C176 Ss. 94-98 disqualified (3.5.2007) by The Local Authorities (Model Code of Conduct) Order 2007 (S.I. 2007/1159), art. 3(a)
Removal or exclusion of disability, etc.

(1) The district council, as respects a member of a parish council, the principal council, as respects a member of a community council, and the Secretary of State, as respects a member of any other local authority, may, subject to such conditions as the council or the Secretary of State may think fit to impose, remove any disability imposed by section 94 above in any case in which the number of members of the local authority disabled by that section at any one time would be so great a proportion of the whole as to impede the transaction of business, or in any other case in which it appears to the council or the Secretary of State in the interests of the inhabitants of the area that the disability should be removed.

(2) The power of a council and of the Secretary of State under subsection (1) above includes power to remove, either indefinitely or for any period, any such disability which would otherwise attach to any member (or, in the case of the power of the Secretary of State, any member or any class or description of member) by reason of such interests, and in respect of such matters, as may be specified by the council or the Secretary of State.

(3) Nothing in section 94 above precludes any person from taking part in the consideration or discussion of, or voting on, any question whether an application should be made to a council or the Secretary of State for the exercise of the powers conferred by subsections (1) and (2) above.

(4) Section 94 above does not apply to an interest in a contract, proposed contract or other matter which a member of a local authority has as a person who is liable to pay an amount in respect of any community charge or in respect of council tax or who would be so liable but for any enactment or anything provided or done under any enactment or as a ratepayer or inhabitant of the area or as an ordinary consumer of water, or to an interest in any matter relating to the terms on which the right to participate in any service, including the supply of goods, is offered to the public.

(5) For the purposes of section 94 above a member shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only of an interest of his or of any company, body or person with which he is connected as mentioned in section 95(1) above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a member in the consideration or discussion of, or in voting on, any question with respect to that contract or matter.

(6) Where a member of a local authority has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less, and if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, section 94 above shall not prohibit him from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice, however, to his duty to disclose his interest.

(7) Section 94 above shall not prohibit a director of a public transport company, or a subsidiary of such a company, who is neither—

(a) paid for acting as such; nor

(b) an employee of the public transport company or subsidiary.
from taking part in the consideration or discussion of, or from voting on any question with respect to, a local transport plan or bus strategy; and in this subsection “public transport company” and “subsidiary” have the same meanings as in Part IV of the Transport Act 1985.

(1) After a meeting of a principal council the following documents shall be open to inspection by members of the public at the offices of the council until the expiration of the period of six years beginning with the date of the meeting, namely—

(a) the minutes, or a copy of the minutes, of the meeting, excluding so much of the minutes of proceedings during which the meeting was not open to the public as discloses exempt information;

(b) where applicable, a summary under subsection (2) below;

(c) a copy of the agenda for the meeting; and

(d) a copy of so much of any report for the meeting as relates to any item during which the meeting was open to the public.

(2) Where, in consequence of the exclusion of parts of the minutes which disclose exempt information, the document open to inspection under subsection (1)(a) above does not provide members of the public with a reasonably fair and coherent record of the whole or part of the proceedings, the proper officer shall make a written summary of the proceedings or the part, as the case may be, which provides such a record without disclosing the exempt information.]
(1) Subject, in the case of section 100C(1), to subsection (2) below, if and so long as copies of the whole or part of a report for a meeting of a principal council are required by section 100B(1) or 100C(1) above to be open to inspection by members of the public—

(2) Subsection (1) above does not require a copy of any document included in the list, to be open to inspection after the expiration of the period of four years beginning with the date of the meeting.

(3) Where a copy of any of the background papers for a report is required by subsection (1) above to be open to inspection by members of the public, the copy shall be taken for the purposes of this Part to be so open if arrangements exist for its production to members of the public as soon as is reasonably practicable after the making of a request to inspect the copy.

(4) Nothing in this section—

(a) requires any document which discloses exempt information to be included in the list referred to in subsection (1) above; or

(b) without prejudice to the generality of subsection (2) of section 100A above, requires or authorises the inclusion in the list of any document which, if open to inspection by the public, would disclose confidential information in breach of the obligation of confidence, within the meaning of that subsection.

(5) For the purposes of this section the background papers for a report are those documents relating to the subject matter of the report which—

(a) disclose any facts or matters on which, in the opinion of the proper officer, the report or an important part of the report is based, and

(2) Subject to subsection (3) below, where the property is held by one of the existing authorities specified below, and is so held for the benefit of, or of the inhabitants of, or of any particular class or body of persons in, a specified area, the property shall vest in the new authority specified below, the area of which comprises the whole or the greater part of that specified area, and where the property is so held but is not held for such a benefit, it shall vest in the new authority specified below, the area of which comprises the whole or the greater part of the area of the existing authority, that is to say—

(a) where the existing authority is a county council, the new authority is the council of the new county;
(b) where the existing authority is the council of a borough or urban district in England, the new authority is the council of the parish constituted under Part V of Schedule 1 to this Act or, where there is no such parish, the council of the district;
(c) where the existing authority is the council of a borough or urban district in Wales, the new authority is the council of the community or, where there is no such council, the council of the district; and

(3) Where the property is held by an existing county council or county borough council for the purposes of a charity registered in the register established under section 4 of the Charities Act 1960 in any part of that register which is maintained by the Secretary of State by virtue of section 2 of that Act (educational charities) then—

(2) Where, by virtue of subsection (1) above, property vested in the council of an existing county becomes vested in the council of a new county which does not comprise the whole of the area of the existing county, the new county council shall transfer an apportioned part of the property to each of the other new county councils whose areas include parts of the area of the existing county.

(3) An apportionment for the purposes of subsection (2) above shall be made by agreement between the new county councils concerned, or, in default of such an agreement, shall be determined by arbitration before a single arbitrator appointed by agreement between those councils or, in default of such an agreement, appointed by the Secretary of State.

(1) The following authorities, that is to say, the councils of Welsh counties, county boroughs, districts, London boroughs, parishes and communities, the Common Council and the parish meetings of parishes having no parish council, whether separate or common, shall be burial authorities for the purposes of, and have the functions given to them by, the following provisions of this section and Schedule 26 to this Act; and—

(a) the powers conferred by the Burial Acts 1852 to 1906 to provide burial grounds shall cease to be exercisable; and
(b) any existing burial board, joint burial board or joint committee with the powers of such a board established under the Burial Act 1852 or section 53(2) of the Local Government Act 1894 or by any local statutory provision shall cease to exist.

(2) Burial authorities may provide and maintain cemeteries whether in or outside their area.

(3) The Secretary of State may by order make provision with respect to the management, regulation and control of the cemeteries of burial authorities and any such order may—

(a) impose a fine for any contravention of the order; and
(b) contain such provision amending or repealing any enactment (including any enactment in Schedule 26 to this Act) or revoking any instrument made under any enactment as appears to the Secretary of State to be necessary or proper in consequence of the order.

(4) An order under this section may only be made after consultation with associations appearing to the Secretary of State to be representative of local authorities and with other bodies appearing to him to be concerned, and any such order shall be of no effect unless approved by a resolution of each House of Parliament.

(5) A burial authority within the meaning of this section, other than a parish meeting, shall also be a burial authority for the purposes of the Cremation Acts 1902 and 1952.

(6) A burial authority may contribute towards any expenses incurred by any other person in providing or maintaining a cemetery in which the inhabitants of the authority’s area may be buried.

(7) Schedule 26 to this Act shall have effect with respect to the exercise of functions of burial authorities and the management of cemeteries and crematoria and for making amendments and modifications of the enactments relating to cemeteries and crematoria.

(8) In this section and that Schedule “cemetery” includes a burial ground or any other place for the interment of the dead (including any part of any such place set aside for the interment of a dead person’s ashes).
215 Maintenance of a closed churchyard.

(1) Subject to subsection (2) below, where outside the area subject to the Welsh Church Act 1914 a churchyard has been closed by an Order in Council, the parochial church council shall maintain it by keeping it in decent order and its walls and fences in good repair.

(2) A parochial church council which is liable under subsection (1) above to maintain a closed churchyard may—
   (a) if the churchyard is in a parish or community having a separate parish or community council, serve a written request on that council to take over the maintenance of the churchyard;
   (b) if the churchyard is in a parish not having a separate parish council, serve such a request on the chairman of the parish meeting;
   (c) if the churchyard is in a community not having a separate community council, serve such a request on the council of the county or county borough in which the community is situated; or
   (d) if the churchyard is in England elsewhere than the City and the Temples and is not in any parish, serve such a request on the council of the district or London borough in which the churchyard is situated;

and, subject to subsection (3) below, the maintenance of the churchyard shall be taken over by the authority on whom the request is served or the parish meeting, as the case may be, three months after service of the request.

(3) If, pursuant to subsection (2) above, a request is served on a parish or community council or the chairman of a parish meeting and, if that council or meeting so resolve and, before the expiration of the said three months, give written notice of the resolution to the council of the district, Welsh county or (as the case may be) county borough and to the parochial church council maintaining the churchyard, the local authority to whom the notice is given, and not the parish or community council or parish meeting, shall take over the maintenance of the churchyard at the expiration of the said three months.

(4) Where before the passing of this Act a church council established under the constitution of the Church in Wales, in purported exercise of the powers conferred by section 18 of the Burial Act 1855 (maintenance of closed churchyard payable out of rates), issued a certificate with respect to a closed churchyard to a local authority, and that authority thereupon took over the maintenance of the churchyard, the authority’s action shall be deemed to have been lawful for all purposes, and the authority for the time being responsible for the maintenance of the churchyard shall have the like duty with respect to its maintenance as a parochial church council elsewhere than the area subject to the Welsh Church Act 1914.

(5) In subsection (1) above, “the area subject to the Welsh Church Act 1914” means the area in which the Church of England was disestablished by that Act.

(2) The modifications which may be made by an Order in Council under this section shall be in addition to those made by any other provision of this Act, but shall have effect subject to any such other modification, except those made by section 179 above.

(2) This section applies to the following public bodies, that is to say, any trustees, commissioners or other persons who, for public purposes and not for their own profit, act under any enactment or instrument for the improvement of any place, or for providing or maintaining a cemetery or market in any place.

(3) Any order under this section may contain such incidental, consequential, transitional and supplementary provision as may appear to the Secretary of State to be necessary
or proper; and a statutory instrument containing an order under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

(b) to be necessary or proper in consequence of such of the provisions of any other Act passed in the same session as this Act as apply to any area or authority affected by this Act;

and nothing in any other provision of this Act shall be construed as prejudicing the generality of this subsection.

(2) An order under this section may in particular include provision—

(a) with respect to the transfer and management or custody of property (whether real or personal) and the transfer of rights and liabilities;

(b) with respect to the membership of any body so far as that membership consists of persons elected by, or appointed by or on the nomination of, any authority affected by this Act or any two or more bodies who include such an authority;

(c) for applying with or without modifications, or amending, repealing, or revoking, with or without savings, any provision of an Act passed or an instrument under an Act made before 1st April 1974 and for making savings or additional savings from the effect of any repeal made by this Act;

(d) for any of the matters specified in section 67 above;

(e) without prejudice to paragraph (d) above, for dissolving any body corporate established by any Act passed or by any instrument under an Act made before 1st April 1974;

(f) for treating anything duly done before 1st April 1974 by any authority in the exercise of functions which on and after that date become functions of some other authority as having, from that date, been duly done by that other authority and for treating any instrument made before that date, if or so far as it was made in the exercise of those functions, as continuing in force on and after that date until varied or revoked in the exercise of those functions by that other authority;

(i) for securing the continued discharge of functions in relation to the Confederation of the Cinque Ports and its courts (including so far as is necessary for that purpose, provision for the constitution of a body to replace any existing corporation), for appropriating property or providing funds for the discharge of functions as aforesaid, and otherwise for securing that anything required or authorised to be done by, to or in relation to the Confederation or any of its courts may continue to be done.

(3) Subject to subsection (5) below any of the following things done or treated by virtue of any enactment as having been done by or to or in relation to an existing local authority

any written agreement or other instrument in writing or any determination or declaration made or treated as made by such an authority,

any notice or direction given or treated as given by or to such an authority,

any application, proposal or objection made or treated as made by or to such an authority,

any condition or requirement imposed or treated as imposed by or on such an authority, or

any appeal allowed by or in favour of or against such an authority,

shall, as from 1st April 1974, be treated as having been done by, to or in relation to the new local authority by whom those functions become exercisable on and after that date by or by virtue of this Act, and any such thing shall as from that date have effect as if any reference therein to a specified existing local authority outside Greater London by whom those functions were exercisable before that date were a reference to the new local authority by whom those functions become exercisable.

(4) If there is any doubt as to the identity of a local authority to whom any particular functions are so transferred, that authority shall be taken to be such authority as may be specified in a direction given by a Minister of the Crown concerned with the discharge of those functions.

(5) Subsection (3) above is without prejudice to any express provision made by, or by any instrument made under, this Act, but has effect subject to any provision to the contrary so made and in particular may be excluded from applying, either wholly or to any specified extent, in any particular case by an order made by the Secretary of State by statutory instrument.

(6) Section 68 above shall apply for the purposes of Parts I and II, section 214(1)(b) and this Part of this Act as if any reference to an order under Part IV of this Act included a reference to any provision of Part I or II of this Act or to section 214(1)(b) of this Act or to any provision of any instrument made under Part I or II or this Part of this Act.

(7) A local authority to whom any charters or insignia of a borough abolished by Part I or II of this Act have been transferred by virtue of subsection (2)(a) above shall if practicable preserve them in the area of the borough as it existed immediately before 1st April 1974.

(8) An order under this section which extends the area for which any local statutory provision is in force shall be provisional only.

(9) Any statutory instrument containing any other order under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

263 Existing joint boards and committees and port health districts.

(1) Subject to the following provisions of this section, where an existing joint board, every constituent member of which is a local authority, was constituted by or under any enactment for exercising functions for any united district or other area (not being a port health district), then, notwithstanding the change of areas and authorities effected by Parts I and II of this Act, the board shall continue to exist on and after 1st April 1974 and to exercise for that area the same functions as before that date (to the exclusion of new local authorities).

(2) Subsection (1) above shall not apply to a joint board constituted for an area which on 1st April 1974 will be wholly within the area of a single new local authority if the board was constituted for the purpose of exercising functions which on and after that date would (apart from the existence of the board) be exercisable by that local authority, whether or not the board has additional functions which, apart from this section, would not be so exercisable; and accordingly in any such case—

(a) the functions of the board shall on 1st April 1974 become functions of that new local authority; and

(b) the joint board shall cease to exist on that date.

(3) Subject to the following provisions of this section, where a port health district was constituted by an order under Part I of the Public Health Act 1936 or an enactment replaced by that Part and an existing local authority or an existing joint board, every constituent member of which is a local authority, is the port health authority for that district, then, notwithstanding the change of areas and authorities effected by Parts I and II of this Act, the district shall continue to exist as a port health district on and after 1st April 1974 and—

(a) if on that date a single new local authority will become the riparian authority in relation to that district, then on that date that authority shall become the port health authority for that district and any existing joint board constituted for that district shall cease to exist; and
(b) if on that date two or more new local authorities will become riparian authorities in relation to that district then, if the existing port health authority is a joint board, that board shall continue to exist and to be the port health authority for that district, but otherwise the new local authority whose area comprises or, as the case may be, abuts on the greater part of that district shall be the port health authority for that district.

(4) Any question as to which authority’s area comprises or abuts on the greater part of a port health district shall be resolved by the Secretary of State.

(5) Any existing joint committee constituted under section 91 of the 1933 Act or by or under any other enactment for the purpose of exercising functions for an area which on 1st April 1974 will lie within the areas of two or more new local authorities by whom those functions would apart from this subsection become exercisable on that date shall, notwithstanding the change of areas and authorities effected by Parts I and II of this Act, continue to exist on and after that date as if appointed under Part VI of this Act by those new authorities and shall exercise those functions for the area for which the committee exercised them before that date, without prejudice, however, to the power of those new authorities to make different arrangements for the discharge of those functions under that Part.

(6) The continuation in existence of any area or body by this section shall not prejudice any power conferred by any enactment to amend or revoke the order constituting the area or body or the power to make provision with respect to the body conferred by section 254 above.

(7) Subsections (1) and (2) above shall not apply to any area wholly situated in Greater London or to a joint board for such an area, or to a joint planning board for a National Park, and subsections (3) and (4) above shall not apply to the Port of London.

(8) The following provisions shall have effect for the construction of references to a local statutory provision to which section 262 above applies:—

(a) any reference to an existing joint board which ceases to exist by virtue of this section, or any reference which is to be construed as such a reference, shall be construed as a reference to the local authority by whom the functions of that board will become exercisable by virtue of this section;

(b) any reference to a united district or other area the existing joint board for which ceases to exist by virtue of subsection (2) above, or any reference which is to be construed as such a reference, shall be construed as a reference to so much of the area of the new local authority by whom the functions formerly exercisable by the existing joint board become exercisable on 1st April 1974 as comprises the united district or other area for which the board acted; and

(c) any reference to an existing local authority whose functions as port health authority become exercisable on 1st April 1974 by virtue of subsection (3) above by a new local authority, or any reference which is to be construed as such a reference, shall be construed as a reference to that new local authority.

(9) The foregoing provisions of this section shall have effect subject to any provision to the contrary made by, or by any instrument made under, this Act and shall be without prejudice to any express provision so made.
