(4) Nothing in the 1963 Act, or in any other provision contained in or made under an enactment, prevents the use of "gram" as an alternative way of spelling "gramme", and the same applies for other units in the metric system which are compounds of "gramme".

2.—(1) In the 1963 Act after section 9 there are inserted the following sections—

9A.—(1) No person shall—

(a) use for trade any unit of measurement which is not included in Schedule 1A to this Act,

(b) use for trade, or have in his possession for use for trade, any linear, square, cubic or capacity measure which is not included in Schedule 3 to this Act, or any weight which is not so included,

(2) A person who contravenes—

(a) this section, or

(b) any provision in Part VI of Schedule 1A, or Part VI of Schedule 3, to this Act,

shall be guilty of an offence, and any measure or weight used, or in any person's possession for use, in contravention of the said provision shall be liable to be forfeited.

(3) Subject to subsection (4) below the Secretary of State may from time to time by order amend Schedule 1A or 3 to this Act—

(b) by adding to or removing from Schedule 3 any linear, square, cubic or capacity measure, or any weight,

(c) by adding to, varying or removing from Part VI of Schedule 1A or Part VI of Schedule 3 any restriction on the cases or circumstances in which, or the conditions
subject to which, a unit of measurement, measure or weight may be used for trade, or possessed for use for trade.

(4) An order under subsection (3) above shall not remove from Schedule 1A—

(a) in Part I the mile, foot or inch, or
(b) in Part IV the gallon or pint,

but this subsection is without prejudice to the power under paragraph (c) of the said subsection (3) to add, vary or remove any restriction on the cases or circumstances in which, or the conditions subject to which, a unit of measurement, measure or weight may be used for trade, or possessed for use for trade.

(5) An order under this section may contain such transitional or other supplemental or incidental provisions as appear to the Secretary of State expedient.

9B.—(1) The Secretary of State may make regulations—

(c) may prescribe the persons to whom, and the cases and circumstances in which, the regulations apply, and may make different provision for different persons, cases or circumstances,

(d) may contain such consequential, incidental or supplementary provisions as appear to the Secretary of State to be expedient.

(4) A person contravening regulations made under this section shall be guilty of an offence.

(5) In this section “unit” in the expressions “metric unit” and “imperial unit” means any unit of measurement of length, area, volume, capacity, mass or weight.

(6) Regulations under this section imposing obligations apply whether or not the relevant imperial unit may lawfully be used for trade, and regulations authorising, but not requiring, anything to be done authorise it to be done notwithstanding that the relevant imperial unit may not be lawfully used for trade, but do not in any other respect authorise what is unlawful.”

(2) In the 1963 Act—

(a) after Schedule 1 there are inserted, as Schedule 1A, the provisions set out in Schedule 1 to this Act, and

(b) for Schedule 3 (measures and weights lawful for use for trade) there are substituted the provisions set out in Schedule 2 to this Act.

4.—(1) The powers to prescribe the quantities in which goods may be made up, sold, or made for sale, which are conferred by section 21 of the 1963 Act shall not be exercised so as to make unlawful any sale of goods to which this section applies.

(3B) Without prejudice to the generality of those powers, an order made by virtue of the said paragraph (bb) may, in order to prevent size or capacity from giving a false impression of the quantity of the goods in a container, prescribe a minimum quantity for the goods in a container of a given capacity, and the minimum quantity may be expressed by weight or volume, by percentage of the capacity of the container or in any other manner."

(3) In subsection (4)(a) of that section (regulations about the manner in which a container is to be marked with information as to the quantity of the goods in it) for the words from "information" to the end of the paragraph there are substituted the words "information (including in particular information as to quantity or capacity) is to be so marked", and in subsection (4)(d) of that section the words "as to quantity" shall be omitted.
