7 Fishing weirs.

- (1) No unauthorised fishing weir shall be used for taking or facilitating the taking of salmon or migratory trout.
- (2) Where a fishing weir extends more than halfway across any river at its lowest state of water, it shall not be used for the purpose of taking salmon or migratory trout unless it has in it a free gap or opening situated in the deepest part of the river between the points where it is intercepted by the weir, and—
 - (a) the sides of the gap are in a line with and parallel to the direction of the stream at the weir; and
 - (b) the bottom of the gap is level with the natural bed of the river above and below the gap; and
 - (c) the width of the gap in its narrowest part is not less than onetenth part of the width of the river.
- (3) A free gap need not be more than 40 feet wide and must not be less than 3 feet wide.
- (4) If any person uses a weir in contravention of this section or makes any alteration in the bed of a river in such manner as to reduce the flow of water through a free gap, he shall be guilty of an offence.
- (5) In subsection (1) above “unauthorised fishing weir” means any fishing weir which was not lawfully in use on 6th August 1861, by virtue of a grant or charter or immemorial usage.

8 Fishing mill dams.

- (1) No unauthorised fishing mill dam shall be used for taking or facilitating the taking of salmon or migratory trout.
- (2) A fishing mill dam shall not be used for the purpose of taking salmon or migratory trout unless it has attached to it a fish pass of such form and dimensions as may be approved by [^{F34}the Agency], and unless the fish pass is maintained in such a condition and has constantly running through it such a flow of water as will enable salmon and migratory trout to pass up and down the pass.
- (3) If any person—
 - (a) uses an unauthorised fishing mill dam as mentioned in subsection (1) above; or
 - (b) uses or attempts to use a dam in contravention of subsection (2) above,he shall be guilty of an offence.
- (4) If a fishing mill dam has not a fish pass attached to it as required by law, the right of using the fishing mill dam for the purpose of taking fish shall be deemed to have ceased and be for ever forfeited, and the water authority [^{F35}for the area] may remove from it any cage, crib, trap, box, cruive or other obstruction to the free passage of the fish.

9 Duty to make and maintain fish passes.

- (1) Where in any waters frequented by salmon or migratory trout—
- a new dam is constructed or an existing dam is raised or otherwise altered so as to create increased obstruction to the passage of salmon or migratory trout, or any other obstruction to the passage of salmon or migratory trout is created, increased or caused; or
 - a dam which from any cause has been destroyed or taken down to the extent of one-half of its length is rebuilt or reinstated,
- the owner or occupier for the time being of the dam or obstruction shall, if so required by notice given by the water authority^{F36}. . . and within such reasonable time as may be specified in the notice, make a fish pass for salmon or migratory trout of such form and dimensions as [^{F37}the Agency] may approve as part of the structure of, or in connection with, the dam or obstruction, and shall thereafter maintain it in an efficient state.
- (2) If any such owner or occupier fails to make such a fish pass, or to maintain such a fish pass in an efficient state, he shall be guilty of an offence.
- (3) The water authority may cause to be done any work required by this section to be done, and for that purpose may enter on the dam or obstruction or any land adjoining it, and may recover the expenses of doing the work in a summary manner from any person in default.
- (4) Nothing in this section—
- shall authorise the doing of anything that may injuriously affect any public waterworks or navigable river, canal, or inland navigation, or any dock, the supply of water to which is obtained from any navigable river, canal or inland navigation, under any Act of Parliament; or
 - shall prevent any person from removing a fish pass for the purpose of repairing or altering a dam or other obstruction, provided that the fish pass is restored to its former state of efficiency within a reasonable time; or
 - shall apply to any alteration of a dam or other obstruction, unless—
 - the alteration consists of a rebuilding or reinstatement of a dam or other obstruction destroyed or taken down to the extent of one-half of its length, or
 - the dam or obstruction as altered causes more obstruction to the passage of salmon or migratory trout than was caused by it as lawfully constructed or maintained at any previous date.

12 Penalty for injuring or obstructing fish pass or free gap.

- (1) If any person—
- wilfully alters or injures a fish pass; or
 - does any act whereby salmon or trout are obstructed or liable to be obstructed in using a fish pass or whereby a fish pass is rendered less efficient; or
 - alters a dam or the bed or banks of the river so as to render a fish pass less efficient; or
 - uses any contrivance or does any act whereby salmon or trout are in any way liable to be scared, hindered or prevented from passing through a fish pass,
- he shall be guilty of an offence, and shall also in every case pay any expenses which may be incurred in restoring the fish pass to its former state of efficiency; and any such expenses may be recovered in a summary manner.

- (2) The owner or occupier of a dam shall be deemed to have altered it if it is damaged, destroyed or allowed to fall into a state of disrepair, and if after notice is served on him by the water authority [^{F49}in whose area the dam is or was situated] he fails to repair or reconstruct it within a reasonable time so as to render the fish pass as efficient as before the damage or destruction.
- (3) If any person—
- (a) does any act for the purpose of preventing salmon or trout from passing through a fish pass, or takes, or attempts to take, any salmon or trout in its passage through a fish pass; or
 - (b) places any obstruction, uses any contrivance or does any act whereby salmon or trout may be scared, deterred or in any way prevented from freely entering and passing up and down a free gap at all periods of the year,
- he shall be guilty of an offence.
- (4) This section shall not apply to a temporary bridge or board used for crossing a free gap, and taken away immediately after the person using it has crossed.

[^{F51}14 Screens.

- (1) This section applies in any case where—
- (a) by means of any conduit or artificial channel, water is diverted from waters frequented by salmon or migratory trout; and

Status: Point in time view as at 12/01/2010.

Changes to legislation: There are currently no known outstanding effects for the Salmon and Freshwater Fisheries Act 1975. (See end of Document for details)

- (b) any of the water so diverted is used for the purposes of a water or canal undertaking or for the purposes of any mill or fish farm;
and in this section “the responsible person” means the owner of the water or canal undertaking or (as the case may be) the occupier of the mill or the owner or occupier of the fish farm.
- (2) Where this section applies, the responsible person shall, unless an exemption from the obligation is granted by the Agency, ensure (at his own cost) that there is placed and maintained at the entrance of, or within, the conduit or channel a screen which—
- (a) subject to subsection (4) below, prevents the descent of the salmon or migratory trout; and
- (b) in a case where any of the water diverted is used for the purposes of a fish farm, prevents the egress of farmed fish from the fish farm by way of the conduit or channel.
- (3) Where this section applies, the responsible person shall also, unless an exemption from the obligation is granted by the Agency, ensure (at his own cost) that there is placed and maintained across any outfall of the conduit or channel a screen which—
- (a) prevents salmon or migratory trout from entering the outfall; and
- (b) in a case where any of the water diverted is used for the purposes of a fish farm, prevents the egress of farmed fish from the fish farm by way of the outfall.
- (4) Where a screen is placed within any conduit or channel pursuant to subsection (2) above, the responsible person shall ensure that a continuous by-wash is provided immediately upstream of the screen, by means of which salmon or migratory trout may return by as direct a route as practicable to the waters from which they entered the conduit or channel (and accordingly nothing in subsection (2) or (3) above applies in relation to a by-wash provided for the purposes of this subsection).
- (5) Any screen placed, or by-wash provided, in pursuance of this section shall be so constructed and located as to ensure, so far as reasonably practicable, that salmon or migratory trout are not injured or damaged by it.
- (6) No such screen shall be so placed as to interfere with the passage of boats on any navigable canal.
- (7) Any exemption under subsection (2) or (3) above may be granted subject to conditions.
- (8) If any person who is required to do so by this section fails to ensure that a screen is placed or maintained, or that a by-wash is provided, in accordance with the provisions of this section, he shall be guilty of an offence.
- (9) In any proceedings for an offence under subsection (8) above, it shall, subject to subsection (10) below, be a defence for the person charged to prove that he took all reasonable precautions and exercised all due diligence to avoid the commission of the offence by himself or a person under his control.
- (10) If in any case the defence provided by subsection (9) above involves the allegation that the commission of the offence was due to an act or default of another person, or to reliance on information supplied by another person, the person charged shall not, without leave of the court, be entitled to rely on that defence unless—
- (a) at least seven clear days before the hearing, and
- (b) where he has previously appeared before a court in connection with the alleged offence, within one month of his first such appearance,

he has served on the prosecutor a notice in writing giving such information identifying or assisting in the identification of that other person as was then in his possession.

- (11) Any reference in subsection (10) above to appearing before a court includes a reference to being brought before a court.
- (12) The obligations imposed by subsections (2) to (6) above, except so far as relating to farmed fish, shall not be in force during such period (if any) in each year as may be prescribed by byelaw.
- (13) The obligations imposed by subsections (2) to (6) above on the occupier of a mill shall apply only where the conduit or channel was constructed on or after 18th July 1923.
- (14) Any reference in this section to ensuring that a screen is placed and maintained includes, in a case where the screen takes the form of apparatus the operation of which prevents the passage of fish of the descriptions in question, a reference to ensuring that the apparatus is kept in continuous operation.
- (15) In this section “by-wash” means a passage through which water flows.]

- (4) Nothing in this section shall—
- (a) affect the liability under this Act of any person to place and maintain a [^{F52}screen]; or
 - (b) authorise a [^{F52}screen] to be so placed or maintained during any period of the year during which under a byelaw [^{F52}screens] need not be maintained; or
 - (c) authorise any [^{F52}screen] to be placed or maintained so as to obstruct any conduit or channel used for navigation or in any way interfere with the effective working of any mill;
- and nothing in subsection (3) above shall authorise the water authority prejudicially to interfere with water rights used or enjoyed for the purposes of manufacturing or for milling purposes or for drainage or navigation.
- [^{F56}(5) In this section “open”, in relation to a screen which consists of apparatus, includes the doing of anything which interrupts, or otherwise interferes with, the operation of the apparatus.]

- (1) Any person who takes or kills, or attempts to take or kill, except with rod and line, or scares or disturbs any salmon or trout—
- (a) at any place above or below any dam or any obstruction, whether artificial or natural, which hinders or retards the passage of salmon or trout, being within 50 yards above or 100 yards below the dam or obstruction, or within such other distance from the dam or obstruction as may be prescribed by byelaw; or
 - (b) in any waters under or adjacent to any mill, or in the head race or tail race of any mill, or in any waste race or pool communicating with a mill; or
 - (c) in any artificial channel connected with any such dam or obstruction,
- shall be guilty of an offence.
- (2) Nothing in this section shall apply to any legal fishing mill dam not having a crib, box or cruive, or to any fishing box, coop, apparatus, net or mode of fishing in connection with and forming part of such a dam or obstruction for purposes of fishing.
- (3) Where a fish pass
- [^{F57}(a) approved by the Agency, or
 - (b) constructed and maintained by the Agency in accordance with section 10(1) above,]

is for the time being attached to a dam or obstruction, this section shall not be enforced in respect of the dam or obstruction until compensation has been made by the water authority to the persons entitled to fish in the waters for that right of fishery.

PART IV

FISHING LICENCES

25 Licences to fish.

[^{F62}(1) The Agency shall by means of a system of licensing regulate fishing by licensable means of fishing for—

- (a) salmon, trout, eels, lampreys, smelt and freshwater fish; and
- (b) fish of such other description as may be specified for the purposes of this section by order under section 40A below.

(1A) In this Act “ licensable means of fishing ” means any of the following—

- (a) rod and line;
- (b) an historic installation;
- (c) such other means of fishing as the appropriate national authority may by order specify.

(1B) In this Act “ historic installation ” means any of the following—

- (a) a fixed engine certified in pursuance of the Salmon Fishery Act 1865 to be a privileged fixed engine;
- (b) a fixed engine which was in use for taking salmon or migratory trout during the open season of 1861, in pursuance of an ancient right or mode of fishing as lawfully exercised during that open season, by virtue of any grant or charter or immemorial usage;
- (c) a fishing weir or fishing mill dam which was lawfully in use on 6th August 1861 by virtue of a grant or charter or immemorial usage.]

(2) Subject to the following provisions of this section, a licence granted for the purposes of this section (hereafter in this Act referred to as a “fishing licence”) shall entitle the person to whom it was granted and no others to use an instrument specified in the licence to fish for any fish [^{F63}of a description, in an area and for a period][^{F63}of such a description, in such area or areas and for such period as is] so specified.

(3) A fishing licence for the use of an instrument other than a rod and line to fish for salmon or trout shall also authorise the use of the instrument for that purpose by the duly authorised servants or agents of the person to whom it was granted, but [^{F64}not exceeding the number permitted by paragraph 13 of Schedule 2 to this Act][^{F64}subject to the provisions of paragraphs 9 to 13 of Schedule 2 to this Act].

(4) A fishing licence for the use of a rod and line shall entitle the licensee to use as ancillary to that use a ^{F65}... landing net.

26 Limitation of fishing licences.

- (1) A water authority may [^{F68}in relation to any such area or areas as are specified in the order,] by order confirmed by the Minister—
- (a) limit for a period not exceeding ten years from the coming into operation of the order the number of fishing licences to be issued in any year for fishing in [^{F69}any part of their area][^{F69}that area or those areas] for salmon or trout other than rainbow trout with any instrument so specified other than rod and line; and
 - (b) provide for the selection of the applicants to whom such licences are to be issued where the number of applications exceeds the number of licences which may be granted.
- [^{F70}(1A) The Agency may only make an order under subsection (1) above in relation to licences for fishing for fish of any description if it is satisfied that it is necessary to do so for the purposes of—
- (a) maintaining, improving or developing fisheries of any fish referred to in section 25(1) above; or

- (b) protecting the marine or aquatic environment from significant harm.
- (1B) The Agency may not make an order under subsection (1) above in relation to licences for fishing for fish by—
- (a) rod and line; or
 - (b) an historic installation.]
- (2) Where the Minister proposes to confirm an order under this section, he shall require the water authority to publish the order and notice of his intention to confirm it in such manner as he may require, together with a notification that within a period specified in the requirement written objections to the order may be made to him.
- (3) The Minister shall consider any such objections received by him within the said period, and—
- (a) if the number of licences as proposed to be limited by the order is less than the number of licences issued in any of the three years preceding the year in which the order is to come into operation; and
 - (b) any such objection is made by any person who has during each of the two years preceding that year held a licence of the same description as the licences which it is proposed so to limit in number;
- he shall cause a local inquiry to be held before confirming the order.
- (4) Subject to subsection (5) below, the Minister shall not confirm an order under this section unless he is satisfied that the terms of the order relating to the selection of applicants for licences are such as to secure that any person who during the year preceding that year held a fishing licence to use an instrument of any description and who is dependent on fishing for his livelihood will be able to obtain a fishing licence to use an instrument of that description.
- (5) If it appears to the Minister that the operation of subsection (4) above would be detrimental to the conservation of any fishery, he may direct that the subsection shall in its application to that fishery have effect with the substitution for the words “the year” of the words “the two years” or, if in his opinion special circumstances justify it, “the three years”.
- (6) The Minister may with the consent of the water authority vary an order submitted to him under this section before confirming it and may require the water authority to publish the terms of the proposed variation in such manner, if any, as he may specify in the requirement.
- (7) An order under this section may be revoked by the Minister, or by an order made by the water authority and confirmed by the Minister.
- [^{F71}(8) Any order limiting the number of licences in force in a water authority area under section 62 of the ^{M5}Salmon and Freshwater Fisheries Act 1923 immediately before 29th June 1972 shall be treated as having limited the number of licences in that area for a period of ten years from that date.]

Offences

37 Prosecution etc. of offences.

Parts I and II of Schedule 4 to this Act shall have effect with regard to the prosecution and punishment of offences against this Act and the procedure on such prosecutions.

[^{F99}37A Fixed penalty notices for certain offences.

- (1) Where on any occasion a water bailiff or other officer of the Agency finds a person who he has reason to believe is committing, or has on that occasion committed, a fixed penalty offence, he may give to that person a notice (in this section referred to as a “fixed penalty notice”) offering him the opportunity of discharging any liability to conviction for that offence by payment of a fixed penalty.
- (2) Where a person is given a fixed penalty notice in respect of a fixed penalty offence—
 - (a) no proceedings shall be instituted for that offence before the expiration of the period for paying the fixed penalty; and
 - (b) he shall not be convicted of that offence if the fixed penalty is paid before the expiration of that period.
- (3) The Agency may extend the period for paying the fixed penalty in any particular case if it considers it appropriate to do so in all the circumstances of the case.
- (4) If, in any particular case, the Agency considers that a fixed penalty notice which has been given ought not to have been given, it may give to the person to whom the fixed penalty notice was given a notice withdrawing the fixed penalty notice; and where notice under this subsection is given—
 - (a) the Agency shall repay any amount which has been paid by way of fixed penalty in pursuance of the fixed penalty notice; and
 - (b) no proceedings shall be instituted or continued against that person for the offence in question.
- (5) The amount by which the sums received by the Agency by way of fixed penalties exceed the sums repaid by it under subsection (4)(a) above shall be paid into the Consolidated Fund.
- (6) In any proceedings, a certificate purporting to be signed by or on behalf of the Chief Executive of the Agency and stating either—
 - (a) that payment of a fixed penalty was, or (as the case may be) was not, received by the Agency on or before a date specified in the certificate, or
 - (b) that an envelope containing an amount sent by post in payment of a fixed penalty was marked as posted on a date specified in the certificate,
 shall be received as evidence of the matters so stated and shall be treated, without further proof, as being so signed unless the contrary is shown.

Status: Point in time view as at 12/01/2010.

Changes to legislation: There are currently no known outstanding effects for the Salmon and Freshwater Fisheries Act 1975. (See end of Document for details)

- (7) A fixed penalty notice shall give such reasonable particulars of the circumstances alleged to constitute the fixed penalty offence to which the notice relates as are necessary for giving reasonable information of the offence and shall state—
- (a) the monetary amount of the fixed penalty which may be paid;
 - (b) the person to whom and the address at which—
 - (i) the fixed penalty may be paid, and
 - (ii) any correspondence relating to the fixed penalty notice may be sent;
 - (c) the method or methods by which payment of the fixed penalty may be made;
 - (d) the period for paying the fixed penalty;
 - (e) the consequences of the fixed penalty not being paid before the expiration of that period.
- (8) A fixed penalty notice may also contain such other information relating to, or for the purpose of facilitating, the administration of the fixed penalty system as the Agency considers necessary or desirable.
- (9) Regulations may—
- (a) make provision with respect to the giving of fixed penalty notices, including, in particular, provision with respect to—
 - (i) the methods by which,
 - (ii) the officers, servants or agents by, to or on whom, and
 - (iii) the places at which,fixed penalty notices may be given by, or served on behalf of, a water bailiff or other officer of the Agency;
 - (b) prescribe the method or methods by which fixed penalties may be paid;
 - (c) make provision for or with respect to the issue of prescribed documents to persons to whom fixed penalty notices are or have been given.
- (10) In this section—

- 7 A water authority may grant a temporary licence, that is to say, a licence authorising the use of an instrument for fishing in circumstances specified in the licence during a period not exceeding 14 days, and may charge in respect of that licence a duty less than the duty fixed for the use of that instrument under the foregoing provisions of this Schedule.
- 8 There shall be payable in respect of a general licence such sum as may be agreed by the water authority and the licensee.

Net etc. licences for salmon and trout fishing

- [^{X2}9 A person shall be treated for the purposes of section 25(3) above as the duly authorised servant or agent of the holder of a licence to use an instrument of any description only in the following cases—
- (a) in an area in which there is in force an order under section 26 above limiting the number of licences for fishing with instruments of that description, if his name and address are entered on the licence in accordance with the following provisions of this Schedule and he is not the holder of another licence to use an instrument of that description in that area;
 - (b) in any other area, if his name and address are so entered or when using the instrument to which the licence relates he is accompanied by the licensee; or
 - (c) in the case of any area, if the water authority direct that owing to special circumstances he is to be so treated.]

- 13 The number of servants or agents whose names may at any time be entered on a licence shall not exceed twice the number of persons who in the opinion of the water authority are required to work at one time the instrument to which the licence relates or, where the applicant for the licence notifies the authority at the time of the application that he proposes to take part in working the instrument, one less than twice that number.
- 14 Any person who, with intent to deceive, enters on a licence more names than are permitted by paragraph 13 above or states falsely the date of entry in a licence is guilty of an offence.

Miscellaneous

- 15 Subject to section 26 above, a fishing licence shall be granted by the water authority to every applicant who is at the time of the application not disqualified from holding a fishing licence, on payment of the duty in respect of the instrument to which the licence relates.
- 16 A fishing licence shall not confer any right to fish at a place or a time at which the licensee is not otherwise entitled to fish.
- 17 A fishing licence shall not authorise the erection of any structure or the use of any installation or instrument for or in connection with fishing the erection or use of which would otherwise be illegal.
- 18 The production of a printed copy of a statement purporting to be issued by a water authority as to a licence duty fixed and, if it be the case, approved by the Minister under this Schedule shall be prima facie evidence that the licence duty was fixed or approved as there mentioned and of the amount of the duty, and without proof of the handwriting or official position of any person purporting to sign the statement.

SCHEDULE 3

Section 28.

ADMINISTRATION

PART I

ORDERS

Scope

- [^{F139}1] An order may provide—
- (a) for the imposition, collection and recovery by a water authority of contributions assessed on several fisheries regulated by the order or on the owners and occupiers of such fisheries;
 - (b) for enabling the water authority with the approval of the Minister, but subject to paragraphs 2 and 3 below, to erect and work by themselves or their lessees any fixed engine for catching salmon or migratory trout within the area within which the order is to apply;

Status: Point in time view as at 12/01/2010.

Changes to legislation: There are currently no known outstanding effects for the Salmon and Freshwater Fisheries Act 1975. (See end of Document for details)

- (c) for modifying in relation to the fisheries within the area any of the provisions of this Act which relate to the regulation of fisheries, or of any local Act relating to any fishery within the area.]

Textual Amendments

F139 Sch. 3 paras. 1–5 repealed (E.W.) by [Water Act 1989 \(c. 15, SIF 130\)](#), s. 190, [Sch. 27 Pt I](#). (with ss. 58(7), 101(1), 141(6), 160(1)(2)(4), 163, 189(4)–(10), 190, 193(1), 194(9), Sch. 26 paras. 3(1)(2), 17, 40(4), 41(1), 57(6), 58)

- 2 An order shall not authorise a fixed engine to be worked for a period exceeding five years unless authorisation is from time to time extended by licence of the Minister for such terms as may be specified in the licence and not exceeding at any one time five years.
- 3 The Minister shall not grant a licence until he has inquired into the effect of the working of the engine on the salmon or trout fisheries within the area.
- 4 An order may contain any incidental, consequential or supplemental provisions, including provisions for payment of compensation to persons injuriously affected by the order, which may appear to be necessary or proper for the purposes of the order.

Procedure

- 5 An application for an order may be made by any of the following, namely—
- (a) a water authority;
 - [^{F140}(b) a [^{F141}county or metropolitan district council];]
 - (c) persons who in the opinion of the Minister are the owners of one-fourth at least in value of the several fisheries proposed to be regulated or constitute a majority of the persons holding licences to fish in public waters within the area of the proposed order;
 - (d) any association of persons which in the opinion of the Minister is sufficiently representative of fishing interests within that area.

SCHEDULE 4

Section 37.

OFFENCES

PART I

PROSECUTION AND PUNISHMENT

- 1 (1) Column 2 of the Table below gives a description of the offences against the provisions of this Act specified in column 1 of the Table, and in relation to any such offence—
- (a) column 3 shows whether the offence is punishable summarily (that is to say, on summary conviction) or on indictment or either in one way or the other; and
 - (b) column 4 shows the maximum punishment by way of fine or imprisonment which may be imposed on a person convicted of the offence in the way specified in column 3 (that is to say, summarily or on indictment), any reference in column 4 to a period of years or months being construed as a reference to a term of imprisonment for that period.
- (2) A person guilty of an offence against any provision of this Act not specified in the Table shall be liable on summary conviction to a fine not exceeding [^{F178}level 4 on the standard scale] or, in the case of a second or subsequent conviction, [^{F178}level 4 on the standard scale].
- (3) A person shall be treated as acting together with another for the purposes of the above Table if
- [^{F179}(a) both are engaged in committing—
 - (i) an offence under section 1 above, other than one committed without any instrument, or
 - (ii) an offence under section 27 above, other than one committed by means of a rod and line (only), or
 - (b) one is aiding, abetting, counselling or procuring the commission of such an offence by the other.]

Status: Point in time view as at 12/01/2010.

Changes to legislation: There are currently no known outstanding effects for the Salmon and Freshwater Fisheries Act 1975. (See end of Document for details)

- 2 Any offence against this Act committed on the sea-coast or at sea beyond the ordinary jurisdiction of a court of summary jurisdiction shall be deemed to have

Status: Point in time view as at 12/01/2010.

Changes to legislation: There are currently no known outstanding effects for the Salmon and Freshwater Fisheries Act 1975. (See end of Document for details)

been committed in any place abutting on that sea-coast or adjoining that sea, and may be tried and punished accordingly.

3 Offences against this Act committed in Scotland shall be proceeded against and punished in Scotland.

4 A justice of the peace shall not be disqualified from hearing any case under this Act by reason only of being a subscriber to any society for the protection of fish, but a justice shall not be entitled to hear any case in respect of an offence committed on his own land or in relation to any fishery of which he is owner or occupier.

5 The court by which a person is convicted of an offence against this Act may order the forfeiture of—

- (a) any fish illegally taken by him or in his possession at the time of the offence;
- (b) any instrument, bait or other thing used in the commission of the offence;
- (c) in the case of an offence of unlawful possession of any substance or device in contravention of section 5 above, that substance or device; and
- (d) on conviction on indictment, any vessel or vehicle used in or in connection with the commission of the offence or in which any substance or device unlawfully in his possession was contained at the time of the offence;

and may order any object so forfeited to be disposed of as the court thinks fit.

6 ^[F185]Schedule 3 to the Customs and Excise Management Act 1979] (provisions relating to the forfeiture of things seized under that Act) shall apply in relation to any vessel or vehicle liable to forfeiture under paragraph 5 above as it applies in relation to anything liable to forfeiture under that Act, but in its application in relation to any such vessel or vehicle shall have effect subject to the following modifications:—

- ^[F186](a) paragraphs 1(2) and 5 shall be omitted;
- (b) for references to the Commissioners of Customs and Excise there shall be substituted references to the water authority ^[F187]within whose area the offence in question was committed]; and
- (c) the court shall not condemn a vehicle or vessel as forfeited under paragraph 6 of that Schedule if satisfied by its owner that that offence was committed without his knowledge and that he could not have reasonably foreseen that it would be used as mentioned in paragraph 5(d) above;

and where notice of claim in respect of anything is duly given in accordance with paragraphs 3 and 4 of that Schedule, as applied by this paragraph, the court shall not exercise its power of ordering forfeiture of the vessel or vehicle under paragraph 5 above.

In this paragraph “owner”, in relation to a vessel or vehicle which is the subject of a hire-purchase agreement, means the person in possession of the vehicle under that agreement.
