## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations are made in exercise of the powers conferred by section 8(1) of, and paragraph 21(b) of Schedule 7 to, the European Union (Withdrawal) Act 2018 (c. 16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under section 8(2)(a), (c) and (d) of that Act) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations amend the Education Act 2002 (c. 32) (“the 2002 Act”) and the Electronic Commerce Directive (Adoption and Children Act 2002) Regulations 2005 (S.I. 2005/3222) (“the 2005 Regulations”). Together, the amendments provide for the disapplication of the “country of origin” principle in relation to information society services (defined in Article 2(a) of Directive 2000/31/EC of the European Parliament and of the Council of 8 June 2000 on certain legal aspects of information society services, in particular electronic commerce, in the Internal Market) in respect of certain matters under the 2002 Act and the 2005 Regulations respectively.

The amendments to the 2002 Act relate to provision in Schedule 11B to that Act (which supplements section 141G of that Act in relation to publishing a matter in breach of restrictions on reporting alleged offences by teachers in section 141F(3); those provisions extend to England and Wales only). The effect of the amendments is to disapply the country of origin principle in respect of information society services which have potentially breached the reporting restrictions under section 141F of the 2002 Act.

The amendments to the 2005 Regulations provide for the disapplication of the country of origin principle in relation to information society services in the application of sections 92 and 93 of the Adoption and Children Act 2002 (c. 38) (restriction on arranging adoptions) and sections 123 and 124 of that Act (restriction on advertising adoptions).

An impact assessment has not been published for this instrument as no, or no significant, impact on the private, public or voluntary sector is foreseen.
