Regulation 5 substitutes the requirement for the Minister for the Cabinet Office to submit a report to the European Commission on the outcome of their monitoring with a requirement for the Minister for the Cabinet Office to publish a report on the outcome of their monitoring.

Regulation 6 omits the Schedule to the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 which is no longer appropriate.

Regulation 7 revokes three Commission Implementing Decisions which are retained direct EU legislation relating to the accessibility of the websites and mobile applications of public sector bodies for which alternative provision is made by these Regulations.
