EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes changes to electoral arrangements for the city of Manchester following recommendations made by the Local Government Boundary Commission for England. The area of the city remains unchanged. The changes which articles 3 and 4 introduce begin to apply at local government elections in 2018.

Article 3 abolishes the existing electoral wards comprising the city of Manchester and provides that the city of Manchester is divided into 32 wards and names each of them. Each of those wards is represented by three councillors.

Article 4 makes provision for a whole city council election in 2018. Subsequently, the council will revert to the existing system of election by thirds. That article also provides for the order of retirement of councillors in 2019, 2020 and 2022 and the election of their replacements.

The area covered by each ward created by this Order is identified on a map which is available for inspection at reasonable times at the offices of the Local Government Boundary Commission for England, 14th floor, Millbank Tower, London SW1P 4QP. The map may also be accessed at <https://www.lgbce.org.uk/current-reviews/north-west/greater-manchester/manchester>
