## 1966 CHAPTER 36

### *Supplementary provisions as to the register and registration*

#### **9 Keeping, evidential effect and publication of the register**

- (1) The register shall be kept by the registrar of the College who shall be appointed by the Council.
- (2) The registrar shall perform such other duties in connection with the register as the Council may direct, and in the execution of his duties he shall act on such evidence as in each case appears sufficient.
- (3) The Council shall cause the register to be printed and published as often as they think fit.
- (4) If in any year the register is not published, the Council shall cause any alterations in the entries in that register which have been made since the last publication thereof to be printed and published within that year.
- (5) A copy of the register purporting to be printed and published by the Council shall, as altered by any alterations purporting to be printed and published by the Council, be evidence (and in Scotland sufficient evidence) that the persons specified in the register are registered therein ; and the absence of a person's name from any such copy shall be evidence (and in Scotland sufficient evidence) that he is not registered in the register.
- (6) In the case of a person whose name does not appear in any such copy of the register as altered as aforesaid, a certified copy, under the hand of the registrar, of the entry relating to that person in the register shall be evidence (and in Scotland sufficient evidence) of the entry.
- (7) The registrar shall from time to time insert in the register any alteration which may come to his knowledge in the name or address of any registered person.
- (8) The foregoing provisions of this section shall apply in relation to the supplementary veterinary register as they apply in relation to the register of veterinary surgeons.

## **10 Procedure for registration**

- (1) Any right to registration in the register or the supplementary veterinary register shall be conditional on the making of an application supported by such evidence as is required by the following subsection and, in the case of registration in the supplementary veterinary register of persons mentioned in section 8(1)(c) of this Act, on the making of the application within six months of the commencement of this Act.
- (2) A person applying to be registered in either of the said registers shall produce or send to the registrar the document conferring or evidencing his qualification for registration, together with a statement of his name and address and such other particulars, if any, as may be required for registration.

## **11 Power to make regulations, etc., with respect to the register**

- (1) The Council may make regulations with respect to the form and keeping of the register, the making of entries therein and the removal of entries therefrom and, in particular.—
  - (a) prescribing a fee to be charged on the entry of a name in the register or on the restoration of any entry to the register;
  - (b) prescribing a fee to be charged in respect of the retention in the register of the name of a person in any year subsequent to the year in which he was first registered;
  - (c) authorising the registrar, notwithstanding anything in this Act, to refuse to make in, or restore to, the register any entry until a fee prescribed by regulations under this section has been paid.
- (2) Regulations under this section may authorise the registrar to remove from the register the name of a person who, after such notices and warnings as may be prescribed by the regulations, fails to pay a fee prescribed under paragraph (b) of the foregoing subsection.
- (3) If, within such period as may be prescribed by regulations under this section, any person whose name has been removed from the register in accordance with regulations made by virtue of the last foregoing subsection pays the fee due from him, together with such additional sum (if any) as may be so prescribed, his name shall be restored to the register and, if the Council so direct, shall be deemed for all purposes not to have been removed therefrom.
- (4) Regulations under this section prescribing fees may provide for the charging of different fees in different cases and may provide that fees shall not be chargeable in prescribed cases.
- (5) The Council may give directions authorising any additional qualifications specified in the directions to be entered in the register on the application of registered veterinary surgeons by whom they are held.
- (6) The foregoing provisions of this section shall apply in relation to the supplementary veterinary register as they apply in relation to the register of veterinary surgeons; but any regulations under this section may make different provision in relation to the two registers.

## **12 Abbreviations of qualifications granted abroad**

Where a person's name is entered in the Commonwealth list or the foreign list, or an additional qualification granted in a place outside the United Kingdom is entered against a person's name in any part of the register, the registrar shall enter the qualification by virtue of which that person is registered or, as the case may be, the additional qualification, in such abbreviated form as the registrar, after consultation with the Council, may select as being convenient.

## **13 Removal of names of deceased persons and those who have ceased to practice**

- (1) The registrar shall remove from the register the name of every deceased person and, on registering the death of a registered veterinary surgeon, a registrar of births and deaths shall, without charge, send forthwith by post to the registrar a copy certified under his hand of the entry in the register of deaths relating to the death.
- (2) If a registered veterinary surgeon has ceased to practise the registrar may at his request or with his consent remove his name from the register.
- (3) The registrar may send by post to a registered veterinary surgeon a notice inquiring whether he has ceased to practise or has changed his residence and, if no answer is received to the inquiry within six months from the posting of the notice, he may remove the name of the registered veterinary surgeon from the register.
- (4) Where a person's name has been removed from the register under subsection (2) or (3) of this section, the name may be restored to the register on his application unless the original entry of his name was incorrectly or fraudulently made.
- (5) This section shall apply in relation to the supplementary veterinary register and persons registered in that register as it applies in relation to the register of veterinary surgeons and registered veterinary surgeons.

## **14 Incorrect and fraudulent entries in the register**

It shall be the duty of the Council to refer to the disciplinary committee any case in which it appears to the Council that an entry in the register of veterinary surgeons or the supplementary veterinary register has been fraudulently made and to remove from that register any other entry which has been incorrectly made.
