

**CHAPTER cx.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Bude Camberley and District East Barnet Valley Exeter (Extension) Frome (Amendment) Higham Ferrers Rushden and Wellingborough (Rural District) Mid-Durham Wealdstone Wisbech (Amendment) and Yardley (Amendment). [20th July 1906.]

A.D. 1906.

**W**HEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act:

45 & 46 Vict.  
c. 56.  
51 & 52 Vict.  
c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 5) Act 1906. Short title.

2. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out

Orders in  
schedule  
confirmed.

A.D. 1906. — in the said schedule shall from and after the passing of this Act have full validity and effect.

For protection of Hertfordshire County Council.

**3.—(1)** Nothing in the East Barnet Valley Electric Lighting Order 1906 confirmed by this Act shall take away or abridge any power to repair open or break up any road or county bridge along or across which any pipe wire cable or electric main is laid or any other power vested in the Hertfordshire County Council (in this section called "the council") for any of the purposes for which the council is constituted but before commencing any work pursuant to such powers whereby any pipe wire cable or electric main will be interfered with they shall (except in case of emergency in which case no notice shall be necessary) give the Undertakers notice of their intention to commence such work specifying the time at which they will begin to do so such notice to be given three days at least before the commencement of the work and shall always complete such work with all reasonable expedition and cause as little damage or inconvenience to the Undertakers as circumstances permit.

(2) The council shall not be liable to pay to the Undertakers any compensation for injury done to any pipes wires cables or electric mains by the execution of such works or for loss occasioned thereby or for the reasonable exercise of the powers so vested in them as aforesaid.

(3) The council shall not execute such work so far as it immediately affects any pipe wire cable or electric main except under the superintendence of the Undertakers unless they refuse or neglect to give such superintendence at the time specified in the notice for the commencement of the work or discontinue the same during the progress of the work and they shall execute such work at their own expense and to the reasonable satisfaction of the Undertakers Provided that any additional expense imposed upon them by reason of the existence of any pipes wires cables or electric mains of the company in any road or place shall be borne by the company.

(4) Any difference which may arise between the Undertakers and the council under this section shall be determined by arbitration.

For protection of Berkshire County Council.

**4.—(1)** Nothing in the Camberley and District Electric Lighting Order 1906 confirmed by this Act shall in any way limit or affect the powers of the Berkshire County Council to rebuild alter widen or repair the structure of any bridge upon

which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order. A.D. 1906.  
—

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

5.—(1) Nothing in the Camberley and District Electric Lighting Order 1906 confirmed by this Act shall in any way limit or affect the powers of the Surrey County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

For pro-  
tection of  
Surrey  
County  
Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the

A.D. 1906. commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

**6.**—(1) Nothing in the Higham Ferrers Rushden and Wellingborough (Rural District) Electric Lighting Order 1906 confirmed by this Act shall in any way limit or affect the powers of the Northamptonshire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a

For protection of  
Northamptonshire  
County  
Council.

danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council. A.D. 1906.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by some one person to be agreed upon in writing between the county council and the Undertakers or failing agreement by an arbitrator to be appointed on the application of either party by the Board of Trade.

7.—(1) Notwithstanding anything in the provisions of the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with the Higham Ferrers Rushden and Wellingborough (Rural District) Electric Lighting Order 1906 confirmed by this Act which prohibits the Undertakers under that Order from associating themselves with any company or person supplying energy under any licence Provisional Order or special Act and from laying down any electric lines or works outside the area of supply under that Order the Undertakers under that Order may (but subject save as aforesaid to the provisions of that Order) connect any generating station or electric lines within the area of supply under that Order with any generating station or electric lines within the area of supply under the Wellingborough Electric Lighting Order 1900 and the Undertakers under the last-mentioned Order may notwithstanding any provisions contained in that Order so prohibiting them (but subject in all other respects to the provisions of that Order) connect any generating station or electric lines within the area of supply under that Order with any generating station or electric lines within the area of supply under the Higham Ferrers Rushden and Wellingborough (Rural District) Electric Lighting Order 1906 and the Undertakers under either of those Orders may use any generating station so connected for the generation of electrical energy to be supplied in either of those areas and subject as aforesaid may supply energy so generated in their respective areas of supply.

Powers under Higham Ferrers Rushden and Wellingborough (Rural District) Electric Lighting Order 1906 and Wellingborough Electric Lighting Order 1900 for extension of mains outside area of supply.

(2) Nothing in this section shall exonerate the Undertakers under either of the said Orders from any indictment action or other proceeding for nuisance in the event of any nuisance being caused or permitted by them.

A.D. 1906.

For pro-  
tection of  
Middlesex  
County  
Council.

8.—(1) Nothing in the Wealdstone Electric Lighting Order 1906 confirmed by this Act shall in any way limit or affect the powers of the Middlesex County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

## SCHEDULE.

A.D. 1906.

BUDE ELECTRIC LIGHTING.

*Bude.*

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to Messrs. Christy Brothers and Middleton in respect of the Urban District of Stratton and Bude and parts of the Rural District of Stratton in the County of Cornwall.*

Short title.

1. This Order may be cited as the Bude Electric Lighting Order 1906.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are Frank Christy Leonard Fell Christy and William Middleton trading as Messrs. Christy Brothers and Middleton of Chelmsford Essex.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up streets &c.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets which are mentioned in the Second Schedule to this Order and the railway which is also mentioned in that schedule.

Compulsory works.

6. The street throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 is that mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Deposit.

8. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds in respect of the urban district of Stratton and Bude and one hundred pounds in respect of so much of the area of supply as is situate within the rural district of Stratton.

Restriction as to time for laying distributing mains.

9. The Undertakers shall not be entitled without the consent of the urban district council of Stratton and Bude to break up any street within so much of the area of supply under this Order as is comprised within

the urban district of Stratton and Bude for the purpose of laying down new distributing mains during the months of July August and September in any year. A.D. 1906.  
Bude.

10. Nothing in this Order contained shall prejudice or affect any property rights powers authorities or privileges of His Royal Highness the Prince of Wales in right of his Duchy of Cornwall or of the possessor of the Duchy of Cornwall for the time being. Saving for  
Duchy of  
Cornwall.

11.—(1) The powers given by this Order shall not be exercised unless within twelve months or such extended period not exceeding in the whole fifteen months as the Board of Trade allow after the passing of the Act confirming this Order the Undertakers by deed to be approved by the Board of Trade transfer the undertaking to a limited company registered under the Companies Acts 1862 to 1900 formed for that purpose and approved by the Board of Trade. Powers not to  
be exercised  
unless under-  
taking is trans-  
ferred to a  
registered  
company.

(2) Within that period the Undertakers may transfer and the company to whom the transfer is to be made may take a transfer of the undertaking with the consent of and on such terms and conditions as may be approved by the Board of Trade.

(3) On any such transfer the rights powers authorities obligations and liabilities of the Undertakers shall be transferred to and may be exercised by and shall attach to the company to whom the transfer is made and that company shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) If the transfer directed by this Order has not been made before the expiration of the period limited in that behalf in this section the Board of Trade may revoke this Order upon the expiration of that period.

12.—(1) The urban district council of Stratton and Bude being the local authority in respect of so much of the undertaking as is situate within their district may by twelve months' notice in writing expiring at any time after the termination of twenty-one years from the commencement of this Order require the Undertakers to sell and thereupon the Undertakers shall sell to them as a going concern so much of the undertaking authorised by this Order as is within their district including all lands buildings works materials and plant suitable to and used by the Undertakers for the purposes of the undertaking within that part of the area of supply. Power of pur-  
chase by urban  
district coun-  
cil of Stratton  
and Bude.

(2) The price to be paid upon any such transfer shall be a sum equal to the fair market value of the portion of the undertaking purchased as a going concern regard being had to any loss occasioned by severance that sum to be determined in default of agreement by arbitration.

(3) The Board of Trade may determine any question which arises in reference to the purchase which is not to be determined by arbitration and in default of agreement as to the date on which the transfer is to take effect may fix that date.

A.D. 1906.

Bude.

(4) From the date on which the purchase takes effect the portion of the undertaking purchased (including all such lands buildings works materials and plant as aforesaid) shall vest in the local authority freed from all debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity within that portion of the area of supply to which the transfer relates under this Order or the principal Act shall cease and determine and shall vest in the local authority purchasing who shall subject to the provisions of this Order become the Undertakers for the purposes of this Order within the area in respect of which the transfer is made.

(5) The power of purchase given by this Order shall be in addition to and not in derogation of the power of any local authority to purchase the portion of the undertaking within their district under section 2 of the Electric Lighting Act 1888.

Commence-  
ment of Order.

13. Save as in this Order expressly provided this Order shall come into force upon the day when the transfer to a limited company directed by this Order takes effect and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

---

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt per hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter :—

- (a) For power purposes for each unit threepence ; and
- (b) For all other purposes for any amount up to twenty units ten shillings and for each unit over twenty units sixpence :

A.D. 1906.

*Bude.*

Provided that if in any year during which the Undertakers are a limited company that company pay dividends exceeding five per cent. upon their capital then paid up the company shall in the twelve months succeeding the date upon which that dividend is paid allow a discount to every consumer upon the amount which the company would be entitled to charge to that consumer under the provisions of this schedule in respect of energy supplied to him during that period that discount to be of an amount equal to five per cent. for every one per cent. by which the dividend so paid exceeds five per cent. upon the paid-up capital.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

---

CAMBERLEY AND DISTRICT ELECTRIC LIGHTING.

*Camberley. Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Camberley Electric Supply Company Limited in respect of the Urban District of Frimley in the County of Surrey and the Parishes of Sandhurst and Crowthorne in the Rural District of East-hampstead in the County of Berkshire.*

Short title.

1. This Order may be cited as the Camberley and District Electric Lighting Order 1906.

Incorporation  
of Electric  
Lighting  
(Clauses) Act  
1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Camberley Electric Supply Company Limited being a company registered under the Companies Acts 1862 to 1900 with limited liability whose registered offices are situated at Moorgate Court Moorgate Place in the city of London.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order

[6 EDW. 7.]      *Electric Lighting Orders Confirmation*      [Ch. cx.]  
 (No. 5) Act, 1906.

and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

A.D. 1906.  
 Camberley.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railways which are also mentioned in that schedule.

Power to break up streets &c.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Compulsory works.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Maximum prices.

8. Notwithstanding anything contained in the Electric Lighting Acts 1882 and 1888 a person shall not be entitled to demand or to continue to receive from the Undertakers a supply of electrical energy to premises having a separate supply unless he has agreed to pay to the Undertakers such minimum annual sum as will give to the Undertakers a reasonable return on the capital expenditure and will cover other standing charges incurred by the Undertakers to meet the possible maximum demand for those premises. The sum to be so paid shall be determined in default of agreement by arbitration.

As to supply of electricity where consumer has separate supply.

9. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds in respect of the urban district of Frimley and one hundred pounds in respect of the rural district of Easthampstead.

Deposit.

10.—(1) The urban district council of Frimley and the rural district council of Easthampstead as the local authorities in respect of so much of the area of supply under this Order as is situate in their respective districts may by six months' notice in writing given by both councils at the expiration of a period of 21 28 or 35 years from the commencement of this Order require the Undertakers to sell and thereupon the Undertakers shall sell to each such council so much of the undertaking authorised by this Order as is situated in the area of that council (including all lands buildings works materials and plant of the Undertakers suitable to and used by them for the purposes of the undertaking within that area) upon the terms of payment by each local authority to the Undertakers of a sum equal to the fair market value as a going concern of the portion of the undertaking purchased by that authority that sum to be determined in default of agreement by arbitration. Provided that nothing in this section shall compel the Undertakers to sell a part only of the undertaking authorised by this Order.

Purchase by local authority.

A.D. 1906.

*Camberley.*

(2) The Board of Trade may determine any question which arises with reference to the purchase which is not to be determined by arbitration and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) From the date on which the purchase takes effect the portion of the undertaking purchased by each authority shall vest in that authority freed from all debts mortgages or other similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity within the area of supply under this Order or the principal Act shall cease and determine and shall vest in the local authorities respectively who shall subject to the provisions of this Order become the Undertakers for the purposes of this Order within their respective areas.

(4) The special power of purchase given by this section shall be in addition to and not in derogation of the rights of the said local authorities to purchase under section 2 of the Electric Lighting Act 1888.

Saving for  
Commissioners  
of Woods.

11. Nothing in this Order shall affect prejudicially any estate right power privilege or exemption of the King's most Excellent Majesty and in particular nothing in this Order shall authorise the Undertakers to break up make use of or in any manner interfere with any land or any street road or footpath belonging to His Majesty in right of his Crown and under the management control or direction of the Commissioners of Woods or which is maintainable or repairable by them except with the consent in writing of those Commissioners and subject to such terms and conditions as those Commissioners may think fit.

Commence-  
ment of  
Order.

12. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter :—

*Camberley.*

- (a) For lighting purposes for any amount up to twenty units eleven shillings and eightpence and for each unit over twenty units sevenpence :
- (b) For all other purposes for each unit twopence halfpenny.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

---

EAST BARNET VALLEY ELECTRIC LIGHTING.

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the North Metropolitan Electrical Power Distribution Company Limited in respect of the Urban District of East Barnet Valley.*

*East Barnet Valley.*

1. This Order may be cited as the East Barnet Valley Electric Lighting Order 1906. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the North Metropolitan Electrical Power Distribution Company Limited being a company registered under the Companies Acts 1862 to 1900 with limited liability whose registered office is situate at Evelyn House Finsbury Pavement in the county of London. Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.

A.D. 1906.

*East Barnet  
Valley.*Power to break  
up streets.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order.

Compulsory  
works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum  
prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Supply of elec-  
tricity where  
consumer has  
separate  
supply.

8. Notwithstanding anything contained in the Electric Lighting Acts 1882 and 1888 a person shall not be entitled to demand or to continue to receive from the Undertakers a supply of electrical energy to premises having a separate supply unless he has agreed to pay to the Undertakers such minimum annual sum as will give to the Undertakers a reasonable return on the capital expenditure and will cover other standing charges incurred by the Undertakers to meet the possible maximum demand for those premises. The sum to be so paid shall be determined in default of agreement by arbitration.

Deposit.

9. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds.

Commence-  
ment of Order.

10. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

---

Valley.*

(b) At the option of the consumer—

For any amount not exceeding the equivalent of ninety-one hours of supply at the maximum power which has been demanded by him at the rate of sevenpence per unit and for any further amount not exceeding that equivalent at the rate of twopence per unit.

## SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

## EXETER ELECTRIC LIGHTING (EXTENSION).

*Exeter.*

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Mayor Aldermen and Citizens of the City of Exeter in respect of the City of Exeter and the Urban District of Heavitree in the County of Devon.*

Short and collective titles.

1. This Order may be cited as the Exeter Electric Lighting (Extension) Order 1906 and this Order and the Exeter Electric Lighting Order 1891 (herein-after called "the principal Order") may be cited together as the Exeter Electric Lighting Orders 1891 and 1906.

Incorporation of Electric Lighting (Clauses) Act 1899 and repeal of Exeter Electric Lighting Order 1891.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order and the undertaking authorised by the principal Order as extended by section 11 of the Exeter Corporation Act 1900 and the Undertakers in respect thereof shall be subject to those provisions as if those provisions were substituted by this Order for the corresponding provisions of that Order and so much of that Order as is inconsistent with those provisions is hereby repealed without prejudice to anything done or suffered thereunder.

Area of supply.

3. There shall be added to the area of supply for the purposes of the principal Order as extended by the Exeter Corporation Act 1900 and as amended by this Order the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

4. So long as the mayor aldermen and citizens of the city of Exeter are the Undertakers for the purposes of the principal Order as amended by this Order sections 23 and 65 of the schedule to the Electric Lighting (Clauses) Act 1899 shall apply as if the Undertakers under the principal Order as amended by this Order were the local authority for the purposes of that Act within so much of the area of supply under the principal Order as so amended as consists of the urban district of Heavitree but save as aforesaid those Undertakers are not the local authority as respects that part of that area.

A.D. 1906.

Exeter.

Undertakers.

5. Subject to the provisions incorporated with this Order there shall be added to the list of streets and tramways mentioned in the Third Schedule to the principal Order (being streets not repairable by the local authority and tramways which the Undertakers are specially authorised to break up) the streets and tramways which are mentioned in the Second Schedule to this Order.

Power to break  
up streets and  
tramways.

6.—(1) The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Compulsory  
works.

(2) This provision shall be in addition to and not in substitution for the obligations of the Undertakers under the principal Act and the principal Order with respect to the streets mentioned in the Second Schedule to that Order.

7.—(1) The Heavitree Urban District Council may within six months after the expiration of twenty-one years after the commencement of this Order or within six months after the expiration of every subsequent period of ten years by notice in writing require the Undertakers to sell and thereupon the Undertakers shall sell to them so much of the undertaking as is within the urban district of Heavitree upon the like terms as in the case of a purchase under section 2 of the Electric Lighting Act 1888 and the provisions of that section shall apply in the case of any such purchase as they apply in the case of a purchase under the provisions of that section Provided that in determining the value of the portion of the undertaking purchased regard shall not be had to any loss occasioned by severance.

Power of the  
Heavitree  
Urban District  
Council to  
purchase the  
part of the  
undertaking  
within their  
district.

(2) The special power to purchase given by this section shall be in addition to and not in substitution for the power of the Heavitree Urban District Council to purchase under section 2 of the Electric Lighting Act 1888.]

8. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Commence-  
ment of Order.

A.D. 1903.

*Exeter.*

## SCHEDULES.

## FIRST SCHEDULE.

## ADDITIONAL AREA OF SUPPLY.

The urban district of Heavitree as constituted at the commencement of this Order.

*Higham Ferrers, Rushden, and Wellingborough (Rural District).*

1. This Order may be cited as the Higham Ferrers Rushden and Wellingborough (Rural District) Electric Lighting Order 1906.

Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Incorporation of Electric Lighting (Clauses) Act 1899.

[Ch. cx.] *Electric Lighting Orders Confirmation* [6 EDW. 7.]  
(No. 5) Act, 1906.

A.D. 1906.

*Higham  
Ferrers,  
Rushden, and  
Welling-  
borough (Rural  
District).*

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the County of Northampton Electric Power and Traction Company Limited being a company registered under the Companies Acts 1862 to 1900 with limited liability whose registered offices are situated at Donington House Norfolk Street Strand in the city of Westminster.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break  
up streets &c.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railways which are also mentioned in that schedule.

Compulsory  
works.

6.—(1) The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in Part I. of the Third Schedule to this Order.

(2) The Undertakers shall within a period of one year after the commencement of this Order lay down suitable and sufficient distributing mains for the purposes of general supply throughout every street or part of a street specified in Part II. of the Third Schedule to this Order and shall thereafter maintain those mains.

Maximum  
prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

As to supply  
of electricity  
where con-  
sumer has  
separate  
supply.

8. Notwithstanding anything contained in the Electric Lighting Acts 1882 and 1888 a person shall not be entitled to demand or to continue to receive from the Undertakers a supply of electrical energy to premises having a separate supply unless he has agreed to pay to the Undertakers such minimum annual sum as will give to the Undertakers a reasonable return on the capital expenditure and will cover other standing charges incurred by the Undertakers to meet the possible maximum demand for those premises. The sum to be so paid shall be determined in default of agreement by arbitration.

Deposit.

9. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds in respect of the borough of Higham Ferrers one hundred pounds in respect of the urban district of Rushden and one hundred pounds in respect of the rural district of Wellingborough.

10. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 as incorporated with this Order shall as respects so much of the area of supply as is comprised in the rural district of Wellingborough have effect as if for so much of sub-section 1 of section 24 of that Schedule as relates to the owners and occupiers who may make a requisition requiring the Undertakers to lay down distributing mains there were substituted the following provision that is to say "Any requisition requiring the Undertakers to lay down distributing mains for the purposes of general supply throughout any street or part of a street in any parish may be made by six or more owners or occupiers of premises in that parish."

A.D. 1906.  
*Higham Ferrers, Rushden, and Wellingborough (Rural District).*  
As to requisition to lay down distributing mains.

11. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Commencement of Order.

South Street Church Street North Terrace Hope Street.

## FOURTH SCHEDULE.

## MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

## SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter For any amount up to twenty units eleven shillings and eightpence and for each unit over twenty sevenpence.

## SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

A.D. 1906.

WEALDSTONE ELECTRIC LIGHTING.

*Wealdstone. Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1888 to the North Metropolitan Electrical Power Distribution Company Limited in respect of the Urban District of Wealdstone.*

Short title.

1. This Order may be cited as the Wealdstone Electric Lighting Order 1906.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the North Metropolitan Electrical Power Distribution Company Limited being a company registered under the Companies Acts 1862 to 1900 with limited liability whose registered office is situate at Evelyn House Finsbury Pavement in the county of London.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up streets.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order.

Compulsory works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Supply of electricity where consumer has separate supply.

8. Notwithstanding anything contained in the Electric Lighting Acts 1882 and 1888 a person shall not be entitled to demand or to continue to receive from the Undertakers a supply of electrical energy to premises having a separate supply unless he has agreed to pay to the Undertakers such minimum annual sum as will give to the Undertakers a reasonable return on the capital expenditure and will cover other standing charges

incurred by the Undertakers to meet the possible maximum demand for those premises The sum to be paid shall be determined in default of agreement by arbitration. A.D. 1906.  
Wealdstone.

9. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds. Deposit.

10.—(1) The local authority may on giving twelve months' notice in writing to the Undertakers terminating at the expiration of fourteen twenty-one twenty-eight or thirty-five years from the commencement of this Order require the Undertakers to sell and thereupon the Undertakers shall sell to them the undertaking authorised by this Order (including all lands works buildings materials and plant suitable to and used by the Undertakers for the purposes of the undertaking within the area of supply) upon the terms of the local authority paying to the Undertakers the amount of capital properly expended by them upon the undertaking and in addition thereto a sum equal to one-third of that capital expenditure. Purchase by  
local authority.

(2) The amount to be paid on any such purchase shall be determined in default of agreement by arbitration The Board of Trade may determine any other question which arises with reference to the purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) As from the date on which the purchase takes effect the undertaking shall vest in the local authority freed from all debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity within the area of supply under this Order or the principal Act shall cease and determine and shall vest in the local authority who shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) The power of purchase given by this section shall be in addition to and not in derogation of the power of the local authority to purchase under section 2 of the Electric Lighting Act 1888.

11. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order. Commence-  
ment of Order.

---
