 - his grounds for that belief,
- each of the payments on account shall not be, and shall be deemed never to have been, required to be made.
- (4) If, at any time before the 31st January next following the year of assessment, the taxpayer makes a claim under this subsection stating—

- (3) The notice must state—
- (a) the amount which the company considers should be repaid, and
 - (b) its grounds for believing that the amount paid exceeds its probable tax liability.
- (4) If the company has appealed against an amendment of an assessment, or an assessment, relating to the tax liability in question, and the appeal has not been finally determined, it may apply to the [^{F617}tribunal] for a determination of the amount which should be repaid to the company pending determination of the liability.

[^{F618}(5) Any such application is to be subject to the relevant provisions of Part 5 of this Act (see, in particular, section 48(2)(b)).]

- (6) If the company makes an application under section 55(3) or (4) (application to postpone payment pending determination of appeal), that application may be combined with an application under subsection (4) above.

- (7) If a company makes a claim or application under this section before it has delivered a company tax return for the period in question, any deductions under [^{F619}section 61 of the Finance Act 2004] (deductions from payments to certain subcontractors) shall be disregarded in considering whether the amount paid by the company exceeds its probable tax liability.

 - (c) a trigger event has not previously occurred in relation to that qualifying transaction during the instalments period.
- (2) A trigger event occurs in relation to a qualifying transaction if the transferee ceases to be resident in an EEA state and, on so ceasing, does not become resident another EEA state.
- (3) A trigger event occurs in relation to a qualifying transaction if the company and the transferee cease to be members of the same group as one another.
- (4) A trigger event occurs in relation to a qualifying transaction within subparagraph (2) or (5) of paragraph 3 if the transferee disposes of the asset that is the subject of the transaction.
- (5) A trigger event occurs in relation to a qualifying transaction within subparagraph (3) or (4) of paragraph 3 if the transferee ceases to be a party to the loan relationship or derivative contract concerned.
- (6) On the occurrence of the trigger event an amount of the deferred tax is due.
- (7) The amount due is—
- $$(A - B) \times OT$$
- where—
- “A” is the amount of the deferred tax that is attributable to the qualifying transaction (see paragraph 7(2)),
- “B” is the amount of the deferred tax that has previously become due under paragraph 12 by reason of a partial trigger event occurring in relation to the qualifying transaction,

(c) a trigger event has not previously occurred in relation to that qualifying transaction during the instalments period.

(2) A partial trigger event occurs in relation to a qualifying transaction within sub-paragraph (2) of paragraph 3 if the transferee disposes of part (but not all) of the asset that is the subject of the transaction.

Section 21(2)(b) of TCGA 1992 (meaning of part disposal of an asset) applies for the purposes of this sub-paragraph as it applies for the purposes of that Act.

(3) A partial trigger event occurs in relation to a qualifying transaction within sub-paragraph (3) or (4) of paragraph 3 if there is a disposal by the transferee of a right or liability under the loan relationship or derivative contract concerned which amounts to a related transaction (as defined in section 304 or 596 of CTA 2009 as the case may be).

(4) A partial trigger event occurs in relation to a qualifying transaction within sub-paragraph (5) of paragraph 3 if the transferee enters into a subsequent transaction which results in a reduction in the accounting value of the intangible fixed asset that is the subject of the qualifying transaction but does not result in the intangible fixed asset ceasing to be recognised in the transferee's balance sheet.

(5) In relation to an intangible fixed asset that has no balance sheet value (or no longer has a balance sheet value) sub-paragraph (4) applies as if, immediately before the subsequent transaction, it did have a balance sheet value.

(6) On the occurrence of the partial trigger event an amount of the deferred tax is due.

(7) The amount due is the amount that is just and reasonable having regard to the amount that would have been due had a trigger event occurred in relation to the qualifying transaction instead.

(8) In this paragraph “the instalments period” and “trigger event” have the same meaning as in paragraph 11.]
