**Inspection of minutes and other documents after meetings.**

(1) After a meeting of a principal council the following documents shall be open to inspection by members of the public at the offices of the council until the expiration of the period of six years beginning with the date of the meeting, namely—

(2) Where, in consequence of the exclusion of parts of the minutes which disclose exempt information, the document open to inspection under subsection (1)(a) above does not provide members of the public with a reasonably fair and coherent record of the whole or part of the proceedings, the proper officer shall make a written summary of the proceedings or the part, as the case may be, which provides such a record without disclosing the exempt information.
100D Inspection of background papers.

Subject, in the case of section 100C(1), to subsection (2) below, if and so long as copies of the whole or part of a report for a meeting of a principal council are required by section 100B(1) or 100C(1) above to be open to inspection by members of the public—

(5) For the purposes of this section the background papers for a report are those documents relating to the subject matter of the report which—

(a) disclose any facts or matters on which, in the opinion of the proper officer, the report or an important part of the report is based, and

251 Consequential and minor modifications and amendments.

(1) Part I of Schedule 29 to this Act shall have effect for the purpose of making general adaptations of enactments, being adaptations which are consequential on the foregoing provisions of this Act.

(2) The enactments specified in Part II of that Schedule shall have effect subject to the modifications and amendments set out in that Part, being modifications and amendments which are consequential on the foregoing provisions of this Act and minor amendments.

252 General power to adapt Acts and instruments.

(1) Her Majesty may at any time, in any case where it appears to Her appropriate in consequence of the provisions of this Act, by Order in Council coming into force not earlier than 1st April 1974 make modifications of any enactments contained in any other public general Act passed before that date or any instrument made before that date under any such Act, being an instrument of a legislative character and not being an instrument in the nature of a local enactment, as may appear to Her to be necessary to make that enactment or instrument apply in relation to any particular class of new authority as it applies in relation to any particular class of local authority existing immediately before that date.

(2) The modifications which may be made by an Order in Council under this section shall be in addition to those made by any other provision of this Act, but shall have effect subject to any such other modification, except those made by section 179 above.

(3) No Order in Council shall be made under this section unless a draft of the Order has been laid before, and approved by a resolution of, each House of Parliament.

253 Transfer of powers of certain public bodies.

(1) Any functions of any such public body as is specified in subsection (2) below may with their approval be transferred by an order made by the Secretary of State to any local authority whose area comprises the district of that body, or jointly to two or more local authorities whose areas together comprise that district.

(2) This section applies to the following public bodies, that is to say, any trustees, commissioners or other persons who, for public purposes and not for their own profit,
act under any enactment or instrument for the improvement of any place, or for providing or maintaining a cemetery or market in any place.

(3) Any order under this section may contain such incidental, consequential, transitional and supplementary provision as may appear to the Secretary of State to be necessary or proper; and a statutory instrument containing an order under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

(4) In this section “local authority” includes the Common Council.

254 Consequential and supplementary provision.

(1) The Secretary of State or any appropriate Minister may at any time by order make such incidental, consequential, transitional or supplementary provision as may appear to him—

(a) to be necessary or proper for the general or any particular purposes of this Act or in consequence of any of the provisions thereof or for giving full effect thereto; or

(b) to be necessary or proper in consequence of such of the provisions of any other Act passed in the same session as this Act as apply to any area or authority affected by this Act;

and nothing in any other provision of this Act shall be construed as prejudicing the generality of this subsection.

(2) An order under this section may in particular include provision—

(a) with respect to the transfer and management or custody of property (whether real or personal) and the transfer of rights and liabilities;

(b) with respect to the membership of any body so far as that membership consists of persons elected by, or appointed by or on the nomination of, any authority affected by this Act or any two or more bodies who include such an authority;

(c) for applying with or without modifications, or amending, repealing, or revoking, with or without savings, any provision of an Act passed or an instrument under an Act made before 1st April 1974 and for making savings or additional savings from the effect of any repeal made by this Act;

(d) for any of the matters specified in section 67 above;

(e) without prejudice to paragraph (d) above, for dissolving any body corporate established by any Act passed or by any instrument under an Act made before 1st April 1974;

(f) .....................................................

(g) .....................................................

(h) for treating anything duly done before 1st April 1974 by any authority in the exercise of functions which on and after that date become functions of some other authority as having, from that date, been duly done by that other authority and for treating any instrument made before that date, if or so far as it was made in the exercise of those functions, as continuing in force on and after that date until varied or revoked in the exercise of those functions by that other authority;

(i) for securing the continued discharge of functions in relation to the Confederation of the Cinque Ports and its courts (including so far as is necessary for that purpose, provision for the constitution of a body to replace any existing corporation), for appropriating property or providing funds for the discharge of functions as aforesaid, and otherwise for securing
that anything required or authorised to be done by, to or in relation to the Confederation or any of its courts may continue to be done.

(3) Subject to subsection (5) below any of the following things done or treated by virtue of any enactment as having been done by or to or in relation to an existing local authority outside Greater London in connection with the discharge of any of their functions, that is to say—

any written agreement or other instrument in writing or any determination or declaration made or treated as made by such an authority,

any notice or direction given or treated as given by or to such an authority,

any licence, permission, consent, approval, exemption, dispensation or relaxation granted or treated as granted by or to such an authority,

any application, proposal or objection made or treated as made by or to such an authority,

any condition or requirement imposed or treated as imposed by or on such an authority, or

any appeal allowed by or in favour of or against such an authority,

shall, as from 1st April 1974, be treated as having been done by, to or in relation to the new local authority by whom those functions become exercisable on and after that date by or by virtue of this Act, and any such thing shall as from that date have effect as if any reference therein to a specified existing local authority outside Greater London by whom those functions were exercisable before that date were a reference to the new local authority by whom those functions become exercisable.

(4) If there is any doubt as to the identity of a local authority to whom any particular functions are so transferred, that authority shall be taken to be such authority as may be specified in a direction given by a Minister of the Crown concerned with the discharge of those functions.

(5) Subsection (3) above is without prejudice to any express provision made by, or by any instrument made under, this Act, but has effect subject to any provision to the contrary so made and in particular may be excluded from applying, either wholly or to any specified extent, in any particular case by an order made by the Secretary of State by statutory instrument.

(6) Section 68 above shall apply for the purposes of Parts I and II, section 214(1)(b) and this Part of this Act as if any reference to an order under Part IV of this Act included a reference to any provision of Part I or II of this Act or to section 214(1)(b) of this Act or to any provision of any instrument made under Part I or II or this Part of this Act.

(7) A local authority to whom any charters or insignia of a borough abolished by Part I or II of this Act have been transferred by virtue of subsection (2)(a) above shall if practicable preserve them in the area of the borough as it existed immediately before 1st April 1974.

(8) An order under this section which extends the area for which any local statutory provision is in force shall be provisional only.

(9) Any statutory instrument containing any other order under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.
Transfer of officers.

(1) Any of the following instruments under any of the provisions of this Act, that is to say an order under section 9, 10, 11, [F959 S. 27B, 27D, 27F, 27H, 27J or 27L], regulations or an order under section 67 or an order under section 198, 200, 201 or 254 may contain provisions as to the transfer of any person who is, on such date as may be specified in relation to him in the order or by or under the regulations, the holder of any office or employment and who is affected by any provision of, or of any instrument made under, this Act and shall contain provision for the protection of the interests of such persons.

(2) In the case of any person who on 31st March 1974 is in the employment of one or more local authorities who are or include a council or municipal corporation which ceases to exist by virtue of section 1 or 20 above, the Secretary of State shall by order make such provision as is necessary to ensure that, to the extent, if any, to which, by reason only of the said section 1 or 20, that person would apart from the order cease on 1st April 1974 to be in such employment, that person is transferred on 1st April 1974 to the employment of such local authority as may be specified in or determined under the order.

(3) Any such order or regulations as is or are referred to in subsection (1) or (2) above shall include such provision with respect to any person who is transferred by or under the order or regulations from the employment of one authority to that of another so as to secure that—

(a) so long as he continues in the employment of that other authority by virtue of the transfer and until he is served with a statement in writing referring to the order or regulations and specifying new terms and conditions of employment, he enjoys terms and conditions of employment not less favourable than those which he enjoyed immediately before the date of transfer; and

(b) the said new terms and conditions are such that—

(i) so long as he is engaged in duties reasonably comparable to those in which he was engaged immediately before the date of transfer, the scale of his salary or remuneration, and

(ii) the other terms and conditions of his employment, are not less favourable than those which he enjoyed immediately before the date of transfer.
(4) Subsections (2) and (3) above shall apply in relation to—

(a) a police authority,

(b) a burial board, joint burial board or joint committee which ceases to exist by virtue of section 214 above,

(c) any prescribed association of local authorities the constituent members of which include councils falling within subsection (2) above, and

(d) any prescribed association of committees of local authorities the constituent members of which include committees of councils falling within subsection (2) above,

as they apply in relation to a local authority who are a council which ceases to exist by virtue of section 1 or 20 above, but in their application to police authorities shall have effect as if any reference to a person in the employment of an authority were a reference to the civilian employees of a police authority.

(5) A statutory instrument containing an order under subsection (2) above shall be subject to annulment in pursuance of a resolution of either House of Parliament.

256  Continuity of employment in cases of voluntary transfer.

(1) This section applies to a person if—

(a) at some time before 1st April 1974, or on that date but otherwise than by virtue of provision made by an order under section 255 above, he enters the employment of a new local authority (in this section referred to as “his new employment”), and

(b) had he continued until 1st April 1974 in the employment (in this section referred to as “his previous employment”) which he last held before he entered his new employment or (if he did so continue) had he then ceased to be in that employment by reason only of section 1 or 20 above, provision would have been made by an order under section 255(2) above for his transfer on that date to the employment of a specified local authority.

(2) Where this section applies to a person, then for the purposes of section 28 of the Industrial Relations Act 1971 (qualifying period for protection from unfair dismissal) and section 1 of the Contracts of Employment Act 1972 (minimum periods of notice)—

(a) the period of employment in his previous employment shall count as a period of employment in his new employment, and

(b) the change of employment shall not break the continuity of the period of employment.

(2) Subsection (1) above shall not apply to a joint board constituted for an area which on 1st April 1974 will be wholly within the area of a single new local authority if the board was constituted for the purpose of exercising functions which on and after that date would (apart from the existence of the board) be exercisable by that local authority, whether or not the board has additional functions which, apart from this section, would not be so exercisable; and accordingly in any such case—

This paragraph applies to the consideration by the Secretary of State or the Welsh Commission of the electoral arrangements for elections of councillors for principal areas in Wales.

(2) Subject to any direction under sub-paragraph (3) below, the Welsh Commission shall, when considering the arrangements for elections of councillors for any principal area in Wales, provide for there to be a single member for each electoral division.

(3) The Secretary of State may give a direction to the Welsh Commission requiring it to consider the desirability of providing for multi-member electoral divisions for the area to which the direction relates (which may be the whole or a specified part of a principal area in Wales).

(4) For the purposes of this paragraph, an electoral division is a multi-member division if the arrangements made for the elections of councillors provide for a specified number of councillors (greater than one) to be elected for that division.

(5) Having regard to any change in the number or distribution of the local government electors of the principal area likely to take place within the period of five years immediately following the consideration—

(a) subject to paragraph (b), the number of local government electors shall be, as nearly as may be, the same in every electoral division in the principal area;

(b) where there are one or more multi-member divisions, the ratio of the number of local government electors to the number of councillors to be elected shall be, as nearly as may be, the same in every electoral division in the principal area (including any that are not multi-member divisions);
(c) every ward of a community having a community council (whether separate or common) shall lie wholly within a single electoral division; and

FUNCTIONS WITH RESPECT TO NATIONAL PARKS AND THE COUNTRYSIDE

PART I

If immediately before the 1st April 1974 there is an existing joint planning board constituted by an order under section 1 of the Town and Country Planning Act 1971 for a National Park comprised in two or more existing counties and as from that date the Park will be comprised in two or more new counties, the Secretary of State shall make an order reconstituting the existing board for discharging the functions to which this Part of this Schedule applies and section 2 of the Town and Country Planning Act 1990 shall apply to a joint board so reconstituted and the order reconstituting it as it applies to a joint board constituted under that section and the order constituting it and shall so apply as if the area of the Park were a united district.

An order under the said section 1 constituting a new joint board for a united district consisting of the whole or part of a National Park in England and comprised in two or more new counties may confer on the board, in addition to the functions of a county planning authority under the Town and Country Planning Act 1990 and the Planning (Listed Buildings and Conservation Areas) Act 1990, any other functions to which this Part of this Schedule applies.

If immediately before 1st April 1974 there is an existing joint planning board for a National Park comprised in two or more existing counties and on that date the Park will be wholly comprised in one new county, the Secretary of State shall by order reconstitute that board as a special planning board to discharge the functions to which this Part of this Schedule applies as respects the area of the Park, and any enactment relating to joint boards constituted by an order under section 2 of the Town and Country Planning Act 1990 shall apply to a special planning board reconstituted under this Part of this Schedule and to the order reconstituting it as it applies to a joint planning board constituted under that section and to the order constituting it and shall so apply as if the area of the Park were a united district, but
with the substitution of references to the council of a new county for any references to the constituent authorities.

3A  (1) Where a National Park is wholly comprised in one planning area in Wales, the Secretary of State may by order constitute a special planning board to discharge, as respects the area of the Park, the functions to which this Part of this Schedule applies.

(2) Any enactment relating to joint planning boards constituted by an order under section 2 of the Town and Country Planning Act 1990 shall apply in relation to a special planning board constituted under this paragraph as it applies in relation to a joint planning board constituted under subsection (1B) of that section, but as if—
(a) the area of the National Park were a united district; and
(b) any reference (however expressed) to the constituent councils of the joint board (or which is to be construed as such a reference) were a reference to the council of the principal area in question.

3B  A board reconstituted under paragraph 3 above or constituted under paragraph 3A above shall be known as “a special planning board”.

4  The Secretary of State may by an order under paragraph 1, 3 or 3A above, or by an order under the said section 2 relating to a united district consisting of the whole or part of a National Park, or by an order under this paragraph, confer on a joint or special planning board for a National Park or any part of a National Park any of the additional countryside functions as respects the Park or, as the case may be, any part of it.

5  For every National Park for which there is no joint planning board or special planning board the council or councils of the planning areas in which the Park is comprised shall make arrangements for the discharge of the following functions of theirs as respects the Park by a separate committee to be known as a National Park Committee, that is to say—
(a) their functions to which this Part of this Schedule applies except those mentioned in paragraph 6 below; and
(b) their functions as local authority under the 1949 Act and the 1968 Act.

6  The functions of a council or councils excepted from the requirement imposed by paragraph 5 above are—
(a) their functions under sections 30 to 35C, 46(2) and 50(1)(4)(5) and (7) of the Town and Country Planning Act 1990;
(b) their functions under Part III and, so far as relating to planning control under Part III, Part VII of that Act with respect to the carrying out of any
operations in, on, over or under land, or any use of land, partly situated in the National Park and partly in some other area, where those functions so far as relating to any such operations or use are exercisable by the local planning authority for that other area.

7 The validity of anything done or purporting to have been done by a National Park Committee in pursuance of arrangements made by virtue of paragraph 5 above shall not be called in question in any legal proceedings, or in any proceedings under the Town and Country Planning Act 1990 which are not legal proceedings, on the ground that it ought to have been done by the authority or one of the authorities by whom the arrangements were made.

8 The National Park Committee for a Park comprised in two or more planning areas shall be appointed by the council of such of those areas as may be agreed between the councils of those counties or, in default of agreement, jointly by both or all those councils, and, where it is appointed by one of those councils, the expenses incurred by the Committee shall be defrayed by both or all those councils in such proportions as they may agree or as in default of agreement may be determined by the Secretary of State.

9 A National Park Committee may arrange with a district planning authority whose area comprises any part of the Park for the authority to discharge as respects a part of the Park within their area such of the functions exercisable by the Committee by virtue of paragraph 5 above as may be agreed between the Committee and the Countryside Commission or as in default of agreement may be determined by the Secretary of State.

10 Where a joint planning board, special planning board or National Park Committee is required to be established by being reconstituted or appointed under this Part of this Schedule for any area being or comprised in a National Park, the requirement shall be deemed to be complied with in any case approved by the Secretary of State after consultation with the Countryside Commission if the board or Committee is established for that area together with other land.

11 Not less than one third (to the nearest whole number) of the members of a joint planning board, special planning board or National Park Committee established for an area being or comprising the whole or any part of a National Park shall be persons appointed by the Secretary of State after consultation with the Countryside Commission:

Provided that if in any particular case the Secretary of State, with the agreement of the Commission, so determines, this paragraph shall have effect as if for the words “one third” there were substituted the words “one quarter”.

   (b) section 101 shall not authorise a county or metropolitan district council to make arrangements for the discharge of any functions which by virtue of paragraph 5 above are required to be discharged by a National Park Committee except in accordance with that paragraph;
   (c) section 101(4) shall not apply in relation to arrangements made by the county or metropolitan district council by virtue of paragraph 5 for the discharge of any functions by a National Park Committee.

(b) section 102(5) shall apply to a member of a National Park Committee appointed under this paragraph as being a member of a county or metropolitan district council as it applies in relation to a member of a committee appointed under that section who was at the time of his appointment a member of the appointing authority or one of the appointing authorities.

15 Every joint planning board, special planning board or National Park Committee established for a National Park shall after consultation with the Countryside Commission appoint an officer, to be known as a National Park Officer, for the purposes of the functions exercisable by them as respects the Park by virtue of section 2 of the Town and Country Planning Act 1990 or this Part of this Schedule.

16 A National Park Officer appointed by a National Park Committee shall be an officer of the council of the planning area by whom the Committee was established or, if it was established by two or more such councils, such one of them as they may agree or as, in default of agreement, may be determined by the Secretary of State.

17 A National Park Officer appointed by a joint board or special planning board or a National Park Committee shall not be employed for any purpose other than one mentioned in paragraph 15 above, except after consultation between the authority by whom he is employed and the Countryside Commission and, in the case of a National Park Officer appointed by a National Park Committee, except with the Committee’s consent.

18 Every joint planning board, special planning board or National Park Committee established for a National Park shall—

(b) review at intervals of not more than five years a National Park Plan published under this paragraph, making any amendments to it which they consider expedient, and publish a report on their review and any such amendments.

19 Every such board or committee established for a National Park shall in preparing or reviewing a National Park Plan send a copy of the proposed plan or review to the Countryside Commission and to any district planning authority whose area is wholly or partly comprised in the Park and take into consideration any observations of the Commission or any such authority thereon and shall send the Secretary of State a copy of a National Park Plan published under paragraph 18 above and of the report on any review or amendments so published.
