### TRANSITIONAL PROVISIONS

- 5 (1) The provisions of this paragraph shall apply if—
- (a) franked investment income (within the meaning of section 240 of the Taxes Act) forms part of the distributable profits of a close company for an accounting period which ends on or after 6th October 1971 and before 6th April 1973 (in this paragraph referred to as " the relevant accounting period ");
  - (b) the total of the distributions of the company for the relevant accounting period determined as at the beginning of 6th April 1973 falls short of the required standard, as determined under section 290 of the Taxes Act; and
  - (c) on or after 6th April 1973 a dividend is paid which falls to be included in the distributions of the company for the relevant accounting period.
- (2) Subject to sub-paragraph (4) below, for the purpose of determining in a case where this paragraph applies whether there is a shortfall in the company's distributions for the relevant accounting period, the company's distributable investment income for that period, as determined under section 291(3) of the Taxes Act, shall be reduced by a sum equal to whichever is the less of—
- (a) 30 per cent, of the amount by which the franked investment income included in that distributable investment income exceeds the total of the company's distributions referred to in sub-paragraph (1)(b) above ; and
  - (b)  $\frac{3}{7}$  ths of the total of the dividends paid on or after 6th April 1973 which fall within sub-paragraph (1)(c) above.
- (3) For the purpose of sub-paragraph (2) above, the franked investment income included in a company's distributable investment income for the relevant accounting period means the amount of the franked investment income which, by virtue of subsection (2)(a) of section 291 of the Taxes Act, is included in the company's distributable profits for that period, less—
- (a) the amount which, by virtue of paragraph (a) or paragraph (b) of subsection (3) of that section, is deducted from the distributable income of the company for the relevant accounting period in determining its distributable investment income, and

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) If, in a case where this paragraph applies, the close company concerned is neither a trading company nor a member of a trading group and the required standard for the relevant accounting period, as determined under section 290 of the Taxes Act, is equal to so much of the company's distributable income for the relevant accounting period as is not attributable to estate or trading income, sub-paragraphs (2) and (3) above shall have effect as if—
    - (a) for any reference to the company's distributable investment income there were substituted a reference to the required standard;
    - (b) for the reference in sub-paragraph (2) to section 291(3) of the Taxes Act there were substituted a reference to section 290 of that Act; and
    - (c) in sub-paragraph (3) the word " less " and paragraphs (a) and (b) were omitted.
  - (5) In any case where, for the purpose specified in sub-paragraph (2) above, a company's distributable investment income or the required standard itself is reduced by virtue of sub-paragraphs (2) to (4) above, the reduction shall have effect also for the purposes of the other provisions of Chapter III of Part XI of the Taxes Act relating to shortfalls in the distributions of a close company other than section 298(2) of that Act (power of Board, if they see fit, to make a surtax apportionment of the whole of a non-trading company's income up to the amount of the required standard).
  - (6) Expressions used in this paragraph have the same meanings as in the provisions of Chapter III of Part XI of the Taxes Act relating to shortfalls in the distribution of a close company.
- 6
- (1) In any case where franked investment income received by a close company before 6th April 1973 forms part of the distributable profits of the company for an accounting period which begins before 6th April 1973 and ends after 5th April 1973 (in this paragraph referred to as a " straddling period ") the provisions of this paragraph shall apply, subject to paragraph 7 below, in determining the company's relevant income for the straddling period.
  - (2) If the whole of the company's relevant income for the straddling period falls to be apportioned by virtue of paragraph 2 of Schedule 16 to the Finance Act 1972, then for the purpose of that apportionment, but not otherwise, the company's distributable investment income for that period, as determined under Part II of that Schedule, shall be reduced by a sum equal to 30 per cent, of the amount of the franked investment income included in that distributable investment income.
  - (3) If the franked investment income falling within sub-paragraph (1) above exceeds the total of the company's distributions for the straddling period which are paid or made in such part of that period as falls before 6th April 1973, then except, in a case where sub-paragraph (2) above applies, for the purpose of the apportionment referred to in that sub-paragraph, the company's distributable investment income for that period, as determined under Part II of the said Schedule 16, shall be reduced by a sum equal to 30 per cent, of the amount by which the franked investment income included in that distributable investment income exceeds the total of those of the company's distributions for that period which are so paid or made.
  - (4) For the purposes of this paragraph the franked investment income included in a company's distributable investment income for the straddling period means the amount of the franked investment income falling within sub-paragraph (1) above which, by virtue of paragraph 10 of the said Schedule 16, forms part of the company's distributable profits for that period less—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) the amount which, by virtue of paragraph (a) or paragraph (b) of sub-paragraph (3) of the said paragraph 10, is deducted from the distributable income of the company for that period in determining its distributable investment income, and
    - (b) any amount of that franked investment income which, by virtue only of sub-paragraph (5) of the said paragraph 10 (companies carrying on insurance, banking, money lending and investment businesses etc.), is treated as estate or trading income in arriving at the company's relevant income as mentioned in that sub-paragraph.
  - (5) References in this paragraph to franked investment income (being references to such income received before 6th April 1973) shall be construed in accordance with section 240 of the Taxes Act, and other expressions used in this paragraph have the same meanings as in Schedule 16 to the Finance Act 1972.
- 7 (1) If, in a case where paragraph 6 above applies.—
- (a) the close company concerned is neither a trading company nor a member of a trading group, and
  - (b) the company's relevant income for the straddling period, as determined under paragraph 8 of Schedule 16 to the Finance Act 1972, is equal to so much of the company's distributable income for that period as is not attributable to estate or trading income,
- paragraph 6 above shall have effect subject to the following provisions of this paragraph.
- (2) Subject to sub-paragraph (3) below, where sub-paragraph (1) above applies.—
    - (a) for any reference in paragraph 6 above to the company's distributable investment income there shall be substituted a reference to its relevant income ; and
    - (b) in sub-paragraph (4) of that paragraph, the word " less " and paragraphs (a) and (b) shall be omitted.
  - (3) If, in relation to a close company, paragraph (b) of paragraph 2(2) of Schedule 23 to the Finance Act 1972 (restriction on advance corporation tax available for set-off in transitional period) has effect as set out in paragraph 5(1) of that Schedule (modifications in relation to close companies in certain cases) then, notwithstanding that paragraph 6 above applies in relation to that company subject to the modifications in sub-paragraph (2) above, in determining for the purposes of the said paragraph (b) (but not for any other purpose) the amount which is to be taken, in accordance with paragraph 9 of Schedule 16 to that Act, as the company's relevant income for the straddling period or any part of that period, sub-paragraph (2) above shall not apply.
  - (4) In this paragraph " straddling period " has the same meaning as in paragraph 6 above and sub-paragraph (5) of that paragraph shall apply in relation to this paragraph as it applies in relation to that.
- 8 If, in a case where sub-paragraph (b) of paragraph 5 of Schedule 16 to the Finance Act 1972 applies (subsequent distribution to an individual of income of a close company which has been previously apportioned to him to be deemed not to form part of his total income).—
- (a) the later accounting period referred to in that sub-paragraph is an accounting period which begins before 6th April 1973 and ends after 5th April 1973, and

(b) the distribution of apportioned income referred to in that sub-paragraph is made before 6th April 1973,

the amendments of the said paragraph 5 effected by sub-paragraphs (2) and (3) of paragraph 1 above shall not have effect but the said sub-paragraph (b) shall have effect as if for the words " total income " there were substituted the words " income for the purposes of surtax ".

9 (1) In any case where—

(a) the amount of advance corporation tax actually paid by a close company in respect of distributions made in that part of a straddling period following 5th April 1973 exceeds the amount of advance corporation tax which, by virtue of paragraph 1 of Schedule 23 to the Finance Act 1972, the company is treated as having paid for the purposes of section 85 of that Act, and

(b) the company makes a claim in that behalf,

then, for the purpose of determining the distributable income of the company for the straddling period, the amount of any profits on which corporation tax for that period falls finally to be borne (which, under paragraph 10(2) of Schedule 16 to that Act, is one of the amounts comprised in the company's distributable profits) shall be treated as reduced by an amount equal to the excess referred to in paragraph (a) above.

(2) If, in a case where paragraph 7 of Schedule 23 to the Finance Act 1972 applies in relation to a close company instead of sub-paragraphs (2) and (3) of paragraph 1 of that Schedule.—

(a) the amount of advance corporation tax actually paid by the company in respect of distributions made in an accounting period which includes the whole or any fraction of the second part of the notional straddling period exceeds the amount of advance corporation tax which, by virtue of the said paragraph 7, the company is treated for the purposes of section 85 of that Act as having paid in respect of distributions in that accounting period, and

(b) the company makes a claim in that behalf,

then, for the purpose of determining the distributable income of the company for any accounting period falling within paragraph (a) above, the amount of any profits on which corporation tax for that period falls finally to be borne (which, under paragraph 10(2) of Schedule 16 to that Act, is one of the amounts comprised in the company's distributable profits) shall be treated as reduced by an amount equal to the excess referred to in paragraph (a) above.

(3) In this paragraph " distributable income " and " distributable profits " have the meanings assigned to them by paragraph 10(2) of Schedule 16 to the Finance Act 1972 ; in sub-paragraph (1) above " straddling period " has the same meaning as in paragraph 6 above ; and in sub-paragraph (2) above " the second part of the notional straddling period " has the same meaning as in paragraph 7 of Schedule 23 to the Finance Act 1972.

- (4) Section 303(7) of the Taxes Act (definition of " loan creditor " for purposes of provisions relating to close companies) shall apply for the purposes of sub-paragraph (1)(b) above as it applies for the purposes of the Chapter specified therein, except that the proviso (which has the effect of excluding banks) shall be omitted.
- (5) In sub-paragraph (1)(b) above " normal commercial loan" means a loan of or including new consideration and—
- (a) which does not carry any right either to conversion into shares or securities of any other description or to the acquisition of additional shares or securities ; and
  - (b) which does not entitle the loan creditor to any amount by way of interest which depends to any extent on the results of the company's business or any part of it or on the value of any of the company's assets or which exceeds a reasonable commercial return on the new consideration lent; and
  - (c) in respect of which the loan creditor is entitled, on repayment, to an amount which either does not exceed the new consideration lent or is reasonably comparable with the amount generally repayable (in respect of an equal amount of new consideration) under the terms of issue of securities listed in the Official List of The Stock Exchange.
- (6) Notwithstanding anything in sub-paragraphs (1) to (5) above but subject to sub-paragraph (7) below, where—
- (a) any person has, directly or indirectly, provided new consideration for any shares or securities in the company, and
  - (b) that person, or any person connected with him, uses for the purposes of his trade assets which belong to the company and in respect of which there is made to the company any of the allowances specified in paragraphs (a) to (d) of section 31(6) of this Act (substituting, for this purpose, a reference to the company for any reference in those paragraphs to the partnership),

- (8) In this paragraph " new consideration " has the same meaning as in Part X of the Taxes Act and any question whether one person is connected with another shall be determined in accordance with section 533 of that Act.
- 2 (1) Subject to the following provisions of this Part of this Schedule, for the purposes of section 28 of this Act, the percentage to which one company is beneficially entitled of any profits available for distribution to the equity holders of another company means the percentage to which the first company would be so entitled in the relevant accounting period on a distribution in money to those equity holders of—
- (a) an amount of profits equal to the total profits of the other company which arise in that accounting period (whether or not any of those profits are in fact distributed), or
  - (b) if there are no profits of the other company in that accounting period, profits of £100,
- and in the following provisions of this Part of this Schedule, that distribution is referred to as " the profit distribution " .
- (2) For the purposes of the profit distribution, it shall be assumed that no payment is made by way of repayment of share capital or of the principal secured by any loan unless that payment is a distribution.
- (3) Subject to sub-paragraph (2) above, where an equity holder is entitled as such to a payment of any description which, apart from this sub-paragraph, would not be treated as a distribution, it shall nevertheless be treated as an amount to which he is entitled on the profit distribution.

- (a) the excess, if any, of the total amount of the assets of the company, as shown in the balance sheet relating to its affairs as at the end of the relevant accounting period, over the total amount of those of its liabilities as so shown which are not liabilities to equity holders as such, or
  - (b) if there is no such excess or if the company's balance sheet is prepared to a date other than the end of the relevant accounting period, £100.
- (2) In the following provisions of this Part of this Schedule, a winding-up on the basis specified in sub-paragraph (1) above is referred to as " the notional winding-up " .
- (3) If, on the notional winding-up, an equity holder would be entitled as such to an amount of assets of any description which, apart from this sub-paragraph, would not be treated as a distribution of assets, it shall nevertheless be treated, subject to sub-paragraph (4) below, as an amount to which the equity holder is entitled on the distribution of assets on the notional winding-up.
- (4) If an amount (in this sub-paragraph referred to as "the returned amount") which corresponds to the whole or any part of the new consideration provided by an equity holder of a company for any shares or securities in respect of which he is an equity holder is applied by the company, directly or indirectly, in the making of a loan to,

or in the acquisition of any shares or securities in, the equity holder or any person connected with him, then, for the purposes of this Part of this Schedule—

- (a) the total amount referred to in sub-paragraph (1)(a) above shall be taken to be reduced by a sum equal to the returned amount; and
- (b) the amount of assets to which the equity holder is beneficially entitled on the notional winding-up shall be taken to be reduced by a sum equal to the returned amount.

(5) In sub-paragraph (4) above " new consideration " has the same meaning as in Part X of the Taxes Act and any question whether one person is connected with another shall be determined in accordance with section 533 of that Act.

4 (1) This paragraph applies if any of the equity holders—

- (a) to whom the profit distribution is made, or
- (b) who is entitled to participate in the notional winding-up,

holds, as such an equity holder, any shares or securities which carry rights in respect of dividend or interest or assets on a winding-up which are wholly or partly limited by reference to a specified amount or amounts (whether the limitation takes the form of the capital by reference to which a distribution is calculated or operates by reference to an amount of profits or assets or otherwise).

(2) Where this paragraph applies, there shall be determined—

- (a) the percentage of profits to which, on the profit distribution, the first company referred to in paragraph 2(1) above would be entitled, and
- (b) the percentage of assets to which, on the notional winding up, the first company referred to in paragraph 3(1) above would be entitled,

if, to the extent that they are limited as mentioned in sub-paragraph (1) above, the rights of every equity holder falling within that sub-paragraph (including the first company concerned if it is such an equity holder) had been waived.

(3) If, on the profit distribution, the percentage of profits determined as mentioned in sub-paragraph (2)(a) above is less than the percentage of profits determined under paragraph 2(1) above without regard to that sub-paragraph, the lesser percentage shall be taken for the purposes of section 28 of this Act to be the percentage of profits to which, on the profit distribution, the first company referred to in paragraph 2(1) above would be entitled as mentioned in that paragraph.

(4) If, on the notional winding-up, the percentage of assets determined as mentioned in sub-paragraph (2)(b) above is less than the percentage of assets determined under paragraph 3(1) above without regard to that sub-paragraph, the lesser percentage shall be taken for the purposes of section 28 of this Act to be the percentage to which, on the notional winding-up, the first company referred to in paragraph 3(1) above would be entitled of any assets of the other company available for distribution to its equity holders on a winding-up.

5 (1) This paragraph applies if, at any time in the relevant accounting period, any of the equity holders—

- (a) to whom the profit distribution is made, or
- (b) who is entitled to participate in the notional winding-up,

holds, as such an equity holder, any shares or securities which carry rights in respect of dividend or interest or assets on a winding-up which are of such a nature (as, for example, if any shares will cease to carry a right to a dividend at a future time) that if the profit distribution or the notional winding-up were to take place

in a different accounting period the percentage to which, in accordance with the preceding provisions of this Part of this Schedule, that equity holder would be entitled of profits on the profit distribution or of assets on the notional winding-up would be different from the percentage determined in the relevant accounting period.

- (2) Where this paragraph applies, there shall be determined—
- (a) the percentage of profits to which, on the profit distribution, the first company referred to in paragraph 2(1) above would be entitled, and
  - (b) the percentage of assets to which, on the notional winding-up, the first company referred to in paragraph 3(1) above would be entitled,
- if the rights of the equity holders in the relevant accounting period were the same as they would be in the different accounting period referred to in sub-paragraph (1) above.
- (3) If in the relevant accounting period an equity holder holds, as such, any shares or securities in respect of which arrangements exist by virtue of which, in that or any subsequent accounting period, the equity holder's entitlement to profits on the profit distribution or to assets on the notional winding-up could be different as compared with his entitlement if effect were not given to the arrangements, then for the purposes of this paragraph—
- (a) it shall be assumed that effect would be given to those arrangements in a later accounting period, and
  - (b) those shares or securities shall be treated as though any variation in the equity holder's entitlement to profits or assets resulting from giving effect to the arrangements were the result of the operation of such rights attaching to the shares or securities as are referred to in sub-paragraph (1) above.
- (4) Sub-paragraphs (3) and (4) of paragraph 4 above shall apply for the purposes of this paragraph as they apply for the purposes of that paragraph and, accordingly, references therein to sub-paragraphs (2)(a) and (2)(b) of that paragraph shall be construed as references to sub-paragraphs (2)(a) and (2)(b) of this paragraph.
- (5) In any case where paragraph 4 above applies as well as this paragraph, paragraph 4 above shall be applied separately (in relation to the profit distribution and the notional winding-up)—
- (a) on the basis specified in sub-paragraph (2) above, and
  - (b) without regard to that sub-paragraph,
- and sub-paragraphs (3) and (4) of paragraph 4 above shall apply accordingly in relation to the percentages so determined as if for the word " lesser " there were substituted the word " lowest ".
- 6 For the purposes of section 28 of this Act and paragraphs 2 to 5 above—
- (a) the percentage to which one company is beneficially entitled of any profits available for distribution to the equity holders of another company, and
  - (b) the percentage to which one company would be beneficially entitled of any assets of another company on a winding-up,
- means the percentage to which the first company is, or would be, so entitled either directly or through another body corporate or other bodies corporate or partly directly and partly through another body corporate or other bodies corporate.
- 7 (1) In this Part of this Schedule "the relevant accounting period " means—
- (a) in a case falling within subsection (2) of section 28 of this Act, the accounting period current at the time in question ; and

---

*Status: This is the original version (as it was originally enacted).*

---

- (b) in a case falling within subsection (3) of that section, the accounting period in relation to which the share in the consortium falls to be determined.
- (2) For the purposes of this Part of this Schedule, a loan to a company shall be treated as a security, whether or not it is a secured loan, and, if it is a secured loan, regardless of the nature of the security.

(2) Where, as a result of a change in the circumstances in which an underwriting business is carried on, an underwriter's income from the business falls to be treated as investment income the change shall be disregarded for the purposes of sub-paragraph (1) above except to the extent that the special reserve fund represents payments made into it after the change; and for this purpose any amount withdrawn after the change to give effect to the requirements of paragraph 8 above shall, so far as possible and notwithstanding paragraph 12(3) above, be regarded as having been met by payments into the fund made after the change.”

## SCHEDULE 18

Section 45.

### VALUATION OF CERTAIN INVESTMENTS FOR PURPOSES OF ESTATE DUTY

#### *Interpretation*

- 1 In this Schedule—
- " the principal section " means section 45 of this Act;
  - "principal value " means principal value for the purposes of estate duty and " basic principal value ", in relation to any investments, means the value which, apart from the principal section and section 35 of the Finance Act 1968, would be the principal value of those investments ;
  - " relevant proportion ", in relation to the investments to which a claim relates, or any of them, means the proportion by which the loss on sale is reduced under subsection (4) of the principal section;
  - " sale value ", in relation to any qualifying investments, means their value for the purposes of subsection (2)(b) of the principal section; and
  - " value on death ", in relation to any qualifying investments, means their value for the purposes of subsection (2)(a) of the principal section.

#### *The appropriate person*

- 2 For the purposes of the principal section and this Schedule—
- (a) the executors of the deceased, and
  - (b) the trustees of a settlement,
- shall each be treated as a single and continuing body of persons (distinct from the persons who may from time to time be the executors or trustees).
- 3 A claim made by the appropriate person under subsection (2) of the principal section shall specify the capacity in which he makes the claim, and any reference in that section to qualifying investments which are sold by him is a reference to investments which, immediately before their sale, were held by him in the capacity in which he makes the claim.

#### *Valuation on sale and purchase*

- 4 In any case where, for the purposes of the principal section, it is necessary to determine the price at which any investments were purchased or sold or the best consideration that could reasonably have been obtained on the sale of any investments, no account shall be taken of any expenses (whether by way of commission, stamp duty or otherwise) which are incidental to the sale or purchase.
- 5 (1) Subject to sub-paragraph (2) below, for the purposes of the principal section where any investments are sold or purchased by the appropriate person the date on which they are so sold or purchased shall be taken to be the date on which he entered into a contract to sell or purchase the investments.
- (2) If the sale or purchase of any investments by the appropriate person results from the exercise (whether by him or by any other person) of an option, then, for the purposes of the principal section, the date on which the investments are sold or purchased shall be taken to be the date on which the option was granted.

*Status: This is the original version (as it was originally enacted).*

*Principal value where only part of a fund is dutiable*

- 6 (1) In any case where;—
- (a) part only of a holding of qualifying investments is treated for the purposes of estate duty as passing on a death, and
  - (b) investments comprised in that holding are sold as mentioned in paragraph (c) of subsection (1) of the principal section,
- the principal section and this Schedule shall apply as if the entirety of the holding fell within paragraph (a) of subsection (1) of that section and, if a claim is made under that section in respect of the investments referred to in paragraph (b) above, the dutiable fraction of the principal value of the investments to which the claim relates, as determined under that section, shall be the principal value of that part of those investments which is treated as passing on the death.
- (2) In sub-paragraph (1) above, " dutiable fraction " means the fraction of which the numerator is the basic principal value of the part of the holding referred to in paragraph (a) of that sub-paragraph and the denominator is the basic principal value of the entirety of that holding.

*Exchanges of qualifying investments*

- 7 (1) Subject to sub-paragraph (3) below, if, within the period specified in paragraph (c) of subsection (1) of the principal section, the appropriate person exchanges (with or without any payment by way of equality of exchange) any qualifying investments falling within paragraphs (a) and (b) of that subsection, then, regardless of the nature of the property taken in exchange, if the market value of those investments is at the date of the exchange greater than their value on death, they shall be treated for the purposes of the principal section and this Schedule as having been sold at the date of the exchange for a price equal to that market value.
- (2) For the purposes of this paragraph, the market value of any investments at any time means the value which would be the basic principal value of the investments if they formed part of the estate of a person who died at that time.
- (3) This paragraph does not apply in any case where the exchange falls within paragraph 10(1) below.

*Aggregation of capital receipts with sale price of investments*

- 8 (1) For the purposes of subsection (2)0) of the principal section if—
- (a) at any time after the death in question (whether during or after the expiry of the period specified in paragraph (c) of subsection (1) of that section) the appropriate person receives any capital payment or payments which is or are attributable to any qualifying investments falling within paragraphs (a) and (b) of that subsection, and
  - (b) those investments are sold by him as mentioned in paragraph (c) of that subsection,
- the price for which those investments were sold or, as the case may be, the best consideration referred to in subsection (2)(b) of the principal section shall be taken to be increased by an amount equal to the capital payment, or, as the case may be, the aggregate of the capital payments, referred to in paragraph (a) above.

---

*Status: This is the original version (as it was originally enacted).*

---

- (2) If the appropriate person receives or becomes entitled to receive in respect of any qualifying investments a provisional allotment of shares in or debentures of a company and he disposes of his rights, the amount of the consideration for the disposal shall be treated for the purposes of this paragraph as a capital payment attributable to those investments.
- (3) In this paragraph "capital payment", in relation to any investment, does not include the price paid on the sale of the investment but, subject to that, includes any money or money's worth which does not constitute income for the purposes of income tax.

#### *Payment of calls*

- 9 For the purposes of subsection (2)(a) of the principal section if—
  - (a) at any time after the death in question (whether during or after the expiry of the period specified in paragraph (c) of subsection (1) of that section) the appropriate person pays an amount in pursuance of a call in respect of any qualifying investments falling within paragraphs (a) and (b) of that subsection, and
  - (b) those investments are sold by him as mentioned in paragraph (c) of that subsection,the value on death of those investments shall be the aggregate of the amount so paid and the basic principal value of those investments.

#### *Effect of changes in a holding between death and sale*

- 10 (1) This paragraph applies in any case where, within the period specified in paragraph (c) of subsection (1) of the principal section, there occurs in relation to any qualifying investments falling within paragraphs (a) and (b) of that subsection (in this paragraph referred to as "the original holding") a transaction to which paragraph 4 of Schedule 7 to the Finance Act 1965 applies, that is to say.—
  - (a) a reorganisation, within the meaning of that paragraph, or reduction of the share capital of a company ; or
  - (b) the conversion of securities, within the meaning of paragraph 5 of that Schedule ; or
  - (c) the issue by a company of shares or debentures in exchange for shares in or debentures of another company in such circumstances that paragraph 6 of that Schedule applies ; or
  - (d) the issue by a company of shares or debentures under such an arrangement as is referred to in paragraph 7 of that Schedule;or any transaction relating to a unit trust scheme which corresponds to any of the transactions referred to in paragraphs (a) to (d) above and to which paragraph 4 of that Schedule applies by virtue of section 45(8) of the Finance Act 1965.
- (2) Subject to sub-paragraph (3) below, where this paragraph applies the holding of investments which, as a result of the transaction, constitutes the new holding, within the meaning of paragraph 4 of the said Schedule 7, shall be treated for the purposes of the principal section and this Schedule as being the same as the original holding; and references in the following provisions of this paragraph to the new holding shall be construed accordingly.
- (3) If, in a case where this paragraph applies, the appropriate person gives, or becomes liable to give, as part of or in connection with the transaction concerned, any

*Status: This is the original version (as it was originally enacted).*

consideration for the new holding or any part of it, then, for the purposes of sub-paragraph (5) below, the value on death of the new holding shall be treated as the aggregate of—

- (a) the value on death of the original holding, and
- (b) an amount equal to that consideration,

and in any other case the value on death of the new holding shall be taken to be the same as the value on death of the original holding.

- (4) For the purposes of sub-paragraph (3) above, there shall not be treated as consideration given for the new holding or any part of it—
- (a) any surrender, cancellation or other alteration of any of the investments comprised in the original holding or of the rights attached thereto, or
  - (b) any consideration consisting of any application, in paying up the new holding or any part of it, of assets of the company concerned or of any dividend or other distribution declared out of those assets but not made.
- (5) If, in a case where this paragraph applies, the appropriate person sells, within the period referred to in sub-paragraph (1) above, any investments comprised in the new holding, the value on death of those investments shall be determined by the formula—

$$\frac{V_s (H - S)}{(V_s + V_r)}$$

where—

$V_s$  is the sale value of the investments,

$V_r$  is the market value at the time of the sale of any investments remaining in the new holding after the sale,

$H$  is the value on death of the new holding, and

$S$  is the value on death of any investments which were originally comprised in the new holding but have been sold on a previous occasion or occasions.

- (6) Sub-paragraph (2) of paragraph 7 above shall apply for the purposes of sub-paragraph (5) above as it applies for the purposes of that paragraph.

*Effect of purchase, etc. of investments of the same description*

- 11 (1) If, at any time within the period specified in paragraph (c) of subsection (1) of the principal section, the appropriate person sells any investments which form part of a holding of investments which are all of the same description and consist of—
- (a) investments falling within paragraphs (a) and (b) of that subsection, and
  - (b) investments acquired by him, by purchase or otherwise, after the death concerned but not in circumstances in which paragraph 10 above applies,
- the investments so sold shall be apportioned for the purposes of the principal section and this Schedule between those falling within paragraph (a) and those falling within paragraph (b) above in the same proportion as, immediately before the sale, the investments comprised in the holding and falling within paragraph (a) above bore to the investments so comprised and falling within paragraph (b) above.
- (2) For the purposes of this paragraph, if the appropriate person holds investments of any description in the capacity of an executor or trustee, the investments shall not

---

*Status: This is the original version (as it was originally enacted).*

---

be treated as forming part of the same holding as investments which, though of the same description, are held by him otherwise than in that capacity.

*Attribution of principal values to specific investments*

- 12 (1) This paragraph shall have effect in determining the principal value (and, accordingly, the market value for the purposes of capital gains tax under section 26 of the Finance Act 1965) of any investment (in this paragraph referred to as a " specific investment ") which is included among the investments to which a claim relates.
- (2) Subject to the following provisions of this paragraph, the principal value of a specific investment shall be its sale value.
- (3) Subject to the following provisions of this paragraph, in a case where the calculation of the loss on sale of the investments to which a claim relates is affected by subsection (4) of the principal section—
- (a) if the value on death of a specific investment exceeds its sale price, the principal value of that investment shall be the aggregate of its sale value and an amount equal to the relevant proportion of the difference between its sale price and its value on death ; and
- (b) if the sale price of a specific investment exceeds its value on death, the principal value of the investment shall be its sale value less an amount equal to the relevant proportion of the difference between its value on death and its sale price.
- (4) For the purposes of sub-paragraphs (2) and (3) above, the sale value of a specific investment in respect of which an amount has been paid in pursuance of a call, as mentioned in paragraph 9 above, shall be reduced by the amount so paid in respect of that investment.
- (5) In a case where, by virtue of sub-paragraph (3) of paragraph 10 above, the value on death of the new holding, within the meaning of that paragraph, includes an amount equal to the consideration referred to in that sub-paragraph, the sale value of any specific investment comprised in the new holding shall be reduced, for the purposes of sub-paragraphs (2) and (3) above, by an amount which bears to that consideration the like proportion as the value on death of the specific investment sold bears to the value on death of the whole of the new holding.
- (6) In sub-paragraph (3) above " sale price", in relation to a specific investment, means the price for which the investment was sold by the appropriate person or, if it is greater, the best consideration which could reasonably have been obtained for the specific investment at the time of the sale ; and paragraph 8 above shall apply for the purposes of this sub-paragraph as it applies for the purposes of subsection (2)(b) of the principal section.

*Loss on sale not to exceed principal value*

- 13 In any case where, apart from this paragraph, the loss on sale of any investments—
- (a) in respect of which an amount has been paid in pursuance of a call, as mentioned in paragraph 9 above, or
- (b) which are sold as mentioned in paragraph 10(5) above,
- would exceed their basic principal value, their sale value shall be treated for the purposes of the principal section and paragraph 12 above as being of such an amount that the loss on sale would be equal to their basic principal value.

- (2) In paragraph 1 above "third country" means a country which is not, and does not form part of, a member State.

## PART II

### AMOUNT ON WHICH DUTY IS CHARGED

- 4 (1) Subject to the following provisions of this Part of this Schedule, in the case of the relevant document relating to a chargeable transaction falling within any of sub-paragraphs (a) to (c) of paragraph 1 above, the amount on which duty is chargeable under section 47(5) of this Act shall be the actual value of assets of any kind contributed by the members.
- (2) Sub-paragraph (1) above shall not apply in the case of a chargeable transaction falling within paragraph 1(a) above which consists of the conversion into a capital company of a corporation or body of persons which, before the conversion, is not a capital company; and in the case of the relevant document relating to any such transaction, the amount on which duty is chargeable under section 47(5) of this Act shall, subject to the following provisions of this Part of this Schedule, be the actual value of the assets of any kind belonging to the capital company immediately after the conversion, less its liabilities at that time.
- (3) If, in the case of a chargeable transaction falling within any of sub-paragraphs (a) to (c) of paragraph 1 above, the consideration provided by the capital company for the acquisition of all or any of the assets contributed as mentioned in sub-paragraph (1) above consists, in whole or in part, of the assumption by the company of any liabilities transferred to it or the discharge by the company of any liabilities, the actual value of assets contributed shall be treated for the purposes of that sub-paragraph as reduced by an amount equal to the liabilities so assumed or discharged.
- 5 In the case of the relevant document relating to a chargeable transaction falling within paragraph 1(d) above, the amount on which duty is chargeable under section 47(5) of this Act shall be the value of the share in the company's assets, less the share in the company's liabilities, which immediately before the transaction belonged to members who then had unlimited liability for the company's obligations but who, as a result of the transaction, have only a limited liability.
- 6 (1) Subject to sub-paragraph (2) and paragraphs 7 and 8 below, in the case of the relevant document relating to a chargeable transaction falling within any of sub-paragraphs (e) to (h) of paragraph 1 above, the amount on which duty is chargeable under section 47(5) of this Act shall be the actual value of the assets of any kind belonging to the capital company at the time of the transaction, less its liabilities at that time.

- (2) If the Commissioners consider it appropriate to do so, in relation to the relevant document falling within sub-paragraph (1) above, they may for the purposes of that sub-paragraph treat the actual value of the shares in the capital company belonging to the members of the company at the time of the transaction to which the relevant document relates as being the amount on which duty is chargeable as mentioned in that sub-paragraph.
- 7 (1) Notwithstanding anything in paragraph 4 above, if the amount on which, apart from this sub-paragraph, duty would be chargeable under section 47(5) of this Act in the case of the relevant document falling within that paragraph is less than—
- (a) if sub-paragraph (1) of that paragraph applies, the nominal value of the shares in the capital company allotted on the occasion of the transaction to which the relevant document relates, or
  - (b) if sub-paragraph (2) of that paragraph applies, the nominal value of the shares in the capital company belonging to the members of the company immediately after the transaction to which the relevant document relates,
- duty shall be chargeable under that section, in the case of that document, on an amount equal to that nominal value.
- (2) Notwithstanding anything in sub-paragraph (1) of paragraph 6 above, but subject to sub-paragraph (2) of that paragraph, if the amount on which, apart from this sub-paragraph, duty would be chargeable under section 47(5) of this Act in the case of the relevant document falling within the said sub-paragraph (1) is less than the nominal value of the shares in the capital company belonging to the members of the company at the time of the transaction to which the relevant document relates, duty shall be chargeable under that section, in the case of that document, on an amount equal to that nominal value.
- 8 Notwithstanding anything in the preceding provisions of this Part of this Schedule, in determining, in the case of any document, the amount on which duty is chargeable under section 47(5) of this Act, no account shall be taken, except as provided in paragraph 5 above, of—
- (a) the amount of the assets contributed to a capital company by a member whose liability for the company's obligations is unlimited; or
  - (b) the share of such a member in the company's assets.

### PART III

#### EXEMPT TRANSACTIONS

- 9 (1) Subject to the following provisions of this paragraph, a chargeable transaction falling within paragraph 1(b) above (in this paragraph referred to as "the relevant transaction") shall be an exempt transaction for the purposes of section 47 of this Act if it is shown to the satisfaction of the Commissioners that—
- (a) less than four years before the relevant transaction occurred the nominal capital of the capital company concerned was reduced by any amount (in this paragraph referred to as "the amount of the reduction") as a result of losses sustained, and
  - (b) either there has been in the interim period no chargeable transaction falling within paragraph 1(b) above in relation to the capital company concerned or the total of the increases in that company's capital which have been effected

---

*Status: This is the original version (as it was originally enacted).*

---

in the interim period by any such chargeable transaction (or transactions) is less than the amount of the reduction,

and for the purposes of paragraph (b) above "the interim period" means the period beginning with the reduction referred to in paragraph (a) above and ending immediately before the relevant transaction.

(2) If—

- (a) the relevant transaction is an exempt transaction by virtue of sub-paragraph (1) above, and
- (b) the increase in the capital of the capital company concerned which is effected by the relevant transaction, taken with the increases (if any) which have been effected in the company's capital in the interim period as mentioned in paragraph (b) of that sub-paragraph, exceeds the amount of the reduction,

stamp duty shall be chargeable under section 47(5) of this Act on the relevant document relating to the relevant transaction, but only on such proportion of the amount determined in relation to that document under Part II of this Schedule as corresponds to the proportion which that excess bears to the total of the increase in capital effected by the relevant transaction.

(3) In any case where the reduction in nominal capital referred to in paragraph (a) of sub-paragraph (1) above occurred on or before 31st July 1973, references in paragraph (b) of that sub-paragraph to a chargeable transaction falling within paragraph 1(b) above include references to a transaction which occurred before that date but which would have been such a chargeable transaction if this Schedule had been in force when the transaction occurred.

(4) If, in the case of the relevant transaction, it appears to the Commissioners that the amount of the reduction in nominal capital referred to in sub-paragraph (1)(a) above is greater than the total of the losses as a result of which the reduction occurred, sub-paragraphs (1) and (2) above shall have effect as if for references to the amount of the reduction there were substituted references to the total of those losses.

(5) For the purposes of this paragraph, the increase in a company's capital effected by a transaction falling within sub-paragraph (1)(b) above shall be—

- (a) the actual value of assets of any kind contributed, on the occasion of the transaction, by the members of the capital company to which the transaction relates, or
- (b) the nominal value of the shares in that capital company allotted on the occasion of the transaction,

whichever is the greater.

10 (1) A chargeable transaction shall be an exempt transaction for the purposes of section 47 of this Act if it is shown to the satisfaction of the Commissioners—

- (a) that, by virtue of the transaction, a capital company which is in the process of being formed or which is already in existence—
  - (i) has acquired share capital of another capital company to the extent that, after the transaction, not less than 75 per cent, of the issued share capital of that other company is beneficially owned by the first company, or
  - (ii) has acquired the whole or any part of the undertaking of another capital company, and
- (b) that the conditions specified in sub-paragraph (2) below are fulfilled in relation to the transaction ;

## SCHEDULE 20

Section 51.

### MARKET VALUE OF UNQUOTED SHARES AND SECURITIES

- 1 In this Schedule "the principal section" means section 51 of this Act.
- 2 So far as the principal section relates to a determination falling within paragraph (a) of subsection (1) thereof, the principal section applies in the case of deaths on or after 6th July 1973.
- 3 So far as the principal section relates to a determination falling within paragraph (b) of subsection (1) thereof, the principal section applies, subject to paragraph 7 below, on the disposal of any asset on or after 6th July 1973.

---

*Status: This is the original version (as it was originally enacted).*

---

- 4 Subject to paragraphs 5 and 6 below, if the market value of an asset or any part of it at the time of its acquisition is material to the computation of any chargeable gain accruing on a disposal of the asset on or after 6th July 1973 then, notwithstanding that the acquisition may have occurred before that date or that the market value at that time may have been fixed for the purposes of a contemporaneous disposal, subsection (3) of the principal section shall apply for the purposes of the determination of the market value of the asset or, as the case may be, that part of it at the time of its acquisition
- 5 (1) This paragraph applies if, in a case where the market value of an asset at the time of its acquisition is material as mentioned in paragraph 4 above.—
- (a) the acquisition took place on the occasion of a death occurring after 30th March 1971 and before 6th July 1973, and
  - (b) by virtue of section 26 of the Finance Act 1965, the principal value of the asset for the purposes of estate duty on that death would, apart from this paragraph, be taken to be the market value of the asset at the date of 'the death for the purposes of Part III of that Act.
- (2) If the principal value referred to in sub-paragraph (1)(b) above falls to be determined as mentioned in section 55 of the Finance Act 1940 or section 15 of the Finance (No. 2) Act (Northern Ireland) 1946 (certain controlling shareholdings to be valued on an assets basis), nothing in the principal section shall affect the operation of section 26 of the Finance Act 1965 for the purpose of determining the market value of the asset at the date of the death.
- (3) If sub-paragraph (2) above does not apply, section 26 of the Finance Act 1965 shall not apply as mentioned in sub-paragraph (1)(b) above and the market value of the asset on its acquisition at the date of the death shall be determined in accordance with section 44 of that Act and paragraph 4 above.
- 6 (1) In any case where—
- (a) before 6th July 1973 there has been a part disposal of an asset to which the principal section applies (in this paragraph referred to as " the earlier disposal "), and
  - (b) by virtue of any enactment, the acquisition of the asset or any part of it was deemed to be for a consideration equal to its market value, and
  - (c) on or after 6th July 1973 there is a disposal (including a part disposal) of the property which remained undisposed of immediately before that date (in this paragraph referred to as " the later disposal "),
- sub-paragraph (2) below shall apply in computing any chargeable gain accruing on the later disposal (but not so as to affect the amount of any chargeable gain accruing on the earlier disposal).
- (2) Where this sub-paragraph applies, the apportionment made by virtue of paragraph 7 of Schedule 6 to the Finance Act 1965 on the occasion of the earlier disposal shall be recalculated on the basis that subsection (3) of the principal section was in force at the time, and applied for the purposes, of the determination of—
- (a) the market value referred to in sub-paragraph (1)(b) above ; and
  - (b) the market value of the property which remained undisposed of after the earlier disposal; and
  - (c) if the consideration for the earlier disposal was, by virtue of any enactment, deemed to be equal to the market value of the property disposed of, that market value.

---

*Status: This is the original version (as it was originally enacted).*

---

- 7 In any case where—
- (a) before 6th July 1973 there has been a disposal of an asset to which the principal section applies, and
  - (b) immediately before that date the amount of any gain or loss accruing on the disposal has not been finally determined for the purposes of Part III of the Finance Act 1965, and
  - (c) the application of this paragraph would result in a smaller gain or a greater loss accruing on the disposal than if this paragraph did not apply,
- then, notwithstanding that any market value material to the determination referred to in paragraph (b) above may have been fixed for the purposes of any acquisition which was contemporaneous with the disposal, this Schedule shall have effect as if for any reference in paragraphs 3, 4 and 6 above to 6th July 1973 there were substituted a reference to the date of the disposal.
- 8 If, apart from this paragraph, section 26(3) of the Finance Act 1965, as originally enacted (market value determined for capital gains tax purposes on a death to be treated as principal value for estate duty purposes), would apply in a case where, by virtue of paragraph 4, paragraph 6 or paragraph 7 above, subsection (3) of the principal section applies for the purposes of the determination of the market value (for the purposes of tax on chargeable gains) of an asset on the date of a death occurring on or before 30th March 1971, the said section 26(3) shall not apply and the principal value of the asset for the purposes of estate duty on that death shall be determined as if that section had not been enacted.
