

Licensing Act 1964

1964 CHAPTER 26

PART VII

LICENSING PLANNING AREAS

120 Variation and abolition of licensing planning areas

- (1) The Secretary of State may, on the application of the licensing planning committee for any licensing planning area, and after such consultation with other authorities as he may think desirable, by order include in the area any licensing district or part of a licensing district, whether contiguous with the existing area or not, to which there has been, or is in his opinion likely to be, a substantial transfer of population, or of industry or other activities from the existing area.
- (2) The Secretary of State may, after consultation with the licensing planning committee for any licensing planning area, by order exclude from the area any licensing district or part of a licensing district included in the existing area.
- (3) An order under either of the two preceding subsections may make such variations in the provisions of the order constituting the area as appear to the Secretary of State to be expedient in consequence of the inclusion in, or exclusion from, the existing area of any district or part of a district.
- (4) If it appears to the Secretary of State that it is no longer expedient that an area should be a licensing planning area, he may, after consultation with the licensing planning committee for the area, by order revoke the order constituting the area.
