- (2) An owner shall not, under the foregoing subsection, be entitled to connect his drains or sewers with the sewers or works of an authority unless the intervening land is land through which the owner is entitled to construct a drain or sewer.
- (3) The owner of any premises who proposes to connect his drains or sewers with the sewers or works of a local authority, or to alter a drain or sewer connected with such sewer or works in such a manner as may interfere with them, shall give to the authority notice of his proposals, and within 28 days of the receipt by them of the notice the authority may refuse permission for the connection or alteration, or grant permission for the connection or alteration, subject to such conditions as they think fit, and any such permission may in particular specify the mode and point of connection and, where there are separate public sewers for foul water and surface water, prohibit the discharge of foul water into the sewer reserved for surface water, and prohibit the discharge of surface water into the sewer reserved for foul water.
- (4) A local authority shall forthwith intimate to the owner their decision on any proposals made by him under subsection (3) above, and, where permission is refused, or granted subject to conditions, shall inform him of the reasons for their decision and of his right of appeal under subsection (5) below.

- (5) If a person to whom a decision has been given under subsection (4) above is aggrieved by the decision or any conditions attached thereto, he may appeal to the Secretary of State who may confirm the decision and any such conditions either with or without modification or refuse to confirm it.
- (6) Where permission has been granted as mentioned in subsection (3) above or by virtue of subsection (5) above, the person to whom it was granted shall, before commencing any work in pursuance of that permission, give not less than 3 days' notice to the local authority who granted it so as to enable them to supervise the execution of the work, and shall afford them all reasonable facilities for so doing.
- (7) Where any work to be done in pursuance of a permission granted under subsection (3) above or by virtue of subsection (5) above involves the breaking open of a street, the local authority who granted the permission may undertake the work in the street and may recover the expenses reasonably incurred by them in so doing from the person for whom the work was done.
- (8) Any person who connects a drain or sewer to the sewers or works of a local authority or alters a drain or sewer without permission granted under this section, or contrary to any conditions attached thereto, shall be guilty of an offence and liable on summary conviction to a fine not exceeding £25, and the local authority may, whether or not proceedings have been taken under this subsection, close, remove or remake any such unlawful connection, and recover from the offender any expenses reasonably incurred by them in so doing.

- (1) Subject to the following subsection, the owner or occupier of any premises outwith the area of a local authority shall have the like rights with respect to connection with or drainage into the sewers or works of that authority as he would have under section 12 above if his premises were situated within their area, and the provisions of that section shall apply accordingly:

Provided that—

- (a) the owner of the premises concerned shall, at the same time as he gives notice of his proposals under subsection (3) of that section, give notice to the same effect to the authority within whose area the premises are situated; and

- (2) The foregoing subsection shall not apply where the owner of premises is required by or under any other enactment to connect his drains or sewers with the sewers or sewage treatment works of the local authority within whose area his premises are situated.

- (2) Where the owner of any premises proposes to construct sewage treatment works to serve those premises he shall give notice of his proposals to the local authority within whose area the works are to be situated.

- (4) A person to whom a direction is issued under this section shall, before commencing any work in pursuance of that direction, give not less than 3 days' notice to the local authority who issued it so as to enable them to supervise the execution of the work and shall afford them all reasonable facilities for so doing.
- (5) An authority who issue a direction under subsection (1) above shall pay to the person constructing the drain, sewer or" sewage treatment works the extra expenses reasonably incurred by him in complying with the direction and, until the drain, sewer or works become vested in the authority, they shall also from time to time pay to him so much of any expenses reasonably incurred by him in repairing, operating or maintaining the drain, sewer or works as may be attributable to their direction having been made and complied with, and, if any question arises as to the amount of any payment to be made to him under this subsection, he may refer it by summary application to the sheriff whose decision on the matter shall be final.
- (6) If any person who under this section has been directed by a local authority to construct a drain, sewer or sewage treatment works in a particular manner constructs them otherwise than in accordance with the terms of the direction, or, if the direction has been modified under subsection (3) above, of the modified direction, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £25.

- (2) If an owner or occupier is aggrieved by a notice under the foregoing subsection he may, within the time specified in the notice, refer the matter by summary application to the sheriff, who may issue such directions as he thinks fit, and whose decision on the matter shall be final.
- (3) Where an owner or occupier fails to comply with the terms of a notice under subsection (1) above, or as modified under subsection (2) above, the local authority may, after giving not less than 7 days' notice to the owner or occupier concerned, carry out the work necessary to remedy the defect, and may recover the expenses reasonably incurred by them in so doing from the person on whom the notice was served, but without prejudice to the rights and obligations, as between themselves, of the owner and occupier:
