(4) In this regulation, no account shall be taken of any money purchase benefits when determining the liabilities of the scheme.

Scheme manager to obtain a valuation of assets and liabilities

22.—(1) Where this Part applies, the scheme manager shall, when it considers it appropriate to do so, instruct the trustees or managers of a qualifying pension scheme to obtain for the scheme manager a valuation of the assets and liabilities of the pension scheme as at the calculation date.

(2) Subject to paragraph (3), where the trustees or managers are instructed to obtain a valuation under paragraph (1), they shall obtain the valuation and it shall include a valuation of the asset share—

- (b) of any other person who is not—
 - (i) a qualifying member;
 - (ii) a survivor of a qualifying member; or
 - (iii) a surviving dependant of a qualifying member,to whom the scheme has a liability to provide a pension or other benefit which is not a money purchase benefit.

(3) Where the scheme manager is of the opinion that it is not appropriate that a valuation in accordance with paragraph (2)(a) or (b) is obtained in relation to a particular person or category of persons, the valuation shall not include a valuation of that asset share, or, as the case may be, those asset shares.

(4) Where the scheme manager is of the opinion that it is not appropriate to obtain a valuation of some or all of the liabilities of the pension scheme in relation to a particular person or category of persons, the valuation shall not include a valuation of those liabilities.

- (5) The valuations referred to in paragraphs (1) and (2) must be—
- (a) prepared and signed by a person (“the valuation actuary”)—

- (a) any assets representing the value of any rights in respect of money purchase benefits under the scheme rules;
 - (b) any assets held by or vested in the trustees or managers of the scheme which are to be used prior to transfer of the scheme’s assets in accordance with regulation 29 to discharge liabilities in respect of voluntary contributions;

 - (f) any payments made to the trustees or managers of the qualifying pension scheme under regulation 14B (payments in relation to administration and other costs); and
 - (g) any amount which is required to discharge expenses which have been, or will be reasonably incurred by the trustees or managers of the scheme.

 - (b) which was taken out before 6th April 1997; and

Valuation of assets

23.—(1) This regulation is subject to regulation 24.

(2) Subject to paragraphs (3) to (10), for the purposes of the valuation of the assets of a qualifying pension scheme the valuation actuary shall adopt the given value of the assets of the scheme stated in the relevant accounts as the value of those assets as at the calculation date.

(3) The value of a contract of insurance shall be—

- (a) where the contract of insurance is a relevant contract of insurance within the meaning given by section 161(8) or Article 145(8), the value of the liability secured; or
- (b) subject to paragraph (4), where the contract of insurance is not a relevant contract of insurance within that meaning, the surrender value of the contract of insurance.

(4) Where a contract of insurance is not a relevant contract of insurance within the meaning given by section 161(8) or Article 145(8) and it appears to the valuation actuary that the surrender value of the contract of insurance does not accurately reflect the actual value at the calculation date, the valuation actuary shall adopt such a value as appears to that actuary to be appropriate.

(5) Subject to paragraph (6), where—

- (a) a contribution notice has been issued under section 38 or 47 or Article 34 or 43;
- (b) a financial support direction has been issued under section 43 or Article 39; or
- (c) a restoration order has been made under section 52 or Article 48,

in relation to the qualifying pension scheme, the valuation actuary shall adopt the amount due to the scheme given in the notice, direction or order as the value of the asset.

(6) Where—

- (a) an amount is due under a notice, direction or order referred to in paragraph (5); and
- (b) the valuation actuary is of the opinion that the amount due in relation to the notice, direction or order will not be recouped in full by the scheme,

the valuation actuary shall adjust the value of the asset referred to in paragraph (5) to the value which, in the opinion of the valuation actuary is likely to be recouped by the trustees or managers of the qualifying pension scheme.

(7) Where the valuation actuary is of the opinion that any debt due, or treated as due, will be recouped in the future, the proportion of the debt that the valuation actuary expects to be recouped shall be treated as an asset of the scheme.

(8) Where—

- (a) the valuation actuary has been given notice; or
- (b) (i) the valuation actuary is of the opinion; and
(ii) the scheme manager agrees with the valuation actuary's opinion,

that the value of any asset set out in the relevant accounts, that is not excluded from the valuation, is substantially different at the calculation date from that set out in the relevant accounts, the valuation actuary shall adjust the value of the asset to the market value of the asset at the calculation date.

(9) Where the valuation actuary has been given notice, or is of the opinion, that there exists an asset of the scheme which is not listed in the relevant accounts and which is not excluded from the valuation, the valuation actuary shall adopt such a value for the asset as appears to that actuary to be appropriate.

(10) Where the relevant accounts are not readily available and the scheme manager is of the opinion that it is not necessary for the purposes of this Part to require their preparation, the valuation actuary shall determine the value of the assets as at the calculation date on the basis of such information as the scheme manager considers appropriate.

(11) When acting under this regulation, the valuation actuary shall act in accordance with guidance issued by the Secretary of State.

Power of the scheme manager to determine the value of an asset

24.—(1) Where the scheme manager is of the opinion that any asset in the scheme has a particular value, the scheme manager may determine the value of that asset of the scheme.

(2) Where the scheme manager makes a determination in accordance with paragraph (1), the valuation actuary shall adopt the value determined by the scheme manager as the value of the asset as at the calculation date.

Approval of valuation

25.—(1) Where the scheme manager is satisfied that the valuation has been prepared in accordance with this Part, it must—

- (a) approve the valuation; and
- (b) notify the trustees or managers of the qualifying pension scheme of the approval.

(2) Where the scheme manager is not so satisfied, it must instruct the trustees or managers of the qualifying pension scheme to obtain another valuation under this Part.

(3) Where the scheme manager gives an instruction in accordance with paragraph (2), the trustees or managers of the qualifying pension scheme shall obtain another valuation and it shall be calculated as at the calculation date as determined in relation to the previous valuation.

Binding valuation

26.—(1) A valuation obtained under regulation 22 is not binding until—

- (a) it is approved under regulation 25;
- (b) the period within which an application for a review of the approval of the valuation may be made under regulation 5 of the Financial Assistance Scheme (Internal Review) Regulations 2005 (time for making an application for a review of a reviewable determination) has expired; and

Scheme manager calculations after a valuation

27.—(1) Subject to paragraph (2), where a valuation has been obtained in accordance with regulation 22, the scheme manager shall determine—

- (a) the annual rate of annuity (“the notional pension”) which could have been payable from the day determined in accordance with paragraphs (3) and (4) until the day determined in accordance with paragraph (5), if purchased on the calculation date with the asset share determined in accordance with regulation 22(2), in respect of—
 - (i) each qualifying member of the qualifying pension scheme to whom Part 7 applies; and
 - (ii) any other person who is not—
 - (aa) a qualifying member;
 - (bb) a survivor of a qualifying member; or
 - (cc) a surviving dependant of a qualifying member, to whom the scheme, as a result of the death of a qualifying member, has a liability to provide a pension or other benefit which is not a money purchase benefit;
- (b) where a qualifying member, who is not a qualifying member by virtue of regulation 15(5), has not died before the calculation date, the benefits that could have been purchased for a survivor and any surviving dependants with the asset share determined in accordance with regulation 22(2);
- (c) where a qualifying member to whom Part 7 applies has died before the calculation date, the annual rate of annuity (“the survivor notional pension”) which could have been purchased in respect of each survivor and surviving dependant of that qualifying member with the asset share determined in accordance with regulation 22(2); and
- (d) any annual increases to the notional pension and the survivor notional pension which could have been purchased with the asset share determined in accordance with regulation 22(2).

(2) Where the scheme manager is of the opinion that it is not appropriate that a determination in accordance with paragraph (1) is made in relation to a particular person or category of persons, the scheme manager shall not make a determination in accordance with paragraph (1) in relation to such a person or category of persons.

(3) Subject to paragraph (4), the day from which the notional pension could have been payable for the purposes of paragraph (1)(a) is—

- (a) where the notional pension is in respect of a qualifying member who, on the calculation date, is neither entitled to an ill health payment nor receiving a present payment from the scheme, the day on which the qualifying member attains normal retirement age;
- (b) where the notional pension is in respect of a qualifying member who is not a qualifying member by virtue of regulation 15(5) and who is, on the calculation date, entitled to an ill health payment or receiving a present payment from the scheme, the earlier of—

- (i) the day on which the qualifying member began to receive a present payment from the scheme in accordance with scheme rules;

- (e) where a survivor notional pension is being determined, the day after the day on which the qualifying member died.
- (4) Where the day determined in accordance with paragraph (3)(b) or (c) falls before the day on which the qualifying pension scheme began to be wound up, the day for the purposes of paragraph (1)(a) is the day on which the qualifying pension scheme began to be wound up.
- (5) The day on which the notional pension ceases to be payable for the purposes of paragraph (1)(a) is the day on which entitlement to a payment would end in accordance with these Regulations.
- (6) The scheme manager shall make the determination in paragraph (1) by applying the asset share towards satisfying the amounts mentioned in paragraph (7) and—
- (a) if sub-paragraph (a) or (b) of paragraph (7) applies and the asset share is insufficient to satisfy the amounts referred to in that sub-paragraph in full, then the asset share must be applied first towards satisfying the amounts mentioned in paragraph (i) of sub-paragraph (a) or (b), as the case may be; and
 - (b) if the asset share exceeds the amount needed to satisfy those amounts in full, the remainder shall be applied so as to increase the notional pension.
- (7) The amounts referred to in paragraph (6) are—
- (a) where the notional pension is in respect of a qualifying member who was receiving a present payment from the qualifying pension scheme under the scheme rules before the coming into force of the Financial Assistance Scheme (Miscellaneous Amendments) Regulations 2010—
 - (i) the pension and other benefits to which the qualifying member was entitled as at the later of—
 - (aa) the day on which the qualifying member became entitled to present payment of a pension under the scheme rules; or

 - (c) where the notional pension is in respect of a qualifying member who was not receiving a present payment from the qualifying pension scheme under scheme rules before the coming into force of the Financial Assistance Scheme (Miscellaneous Amendments) Regulations 2010, the annuity which could be purchased in respect the qualifying member including—

- (i) the pension and other benefits payable to the qualifying member from the date determined in accordance with paragraph (3);
- (ii) benefits which could be purchased for any survivor and surviving dependant of the qualifying member; and
- (iii) annual increases on the amounts determined in accordance with paragraphs (i) and (ii).

(8) In determining the amounts mentioned in paragraph (7)(c)(ii), the scheme manager shall have regard to the benefits that would be payable to any survivor or surviving dependant under Schedule 3, or, where the qualifying member is entitled to an ill health payment at the calculation date, under Schedule 5.

(9) The survivor notional pension referred to in paragraph (1)(c) shall be determined by applying the asset share towards satisfying the amounts mentioned in paragraph (10) and—

- (a) if sub-paragraph (a) of paragraph (10) applies and the asset share is insufficient to satisfy the amounts referred to in that sub-paragraph in full, then the asset share must be applied first towards satisfying the amounts mentioned in paragraph (i); and
- (b) if the asset share exceeds the amount needed to satisfy those amounts in full, the remainder shall be applied so as to increase the survivor notional pension.

(10) The amounts referred to in paragraph (9) are—

 - (i) the pension and other benefits to which the survivor or surviving dependant would be entitled as at the day on which the survivor or surviving dependant became entitled to present payment of a pension under the scheme rules; and
 - (ii) annual increases on the amount determined in accordance with paragraph (i); and
- (b) where the survivor, surviving dependant or qualifying member in respect of the survivor or surviving dependant was not receiving a present payment from the qualifying pension scheme under scheme rules before the coming into force of the Financial Assistance Scheme (Miscellaneous Amendments) Regulations 2010, the annuity which could be purchased, including annual increases for the survivor or surviving dependant.

(11) In paragraphs (7)(a)(i) and (10)(a)(i), the pension and other benefits to which the asset share shall be applied in accordance with this regulation are—

- (a) the annual rate of pension to which the beneficiary was entitled in accordance with the scheme rules, after any commutation of benefits deriving from the scheme, after the day on which the scheme began to be wound up;
- (b) where the beneficiary is a qualifying member, the annual rate of pension to which any survivor or surviving dependant would be entitled in accordance with scheme rules in respect of the qualifying member;
- (c) any amount (including any lump sum) payable as a result of a member of the scheme dying within a period specified in the scheme rules which begins on the day on which the member became entitled to a pension from the scheme or, if later, the day on which the pension was first paid; and
- (d) any amount which, under the scheme rules, is payable to a beneficiary for a period which is shorter than the period in respect of which the remainder of the pension is payable.

(12) Where the scheme manager is required to determine annual increases for the purposes of this regulation, the scheme manager shall have regard to the way in which annual increases are determined under—

- (a) where paragraph (7)(c) or (10)(b) applies and—

 - (c) paragraph 4 of Schedule 7, where paragraph (7)(b) applies.
- (13) For the purposes of this regulation—
- (a) a qualifying member is treated as receiving a present payment from a pension scheme before the coming into force of the Financial Assistance Scheme (Miscellaneous Amendments) Regulations 2010, notwithstanding that no payment has been received, if, prior to the coming into force of those Regulations—
 - (i) the qualifying member was entitled to payment under the scheme rules;
 - (ii) the trustees or managers of the scheme received confirmation from the qualifying member that payment should commence; and
 - (iii) the qualifying member's entitlement became payable, as a result of (i) and (ii) being satisfied; and
 - (b) a survivor or surviving dependant is treated as receiving a present payment from a pension scheme before the coming into force of the Financial Assistance Scheme (Miscellaneous Amendments) Regulations 2010, notwithstanding that no payment has been received, if, prior to the coming into force of those Regulations, the beneficiary was entitled to ongoing payments as a result of the death of the qualifying member.
- (14) This regulation is subject to regulation 28.

Determination of certain asset shares, notional pensions and survivor notional pensions

- (4) Where this paragraph applies, the scheme manager may redetermine the notional pension having regard to—
- (a) where paragraph (3)(a) applies, the amount of the lump sum;
 - (b) where paragraph (3)(b) applies—

- (i) the qualifying member's normal retirement age; and
- (ii) the date on which the qualifying member began to receive a present payment from the scheme; and

PART 9

Transfer of property, rights and liabilities

Transfer of property, rights and liabilities

29.—(1) Where a valuation has become binding under regulation 26 and the scheme manager is satisfied that it is an appropriate time for the notice to be given, the scheme manager must give the trustees or managers of the qualifying pension scheme a notice (a “transfer notice”).

(2) Where a transfer notice is given under this regulation—

- (a) the scheme manager—
 - (i) must give a copy of the transfer notice to the Regulator; and
 - (ii) may give a copy of the transfer notice to any other person to whom, in the opinion of the scheme manager, the transfer notice is relevant;
- (b) the property and rights held by or vested in the trustees or managers as trustees or managers of the scheme are transferred to the Secretary of State, without further assurance, with effect from the time the transfer notice is given;
- (c) any liabilities which—
 - (i) are liabilities of the scheme as a direct result of the rights or property referred to in sub-paragraph (b) being held by or vested in the trustees or managers of the scheme; but
 - (ii) are not liabilities to provide pensions or other benefits, are transferred to the Secretary of State, without further assurance, with effect from the time the transfer notice is given;
- (d) any liabilities other than—
 - (i) liabilities referred to in sub-paragraph (c); and
 - (ii) liabilities in respect of any money purchase benefits referred to in paragraph (7), shall be treated as discharged;
- (e) the trustees or managers are discharged from their obligations to provide pensions or other benefits to or in respect of any persons (including any obligation to provide guaranteed minimum pensions within the meaning of the 1993 Act) which are not pensions or benefits in respect of money purchase benefits referred to in paragraph (7);
- (f) the trustees or managers of the scheme may discharge their liabilities in respect of money purchase benefits irrespective of any rules of the scheme which may provide that such liabilities must be discharged together with benefits which are not money purchase benefits; and
- (g) any contract which does not form part of any rights or liabilities transferred to the Secretary of State shall be treated as terminated.

(3) Subject to paragraph (4), the property, rights and liabilities transferred in accordance with paragraph (2) include—

- (a) property, rights and liabilities that would not otherwise be capable of being transferred or assigned;

- (b) property situated anywhere in the United Kingdom or elsewhere; and
- (c) rights and liabilities under the law of any part of the United Kingdom or of any country or territory outside the United Kingdom.

(4) Where, but for this paragraph, any rights or liabilities under a contract of employment between the trustees or managers of the scheme and an individual would be transferred to the Secretary of State under paragraph (2), this paragraph operates to terminate the contract of employment on the day preceding the day on which the transfer notice is given.

(5) Subject to paragraphs (6) and (9) and without prejudice to the generality of paragraph (2), any legal proceedings or applications to any authority pending immediately before the transfer by or against any of the trustees or managers of the scheme in their capacity as trustees or managers shall be continued by or against the Secretary of State.

(6) The liabilities transferred by paragraph (2)(c) do not include any liabilities in respect of an existing or future cause of action against the trustees or managers of the scheme if, disregarding the transfer, the trustees or managers would have been personally liable to meet the claim and would not have been indemnified from the assets of the scheme.

(7) Paragraph (2)(b) does not transfer any property which is, or rights which are, held by or vested in the trustees or managers of the scheme in respect of money purchase benefits, where the scheme manager is satisfied that appropriate arrangements have been made or are being made for the discharge of the scheme's liabilities relating to money purchase benefits.

(8) Neither paragraph (2)(d) nor (e) affects any right transferred to the Secretary of State in accordance with paragraph (2)(b).

(9) Paragraph (2)(e) does not discharge the trustees or managers of any obligations in respect of any existing or future causes of action against them for which, disregarding the discharge, they would have been personally liable to meet the claim and would not have been indemnified from the assets of the scheme.

(10) Where the trustees or managers have been discharged from their obligations to provide pensions or other benefits to or in respect of any persons in accordance with paragraph (2)(e), the scheme manager shall notify those persons, or where any such person has an appointed representative, that appointed representative, within 28 days of the transfer notice having been given.

Effect of transfer

30.—(1) Where the property, rights and liabilities of an occupational pension scheme are transferred to the Secretary of State in accordance with regulation 29(2)—

- (a) the transfer is binding on all persons even if, apart from this regulation, it would have required the consent or concurrence of any person;
- (b) no person shall have any power, in consequence of the transfer, to terminate or modify any interest or right which was vested in the trustees or managers of the scheme;
- (c) the rights, powers and obligations of the Secretary of State in relation to the property, rights and liabilities are exercisable by the scheme manager without limitation; and
- (d) any reference in any agreement, document or instrument of any description to the trustees or managers of the scheme shall have effect—
 - (i) so far as necessary for the purposes of giving effect to the transfer, as a reference to the Secretary of State; and
 - (ii) so far as necessary for the purposes of giving effect to sub-paragraph (c), as a reference to the scheme manager.

(2) Where, by virtue of paragraph (1)(c), any amount becomes payable, or is to be paid, to the scheme manager, that amount must be paid to the Secretary of State.

(3) Where, by virtue of regulation 29(5), an application to the Pensions Ombudsman under Part 10 of the 1993 Act is to be continued by or against the Secretary of State, any reference in section 146 of the 1993 Act to the trustees or managers of an occupational pension scheme shall have effect, so far as necessary for the purpose of giving effect to regulation 29(5), as a reference to the Secretary of State.

(4) Where, as a result of an application to the Ombudsman continued against the Secretary of State by virtue of regulation 29(5), a direction is given by the Ombudsman under section 151 of the 1993 Act, the Secretary of State may require the scheme manager to carry out a review under regulation 10 of the Financial Assistance Scheme (Internal Review) Regulations 2005(a).

Terms and conditions of contracts

31.—(1) Where a transfer notice has been given to the trustees or managers of a qualifying pension scheme and the scheme manager considers that a contract relating to the property, rights and liabilities of the scheme contains terms or conditions that the scheme manager considers onerous, the scheme manager may—

- (a) disapply any such term or condition; or
- (b) substitute for the term or condition, a term or condition that the scheme manager considers to be reasonable.

(2) Where—

- (a) any rights or liabilities under a relevant contract of insurance are transferred to the Secretary of State by virtue of regulation 29(2); and
- (b) as a result of the transfer, the Secretary of State is required, by reason of a term of that contract, to pay a specified amount or specified amounts to a specified person who, immediately before the time the transfer notice was given, was a member of the scheme or a person entitled to benefits in respect of such a member,

the scheme manager may modify that term of the contract so that any benefit under that contract shall be payable to the Secretary of State.

Foreign property, rights and liabilities

32.—(1) The scheme manager must take all such steps as may be required to secure that the vesting in the Secretary of State, by virtue of regulation 29(2), of any foreign property, right or liability is effective under the relevant foreign law.

(2) Until the vesting of any foreign property, right or liability in the Secretary of State is effective under the relevant foreign law, the persons who were the trustees or managers of the scheme immediately before the transfer effected by regulation 29 must hold that property or right for the benefit of, or discharge that liability on behalf of, the Secretary of State.

(3) Nothing in this regulation prejudices the effect under the law of England and Wales, Scotland or Northern Ireland of the vesting in the Secretary of State in accordance with regulation 29 of any foreign property, right or liability.

(4) In this regulation references to any foreign property, right or liability are references to any property, right or liability as respects which any issue arising in any proceedings would have to be determined (in accordance with the rules of private international law) by reference to the law of a country or territory outside the United Kingdom.

(a) S.I. 2005/1994 as amended by S.I. 2005/3256, 2006/349, 2006/3370, 2008/1903, 2009/792 and 2009/1851.

Payments where amounts relating to money purchase benefits are transferred to the Secretary of State

33.—(1) Subject to paragraph (3), where the property transferred to the Secretary of State under regulation 29(2)(b) includes property representing the value of rights in respect of money purchase benefits under the scheme rules, the scheme manager must make arrangements to facilitate a payment or payments to be made to any person in respect of whom the qualifying pension scheme held the assets.

(2) The scheme manager must be satisfied that the arrangement made under paragraph (1) is made in respect of the full value of the assets transferred as at the date the arrangement is made.

SCHEDULE 7 Regulations 17G(2) and 17H(2)

Determination of payments to early retirees and other beneficiaries

Introductory

1.—(1) This Schedule applies for the purposes of determining the amount of a payment payable to a person to whom regulation 17G or 17H applies.

(2) Where the scheme manager is satisfied that an amount is owed by the beneficiary to the Secretary of State as a result of the beneficiary owing, before a transfer notice is given, a debt to a qualifying pension scheme to which Part 7 applies, the scheme manager may determine how the payment which would otherwise be payable under this Schedule is to be reduced, having regard to the amount owed by the beneficiary and to such other matters as the scheme manager considers relevant.

(3) Sub-paragraph (5) applies where the scheme manager is satisfied that the amount of interim pension paid to a beneficiary in respect of any year in the period determined in accordance with sub-paragraph (4) is higher or lower than the sum of—

- (a) the notional pension; and
- (b) any annual increases or proportion of annual increases, which the scheme manager considers could have been paid in respect of that year, taking into account—
 - (i) the determination under regulation 27(1)(d); and
 - (ii) the proportion of that year which falls after the 1st January.

(4) For the purposes of sub-paragraph (3), the period is the period from the later of—

- (a) the day on which the beneficiary began to receive a payment from the scheme; and
- (b) the day on which the qualifying pension scheme began to be wound up,

until the day on which the scheme manager gave a transfer notice to the scheme trustees or managers.

(5) Where this sub-paragraph applies, the scheme manager may—

- (a) determine the amount by which the payment which would otherwise be payable under this Schedule in respect of the beneficiary is to be reduced, having regard to—
 - (i) the amount of interim pension which was paid to the beneficiary;
 - (ii) the amount of the sum of—
 - (aa) the notional pension; and
 - (bb) any annual increases, or proportion of annual increases, which the scheme manager considers could have been paid; and
 - (iii) such other matters as the scheme manager considers relevant; and
- (b) where the interim pension paid in respect of any year is lower than the sum referred to in sub-paragraph (3) in respect of that year, make a payment to the beneficiary or, where the beneficiary has died prior to the scheme manager making this determination, to the beneficiary’s estate, having regard to—
 - (i) the amount of interim pension which was paid to the beneficiary;

- (ii) the amount of the sum of—
 - (aa) the notional pension; and
 - (bb) any annual increases, or proportion of annual increases, which the scheme manager considers could have been paid; and
- (iii) such other matters as the scheme manager considers relevant.

Amount of the payment where regulation 17G applies

2. Where a person is entitled to a payment in accordance with regulation 17G, the amount of that payment shall be sum of—

- (a) the amount of the notional pension determined in respect of that person; and
- (b) the total amount of any annual increases which the scheme manager has determined under regulation 27 could be paid on the notional pension from the day on which the scheme's liability to provide a pension or other benefit to the person arose until the day on which the transfer notice was given,

less any amount by which the scheme manager determines a payment is to be reduced under paragraph 1(2) or (5).

Amount of the payment where regulation 17H applies

3. Where a qualifying member is entitled to a payment in accordance with regulation 17H, the amount of that payment shall be the sum of—

- (a) the notional pension in relation to the qualifying member; and
- (b) the total amount of any annual increases which the scheme manager has determined under regulation 27 could be paid on the notional pension from the later of—
 - (i) the date on which the qualifying member began to receive a present payment from the scheme; and
 - (ii) the date on which the scheme began to be wound up, until the day on which the transfer notice is given,

less any amount by which the scheme manager determines a payment is to be reduced under paragraph 1(2) or (5).

Annual increases

4.—(1) Except where there is no percentage increase in the retail prices index for the period of 12 months ending with 31st May last falling before the indexation date, where the asset share determined in respect of a person to whom an amount is payable in accordance with this Schedule was sufficient to be applied to annual increases, that person shall be entitled, on each indexation date after the day on which the transfer notice is given, to an increase of—

- (a) the appropriate percentage of the amount of the underlying rate immediately before that date; or
- (b) where that person first became entitled to a payment in accordance with regulation 17G or 17H during the period of 12 months ending immediately before that date, one twelfth of that amount for each full month since the date on which the payment was first payable.

(b) the total amount of any annual increases which the scheme manager has determined under regulation 27 could be paid on the notional pension from the relevant date until the day on which the transfer notice is given; and

(c) any annual increases to which the person is entitled in accordance with sub-paragraph (1) immediately before the indexation date.

(3) The reference to payments in the definition of “underlying rate” in sub-paragraph (2) is to the amount of payment prior to any reduction made by the scheme manager under paragraph 1(2) or (5).”

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Financial Assistance Scheme Regulations 2005 (S.I. 2005/1986, as amended) (“the FAS Regulations”) which allow for payments to be made to, or in respect of, members or former members of certain occupational pension schemes where the liabilities of the scheme to those members have not been satisfied in full.

They also amend the Financial Assistance Scheme (Provision of Information and Administration of Payments) Regulations 2005 (S.I. 2005/2189, as amended), the Financial Assistance Scheme (Internal Review) Regulations 2005 (S.I. 2005/1994, as amended) and the Financial Assistance Scheme (Appeals) Regulations (S.I. 2005/3273, as amended) in relation to the financial assistance scheme (“the FAS”).

Part 2 and Schedules 1 and 2 amend the FAS Regulations. In particular they—

(a) make amendments so that the Regulations extend to members and former members in respect of whom the scheme’s liabilities could be satisfied in full if the scheme were to wind up in the usual way (regulation 6);

(b) place certain limitations on qualifying schemes making transfer payments, winding up lump sum payments and trivial commutation payments in respect of defined benefit pension rights (regulation 14(b));

(c) make provision for the scheme manager to require a valuation of the assets and liabilities of certain qualifying pension schemes (Schedule 1 – inserted regulations 21 to 26);

(d) make provision for these schemes to transfer their assets to the Secretary of State after a valuation has been completed (Schedule 1 – inserted regulations 29 to 35);

- (e) make provision for the scheme manager to calculate a notional pension that could be paid to, or in respect of, qualifying members using the scheme's assets (Schedule 1 – inserted regulations 27 and 28);
- (f) amend the provisions of the FAS Regulations governing how payments are to be calculated (including the insertion of 5 new Schedules to cover how payments are to be calculated in different circumstances) to take account of the notional pension that has been calculated (regulations 8, 9, 16 and 17 and Schedule 2);
- (g) allow certain members to commute a part of their payment for a lump sum (regulation 10);
- (h) allow for the scheme manager to make payments in respect of death benefit guarantees in certain cases (regulation 11).

Part 3 amends the Financial Assistance Scheme (Provision of Information and Administration of Payments) Regulations 2005. In particular it amends the information which must be provided to the scheme manager (or to a person authorised by the scheme manager) to support the changes being made to the FAS and provides the scheme manager with the discretion to waive information requirements where circumstances make them unnecessary or burdensome.

Part 4 amends the Financial Assistance Scheme (Internal Review) Regulations 2005 and the Financial Assistance Scheme (Appeals) Regulations 2005 in order to ensure that new determinations created by the changes to the FAS are subject to internal review and appeals procedures. These include determinations in relation to the valuation of a scheme, determinations in relation to the amount of a lump sum that may be taken, determinations in relation to indexation and determinations in relation to eligibility for a payment.

Before making these Regulations the Secretary of State consulted such persons as the Secretary of State considered appropriate.
