“6. To the extent it falls within the United Kingdom or the UK marine area, this Regulation does not apply to the balancing zone of another country that is not a member State unless the national regulatory authority determines otherwise.

7. If a transmission system operator is regulated by both national regulatory authorities, where relevant they must cooperate with each other regarding the regulation of that transmission system operator.

8. If a transmission system operator is regulated by a national regulatory authority and a non-UK regulatory authority, where relevant the national regulatory authority must endeavour to cooperate with the non-UK regulatory authority regarding the regulation of that transmission system operator.

9. Any reference to an adjacent balancing zone in this Regulation includes a balancing zone outside the United Kingdom or the UK marine area.”.

**2.** After Article 1, insert—

“Article 2A

### **Obligations on transmission system operators**

1. In any case where a transmission system operator cannot comply with an obligation set out in this Regulation without the cooperation of a non-UK TSO, the obligation must be interpreted as a requirement on the transmission system operator to—

- (a) comply with the obligation in so far as it is able to do so without the cooperation of the non-UK TSO; and
- (b) endeavour to cooperate with the non-UK TSO in order to comply with that obligation.

2. Paragraph 1 applies so that obligations that apply to transmission system operators at an interconnection point apply to a transmission system operator that is adjacent to a non-UK TSO at an interconnection point.”.

**3.**—(1) Article 3 is amended as follows.

(2) In the words before point (1)—

- (a) after “715/2009,”, insert “and”;
- (b) omit “as well as Article 2 of Directive 2009/73/EC”.

(3) In point (1), at the end insert “to the extent that the entry-exit system is part of the transmission system of Great Britain or Northern Ireland, or in the United Kingdom and the UK marine area;”.

(4) After point (21), insert—

“(22) the UK marine area’ has the same meaning given in section 42 of the Marine and Coastal Access Act 2009(a).”.

**4.**—(1) Article 7(7) is amended as follows.

(2) After “transmission system operators”, insert “must cooperate with each other and must endeavour to cooperate with non-UK TSOs”.

(3) After “balancing zones”, omit “shall cooperate”.

**5.**—(1) Article 14 is amended as follows.

(2) In paragraph 1, for “13:00 UTC (winter time) or 12:00 UTC (daylight saving)”, substitute “1.00 p.m.”.

(3) In paragraph 3, for “15:00 UTC (winter time) or 14:00 UTC (daylight saving)”, substitute “3.00 p.m.”.

(4) In paragraph 4—

- (a) in point (b), for “12:00 UTC (winter time) or 11:00 UTC (daylight saving)”, substitute “12.00 p.m.”; and
- (b) in point (c), for “12:30 UTC (winter time) or 11:30 UTC (daylight saving)”, substitute “12.30 p.m.”.

**6.**—(1) Article 16 is amended as follows.

(2) In paragraph 1(a), after “transmission system operators”, insert “, non-UK TSOs”.

(3) In paragraph 2, for “shall”, substitute “may”.

**7.**—(1) Article 26 is amended as follows.

(2) In paragraph 4—

- (a) after “national regulatory authorities”, insert “the non-UK regulatory authorities in adjacent balancing zones,”; and
- (b) after “transmission system operators”, insert “and non-UK TSOs”.

(3) In paragraph 6, omit “, and send it to ENTSOG for information”.

---

(a) 2009 c. 19

- 8.**—(1) Article 27(2) is amended as follows.
- (2) For “with the national regulatory authorities”, substitute “with the other national regulatory authority and the non-UK regulatory authorities”.
- (3) For “Member States”, substitute “balancing zones”.
- (4) Omit the last sentence.
- 9.** Omit Article 28.
- 10.** In Article 33(1), omit point (g).
- 11.** In Article 34(3), for “17:00 UTC (winter time) or 16:00 UTC (daylight saving)”, substitute “5.00 p.m.”.
- 12.**—(1) Article 36 is amended as follows.
- (2) In paragraph 1(a), for “12:00 UTC (winter time) or 11:00 UTC (daylight saving)”, substitute “12.00 p.m.”.
- (3) In paragraph 2, for “13:00 UTC (winter time) or 12:00 UTC (daylight saving)”, substitute “1.00 p.m.”.
- 13.** In Article 46(4), omit the second sentence.
- 14.**—(1) Article 47 is amended as follows.
- (2) In paragraph 2—
- (a) after “between the transmission system operators”, insert “and non-UK TSOs”; and
- (b) for “it shall be operated by the transmission system operators concerned”, substitute “the concerned transmission system operators must endeavour to operate it in cooperation with any concerned non-UK TSOs”.
- (3) In paragraph 3, for “submitting”, substitute “making”.
- 15.** Omit Articles 51 and 52.
- 16.** In Article 53, for “28, 33(5), 38(1), 45(4), 46(3), 51 and 52”, substitute “33(5), 45(4) and 46(3)”.
- 17.** In the text after Article 53, omit “This Regulation shall be binding in its entirety and directly applicable in all Member States.”.

## SCHEDULE 3

Regulation 5

### Amendments to the Interoperability Code

- 1.**—(1) Article 1 is amended as follows.
- (2) In paragraph 1, omit “harmonised”.
- (3) In paragraph 2—
- (a) omit “Article 18 shall apply to transmission systems.”; and
- (b) for the last sentence, substitute “This Regulation does not apply at entry points from and exit point to another country that is not a member State unless the national regulatory authority determines otherwise.”.
- (4) In paragraph 3—
- (a) for “between Member States as long as one of these Member States”, substitute “with a member State that”;
- (b) after “2009/73/EC”, insert “as it has effect in EU law”; and
- (c) for “respective Member States”, substitute “national regulatory authority and the member State”.

(5) After paragraph 3, insert—

“4. If a transmission system operator is regulated by both national regulatory authorities, where relevant they must cooperate with each other regarding the regulation of that transmission system operator.

5. If a transmission system operator is regulated by a national regulatory authority and a non-UK regulatory authority, where relevant the national regulatory authority must endeavour to cooperate with the non-UK regulatory authority regarding the regulation of that transmission system operator.

6. The interconnection points within the scope of this Regulation are those where transmission system operators or network users carry out functions or activities that are regulated by a national regulatory authority.”.

2. After Article 1, insert—

“Article 1A

### **Obligations on transmission system operators**

1. In any case where a transmission system operator cannot comply with an obligation set out in this Regulation without the cooperation of a non-UK TSO, the obligation must be interpreted as a requirement on the transmission system operator to—

- (a) comply with the obligation in so far as it is able to do so without the cooperation of the non-UK TSO; and
- (b) endeavour to cooperate with the non-UK TSO in order to comply with that obligation.

2. Paragraph 1 applies so that obligations that apply to “adjacent TSOs”, or that otherwise apply to transmission system operators at an interconnection point, apply to a transmission system operator that is adjacent to a non-UK TSO at an interconnection point.”.

3.—(1) Article 2 is amended as follows.

(2) In the words before point (a)—

- (a) after “984/2013,”, insert “and”; and
- (b) omit “as well as in Article 2 of Directive 2009/73/EC”.

(3) In point (g), for “adjacent transmission system operators”, substitute “adjacent TSOs”.

4. In Article 3, for “adjacent transmission system operators”, substitute “adjacent TSOs”.

5.—(1) Article 4(3) is amended as follows.

- (2) Omit “and to Entsog”.
- (3) Omit “of the Member State”.

6. Omit Article 5.

7.—(1) Article 6 is amended as follows.

- (2) For “adjacent transmission system operators”, substitute “adjacent TSOs”, each time it appears.
- (3) In paragraph 4(a), omit “national or Union”.
- (4) In paragraph 4(b), after “Council”, insert “as it has effect in EU law immediately before exit day”.

8.—(1) Article 7 is amended as follows.

- (2) For “adjacent transmission system operators” substitute “adjacent TSOs”, each time it appears.

(3) In paragraph 1(b), for “adjacent transmission system operator(s)”, substitute “adjacent TSOs”.

(4) In paragraph 2, after “national regulations”, insert “and the regulations of other countries or territories”.

(5) In paragraph 3(h), for the words “adjacent transmission system operator(s)” to the end, substitute “adjacent TSOs who operate the measurement equipment to the other adjacent TSOs”.

(6) In paragraph 4(b), omit “in the version applicable at the time”.

**9.** In Article 8, each time it appears, for “adjacent transmission system operators”, substitute “adjacent TSOs”.

**10.—**(1) Article 9 is amended as follows.

(2) For “adjacent transmission system operators”, substitute “adjacent TSOs” each time it appears.

(3) In paragraph 2, for “adjacent transmission system operator(s)”, substitute “adjacent TSOs”.

(4) In paragraph 3, for “by each adjacent transmission system operator”, substitute “ by each adjacent TSO”.

**11.—**(1) Article 10 is amended as follows.

(2) In paragraph 1, for “adjacent transmission system operators”, substitute “adjacent TSOs”.

(3) In paragraph 2, for “adjacent transmission system operator(s)”, substitute “adjacent TSOs”.

**12.—**(1) Article 11 is amended as follows.

(2) In paragraph 1, for “adjacent transmission system operators”, substitute “adjacent TSOs”.

(3) Omit paragraph 2.

**13.** In Article 12, for “adjacent transmission system operators”, substitute “adjacent TSOs” both times it appears.

**14.** For Article 13(3), substitute—

“3. If at any time the United Kingdom is connected to only one member State, or connected to a country or territory that is not connected to a member State, the adjacent TSOs at the relevant interconnection points and the parties they communicate with may agree to continue to use other reference conditions for data exchange in connection with Regulation (EC) No 715/2009 on conditions for access to natural gas transmission networks, subject to the approval of the national regulatory authority.”.

**15.** In Article 14, omit the words from “based on” to the end.

**16.—**(1) Article 15 is amended as follows.

(2) In paragraph 1, after “cooperate”, insert “with each other and must endeavour to cooperate with non-UK TSOs”.

(3) In paragraph 2—

(a) in the words before point (a)—

(i) for “national regulatory authorities, those authorities”, substitute “national regulatory authority, it”;

(ii) after “require the”, insert “concerned”;

(b) in point (e)—

(i) for “their respective national regulatory authorities”, substitute “the national regulatory authority”;

(ii) omit “of each involved member State”;

(c) after point (e), insert—

“In performing the actions referred to in points (a) to (e), the concerned transmission system operators must endeavour to cooperate with the concerned non-UK TSOs.”; and

(d) in the words after point (e), after “transmission system operators”, insert “and concerned non-UK TSOs”.

(4) In paragraph 3—

(a) for “each national”, in both places it occurs, substitute “the national”;

(b) after “consult the”, for “national”, substitute “non-UK”;

(c) for “Member States”, substitute “countries or territories”; and

(d) after “adjacent”, for “national”, substitute “non-UK”.

(5) After paragraph 3, insert—

“4. If both national regulatory authorities are concerned, they must cooperate with each other, and references in paragraphs 2 and 3 to “the national regulatory authority” are to be read as references to “the national regulatory authorities”. ”.

**17.** In Article 16, omit the last sentence.

**18.** Omit Article 18.

**19.**—(1) Article 19 is amended as follows.

(2) In paragraph 1—

(a) for “national authorities”, substitute “the national regulatory authority”;

(b) for “the authorities”, substitute “the national regulatory authority”;

(c) after “operators to”, insert “endeavour to”;

(d) for “adjacent transmission system operators”, substitute “adjacent TSOs”; and

(e) for “their respective national authorities”, substitute “the national regulatory authority”.

(3) In paragraph 2—

(a) for “national authorities agree”, substitute “national regulatory authority considers”;

(b) for “adjacent transmission system operators”, substitute “adjacent TSOs”; and

(c) for “with national authorities”, substitute “with the national regulatory authority”.

(4) In paragraph 3—

(a) in point (e)—

(i) for “the feasible” substitute “any feasible”;

(ii) for “national authorities”, substitute “national regulatory authority”;

(b) in the words after point (e)—

(i) for “Once”, substitute “If”; and

(ii) for “national authorities”, substitute “national regulatory authority”.

(5) In paragraph 4—

(a) for “national authorities do”, substitute “national regulatory authority does”;

(b) after “paragraph 2,”, insert “the concerned transmission system operators shall endeavour to implement”;

(c) after “flow of non-odourised gas”, omit “shall be implemented”; and

(d) for “by the national authorities”, substitute “by the national regulatory authority”.

(6) After paragraph 4, insert—

“5. In performing their functions set out in this Article, the concerned transmission system operators must endeavour to cooperate with the concerned non-UK TSOs.

6. Before determining whether to grant approval under paragraphs (1), (3) or (4) of this Article, the national regulatory authority must endeavour to cooperate with the concerned non-UK regulatory authorities with a view to reaching a joint decision.

7. If both national regulatory authorities are concerned, they must cooperate with each other, and references in paragraphs 1, 2, 3, 4 and 6 to “the national regulatory authority” are to be read as references to “the national regulatory authorities”.

**20.**—(1) Article 21 is amended as follows.

(2) In paragraph 2—

- (a) in point (a)(ii), omit the last sentence; and
- (b) in point (b)(ii), omit the last sentence.

(3) Omit paragraph 3.

**21.** In Article 23, omit “of the transmission system operator”.

**22.** Omit Article 24.

**23.** For the text of Article 25, substitute—

“Article 25

**Implementation monitoring**

If immediately before exit day a transmission system operator has not complied with its obligations under Article 25(2) of this Regulation as it has effect in EU law, the obligations under that paragraph continue to apply.”.

**24.** In Article 26, in the second paragraph, omit “without prejudice to Article 5”.

**25.** In the text after Article 26, omit “This Regulation shall be binding in its entirety and directly applicable in all Member States.”.

## SCHEDULE 4

Regulation 6

### Amendments to the Capacity Allocation Mechanisms Code

**1.** In Article 1, in the second sentence, for “This Regulation shall set out how adjacent transmission system operators cooperate in”, substitute “This Regulation set outs how transmission system operators cooperate with adjacent TSOs in”.

**2.**—(1) Article 2 is amended as follows.

(2) In paragraph 1—

- (a) at the end of the first sentence, insert “where transmission system operators carry out functions or activities that are regulated by a national regulatory authority”; and
- (b) in the second sentence, for “third”, substitute “other”.

(3) In paragraph 2, in the first sentence—

- (a) for “set up in accordance with”, substitute “provided for in”; and
- (b) omit “within the Union”.

(4) In paragraph 3, for the second sentence, substitute—

“This Regulation does not apply to interconnection points where, immediately before exit day, either the UK or relevant member State held a derogation on the basis of Article 49 of Directive 2009/73/EC(a), as it had effect in EU law.”.

---

(a) Directive 2009/73/EC of the European Parliament and of the Council of 13 July 2009 concerning common rules for the internal market in natural gas and repealing Directive 2003/55/EC J L 211 14.8.2009, p.94-136.

(5) In paragraph 6, omit “within a Member State”.

**3.**—(1) Article 3 is amended as follows.

(2) In the words before paragraph 1, omit “and Article 2 Directive 2009/73/EC”.

(3) In paragraph 13, for “adjacent transmission system operators”, substitute “a transmission system operator with an adjacent TSO”.

(4) In paragraph 15, for “by ENTSOG”, substitute “jointly by, or on behalf of, all transmission system operators”.

(5) In paragraph 16, for “5.00 to 5.00 UTC the following day for winter time and from 4.00 to 4.00 UTC the following day when daylight saving is applied”, substitute “5.00 a.m. to 5.00 a.m. the following day”.

(6) After paragraph 25, insert—

“26. ‘non-UK regulatory authority’ means a regulatory authority for a country or territory other than the UK.

27. ‘adjacent TSO’ means a transmission system operator or a non-UK TSO which operates a transmission system which is directly connected to a transmission system operated by the relevant transmission system operator.”.

**4.**—(1) Article 4 is amended as follows.

(2) For “adjacent transmission system operator(s)”, substitute “adjacent TSOs”.

(3) At the end of the Article, insert “Where an adjacent TSO is a non-UK TSO, the transmission system operator must endeavour to fully cooperate with the non-UK TSO regarding their respective maintenance plans.”.

**5.** In Article 5, at the end of paragraph 1, insert “Transmission system operators must also endeavour to coordinate this with any adjacent and affected non-UK TSOs.”.

**6.**—(1) Article 6 is amended as follows.

(2) In paragraph 1(a)(1), in the last sentence, for “Regulation (EU) No 994/2010”, substitute “Regulation (EU) No. 2017/1938”.

(3) In paragraph 1(a)(3), omit “the Union-wide 10-year network development plan pursuant to Article 8 of Regulation (EC) No. 715/2009,”.

(4) In paragraph 1(a)(5)—

(a) omit “adjacent”; and

(b) after “transmission system operators”, add “and non-UK TSOs”.

(5) After paragraph 1(a)(6), insert—

“(7) this in-depth analysis must also take into account any obligations of a non-UK TSO in relation to the Union-wide 10-year network development plan pursuant to Article 8 of Regulation (EC) No 715/2009(a) as it has effect in EU law.”.

(6) Before paragraph 2, insert—

“1A. In relation to interconnection points at which any adjacent TSO is a non-UK TSO, transmission system operators must comply with paragraph 1 in so far as they are able to do so and must endeavour to cooperate with the non-UK TSO to comply with paragraph 1.”.

(7) In paragraph 2, omit the words from “Article 42” to the end.

(8) Omit paragraph 4.

**7.**—(1) Article 7 is amended as follows.

(2) In paragraph 1—

---

(a) Regulation (EC) No 715/2009 of the European Parliament and of the Council of 13 July 2009 on conditions for access to the natural gas transmission networks and repealing Regulation (EC) No 1775/2005 OJ L 211, 14.8.2009, p. 36-54.

- (a) omit “Adjacent”;
  - (b) for “exchange”, substitute “provide”; and
  - (c) after “regular basis”, insert “to their adjacent TSOs.”.
- (3) In paragraph 2—
- (a) omit “adjacent”;
  - (b) for “exchange”, substitute “provide”;
  - (c) after “individual transmission network”, insert “to their adjacent TSOs”; and
  - (d) for the last sentence, substitute “Transmission system operators must integrate the procedures to exchange data in their respective interconnection agreement. Where an adjacent TSO is a non-UK TSO, transmission system operators must endeavour to integrate the procedures in the interconnection agreement.”.

**8.**—(1) Article 8 is amended as follows.

(2) For paragraph 2, substitute—

“2. At all interconnection points the same auction design is to apply. The relevant auction processes are to start simultaneously for all concerned interconnection points. Each auction process, relating to a single standard capacity product, must allocate capacity independently of every other auction process except where incremental capacity is offered or where, subject to the agreement of the directly involved transmission system operators and, if applicable, agreement of any directly involved non-UK TSO, and the approval of the national regulatory authorities, competing capacity is allocated. In considering whether to grant approval, the national regulatory authorities must consider any representations made by a non-UK regulatory authority of any adjacent and affected country. In case incremental capacity is offered, the independent allocation is not to apply to the simultaneous auction processes for the respective offer levels, since these are dependent on each other, as only one offer level can be allocated.”.

(3) In paragraph 9, after the first sentence, insert “If there is a directly involved non-UK TSO, transmission system operators must endeavour to cooperate with the non-UK TSO to agree on alignment.”.

**9.** In Article 11, in paragraph 9, for “8.00 UTC to 17.00 UTC (winter time) or 7.00 UTC to 16.00 UTC (daylight saving)”, substitute “8.00 a.m. to 5.00 p.m.”.

**10.** In Article 12, in paragraph 7, for “8.00 UTC to 17.00 UTC (winter time) or 7.00 UTC to 16.00 UTC (daylight saving)”, substitute “8.00 a.m. to 5.00 p.m.”.

**11.** In Article 13, in paragraph 7, for “8.00 UTC to 17.00 UTC (winter time) or 7.00 UTC to 16.00 UTC (daylight saving)”, substitute “8.00 a.m. to 5.00 p.m.”.

**12.**—(1) Article 14 is amended as follows.

(2) In paragraph 5, for “15.30 UTC (winter time) or 14.30 UTC (daylight saving)”, substitute “3.30 p.m.”.

(3) In paragraph 6, for “15.30 UTC to 16.00 UTC (winter time) or 14.30 UTC to 15.00 UTC (daylight saving)”, substitute “3.30 p.m. to 4.00 p.m.”.

**13.**—(1) Article 15 is amended as follows.

(2) In paragraph 2—

- (a) for “1.30 UTC (winter time) or 0.30 UTC (daylight saving)”, substitute “1.30 a.m.”; and
- (b) for “5.00 UTC (winter time) or 4.00 UTC (daylight saving)”, substitute “5.00 a.m.”.

(3) In paragraph 3, for “0.30 UTC (winter time) or 23.30 UTC (daylight saving)”, substitute “0.30 a.m.”.

**14.**—(1) Article 19 is amended as follows.

(2) For “adjacent transmission system operators”, substitute “adjacent TSOs” each time it appears.

(3) For the words before paragraph 1, substitute “Where the adjacent TSOs are transmission system operators, they must jointly offer bundled capacity products, according to the following principles:”.

(4) After paragraph 9(b), insert—

“10. Where adjacent TSOs include a non-UK TSO, the transmission system operator must endeavour to cooperate with the non-UK TSO to jointly offer bundled capacity products according to the principles in paragraphs 1 to 9. For this purpose, references to transmission system operators in paragraphs 1 to 9 are to be read as including that non-UK TSO.”.

(5) Omit the last sentence.

**15.**—(1) Article 20 is amended as follows.

(2) Omit paragraphs 1 to 3.

(3) In paragraph 4, after “terms and conditions”, insert “under paragraphs 1 to 3 of this Article as it has effect in EU law”.

**16.**—(1) Article 21(3) is amended as follows.

(2) For “adjacent transmission system operator”, substitute “adjacent TSO”.

(3) For the fifth sentence, substitute “This service must be based on the conversion model developed by ENTSOG under this Article as it has effect in EU law.”.

**17.** In Article 24, at the end of paragraph 1, insert “If a non-UK TSO is involved, the national regulatory authorities or transmission system operators must endeavour to combine the individual economic test parameters of the involved transmission system operators and non-UK TSO into a combined single economic test.”.

**18.**—(1) Article 26 is amended as follows.

(2) In paragraph 1—

(a) for “shall cooperate”, substitute “must cooperate with adjacent TSOs”; and

(b) for the last sentence, substitute “Where an adjacent TSO is a non-UK TSO, transmission system operators must endeavour to cooperate in these processes.”.

(3) At the end of paragraph 2, insert “Where the market demand report concerns any non-UK TSOs, the concerned transmission system operators must endeavour to produce that report in common with the non-UK TSOs.”.

(4) In paragraph 3, omit “in one or more official languages of the Member State and to the extent possible in English”.

(5) Omit paragraph 4.

(6) For paragraph 12(a), substitute—

“(a) the obligation on any concerned non-UK TSOs to take into account whether the Union-wide 10-year network development plan identifies a physical capacity gap whereby a specific region is undersupplied in a reasonable peak scenario and where offering incremental capacity at the interconnection point in question could close the gap; or any UK network development plan or national network development plan relevant to a concerned non-UK TSO identifies a concrete and sustained physical transport requirement;”.

**19.**—(1) Article 27 is amended as follows.

(2) In paragraph 3—

(a) omit “in one or more official languages of the Member State and to the extent possible in English”;

- (b) after the first sentence, insert “If a non-UK TSO is concerned, the transmission system operators must conduct a public consultation in accordance with this paragraph and endeavour to conduct that consultation jointly with the non-UK TSO.”; and
- (c) in the final sentence, for “These operators”, substitute “The transmission system operators”.

(3) In paragraph 4, before the words “coordinate across borders”, insert “endeavour to”.

**20.**—(1) Article 28 is amended as follows.

(2) In paragraph 1, for the words before subparagraph (a), substitute—

“1. Following the consultation and finalisation of the design phase for an incremental capacity project in accordance with Article 27, the involved transmission system operators must submit the project proposal for an incremental capacity project to the relevant national regulatory authority for approvals. Where the project proposal concerns both national regulatory authorities, the transmission system operators must coordinate the submissions for approval. Where the project proposal concerns one or more non-UK TSOs, the involved transmission system operators must endeavour to ensure that the submissions for approval to the national regulatory authorities are coordinated with any non-UK TSO’s submission for approval to any non-UK regulatory authority. The project proposal must also be published by the involved transmission system operators.

Subject to paragraph 1A, transmission system operators must ensure that the project proposal includes at least the following information:”.

(3) After the end of paragraph 1(g), insert—

“1A. If a non-UK TSO is involved, transmission system operators must include in the project proposal the information that is listed in paragraph 1(a) to (g) in so far as they are able to do so and must endeavour to cooperate with the non-UK TSO to include all the information listed in paragraph 1(a) to (g).”.

(4) For paragraph 2, substitute—

“2. Within 6 months of receipt of the complete project proposal by the relevant national regulatory authorities, the national regulatory authorities must publish decisions on the project proposal defined in paragraph 1. Where decisions are required by both national regulatory authorities, those decisions must be coordinated. Where the project proposal concerns any non-UK TSOs, the national regulatory authorities must endeavour to coordinate their decisions with the decision of any relevant non-UK regulatory authorities. The decisions must include justifications. The national regulatory authorities must, where relevant, inform each other and any relevant non-UK regulatory authority of the receipt of the project proposal and its completeness in order to determine the start of the 6 months period.

When preparing the national regulatory authority’s decision, each national regulatory authority must consider the views of the other national regulatory authority, if it is also involved. Where the project proposal concerns any non-UK TSOs, the national regulatory authorities must consider the views of any relevant non-UK regulatory authorities. In any case the national regulatory authorities must take into account any detrimental effects on competition or the obligation on any relevant non-UK regulatory authority to take into account the effective functioning of the internal gas market, where those factors are associated with the incremental capacity projects concerned.

If a relevant national regulatory authority objects to the submitted project proposal, it must, if relevant, inform the other involved national regulatory authority and any involved non-UK regulatory authority as soon as possible. In such a situation, the national regulatory authorities must take all reasonable steps to work together, if both are involved, and must take all reasonable steps to work with any involved non-UK regulatory authorities to reach a common agreement.”.

(5) For paragraph 3, substitute—

“3. Upon the publication of the decisions of the national regulatory authorities pursuant to paragraph 2 and no later than 2 months before the offer of incremental capacity in the annual yearly capacity auction, the transmission system operators must publish a notice. Transmission system operators must publish that notice jointly. Where relevant, the transmission system operators must endeavour to ensure that the notice is published jointly with any concerned non-UK TSO. The notice must include the following minimum information—

- (a) the information defined in paragraph 1 as approved by the national regulatory authorities; and
- (b) a template of the contracts related to the capacity offered.”.

**21.**—(1) Article 29 is amended as follows.

(2) At the end of paragraph 1, insert “Where relevant, the transmission system operators must endeavour to work with any concerned non-UK TSO to offer the incremental capacity in accordance with this paragraph.”.

(3) In paragraph 3(a), after the words “transmission system operators”, insert “and, if applicable, non-UK TSOs”.

**22.** Omit Article 31.

**23.**—(1) Article 33 is amended as follows.

(2) For paragraph 1, substitute—

“1. Transmission system operators must—

- (a) decide minimum interruption lead times jointly with adjacent TSOs that are transmission system operators; and
- (b) endeavour to decide minimum interruption lead times jointly with adjacent TSOs that are non-UK TSOs.”.

### EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made in exercise of the powers in section 8(1) of the European Union (Withdrawal) Act 2018 (c. 16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under section 8(2), subsections (a), (b), (c) and (g)) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations amend —

- Regulation (EU) 2017/1938 concerning measures to safeguard the security of gas supply (“the Security of Gas Supply Regulation”);
- Commission Regulation (EU) No 312/2014 of 26 March 2014 establishing a Network Code on Gas Balancing of Transmission Networks (“the Balancing Code”);
- Commission Regulation (EU) 2015/703 of 30 April 2015 establishing a network code on interoperability and data exchange rules (“the Interoperability Code”);
- Commission Regulation (EU) 2017/459 establishing a network code on capacity allocation mechanisms in gas transmission systems (“the Capacity Allocation Mechanisms Code”);
- Commission Regulation (EU) 2017/460 of 16 March 2017 establishing a network code on harmonised transmission tariff structures for gas (“the Tariffs Code”);

The Security of Gas Supply Regulation, the Balancing Code, the Interoperability Code and the Capacity Allocation Mechanisms Code form part of the domestic law of the United Kingdom on and after exit day by virtue of section 3 of the European Union (Withdrawal) Act 2018. Chapter 1 and Chapters 5 to 10 of the Tariffs Code form part of the domestic law of the United Kingdom on and after exit day by virtue of section 3 of the European Union (Withdrawal) Act 2018. Chapters 2, 3 and 4 of the Tariffs Code do not form part of the domestic law of the United Kingdom on and after exit day, as they do not apply in EU law until 31 May 2019. The Security of Gas Supply Regulation is amended by the Electricity and Gas (Powers to Make Subordinate Legislation) (Amendment) (EU Exit) Regulations 2018.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sectors is foreseen.
