- (3) Every such order as aforesaid shall provide—
 - (a) that, except in a case of emergency, no works shall be executed on any land in pursuance of the order, unless, at least fourteen days previously, the proprietor of the aerodrome to which the order relates has served in the manner prescribed by the order on the occupier of that land, and on every other person known by the proprietor to have an interest therein, a written notice containing such particulars of the nature of the proposed works, and the manner in which and the time at which it is proposed to execute them, as may be prescribed by or in accordance with the order; and
 - (b) that if, within fourteen days after service of the said notice on any person having such an interest, the proprietor of the aerodrome receives a written intimation of objection on the part of that person to the proposals contained in the notice, being an intimation which specifies the grounds of objection, then,

- (4) The ownership of anything shall not be taken to be affected by reason only that it is placed in, or affixed to, any land in pursuance of such an order as aforesaid; and (subject to the provisions of the next following subsection) so long as any such order in respect of an aerodrome is in force, no person shall, except with the consent of the proprietor of the aerodrome, wilfully interfere with any works or things which, to the knowledge of that person, are works or things executed or placed, in, on or over any land in pursuance of the order. If any person contravenes the foregoing provisions of this subsection, he shall be liable, on summary conviction, to imprisonment for a term not exceeding six months or to a fine not exceeding two hundred pounds or to both ; and every person who wilfully obstructs a person in the exercise of any of the powers conferred by such an order as aforesaid shall be liable, on summary conviction, to a fine not exceeding fifty pounds.

 - (i) by limiting the period of the insurance, or
 - (ii) by limiting the loss or damage insured against to loss or damage caused to persons or property in the United Kingdom, or
 - (iii) in the case of any aircraft, by specifying as the amount up to which the insurer undertakes to indemnify the insured against liability incurred by him by way of damages in respect of loss or damage caused on any one occasion to persons or property on land or water by, or by a person in, or an article or person falling from, that aircraft while in flight, taking off or landing, an amount not less than the total limit of liability appropriate to that aircraft, or
 - (iv) in the case of any aircraft, by specifying as the amount up to which the insurer undertakes to indemnify the insured against liability incurred by him by way of damages in respect of loss of, or damage to, property on land or water caused on any one occasion by, or by a person in, or an article or person falling from, that aircraft while in flight, taking off or landing, an amount not less than the limit of liability for property claims appropriate to that aircraft, or
 - (v) by providing that the insurer shall not be liable to pay any claim under the policy if, at the time of the happening of the event which was the cause of the loss or damage giving rise to the claim, a licence to fly was not in force in respect of the aircraft in connection with which the claim is made, or
 - (b) provides that the insurer shall not be liable to pay any claim in respect of loss or damage which is caused or contributed to by conditions of war, riot or civil commotion.
- (3) For the purposes of this paragraph, a provision in a policy which enables one party or either party to determine the insurance shall be deemed to be a provision restricting the insurance by limiting the period thereof, if, but only if, the provision requires the giving to the other party of at least seven clear days' notice in writing of the cancellation of the insurance.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (4) In this paragraph the expression "licence to fly" means a written authority permitting the aircraft to fly, issued in accordance with an Order in Council under section eight of this Act.
- 2 (1) If, after a certificate of insurance has been delivered in connection with a policy of insurance, a judgment in respect of any such liability as is required to be covered by a policy under Part IV of this Act (being a liability covered by the terms of the policy) is obtained against a person insured by the policy, then, notwithstanding that the insurer may be entitled to avoid or cancel, or may have avoided or cancelled, the policy, the insurer shall, subject to the provisions of this paragraph, pay to the persons entitled to the benefit of the judgment any sum payable thereunder in respect of the liability, including any amount payable in respect of costs and any amount payable by way of interest on that sum by virtue of any enactment relating to interest on judgments. In the application of this sub-paragraph to Scotland, the words " by virtue of any enactment relating to interest or judgments " shall be omitted.
- (2) No sum shall be payable by an insurer under the foregoing provisions of this paragraph—
- (a) in respect of any judgment, unless before, or within seven days after, the commencement of the proceedings in which the judgment was given, the insurer had notice of the bringing of the proceedings; or
 - (b) in respect of any judgment, so long as execution thereon is stayed pending an appeal; or
 - (c) in connection with any liability, if both—
 - (i) the policy was cancelled by mutual consent or by virtue of any provision contained therein, and the cancellation took effect before the happening of the event which was the cause of the loss or damage giving rise to the liability, and
 - (ii) a written notice of the cancellation stating the time at which it takes effect was, not less than seven clear days before the date of the happening of the said event, served by the insurer on the Minister. Any notice to be served for the purposes of this sub-paragraph on the Minister shall be deemed to be duly served if it is sent by registered post in a letter addressed to the Secretary of the Ministry of Civil Aviation, London.
- (3) No sum shall be payable by an insurer under the foregoing provisions of this paragraph, if, in an action commenced before, or within three months after, the commencement of the proceedings in which the judgment was given, he has obtained a declaration that, apart from any provision contained in the policy, he is entitled to avoid it on the ground that it was obtained by the non-disclosure of a material fact, or by a representation of fact which was false in some material particular, or, in a case where he has avoided the policy on that ground, that he was entitled so to do apart from any provision contained in the policy:

Provided that an insurer who has obtained such a declaration as aforesaid in an action shall not thereby become entitled to the benefit of this sub-paragraph as respects any judgment obtained in proceedings commenced before the commencement of that action, unless before, or within seven days after, the commencement of that action, he has given notice thereof to the person who is the plaintiff in the said proceedings, specifying the non-disclosure or false representation on which the insurer proposes to rely; and any person to whom notice

of such an action is so given shall be entitled, if he thinks fit, to be made a party to the action.

- (4) Nothing in this paragraph shall, in relation to any particular policy of insurance, require the insurer to pay any sum in excess of the amount for which, apart from this paragraph, he is liable under the policy or would be liable under the policy if it had not been cancelled or avoided; and where, by reason of two or more judgments against a person insured by the policy having been obtained in respect of loss or damage, caused on any one occasion, several claims under this paragraph are made against, or apprehended by, the insurer in relation to any aircraft, he may make application to the High Court, and thereupon the court may determine the maximum liability of the insurer in respect of the claims and also, if need be, his liability in respect of such of those claims as are for loss of or damage to property and may distribute the amount of his liability among the several claims on the following principles:—
- (a) if the claims are solely in respect of loss of life or personal injury or solely in respect of loss of, or damage to, property, the amount of the liability shall be distributed rateably;
 - (b) if there are claims both in respect of loss of life or personal injury and in respect of loss of, or damage to, property, one-half of the insurer's total maximum liability shall be appropriated, so far as necessary, to meeting claims for loss of life or personal injury and shall be distributed rateably among them, and the other half shall be distributed rateably among all the claims, including claims in respect of loss of life or personal injury if and so far as they exceed the aforesaid appropriation:
- Provided that for the purposes of this sub-paragraph so much only of a claim shall be taken into account as represents the amount of damages awarded under the judgment in respect of which the claim is made, and interest on that amount.
- (5) Where an application is made to the court under the last foregoing sub-paragraph, the court may stay any proceedings pending in any other court in relation to the same matter, and may give such directions as the court thinks proper for the joining of persons interested as parties to the proceedings, for the exclusion of claims which are not brought before the court within a certain time, and for requiring security from the insurer.
- (6) If an insurer becomes liable under this paragraph to pay, in respect of any liability of a person insured by a policy, an amount for which the insurer would not, apart from the provisions of this paragraph, be liable, he shall be entitled to recover the said amount from that person.
- (7) References in the foregoing provisions of this paragraph to a person insured by a policy shall, unless the context otherwise requires, be construed as including references to his estate, and except in Scotland the said provisions shall, in relation to a claim established against the estate of a deceased person in proceedings for the administration of that estate, have effect—
- (a) as if the final determination in those proceedings that the claim is established were a judgment obtained against the estate of the deceased in proceedings brought by the claimant as plaintiff, and
 - (b) as if the making of the claim in the administration proceedings were the commencement of the proceedings in which the judgment was given.
- (8) In this paragraph the expression " liability covered by the terms of the policy " means a liability which is covered by the policy, or which would be so covered but for the

- 3 Where a certificate of insurance has been delivered in connection with a policy of insurance, the happening, in relation to a person insured by the policy, of any such event as is mentioned in subsection (1) or subsection (2) of section one of the Third Parties (Rights against Insurers) Act, 1930, shall, notwithstanding anything in that Act, not affect any such liability of that person as is required to be covered by a policy under Part IV of this Act, but nothing in this paragraph shall affect any rights against the insurer conferred by that Act on the person to whom the liability was incurred.
- 4 (1) Any person against whom a claim is made in respect of any such liability as is required to be covered by a policy of insurance under Part IV of this Act shall, on demand by or on behalf of the person making the claim, state whether or not, at the time of the event which was the cause of the loss or damage giving rise to the claim, he, or (if the claim is made against him as representing the estate of a deceased person) the deceased, was insured in respect of that liability by any policy having effect for the purposes of Part IV of this Act, or would have been so insured if the insurer had not avoided or cancelled the policy, and, if he or the deceased, as the case may be, was or would have been so insured, give such particulars with respect to that policy as were specified in the certificate of insurance delivered in connection with the policy.
- (2) If any person fails, without reasonable excuse, to comply with this paragraph, or wilfully makes any false statement in reply to such a demand as aforesaid, he shall be liable on summary conviction to a fine not exceeding, in the case of a first offence, twenty pounds or, in the case of a second or subsequent offence, fifty pounds, or to imprisonment for a term not exceeding four months.
- 5 (1) Where a certificate of insurance has been delivered in connection with a policy of insurance, and the policy is cancelled by mutual consent or by virtue of any provision in the policy, the person to whom the certificate was delivered shall, within seven days from the taking effect of the cancellation, surrender the certificate to the insurer or, if it has been lost or destroyed, send a written notice to that effect by post to the insurer. Where a notice is sent to an insurer in pursuance of the foregoing provisions of this paragraph, the person sending the notice shall, if within seven days after the receipt thereof he is requested by the insurer so to do, make a statutory declaration to the effect that the certificate of insurance to which the notice relates has been lost or destroyed, as the case may be.
- (2) If any person fails to comply with this paragraph, he shall be liable on summary conviction to a fine not exceeding, in the case of a first offence, twenty pounds or, in the case of a second or subsequent offence, fifty pounds, or to imprisonment for a term not exceeding four months.
- (3) Any reference in this paragraph to a certificate of insurance shall, in relation to a policy in connection with which more than one such certificate is issued, be construed as a reference to all the certificates, and shall, where any copy of such a certificate has been issued, be construed as including a reference to that copy.
- 6 The foregoing provisions of this Schedule shall apply in relation to securities having effect for the purposes of Part IV of this Act, as they apply in relation to policies of insurance; and, in relation to any security having effect for the purposes of Part IV of this Act, references in the said provisions to being insured, to a certificate of insurance, to an insurer and to a person insured shall be construed respectively as

- 7 (1) No part of any sum which, for the purpose of any provision of section forty-three of this Act, has been deposited by any person with the Accountant-General of the Supreme Court shall, so long as any liabilities incurred by that person, being such liabilities as are required to be covered by a policy of insurance under Part IV of this Act, have not been discharged or otherwise provided for, be applicable in discharge of any other liabilities incurred by him.
- (2) Any rules made by the Board of Trade under section two of the Assurance Companies Act, 1909, which apply to deposits made by insurers carrying on aircraft insurance business, shall with such modifications and adaptations as may be prescribed by rules made by the Minister after consultation with the Lord Chancellor, apply to deposits made under section forty-three of this Act with the Accountant-General of the Supreme Court and the Minister, after the like consultations, may make such rules with respect to the said deposits as the Board of Trade might have made under the said section two if the Assurance Companies Act, 1946, had not passed.

ORDERS FOR THE COMPULSORY PURCHASE OF LAND IN NORTHERN IRELAND UNDER S. 19 (2)

PART I

Provisions as to the Compulsory Acquisition of Land

- 1 A compulsory purchase order shall be in the prescribed form and shall describe, by reference to a map the land to which the order applies, and shall incorporate, subject to the modifications hereinafter mentioned and any necessary adaptations,—
- (a) the Lands Clauses Acts, except section ninety-two and sections one hundred and twenty-seven to one hundred and thirty-two of the Lands Clauses Consolidation Act, 1845;
 - (b) the Acquisition of Land (Assessment of Compensation) Act, 1919; and
 - (c) sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845.
- 2 The modifications subject to which the Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, shall be incorporated in a compulsory purchase order are as follows:—
- (a) the arbitrator shall not take into account any building erected, or any improvement or alteration made, or any interest in land created, after the date on which notice of the order having been made is published in accordance with this Part of this Schedule, if in the opinion of the arbitrator, the erection of the building, or the making of the improvement or alteration, or the creation of the interest, in respect of which a claim is made was not reasonably necessary and was carried out with a view to obtaining compensation or increased compensation;
 - (b) no person shall be required to sell a part only of any house, building or manufactory, or of any land which forms part of a park or garden belonging to a house, if he is willing and able to sell the whole of the house, building, manufactory, park or garden, unless the arbitrator determines—
 - (i) in the case of a house, building or manufactory, that such part as is proposed to be taken can be taken without material detriment to the house, building or manufactory, or
 - (ii) in the case of a park or garden, that such part as aforesaid can be taken without seriously affecting the amenity or convenience of the house;
 and if he so determines, he shall award compensation in respect of any loss due to the severance of the part proposed to be taken, in addition to the value of that part, and thereupon the party interested shall be required to sell to the local authority that part of the house, building, manufactory, park or garden.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- 3 Before submitting a compulsory purchase order to the Minister, the local authority by which the order was made shall—
- (a) publish in a newspaper circulating in the district of the local authority a notice in the prescribed form stating that the order has been made and describing the area to which it applies, and naming a place where a copy of the order and of the map referred to therein may be seen at all reasonable hours, and
 - (b) serve on every owner, lessee and occupier (except tenants for a period not exceeding one month) of any land to which the order relates, a notice in the prescribed form stating the effect of the order and that it is about to be submitted to the Minister for confirmation, and specifying the time within which, and the manner in which, objections to the order may be made.
- 4 If no objection to a compulsory purchase order is duly made by any of the persons upon whom notices are required by the last foregoing paragraph to be served, or if all such objections so made are withdrawn, the Minister may, if he thinks fit, confirm the order with or without modification, but in any other case he shall, before confirming the order, cause a local inquiry to be held and consider any objection not withdrawn and the report of the person who held the inquiry, and may then confirm the order with or without modification :
- Provided that—
- (a) the Minister may require any person who made an objection to state in writing the grounds thereof, and may confirm the order without causing a local inquiry to be held, if he is satisfied that every objection duly made relates exclusively to matters which can be dealt with by the arbitrator by whom the compensation is to be assessed; and
 - (b) the order as confirmed by the Minister shall not, unless all persons interested consent, authorise the local authority to purchase any land which the order would not have authorised them to purchase if it had been confirmed without modification.
- 5 (1) Where the Minister causes a local inquiry to be held under the last foregoing paragraph, the provisions of sections two hundred and nine, two hundred and ten, two hundred and twelve and two hundred and thirteen of the Public Health (Ireland) Act, 1878, shall apply with the substitution of the Minister for the Ministry of Health and Local Government for Northern Ireland.
- (2) The costs in relation to the inquiry, not exceeding five guineas a day, shall be paid by the parties concerned in the inquiry, or by such of them and in such proportions as the Minister may direct, and the Minister may certify the amount of the costs incurred, and any sum so certified and directed by the Minister to be paid by any such party shall be a debt to the Crown from that party.
- 6 For the purposes of this Part of this Schedule a notice may be served—
- (a) by registered post or by delivery to, or at the residence of, the person to whom it is addressed; or
 - (b) if the local authority is unable, after reasonable inquiry, to ascertain the name and address of the person upon whom the notice should be served, by addressing it to him—
 - (i) by name, if his name is known, or
 - (ii) if his name is not known, by the description of " owner " or " occupier " of the premises (naming them) to which the notice relates,

and by delivering the notice to some person on the premises, or, if there is no person on the premises to whom it can be delivered, by affixing it or a copy thereof to some conspicuous part of the premises.

PART II

Restrictions on Acquisition of Land

- 2 If any person aggrieved by a compulsory purchase order desires to question the validity of the order, or of any provision contained therein, on the ground that it is not within the powers of this Act, or that any requirement of this Act or of any regulation made thereunder has not been complied with in relation to the order, he may, within six weeks after the date on which notice of the confirmation of the order is published in accordance with the last foregoing paragraph, make an application for the purpose to the High Court, and upon any such application the court—
 - (a) may by interim order suspend the operation of the order in question or of any provision contained therein, either generally or in so far as it affects any property of the applicant, until the final determination of the proceedings, and
 - (b) if satisfied that the order in question or any provision contained therein is not within the powers of this Act, or that the interests of the applicant have been substantially prejudiced by any requirement of this Act or of any
