

ANNO DECIMO

GEORGIIV. REGIS.

Cap. cx.

An Act for amending and otherwise improving several Roads leading into and from the City of *Bath*, and for making new Branches of Roads to and from the same. [1st *June* 1829.]

WHEREAS an Act was passed in the Fiftieth Year of the Reign of His late Majesty King *George* the Third, intituled *An Act for repealing an Act passed in the Thirty-third Year of His present Majesty, intituled 'An Act for amending, improving, and keeping in repair several Roads leading to and from the City of Bath,' and for granting other Powers for more effectually improving the several Roads therein described, being in and leading to and from the said City*: And whereas the Trustees for executing the said recited Act have proceeded to put the same into execution, and have made considerable Progress in repairing, widening, and otherwise improving the several Roads thereby directed to be repaired and improved, and have borrowed several large Sums of Money on the Credit of the Tolls thereby authorized to be taken, which Sums still remain due and owing, and cannot be paid off, nor can the said several Roads, and the Branches to and from the same, nor the new Line of Road herein-after mentioned, be effectually made, amended, widened, diverted, improved, and kept in repair, unless the Term granted by the said recited Act be further continued: And whereas some of the said Roads are narrow, very hilly, steep, and dangerous, and it would be of great public Utility if the same were diverted and

new made from a certain Road called the *Kelston* or *Upper Bristol* Road, branching on the South Side thereof from and through a Lane leading to the Limekilns near *Locksbrook* in the Parish of *Weston* in the County of *Somerset*, and thence to communicate nearly in a straight Line, through the Lands of *Thomas Leir*, *William Purlewent*, and *John Wiltshire*, Esquires, and others, with the same Road at or near the Bottom of *New Bridge Hill*, such new Line being in the said Parish of *Weston*; also from the Road called the *Lower Wells* Road, branching on the Eastward Side thereof from a Point nearly opposite the Rectory House in the Parish of *Marksbury*, in the Occupation of the Reverend *George Seymour*, and to join the same Road leading from *Marksbury* to *Farmborough* on the Westward Side of *Marksbury* Church, such new Line being in the said Parish of *Marksbury*; also from the said Road called the *Lower Wells* Road, branching on the South Side thereof, at or near to the Point where the *Timsbury* Road joins the said *Lower Wells* Road, about Nine Miles and a Half from the City of *Bath*, in a Southerly Direction into and through the Lands of Lieutenant General *Popham*, *Jacob Collins*, *Henry Tucker*, and others, and to communicate with the said *Lower Wells* Road at a Point near the Dwelling House of *Walter Gaby*, in the Parish of *High Littleton*, such new Line being in the said Parishes of *Farmborough* and *High Littleton*; also from the Road called the *Upper Wells* Road, branching on the Eastward Side thereof from or near *Dunkerton Bridge*, and passing on the South-easterly and South-westerly Sides of the present Road into and through the Lands of the Mayor, Aldermen, and Citizens of the City of *Bath*, *Elizabeth Jane Bury*, *Micah Gibbs*, *Walter Long* Esquire, and others, and to communicate with the same Road at the Distance of Three Furlongs or thereabouts above the Five Mile Stone on such Road, such new Line being in the Parish of *Wellow*; and also from the Road called the *London* Road, branching on the North-eastward Side thereof from or near to the Dwelling House of *Roger Western* Esquire, in the Parish of *Bathford*, into, through, and across an Orchard and Field belonging to *John Briscoe*, and there to communicate with the Turnpike Road leading from *Bath* to *Chippenham*, such new Line being in the said Parish of *Bathford*: And whereas, in consequence of the dangerous Steepness of the Hill called *Kingsdown Hill*, or a Part thereof, being on the said Road called the *London* Road, it would be of great public Benefit and Utility if a new Road to avoid the same were made from or near the Bridge near to the Lodge of *John Wiltshire* Esquire, in the Parish of *Box* in the said County of *Wilts*, to or near or into the Village of *Box*, and thence up the *Box Valley* to or near the Point where the *Bradford* and *Pickwick* Roads cross the Road leading from *Bath* to *Melksham*, such new Line being in the said Parish of *Box*: And whereas it would be more convenient if the said recited Act were repealed, and further, better, and more effectual Powers and Provisions granted instead thereof, as well for repairing, amending, widening, diverting, and otherwise improving the Roads comprised in the said recited Act, as also for making and maintaining the said new Line of Road and the several Branches or Diversions of Road herein-before mentioned; but the beneficial Purposes aforesaid cannot be effected without the Aid and Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted

enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That from and after the Thirtieth Day of *September* next the said recited Act shall be and the same is hereby declared to be repealed, and null and void to all Intents and Purposes whatsoever.
