

# Docks and Harbours Act 1966

1966 CHAPTER 28

## PART III

### HARBOURS

#### **48 Extension of the Council's power to obtain information and forecasts**

The power of the Council under section 41(1) of the 1964 Act to require a person engaged in improving, maintaining or managing a harbour to furnish information or forecasts to the Council shall extend to any such information or forecasts as may be specified in the notice, and accordingly in paragraph (a) of that section the words from " relating " to " harbour " in the third place where it occurs shall cease to have effect.
