  - (b) grant such an application subject to conditions,

the applicant may, within such period from the date on which the buildings authority notify him of their decision as may be prescribed by regulations made under section 4(8) of this Act, appeal to the Secretary of State against the refusal or, as the case may be, against any of the said conditions.
- (2) If within such period as may be prescribed by regulations made under the said section 4(8), or within such extended period as may at any time be agreed in writing between the applicant and the buildings authority, the buildings authority do not notify the applicant of their decision on the application, subsection (1) above shall apply in relation to the application as if the buildings authority had refused the application and notified the applicant of their decision on the last day of the said period.
- (3) On any appeal under this section, the Secretary of State may either—
  - (a) confirm the decision of the buildings authority, or
  - (b) substitute for that decision such other decision as seems to him proper, and for that purpose give any such direction as he might have given if the buildings authority had not had power to dispense with or relax the provision in question and the application had been made to him under section 4(1)(a) of this Act.”
- (2) Any application duly made to the Secretary of State under section 4 of the principal Act before the date on which this section comes into force, and not disposed of before that date, shall be dealt with in accordance with the provisions of the principal Act as if this Act had not been passed.
- (3) Any direction given by the Secretary of State under section 4 of the principal Act either before or, by virtue of subsection (2) above, after the date on which this section comes into force shall have effect as if it had been given under the said section 4 as substituted by subsection (1) above.

- (4) Where an application is referred to the Secretary of State under subsection (3) above he shall give notice to the buildings authority either—
- (a) that he does not propose to deal with the application, in which case it shall be considered and decided by the buildings authority in accordance with the provisions of section 6 of this Act; or

  - (c) that he proposes to consider the question whether, having regard to the need to secure the health or safety of the persons who will inhabit or frequent the building to which the application relates or the safety of the public generally, it is reasonable to impose in relation to that building requirements additional to or more onerous than those contained in the building standards regulations, in which case the application shall, subject to subsection (7) below, be considered and decided by the buildings authority as aforesaid; or
  - (d) to the effect mentioned in paragraph (b) above and also to the effect mentioned in paragraph (c) above, in which case the application shall, subject to subsections (6) and (7) below, be considered and decided by the buildings authority as aforesaid.

- (c) in the case of an application for a warrant for the change of use of a building, the question whether after the change of use the building will conform to so much of the building standards regulations, or to so much of such part of those regulations as the Secretary of State may specify as aforesaid, as will become applicable, or as will apply more onerously, to the building by reason of the change of use.
- (6) Where in pursuance of paragraph (b) or paragraph (d) of subsection (4) above, the Secretary of State gives to a buildings authority a notice to the effect mentioned in the said paragraph (b), he shall consider and determine, in relation to the application to which the notice relates the questions specified in the notice and shall intimate his determination to the buildings authority, and in considering the application the buildings authority shall treat that determination as conclusive of the said questions and shall decide the application accordingly under section 6 of this Act:

Provided that, for the purposes of such a decision, subsection (8) of the said section 6 shall have effect as if it imposed a duty on the buildings authority to refuse to grant a warrant in the circumstances mentioned in paragraph (c) of that subsection.

- (8) The Secretary of State may give directions requiring applications under section 6(5) of this Act for an extension of the period specified in a warrant for the construction of a building intended to have a limited life to be referred to him ; and where any such application is so referred to him, the Secretary of State shall—

- (b) intimate his determination to the buildings authority,
- and the buildings authority in deciding the application shall give effect to that determination.
