of this Article may take such form and be given in such manner as the Commission considers appropriate.
- (11) For the purposes of Articles 124 and 125, any reference to any obligation imposed on the charity trustees by or under Article 124 includes a reference to any obligation imposed on them by virtue of any of paragraphs (6) to (8).
- (12) Article 124(13) applies for the purposes of this Article as it applies for the purposes of Article 124.

Modification of purposes, powers or procedure

Power to replace purposes of unincorporated charity

- 127.**—(1) This Article applies to a charity if—
- (a) its gross income in its last financial year did not exceed £10,000,
 - (b) it does not hold any designated land, and

(c) it is not a company or other body corporate.

“Designated land” means land held on trusts which stipulate that it is to be used for the purposes, or any particular purposes, of the charity.

(2) The charity trustees of such a charity may resolve for the purposes of this Article that the trusts of the charity should be modified by replacing all or any of the purposes of the charity with other purposes specified in the resolution.

(3) The other purposes so specified must be charitable purposes.

(4) But the charity trustees of a charity do not have power to pass a resolution under paragraph (2) unless they are satisfied—

(a) that it is expedient in the interests of the charity for the purposes in question to be replaced, and

(b) that, so far as is reasonably practicable, the new purposes consist of or include purposes that are similar in character to those that are to be replaced.

(5) Any resolution under paragraph (2) must be passed by a majority of not less than two-thirds of the charity trustees who vote on the resolution.

(6) Where charity trustees have passed a resolution under paragraph (2), they must send a copy of it to the Commission, together with a statement of their reasons for passing it.

(7) Having received the copy of the resolution, the Commission—

(a) may direct the charity trustees to give public notice of the resolution in such manner as is specified in the direction, and

(b) if it gives such a direction, must take into account any representations made to it by persons appearing to it to be interested in the charity, where those representations are made to it within the period of 28 days beginning with the date when public notice of the resolution is given by the charity trustees.

(8) The Commission may also direct the charity trustees to provide the Commission with additional information or explanations relating to—

(a) the circumstances in and by reference to which they have decided to act under this Article, or

(b) their compliance with any obligation imposed on them by or under this Article in connection with the resolution.

(9) Subject to the provisions of Article 125 (as they apply in accordance with paragraph (10)), a resolution under paragraph (2) takes effect at the end of the period of 60 days beginning with the date on which the copy of it was received by the Commission.

(10) Article 125 applies to a resolution under paragraph (2) of this Article as it applies to a resolution under paragraph (2) of Article 124, except that any reference to paragraph (7), (8) or (9) is to be read as a reference to paragraph (7), (8) or (9) above.

(11) As from the time when a resolution takes effect under paragraph (9), the trusts of the charity concerned are to be taken to have been modified in accordance with the terms of the resolution.

(12) The Department may by order amend paragraph (1) by substituting a different sum for the sum for the time being specified there.

Power to modify powers or procedures of unincorporated charity

128.—(1) This Article applies to any charity which is not a company or other body corporate.

(2) The charity trustees of such a charity may resolve for the purposes of this Article that any provision of the trusts of the charity—

- (a) relating to any of the powers exercisable by the charity trustees in the administration of the charity, or
- (b) regulating the procedure to be followed in any respect in connection with its administration,

should be modified in such manner as is specified in the resolution.

(4) Any resolution of the charity trustees under paragraph (2) must be approved by a further resolution which is passed at a general meeting of the body either—

- (a) by a majority of not less than two-thirds of the members entitled to attend and vote at the meeting who vote on the resolution, or
- (b) by a decision taken without a vote and without any expression of dissent in response to the question put to the meeting.

129.—(1) This Article applies to any available endowment fund of a charity which is not a company or other body corporate.

(2) But this Article does not apply to a fund if Article 130 (power of larger charities to spend capital given for particular purpose) applies to it.

(3) Where the condition in paragraph (4) is met in relation to the charity, the charity trustees may resolve for the purposes of this Article that the fund, or a portion of it, ought to be freed from the restrictions with respect to expenditure of capital that apply to it.

(4) The condition in this paragraph is that the charity trustees are satisfied that the purposes set out in the trusts to which the fund is subject could be carried out more effectively if the capital of the fund, or the relevant portion of the capital, could be expended as well as income accruing to it, rather than just such income.

(5) Once the charity trustees have passed a resolution under paragraph (3), the fund or portion may by virtue of this Article be expended in carrying out the purposes set out in the trusts to which the fund is subject without regard to the restrictions mentioned in that paragraph.

(6) The fund or portion may be so expended as from such date as is specified for the purpose in the resolution.

(2) The financial condition in this paragraph is met if—

- (a) the relevant charity's gross income in its last financial year exceeded £1,000, and
- (b) the market value of the endowment fund exceeds £10,000.

(3) Where the condition in paragraph (4) is met in relation to the charity, the charity trustees may resolve for the purposes of this Article that the fund, or a portion of it, ought to be freed from the restrictions with respect to expenditure of capital that apply to it.

(4) The condition in this paragraph is that the charity trustees are satisfied that the purposes set out in the trust to which the fund is subject could be carried out more effectively if the capital of the fund, or the relevant portion of the capital, could be expended as well as income accruing to it, rather than just such income.

(5) The charity trustees—

- (a) must send a copy of any resolution under paragraph (3) to the Commission, together with a statement of their reasons for passing it, and
- (b) may not implement the resolution except in accordance with the following provisions of this Article.

(6) Having received the copy of the resolution the Commission may—

- (a) direct the charity trustees to give public notice of the resolution in such manner as is specified in the direction, and
- (b) if it gives such a direction, must take into account any representations made to it by persons appearing to it to be interested in the charity, where those representations are made to it within the period of 28 days beginning with the date when public notice of the resolution is given by the charity trustees.

(7) The Commission may also direct the charity trustees to provide the Commission with additional information or explanations relating to—

- (a) any evidence available to it as to the wishes of the donor or donors mentioned in paragraph (1)(a), and
- (b) any changes in the circumstances relating to the charity since the making of the gift or gifts (including, in particular, its financial position, the needs of its beneficiaries, and the social, economic and legal environment in which it operates).

(9) The Commission must not concur with the resolution unless it is satisfied—

- (a) that its implementation would accord with the spirit of the gift or gifts mentioned in paragraph (1)(a) (even though it would be inconsistent with the restrictions mentioned in paragraph (3)), and
 - (b) that the charity trustees have complied with the obligations imposed on them by or under this Article in connection with the resolution.
- (10) Before the end of the period of 3 months beginning with the relevant date, the Commission must notify the charity trustees in writing either—
- (a) that the Commission concurs with the resolution, or
 - (b) that it does not concur with it.
- (11) In paragraph (10) “the relevant date” means—

 - (b) “market value”, in relation to an endowment fund, means—
 - (i) the market value of the fund as recorded in the accounts for the last financial year of the relevant charity, or
 - (ii) if no such value was so recorded, the current market value of the fund as determined on a valuation carried out for the purpose, and
 - (c) the reference in paragraph (1) to the giving of property by an individual includes his giving it under his will.

Power to spend capital subject to special trusts

131.—(1) This Article applies to any available endowment fund of a special trust which, as the result of a direction under Article 3(4), is to be treated as a separate charity (“the relevant charity”) for the purposes of this Article.

(2) Where the condition in paragraph (3) is met in relation to the relevant charity, the charity trustees may resolve for the purposes of this Article that the fund, or a portion of it, ought to be freed from the restrictions with respect to expenditure of capital that apply to it.

(3) The condition in this paragraph is that the charity trustees are satisfied that the purposes set out in the trusts to which the fund is subject could be carried out more effectively if the capital of the fund, or the relevant portion of the capital, could be expended as well as income accruing to it, rather than just such income.

(4) Where the market value of the fund exceeds £10,000 and the capital of the fund consists entirely of property given—

- (a) by a particular individual,
- (b) by a particular institution (by way of grant or otherwise), or
- (c) by two or more individuals or institutions in pursuit of a common purpose,

paragraphs (5) to (11) of Article 130 apply in relation to the resolution and that gift or gifts as they apply in relation to a resolution under Article 130(3) and the gift or gifts mentioned in Article 130(1) (a).

(5) Where—

- (b) (in a case where Article 130(5) to (11) apply in accordance with paragraph (4) above) either—
 - (i) the charity trustees are notified by the Commission that it concurs with the resolution, or
 - (ii) the period of 3 months mentioned in Article 130(10) has elapsed without the Commission notifying them that it does not concur with the resolution,

the fund or portion may, by virtue of this Article, be expended in carrying out the purposes set out in the trusts to which the fund is subject without regard to the restrictions mentioned in paragraph (2).

(6) The fund or portion may be so expended as from such date as is specified for this purpose in the resolution.

(7) The Department may by order amend paragraph (4) by substituting a different sum for the sum specified there.

(2) In this Part, “charitable appeal”, “collection in a public place”, “door to door collection” and “public charitable collection” shall be construed in accordance with Article 133(2).

CHAPTER II
PUBLIC CHARITABLE COLLECTIONS

Preliminary

Regulation of public charitable collections

133.—(1) This Chapter regulates public charitable collections, which are of the following two types—

- (a) collections in a public place; and
- (b) door to door collections.

(3) For the purposes of paragraph (2)(b)—

- (a) the reference to the giving of money is to doing so by whatever means; and
- (b) it does not matter whether the giving of money or other property is for consideration or otherwise.

(4) An appeal falls within this paragraph if it consists in or includes—

 - (i) by virtue of the express or implied permission of the occupier of the land, or
 - (ii) by virtue of any statutory provision,
 and the occupier is the promoter of the collection; or

- (a) withdraw a public collections certificate,
- (b) suspend such a certificate,
- (c) attach any condition (or further condition) to such a certificate, or
- (d) vary any existing condition of such a certificate.

(2) This paragraph applies where the Commission—

- (a) has reason to believe there has been a change in the circumstances which prevailed at the time when it issued the certificate, and
- (b) is of the opinion that, if the application for the certificate had been made in the new circumstances, it would not have issued the certificate or would have issued it subject to different or additional conditions.

(3) This paragraph applies where—

- (a) the holder of a certificate has unreasonably refused to provide any information or document in response to a request under Article 142(1), or
- (b) the Commission has reason to believe that information provided to it by the holder of a certificate (or, where there is more than one holder, by any of them) for the purposes of the application for the certificate, or in response to such a request, was false or misleading in a material particular.

(4) This paragraph applies where the Commission has reason to believe that there has been or is likely to be a breach of any condition of a certificate, or that a breach of such a condition is continuing.

(5) Any condition imposed at any time by the Commission under paragraph (1) (whether by attaching a new condition to the certificate or by varying an existing condition) must be one that it would be appropriate for the Commission to attach to the certificate under Article 140(4) if the holder was applying for it in the circumstances prevailing at that time.

(6) The exercise by the Commission of the power conferred by sub-paragraph (b), (c) or (d) of paragraph (1) on one occasion does not prevent it from exercising any of the powers conferred by that paragraph on a subsequent occasion; and on any subsequent occasion the reference in paragraph (2) (a) to the time when the Commission issued the certificate is a reference to the time when it last exercised any of those powers.

(7) Where the Commission—

- (a) withdraws or suspends a certificate,
- (b) attaches a condition to a certificate, or
- (c) varies an existing condition of a certificate,

it shall serve on the holder written notice of its decision and the reasons for its decision.

(8) That notice shall also state the right of appeal conferred by Schedule 3 and the time within which such an appeal must be brought.

(9) If the Commission—

- (a) considers that the interests of the public require a decision by it under this Article to have immediate effect, and
- (b) includes a statement to that effect and the reasons for it in the notice served under paragraph (7),

the decision takes effect when that notice is served on the holder.

(10) In any other case the certificate shall continue to have effect as if it had not been withdrawn or suspended or (as the case may be) as if the condition had not been attached or varied—

- (a) until the time for bringing an appeal has expired, or
- (b) if such an appeal is duly brought, until the determination or abandonment of the appeal.

(11) A certificate suspended under this Article shall (subject to any appeal and any withdrawal of the certificate) remain suspended until—

- (a) such time as the Commission may by notice direct that the certificate is again in force, or
- (b) the end of the period of 6 months beginning with the date on which the suspension takes effect,

whichever is the sooner.

Permits

Applications for permits to conduct public charitable collections

145.—(1) A person or persons proposing to promote a public charitable collection (other than an exempt collection) may apply to the Commission for a permit to conduct that collection.

(2) The application shall be made within the prescribed period falling before the day (or the first of the days) on which the collection is to take place, except as provided in paragraph (4).

(3) The application shall—

- (a) specify the date or dates in respect of which it is desired that the permit, if issued, should have effect (which, in the case of two or more dates, must not span a period of more than 12 months);
- (b) be accompanied by a copy of the public collections certificate in force under Article 140 in respect of the proposed collection; and
- (c) contain such information as may be prescribed.

(4) Where an application (“the certificate application”) has been made in accordance with Article 139 for a public collections certificate in respect of the collection and either—

- (a) the certificate application has not been determined by the end of the period mentioned in paragraph (2), or
- (b) the certificate application has been determined by the issue of such a certificate but at a time when there is insufficient time remaining for the application mentioned in paragraph (2) (“the permit application”) to be made by the end of that period,

the permit application shall be made as early as practicable before the day (or the first of the days) on which the collection is to take place.

(5) In this Article “exempt collection” means a collection which is an exempt collection by virtue of Article 138.

Determination of applications and issue of permits

146.—(1) On receiving an application made in accordance with Article 145 for a permit in respect of a collection in a public place, the Commission shall determine the application within the prescribed period by either—

- (a) issuing a permit in respect of the collection, or
- (b) refusing the application on the ground specified in Article 147(1).

(2) Where the Commission issues such a permit, it shall (subject to Article 148) have effect in respect of the date or dates specified in the application in accordance with Article 145(3)(a).

(3) At the time of issuing a permit under this Article, the Commission may attach to it such conditions within sub-paragraphs (a) to (d) below as the Commission thinks fit, having regard to the local circumstances of the collection—

- (a) conditions specifying the day of the week, date, time or frequency of the collection;
- (b) conditions specifying the locality or localities in which the collection may be conducted;
- (c) conditions regulating the manner in which the collection is to be conducted;
- (d) such other conditions as may be prescribed for the purposes of this paragraph.

(4) The Commission shall secure that the terms of any conditions attached under paragraph (3) are consistent with the provisions of any regulations under Article 150 (whether or not prescribing conditions for the purposes of that paragraph).

- (5) Where the Commission—
 - (a) refuses to issue a permit, or
 - (b) attaches any condition to it,

the Commission shall serve on the applicant written notice of its decision and the reasons for its decision.

(6) That notice shall also state the right of appeal conferred by Article 149(2) and the time within which such an appeal must be brought.

Refusal of permits

147.—(1) The only ground on which the Commission may refuse an application for a permit to conduct a public charitable collection is that it appears to the Commission that the collection would cause undue inconvenience to members of the public or the occupants of houses or business premises (or both) by reason of—

- (a) the day or the week or date on or in which,
- (b) the time at which,
- (c) the frequency with which, or
- (d) the locality or localities in which,

it is proposed to be conducted.

(2) In making a decision under paragraph (1), the Commission may have regard to the fact (where it is the case) that the collection is proposed to be conducted—

- (a) wholly or partly in a locality in which another public charitable collection is already authorised to be conducted under this Chapter, and
- (b) on a day on which that other collection is already so authorised, or on the day falling immediately before, or immediately after, any such day.

(3) The Commission shall not, however, have regard to the matters mentioned in paragraph (2) if it appears to the Commission—

- (a) that the proposed collection would be a collection in a public place and would be conducted only in one location, which is on land to which members of the public would have access only—
 - (i) by virtue of the express or implied permission of the occupier of the land, or
 - (ii) by virtue of any statutory provision, and
- (b) that the occupier of the land consents to that collection being conducted there;

and for this purpose “the occupier”, in relation to unoccupied land, means the person entitled to occupy it.

(4) In paragraph (3) a reference to a collection in a public place authorised under this Chapter is a reference to a collection in a public place that—

- (a) is conducted in accordance with Article 136, or
- (b) is an exempt collection by virtue of Article 138.

Withdrawal or variation etc. of permits

148.—(1) Where paragraph (2), (3) or (4) applies, the Commission may—

- (a) withdraw the permit,
- (b) attach any condition (or further condition) to the permit, or

(c) vary any existing condition of the permit.

(2) This paragraph applies where the Commission—

- (a) has reason to believe that there has been a change in the circumstances which prevailed at the time when it issued the permit, and
- (b) is of the opinion that, if the application for the permit had been made in the new circumstances, the Commission would not have issued the permit or would have issued it subject to different or additional conditions.

(3) This paragraph applies where the Commission has reason to believe that any information provided to it by the holder of a permit (or, where there is more than one holder, by any of them) for the purposes of the application for the permit was false or misleading in a material particular.

(4) This paragraph applies where the Commission has reason to believe that there has been or is likely to be a breach of any condition of a permit issued by it, or that a breach of such a condition is continuing.

(5) Any condition imposed at any time by the Commission under paragraph (1) (whether by attaching a new condition to the permit or by varying an existing condition) must be one that it would be appropriate for the Commission to attach to the permit under Article 146(3) if the holder was applying for it in the circumstances prevailing at that time.

(6) The exercise by the Commission of the power conferred by sub-paragraph (b) or (c) of paragraph (1) on one occasion does not prevent the Commission from exercising any of the powers conferred by that paragraph on a subsequent occasion; and on any subsequent occasion the reference in paragraph (2)(a) to the time when the Commission issued the permit is a reference to the time when it last exercised any of those powers.

(7) Where under this Article the Commission—

- (a) withdraws a permit,
- (b) attaches a condition to a permit, or
- (c) varies an existing condition of a permit,

the Commission shall serve on the holder written notice of its decision and the reasons for its decision.

(8) That notice shall also state the right of appeal conferred by Article 149(3) and the time within which such an appeal must be brought.

(9) Where the Commission under this Article withdraws a permit, attaches any condition to a permit, or varies an existing condition of a permit, the permit shall continue to have effect as if it had not been withdrawn or (as the case may be) as if the condition had not been attached or varied—

- (a) until the time for bringing an appeal under Article 149(3) has expired, or
- (b) if such an appeal is duly brought, until the determination or abandonment of the appeal.

Appeals against decisions of Commission

149.—(1) A person who, in relation to a public charitable collection, has duly notified the Commission of the matters mentioned in Article 138(3) may appeal to a court of summary jurisdiction against a decision of the Commission under Article 138(4)—

- (a) that the collection is not a local, short-term collection, or
- (b) that the promoters or any of them has breached any such provision, or been convicted of any such offence, as is mentioned in sub-paragraph (b) of that Article.

(2) A person who has duly applied to the Commission for a permit to conduct a public charitable collection may appeal to a court of summary jurisdiction against a decision of the Commission under Article 146—

- (a) to refuse to issue a permit, or
- (b) to attach any condition to it.

(3) A person to whom a permit has been issued may appeal to a court of summary jurisdiction against a decision of the Commission under Article 148—

- (a) to withdraw the permit,
- (b) to attach a condition to the permit, or
- (c) to vary an existing condition of the permit.

(4) An appeal under paragraph (1), (2) or (3) shall be by way of complaint under Part VIII of the [Magistrates' Courts \(Northern Ireland\) Order 1981 \(NI 26\)](#).

(5) Any such appeal shall be brought within 14 days of the date of service on the person in question of the relevant notice under Article 138(4), Article 146(5) or (as the case may be) Article 148(7); and for the purposes of this Article an appeal shall be taken to be brought when the complaint is made.

(6) On an appeal under this Article, the court may confirm, vary or reverse the Commission's decision and generally give such directions as it thinks fit, having regard to the provisions of this Chapter and of any regulations under Article 150.

(7) On an appeal against a decision of the Commission under Article 138(4), directions under paragraph (6) may include a direction that the collection may be conducted—

- (a) on the date or dates notified in accordance with Article 138(3)(b), or
- (b) on such other date or dates as may be specified in the direction;

and if so conducted the collection is to be regarded as one that is an exempt collection by virtue of Article 138.

(8) It shall be the duty of the Commission to comply with any directions given by the court under paragraph (6); but the Commission need not comply with any directions given by a court of summary jurisdiction—

- (a) until the time for bringing an appeal against the court's decision has expired, or
- (b) if such an appeal is duly brought, until the determination or abandonment of the appeal.

150.—(1) The Department may make regulations—

Preliminary

Interpretation of Chapter III

152.—(1) In this Chapter—

“charitable contributions”, in relation to any representation made by any commercial participator or other person, means—

“commercial participator”, in relation to any charitable institution, means any person (apart from a company connected with the institution) who—

- (a) carries on for gain a business other than a fund-raising business, but
- (b) in the course of that business, engages in any promotional venture in the course of which it is represented that charitable contributions are to be given to or applied for the benefit of the institution;

“credit card” means a card which is a credit-token within the meaning of the Consumer Credit Act 1974 (c. 39);

“debit card” means a card the use of which by its holder to make a payment results in a current account of his at a bank, or at any other institution providing banking services, being debited with the payment;

“fund-raising business” means any business carried on for gain and wholly or primarily engaged in soliciting or otherwise procuring money or other property for charitable, benevolent or philanthropic purposes;

“professional fund-raiser” means—

- (a) any person (apart from a charitable institution or a company connected with such an institution) who carries on a fund-raising business, or
- (b) any other person (apart from a person excluded by virtue of paragraph (2) or (3)) who for reward solicits money or other property for the benefit of a charitable institution, if he does so otherwise than in the course or any fund-raising venture undertaken by a person falling within sub-paragraph (a);

“promotional venture” means any advertising or sales campaign or any other venture undertaken for promotional purposes;

“radio or television programme” includes any item included in a programme service within the meaning of the Broadcasting Act 1990 (c. 42).

(2) In paragraph (1), sub-paragraph (b) of the definition of “professional fund-raiser” does not apply to any of the following, namely—

- (a) any charitable institution or any company connected with any such institution;

- (b) any officer or employee of any such institution or company, or any trustee of any such institution, acting (in each case) in his capacity as such;
 - (c) any person acting as a collector in respect of a public charitable collection (apart from a person who is a promoter of such a collection as defined in Article 135(1));
 - (d) any person who in the course of a relevant programme, that is to say a radio or television programme in the course of which a fund-raising venture is undertaken by—
 - (i) a charitable institution, or
 - (ii) a company connected with such an institution,
 makes any solicitation at the instance of that institution or company; or
 - (e) any commercial participator.
- (3) In addition, sub-paragraph (b) of the definition of “professional fund-raiser” does not apply to a person if he does not receive—
- (a) more than—
 - (i) £5 per day, or
 - (ii) £500 per year,
 by way of remuneration in connection with soliciting money or other property for the benefit of the charitable institution referred to in that paragraph; or
 - (b) more than £500 by way of remuneration in connection with any fund-raising venture in the course of which he solicits money or other property for the benefit of that institution.
- (4) In this Chapter any reference to charitable purposes, where occurring in the context of a reference to charitable, benevolent or philanthropic purposes, is a reference to charitable purposes as defined in Article 4(1).
- (5) For the purposes of this Chapter a company is connected with a charitable institution if—
- (a) the institution, or
 - (b) the institution and one or more other charitable institutions, taken together,
- is or are entitled (whether directly or through one or more nominees) to exercise, or control the exercise of, the whole of the voting power at any general meeting of the company.
- (6) In this Chapter—
- (a) “represent” and “solicit” mean respectively represent and solicit in any manner whatever, whether expressly or impliedly and whether done—
 - (i) by speaking directly to the person or persons to whom the representation or solicitation is addressed (whether when in his or their presence or not), or
 - (ii) by means of a statement published in any newspaper, film or radio or television programme,
 or otherwise, and references to a representation or solicitation shall be construed accordingly; and
 - (b) any reference to soliciting or otherwise procuring money or other property is a reference to soliciting or otherwise procuring money or other property whether any consideration is, or is to be, given in return for the money or other property or not.
- (7) Where—
- (a) any solicitation of money or other property for the benefit of a charitable institution is made in accordance with arrangements between any person and that institution, and
 - (b) under those arrangements that person will be responsible for receiving on behalf of the institution money or other property given in respect to the solicitation,

then (if he would not be so regarded apart from this paragraph) that person shall be regarded for the purposes of this Chapter as soliciting money or other property for the benefit of the institution.

(8) Where any fund-raising venture is undertaken by a professional fund-raiser in the course of a radio or television programme, any solicitation which is made by a person in the course of the programme at the instance of the fund-raiser shall be regarded for the purposes of this Part as made by the fund-raiser and not by that person (and shall be so regarded whether or not the solicitation is made by that person for any reward).

(9) In this Chapter “services” includes facilities, and in particular—

- (a) access to any premises or event;
- (b) membership of any organisation;
- (c) the provision of advertising space; and

Control of fund-raising

Prohibition on professional fund-raiser etc. raising funds for charitable institution without an agreement in prescribed form

153.—(1) It shall be unlawful for a professional fund-raiser to solicit money or other property for the benefit of a charitable institution unless he does so in accordance with an agreement with the institution satisfying the prescribed requirements.

(2) It shall be unlawful for a commercial participator to represent that charitable contributions are to be given to or applied for the benefit of a charitable institution unless he does so in accordance with an agreement with the institution satisfying the prescribed requirements.

(3) Where on the application of a charitable institution the Court is satisfied—

- (a) that any person has contravened or is contravening paragraph (1) or (2) in relation to the institution, and
- (b) that, unless restrained, any such contravention is likely to continue or be repeated,

the Court may grant an injunction restraining the contravention; and compliance with paragraph (1) or (2) shall not be enforceable otherwise than in accordance with this paragraph.

(4) Where—

- (a) a charitable institution makes any agreement with a professional fund-raiser or a commercial participator by virtue of which—
 - (i) the professional fund-raiser is authorised to solicit money or other property for the benefit of the institution, or
 - (ii) the commercial participator is authorised to represent that charitable contributions are to be given to or applied for the benefit of the institution,

as the case may be, but

- (b) the agreement does not satisfy the prescribed requirements in any respect,

the agreement shall not be enforceable against the institution except to such extent (if any) as may be provided by an order of the Court.

(5) A professional fund-raiser or commercial participator who is a party to such an agreement as is mentioned in paragraph (4)(a) shall not be entitled to receive any amount by way of remuneration or expenses in respect of anything done by him in pursuance of the agreement unless—

- (a) he is so entitled under any provision of the agreement, and
- (b) either—
 - (i) the agreement satisfies the prescribed requirements, or
 - (ii) any such provision has effect by virtue of an order of the Court under paragraph (4).

(6) In this Article “the prescribed requirements” means such requirements as are prescribed by regulations made by virtue of Article 160.

Professional fund-raisers etc. required to indicate institutions benefiting and arrangements for remuneration

154.—(1) Where a professional fund-raiser solicits money or other property for the benefit of one or more particular charitable institutions, the solicitation shall be accompanied by a statement clearly indicating—

- (a) the name or names of the institution or institutions concerned;
- (b) if there is more than one institution concerned, the proportions in which the institutions are respectively to benefit; and
- (c) the method by which the fund-raiser’s remuneration in connection with the appeal is to be determined and the notifiable amount of that remuneration.

(2) Where a professional fund-raiser solicits money or other property for charitable, benevolent or philanthropic purposes of any description (rather than for the benefit of one or more particular charitable institutions), the solicitation shall be accompanied by a statement clearly indicating—

- (a) the fact that he is soliciting money or other property for those purposes and not for the benefit of any particular charitable institution or institutions;
- (b) the method by which it is to be determined how the proceeds of the appeal are to be distributed between different charitable institutions; and
- (c) the method by which his remuneration in connection with the appeal is to be determined and the notifiable amount of that remuneration.

(3) Where any representation is made by a commercial participator to the effect that charitable contributions are to be given to or applied for the benefit of one or more particular charitable institutions, the representation shall be accompanied by a statement clearly indicating—

- (a) the name or names of the institution or institutions concerned;
- (b) if there is more than one institution concerned, the proportions in which the institutions are respectively to benefit; and
- (c) the notifiable amount of whichever of the following sums is applicable in the circumstances—
 - (i) the sum representing so much of the consideration given for goods or services sold or supplied by him as is to be given to or applied for the benefit of the institution or institutions concerned,
 - (ii) the sum representing so much of any other proceeds of a promotional venture undertaken by him as is to be so given or applied, or
 - (iii) the sum of the donations by him in connection with the sale or supply of any such goods or services which are to be so given or supplied.

(4) In paragraphs (1) to (3) a reference to the “notifiable amount” of any remuneration or other sum is a reference—

- (a) to the actual amount of the remuneration or sum, if that is known at the time when the statement is made; and
- (b) otherwise to the estimated amount of the remuneration or sum, calculated as accurately as is reasonably possible in the circumstances.

(5) If any such solicitation or representation as is mentioned in any of paragraphs (1) to (3) is made—

- (a) in the course of a radio or television programme, and
- (b) in association with an announcement to the effect that payment may be made, in response to the solicitation or representation, by means of a credit or debit card,

the statement required by virtue of paragraph (1), (2) or (3) (as the case may be) shall include full details of the right to have refunded under Article 157(1) any payment of £50 or more which is so made.

(6) If any such solicitation or representation as is mentioned in any of paragraphs (1) to (3) is made orally but is not made—

- (a) by speaking directly to the particular person or persons to whom it is addressed and in his or their presence, or
- (b) in the course of any radio or television programme,

the professional fund-raiser or commercial participator concerned shall, within 7 days of any payment of £50 or more being made to him in response to the solicitation or representation, given to the person making the payment a written statement—

- (i) of the matters specified in sub-paragraphs (a) to (c) of that paragraph; and
- (ii) including full details of the right to cancel under Article 157(2) an agreement made in response to the solicitation or representation, and the right to have refunded under Article 157(2) or (3) any payment of £50 or more made in response thereto.

(7) In paragraph (6) the reference to the making of a payment is a reference to the making of a payment of whatever nature and by whatever means, including a payment made by means of a credit card or a debit card; and for the purposes of that paragraph—

- (a) where the person making any such payment makes it in person, it shall be regarded as made at the time when it is so made;
- (b) where the person making any such payment sends it by post, it shall be regarded as made at the time when it is posted; and
- (c) where the person making any such payment makes it by giving, by telephone or by means of any other electronic communications apparatus, authority for an account to be debited with the payment, it shall be regarded as made at the time when any such authority is given.

(8) Where any requirement of paragraphs (1) to (6) is not complied with in relation to any solicitation or representation, the professional fund-raiser or commercial participator concerned shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(9) It shall be a defence for a person charged with any such offence to prove that he took all reasonable precautions and exercised all due diligence to avoid the commission of the offence.

(10) Where the commission by any person of an offence under paragraph (8) is due to the act or default of some other person, that other person shall be guilty of the offence; and a person may be charged with and convicted of the offence by virtue of this paragraph whether or not proceedings are taken against the first-mentioned person.

(11) In this Article “the appeal”, in relation to any solicitation by a professional fund-raiser, means the campaign or other fund-raising venture in the course of which the solicitation is made.

Other persons making appeals required to indicate institutions benefiting and arrangements for remuneration

155.—(1) Paragraphs (1) and (2) of Article 154 apply to a person acting for reward as a collector in respect of a public charitable collection as they apply to a professional fund-raiser.

(2) But those paragraphs do not so apply to a person excluded by virtue of—

- (a) paragraph (3), or
- (b) Article 156(1) (exclusion of lower-paid collectors).

(3) Those paragraphs do not so apply to a person if—

- (a) Article 154(1) or (2) applies apart from paragraph (1) (by virtue of the exception in Article 152(2)(c) for persons treated as promoters), or
- (b) paragraph (4) or (5) applies,

in relation to his acting for reward as a collector in respect of the collection mentioned in paragraph (1) above.

(4) Where a person within paragraph (6) solicits money or other property for the benefit of one or more particular charitable institutions, the solicitation shall be accompanied by a statement clearly indicating—

- (a) the name or names of the institution or institutions for whose benefit the solicitation is being made;
- (b) if there is more than one such institution, the proportions in which the institutions are respectively to benefit;
- (c) the fact that he is an officer, employee or trustee of the institution or company mentioned in paragraph (6); and
- (d) the fact that he is receiving remuneration as an officer, employee or trustee or (as the case may be) for acting as a collector.

(5) Where a person within paragraph (6) solicits money or other property for charitable, benevolent or philanthropic purposes of any description (rather than for the benefit of one or more particular charitable institutions), the solicitation shall be accompanied by a statement clearly indicating—

- (a) the fact that he is soliciting money or other property for those purposes and not for the benefit of any particular charitable institution or institutions;
- (b) the method by which it is to be determined how the proceeds of the appeal are to be distributed between different charitable institutions;

the institution shall not, in connection with an application made by it under this Article in respect of the activities carried on by that person, be required by virtue of that paragraph to serve a further notice on him, if the application is made not more than 12 months after the date of service of the relevant notice.

- (b) any use to which funds donated in response to the fund-raising are to be put by such an institution or company;
- (c) the activities, achievements or finances of such an institution or company.

(6) Regulations under this Article may provide that a person who persistently fails, without reasonable excuse, to comply with any specified requirement of the regulations is to be guilty of an offence and liable on summary conviction to a fine not exceeding level 2 on the standard scale.

(b) any period during which an appeal (or further appeal) may ordinarily be made has ended.

(3) Where—

(a) paragraphs (a) and (b) of sub-paragraph (2) are satisfied, and

the Commission shall give effect to that decision when dealing with the particular state of affairs to which the reference related.

Suspension of time limits while reference in progress

- 4.—(1) Sub-paragraph (2) applies if—
- (a) paragraph 3(2) prevents the Commission from taking any steps which it would otherwise be permitted or required to take, and
 - (b) the steps in question may be taken only during a period specified in a statutory provision (“the specified period”).
- (2) The running of the specified period is suspended for the period which—
- (a) begins with the date on which the question is referred to the Tribunal, and

- (3) Nothing in this paragraph or Article 125 prevents the specified period being suspended concurrently by virtue of sub-paragraph (2) and that Article.

 - (b) any other statutory provision specified in regulations made by the Department, and
 - (c) any rule of law which relates to charities.

SCHEDULE 5

Article 61(2).

MEANING OF “CONNECTED PERSONS” FOR PURPOSES OF ARTICLE 61(2)

1.—(1) In Article 61(2) “connected person”, in relation to a charity, means any person who falls within sub-paragraph (2)—

- (a) at the time of the disposition in question, or
 - (b) at the time of any contract for the disposition in question.
- (2) The persons falling within this sub-paragraph are—
- (a) a charity trustee or trustee for the charity;
 - (b) a person who is the donor of any land to the charity (whether the gift was made on or after the establishment of the charity);
 - (c) a child, parent, grandchild, grandparent, brother or sister of any such trustee or donor;
 - (d) an officer, agent or employee of the charity;
 - (e) the spouse or civil partner of any person falling within any of sub-paragraphs (a) to (d);
 - (f) a person carrying on business in partnership with anyone falling within any of sub-paragraphs (a) to (e);
 - (g) an institution which is controlled—
 - (i) by any person falling within any of sub-paragraphs (a) to (f), or
 - (ii) by two or more such persons taken together; or
 - (h) a body corporate in which—
 - (i) any connected person falling within any of sub-paragraphs (a) to (g) has a substantial interest, or
 - (ii) two or more such persons, taken together, have a substantial interest.

2.—(1) In paragraph 1(2)(c) “child” includes a stepchild.

(2) For the purposes of paragraph 1(2)(e) a person living with another as that person’s husband or wife shall be treated as that person’s spouse.

(3) Where two persons of the same sex are not civil partners but live together as if they were, each of them shall be treated for those purposes as the civil partner of the other.

3. For the purposes of paragraph 1(2)(g) a person controls an institution if he is able to secure that the affairs of the institution are conducted in accordance with his wishes.

4.—(1) For the purposes of paragraph 1(2)(h) any such connected person as is there mentioned has a substantial interest in a body corporate if the person or institution in question—

- (a) is interested in shares comprised in the equity share capital of that body of a nominal value of more than one-fifth of that share capital, or

- (b) is entitled to exercise, or control the exercise of, more than one-fifth of the voting power at any general meeting of that body.
- (2) The rules set out in Part I of Schedule 13 to the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#) (rules for interpretation of certain provisions of that Order) shall apply for the purposes of sub-paragraph (1) as they apply for the purposes of Article 354(4) of that Order (“connected persons” etc.).
- (3) In this paragraph “equity share capital” and “share” have the same meaning as in that Order.

SCHEDULE 6

Article 67(8) and 75.

GROUP ACCOUNTS

Interpretation

- 1.—(1) This paragraph applies for the purposes of this Schedule.
- (2) A charity is a “parent charity” if—
 - (a) it is (or is to be treated as) a parent undertaking in relation to one or more other undertakings in accordance with the provisions of Article 266 of, and Schedule 10A to, the [Companies \(Northern Ireland\) Order 1986 \(NI 6\)](#), and
 - (b) it is not a company.
- (3) Each undertaking in relation to which a parent charity is (or is to be treated as) a parent undertaking in accordance with those provisions is a “subsidiary undertaking” in relation to the parent charity.
- (4) But sub-paragraph (3) does not have the result that any of the following is a “subsidiary undertaking”—
 - (a) any special trusts of a charity,
 - (b) any institution which, by virtue of a direction under Article 3(4), is to be treated as forming part of a charity for the purposes of this Part of this Order, or
 - (c) any charity to which a direction under Article 3(5) applies for those purposes.
- (5) “The group”, in relation to a parent charity, means that charity and its subsidiary undertaking or undertakings, and any reference to the members of the group is to be construed accordingly.
- (6) For the purposes of—
 - (a) this paragraph, and
 - (b) the operation of the provisions mentioned in sub-paragraph (2) for the purposes of this paragraph,“undertaking” has the meaning given by sub-paragraph (7).
- (7) For those purposes “undertaking” means—
 - (a) an undertaking as defined by Article 267(1) of the [Companies \(Northern Ireland\) Order 1986](#), or
 - (b) a charity which is not an undertaking as so defined.

Accounting records

- 2.—(1) The charity trustees—

- (a) of a parent charity, or
- (b) of any charity which is a subsidiary undertaking,

must ensure that the accounting records kept in respect of the charity under Article 66(1) not only comply with the requirements of that provision but also are such as to enable the charity trustees of the parent charity to ensure that, where any group accounts are prepared by them under paragraph 3(2), those accounts comply with the relevant requirements.

(2) If a parent charity has a subsidiary undertaking in relation to which the requirements of Article 66(1) do not apply, the charity trustees of the parent charity must take reasonable steps to secure that the undertaking keeps such accounting records as to enable the trustees to ensure that, where any group accounts are prepared by them under paragraph 3(2), those accounts comply with the relevant requirements.

(3) In this paragraph “the relevant requirements” means the requirements of regulations under paragraph 3.

Preparation of group accounts

3.—(1) This paragraph applies in relation to a financial year of a charity if it is a parent charity at the end of that year.

(2) The charity trustees of the parent charity must prepare group accounts in respect of that year.

(3) “Group accounts” means consolidated accounts—

- (a) relating to the group, and
- (b) complying with such requirements as to their form and contents as may be prescribed by regulations made by the Department.

(4) Without prejudice to the generality of sub-paragraph (3), regulations under that sub-paragraph may make provision—

- (a) for any such accounts to be prepared in accordance with such methods and principles as are specified or referred to in the regulations;
- (b) for dealing with cases where the financial years of the members of the group do not all coincide;
- (c) as to any information to be provided by way of notes to the accounts.

(5) Regulations under that sub-paragraph may also make provision—

- (a) for determining the financial years of subsidiary undertakings for the purposes of this Schedule;
- (b) for imposing on the charity trustees of a parent charity requirements with respect to securing that such financial years coincide with that of the charity.

(6) If the requirement in sub-paragraph (2) applies to the charity trustees of a parent charity in relation to a financial year—

- (a) that requirement so applies in addition to the requirement in Article 67(1), and
- (b) the option of preparing the documents mentioned in Article 67(4) is not available in relation to that year (whatever the amount of the charity’s gross income for that year).

(7) Sub-paragraph (2) has effect subject to paragraph 4.

Exceptions relating to requirement to prepare group accounts

4.—(1) The requirement in paragraph 3(2) does not apply to the charity trustees of a parent charity in relation to a financial year if at the end of that year it is itself a subsidiary undertaking in relation to another charity.

(2) The requirement in paragraph 3(2) does not apply to the charity trustees of a parent charity in relation to a financial year if the aggregate gross income of the group for that year does not exceed such sum as is specified in regulations made by the Department.

(3) Regulations made by the Department may prescribe circumstances in which a subsidiary undertaking may or (as the case may be) must be excluded from group accounts required to be prepared under paragraph 3(2) for a financial year.

(4) Where, by virtue of such regulations, each of the subsidiary undertakings which are members of a group is either permitted or required to be excluded from any such group accounts for a financial year, the requirement in paragraph 3(2) does not apply to the charity trustees of the parent charity in relation to that year.

Preservation of group accounts

5.—(1) The charity trustees of a charity shall preserve any group accounts prepared by them under paragraph 3(2) for at least 6 years from the end of the financial year to which the accounts relate.

(2) Paragraph (4) of Article 66 shall apply in relation to the preservation of any such accounts as it applies in relation to the preservation of any accounting records (the references to paragraph (3) of that Article being construed as references to sub-paragraph (1) above).

Audit accounts of larger groups

6.—(1) This paragraph applies where group accounts are prepared for a financial year of a parent charity under paragraph 3(2) and—

- (a) the aggregate gross income of the group in that year exceeds the relevant income threshold, or
- (b) the aggregate gross income of the group in that year exceeds the relevant income threshold and at the end of the year the aggregate value of the assets of the group (before deduction of liabilities) exceeds the relevant assets threshold.

(2) In sub-paragraph (1)—

- (a) the reference in paragraph (a) or (b) to the relevant income threshold is a reference to the sum prescribed as the relevant income threshold for the purposes of that paragraph, and
- (b) the reference in paragraph (b) to the relevant assets threshold is a reference to the sum prescribed as the relevant assets threshold for the purposes of that paragraph.

“Prescribed” means prescribed by regulations made by the Department.

(3) This paragraph also applies where group accounts are prepared for a financial year of a parent charity under paragraph 3(2) and the appropriate audit provision applies in relation to the parent charity’s own accounts for that year.

(4) If this paragraph applies in relation to a financial year of a parent charity by virtue of sub-paragraph (1) or (3), the group accounts for that year shall be audited by a person within Article 68(2)(a) or (b).

(5) Where it appears to the Commission that sub-paragraph (4)(a) has not been complied with in relation to that year within 10 months from the end of that year—

- (a) the Commission may by order require the group accounts for that year to be audited by a person within Article 68(2)(a) or (b) of that Order, and

- (b) enabling the Commission to dispense with any requirement prescribed by virtue of sub-paragraph (2)(b) in the case of a particular subsidiary undertaking or a particular class of subsidiary undertaking.

(4) Article 71(3) and (4) shall apply in relation to the annual report referred to in sub-paragraph (2) above as if any reference to the charity's gross income in the financial year in question were a reference to the aggregate gross income of the group in that year.

(5) When transmitted to the Commission in accordance with sub-paragraph (4), the annual report shall have attached to it both the group accounts prepared for that year under paragraph 3(2) and—

SCHEDULE 7

Article 122.

FURTHER PROVISION ABOUT CHARITABLE INCORPORATED ORGANISATIONS

Powers

1.—(1) Subject to anything in its constitution, a CIO has power to do anything which is calculated to further its purposes or is conducive or incidental to doing so.

(2) The CIO’s charity trustees shall manage the affairs of the CIO and may for that purpose exercise all the powers of the CIO.

Constitutional requirements

2. A CIO shall use and apply its property in furtherance of its purposes and in accordance with its constitution.

3. If the CIO is one whose members are liable to contribute to its assets if it is wound up, its constitution binds the CIO and its members for the time being to the same extent as if its provisions were contained in a contract—

- (a) to which the CIO and each of its members was a party, and
 - (b) which contained obligations on the part of the CIO and each member to observe all the provisions of the constitution.
4. Money payable by a member to the CIO under the constitution is a debt due from him to the CIO, and is of the nature of a specialty debt.

Third parties

- 5.—(1) Sub-paragraphs (2) and (3) are subject to sub-paragraph (4).
- (2) The validity of an act done (or purportedly done) by a CIO shall not be called into question on the ground that it lacked constitutional capacity.
- (3) The power of the charity trustees of a CIO to act so as to bind the CIO (or authorise others to do so) shall not be called into question on the ground of any constitutional limitations on their powers.
- (4) But sub-paragraphs (2) and (3) apply only in favour of a person who gives full consideration in money or money’s worth in relation to the act in question, and does not know—
- (a) in a sub-paragraph (2) case, that the act is beyond the CIO’s constitutional capacity, or
 - (b) in a sub-paragraph (3) case, that the act is beyond the constitutional powers of its charity trustees,
- and (in addition) sub-paragraph (3) applies only if the person dealt with the CIO in good faith (which he shall be presumed to have done unless the contrary is proved).
- (5) A party to an arrangement or transaction with a CIO is not bound to inquire—
- (a) whether it is within the CIO’s constitutional capacity, or
 - (b) as to any constitutional limitations on the powers of its charity trustees to bind the CIO or authorise others to do so.
- (6) If a CIO purports to transfer or grant an interest in property, the fact that the act was beyond its constitutional capacity, or that its charity trustees in connection with the act exceeded their constitutional powers, does not affect the title of a person who subsequently acquires the property or any interest in it for full consideration without actual notice of any such circumstances affecting the validity of the CIO’s act.
- (7) In any proceedings arising out of sub-paragraphs (2) to (4), the burden of proving that a person knew that an act—
- (a) was beyond the CIO’s constitutional capacity, or
 - (b) was beyond the constitutional powers of its charity trustees,
- lies on the person making that allegation.
- (8) In this paragraph and paragraphs 6 to 8—
- (a) references to a CIO’s lack of “constitutional capacity” are to lack of capacity because of anything in its constitution, and
 - (b) references to “constitutional limitations” on the powers of a CIO’s charity trustees are to limitations on their powers under its constitution, including limitations deriving from a resolution of the CIO in general meeting, or from an agreement between the CIO’s members, and “constitutional powers” is to be construed accordingly.
- 6.—(1) Nothing in paragraph 5 prevents a person from bringing proceedings to restrain the doing of an act which would be—
- (a) beyond the CIO’s constitutional capacity, or

(b) beyond the constitutional powers of the CIO's charity trustees.

(2) But no such proceedings may be brought in respect of an act to be done in fulfilment of a legal obligation arising from a previous act of the CIO.

(3) Sub-paragraph (2) does not prevent the Commission from exercising any of its powers.

7. Nothing in paragraph 5(3) affects any liability incurred by the CIO's charity trustees (or any one of them) for acting beyond his or their constitutional powers.

8. Nothing in paragraph 5 absolves the CIO's charity trustees from their duty to act within the CIO's constitution and in accordance with any constitutional limitations on their powers.

Duties

9. It is the duty of—

(a) each member of a CIO, and

(b) each charity trustee of a CIO,

to exercise his powers, and (in the case of a charity trustee) to perform his functions, in his capacity as such, in the way he decides, in good faith, would be most likely to further the purposes of the CIO.

10.—(1) Subject to any provision of a CIO's constitution permitted by virtue of regulations made under sub-paragraph (2), each charity trustee of a CIO shall in the performance of his functions in that capacity exercise such care and skill as is reasonable in the circumstances, having regard in particular—

(a) to any special knowledge or experience that he has or holds himself out as having, and

(b) if he acts as a charity trustee in the course of a business or profession, to any special knowledge or experience that it is reasonable to expect of a person acting in the course of that kind of business or profession.

(2) The Department may make regulations permitting a CIO's constitution to provide that the duty in sub-paragraph (1) does not apply, or does not apply in so far as is specified in the constitution.

(3) Regulations under sub-paragraph (2) may provide for limits on the extent to which, or the cases in which, a CIO's constitution may disapply the duty in sub-paragraph (1).

Personal benefit and payments

11.—(1) A charity trustee of a CIO may not benefit personally from any arrangement or transaction entered into by the CIO if, before the arrangement or transaction was entered into, he did not disclose to all the charity trustees of the CIO any material interest of his in it or in any other person or body party to it (whether that interest is direct or indirect).

(2) Nothing in sub-paragraph (1) confers authority for a charity trustee of a CIO to benefit personally from any arrangement or transaction entered into by the CIO.

12. A charity trustee of a CIO—

(a) is entitled to be reimbursed by the CIO, or

(b) may pay out of the CIO's funds,

expenses properly incurred by him in the performance of his functions as such.

Procedure

13.—(1) The Department may by regulations make provision about the procedure of CIOs.

- (2) Subject to—
- (a) any such regulations,
 - (b) any other requirement imposed by or by virtue of this Order or any other statutory provision, and
 - (c) anything in the CIO's constitution,
- a CIO may regulate its own procedure.
- (3) But a CIO's procedure shall include provision for the holding of a general meeting of its members, and the regulations referred to in sub-paragraph (1) may in particular make provision about such meetings.

Amendment of constitution

- 14.**—(1) A CIO may by resolution of its members amend its constitution (and a single resolution may provide for more than one amendment).
- (2) Such a resolution must be passed—
- (a) by a 75% majority of those voting at a general meeting of the CIO (including those voting by proxy or by post, if voting that way is permitted), or
 - (b) unanimously by the CIO's members, otherwise than at a general meeting.
- (3) The date of passing of such a resolution is—
- (a) the date of the general meeting at which it was passed, or
 - (b) if it was passed otherwise than at a general meeting, the date on which provision in the CIO's constitution or in regulations made under paragraph 13 deems it to have been passed (but that date may not be earlier than that on which the last member agreed to it).
- (4) The power of a CIO to amend its constitution is not exercisable in any way which would result in the CIO's ceasing to be a charity.
- (5) Subject to paragraph 15(5), a resolution containing an amendment which would make any regulated alteration is to that extent ineffective unless the prior written consent of the Commission has been obtained to the making of the amendment.
- (6) The following are regulated alterations—
- (a) any alteration of the CIO's purposes,
 - (b) any alteration of any provision of the CIO's constitution directing the application of property of the CIO on its dissolution,
 - (c) any alteration of any provision of the CIO's constitution where the alteration would provide authorisation for any benefit to be obtained by charity trustees or members of the CIO or persons connected with them.
- (7) For the purposes of sub-paragraph (6)(c)—
- (a) "benefit" means a direct or indirect benefit of any nature, except that it does not include any remuneration (within the meaning of Article 91) whose receipt may be authorised under that Article, and
 - (b) the same rules apply for determining whether a person is connected with a charity trustee or member of the CIO as apply, in accordance with Article 92(5) and (6), for determining whether a person is connected with a charity trustee for the purposes of Article 91.

Registration and coming into effect of amendments

15.—(1) A CIO shall send to the Commission a copy of a resolution containing an amendment to its constitution, together with—

- (a) a copy of the constitution as amended, and
- (b) such other documents and information as the Commission may require,

by the end of the period of 15 days beginning with the date of passing of the resolution (see paragraph 14(3)).

(2) An amendment to a CIO’s constitution does not take effect until it has been registered.

(3) The Commission shall refuse to register an amendment if—

- (a) in the opinion of the Commission the CIO had no power to make it (for example, because the effect of making it would be that the CIO ceased to be a charity, or that the CIO or its constitution did not comply with any requirement imposed by or by virtue of this Order or any other statutory provision), or
- (b) the amendment would change the name of the CIO, and the Commission could have refused an application under Article 111 for the constitution and registration of a CIO with the name specified in the amendment on a ground set out in paragraph (4) of that Article.

(4) The Commission may refuse to register an amendment if the amendment would make a regulated alteration and the consent referred to in paragraph 14(5) had not been obtained.

(5) But if the Commission does register such an amendment, paragraph 14(5) does not apply.
