- (1) This section has effect where a project of material development consisting exclusively of the building of a single dwelling-house is begun, and—
- (a) the developing owner acquired his assessable interest in the land comprised in the project as a gift, or as a legacy, and intends to occupy the dwelling-house as his only or main residence, or
 - (b) the developing owner intends to give his assessable interest in that land to some other person who intends to occupy the dwelling-house as his only or main residence, or
 - (c) where section 32(5)(b) or (c) of this Act applies to the developing owner (so that he is a prospective purchaser under an enforceable contract), the contract is to acquire for less than full consideration (so as to be partly by way of gift) and the developing owner intends to occupy the dwelling-house as his only or main residence,
- and the person so intending to occupy the dwelling-house is in fact the first occupier and continues in occupation for at least six months, or if earlier until his death.
- (2) No relief shall be given under subsection (1)(b) or (c) above unless the person intending to occupy the dwelling-house in fact acquires the assessable interest as a gift, or as a legacy, within twelve months, or such longer period as the Commission may allow, from the beginning of the project.

 - (b) where subsection (1)(b) or (c) above applies, at the beginning of the project,
- and for the purposes of Schedule 5 to this Act he shall be deemed to have acquired the gift or legacy at that time by way of a disposition to him which was the last relevant disposition.
- (5) In determining the market value of a gift or legacy at the time given by subsection (4) above, account shall be taken of the state of the land at that time, and of the incidents attaching to the assessable interest at that time, and of all other circumstances, including circumstances concerning planning permission, which would have been taken into account by a purchaser at that time.
- (6) If the time given by subsection (4) above falls between 30th June 1948 and 6th April 1967, Part V of Schedule 4 to this Act shall have effect in relation to the project as if paragraph 49 of that Schedule were omitted, and if that time does not fall between those dates, the acquisition which took place, or is deemed to have taken place, at that time, shall be treated for the purposes of Schedule 5 to this Act as a disposition within paragraph 3(b) of that Schedule, that is to say a duly notified disposition after 6th April 1967.
- (7) References in this section to an assessable interest in the land comprised in the project include references to an assessable interest in any part of the land, and where the gift or legacy relates only to part of that land, or in part to land not comprised in the project, this section shall apply with any necessary apportionments and computations.
- (8) Where—
- (a) part only of the developing owner's assessable interest is derived from a gift or legacy (that is to say it is a gift or legacy of a lesser or less valuable interest or one relating to part only of the land in which the assessable interest subsists), or

- (a) property acquired by way of gift includes property acquired for less than market value if the Land Commission are satisfied that the grantor intended to give a benefit by accepting less than market value,
 - (b) property acquired as a legacy includes property appropriated in or towards satisfaction of any interest or share in property devolving under a testamentary disposition or on an intestacy,
