

South Yorkshire Light Rail Transit Act 1993

1993 CHAPTER ii

PART IV

PROTECTIVE PROVISIONS

11 Notice of interference with streets

Before breaking up or otherwise interfering with any street in connection with the construction of the LRT system, the Executive shall give not less than 14 days' notice to the chief officer of police and to the fire authority of their intention to do so, except in case of emergency when such notice as is practicable shall be given.
