SCHEDULE 5

PROCEDURE FOR RECOMMENDATION UNDER SECTION 8

PART II

THE BOARD'S RECOMMENDATION AND ASSOCIATED ACTION

Associated action

- 12 (1) On receiving the Board's recommendation, the Secretary of State shall satisfy himself that the procedure required by Part I of this Schedule has been adequately complied with.
- (2) If not so satisfied, or if of opinion that he has not enough information to justify him in acting on the recommendation, he may require the Board to carry out such further examination of the matters dealt with in the recommendation as he may specify, and to report to him within a specified period the outcome of that examination.
- (3) He shall, if he thinks it expedient with a view to informing the public generally that the Board have made the recommendation, and to obtaining the views of persons and organisations not so far consulted, publish the recommendation.
- 13 If the Secretary of State, in consequence of representations made to him, or of matters brought to his notice by the Board, considers—
- (a) that the subject matter of the Board's recommendation is such that the decision by him to make an order on it, or not to make one, may tend to prejudice good labour relations ; and
 - (b) that there are questions which need to be investigated by the Advisory, Conciliation and Arbitration Service,
- he may refer those questions to that Service, for their opinion and advice.
