Meaning of “works contract ”.

(1) Subject to subsection (2) below, in this Part of this Act “works contract ” means a contract which is or comprises—

(a) an agreement (in this Part of this Act referred to as a “maintenance agreement ”) under—

(i) section 5(3)(c) of the London Government Act 1963 (agreements between . . . London authorities for the carrying out of works of maintenance by one party in connection with land or buildings for the maintenance of which another party is responsible), or

(ii) section 1 of the Local Authorities (Goods and Services) Act 1970 (in this Part of this Act referred to as “the 1970 Act ”) (which provides for the carrying out by a local authority of such works of maintenance as are referred to in subsection (1)(d) of that section); or

(b) .........................

(c) an agreement made by virtue of any other enactment (including a provision of a local Act) which provides for the carrying out by a local authority of any construction or maintenance work;

and in this section “works authority ”, in relation to a works contract, means the local authority or, if there is more than one, each of the local authorities, by whom construction or maintenance work is or is to be undertaken in pursuance of the contract.

(2) A contract is not a works contract by reason only that it is or comprises an agreement under which the functions of a Minister of the Crown or of any public body, within the meaning of the 1970 Act, fall to be discharged by a local authority, notwithstanding that, in the exercise of the functions, the local authority undertake construction or maintenance work.

(3) If and so far as the provision by a works authority of goods, materials, services, vehicles, plant or other equipment which is incidental to construction or maintenance work undertaken by that authority in pursuance of a works contract is the subject of a separate agreement, that agreement shall be treated as part of the works contract for the purposes of this Part of this Act.]
Regulation of works contracts.

(1) Except in so far as section 7 below otherwise provides, a local authority may enter into a works contract in such circumstances and on such terms, having regard to the duty imposed on them by section 16 below, as they consider appropriate.

(2) Notwithstanding anything in the 1970 Act or in any other enactment relating to such an agreement as is mentioned in section 5(1)(c) above, a body which is a public body within the meaning of the 1970 Act may not (whether as the works authority or as the body for whom any works are to be carried out) enter into a contract which in any respect contravenes any limitation imposed by section 7 below.

(3) In any case where—
   (a) before the appointed day, and whether before or after the passing of this Act, a local authority entered into a maintenance agreement, and
   (b) the circumstances in which or the terms on which the maintenance agreement was entered into are such that, having regard to section 7 below and to any regulations made under that section, it would not be lawful for them to enter into a similar agreement immediately after the appointed day,

then, at the expiry of the period of twelve months beginning on the appointed day, it shall cease to be lawful for the maintenance agreement to be carried out.

(4) Accordingly, if the maintenance agreement is governed by English Law and the parties to it do not make other provision before the expiry of that period of twelve months, the Law Reform (Frustrated Contracts) Act 1943 shall apply to the maintenance agreement with effect from the expiry of that period.]

Limitations on power to enter into works contracts.

(1) A local authority may not—
   (a) enter into a works contract whose value exceeds the prescribed amount unless they do so as the result of acceptance of a tender, or
   (b) enter into a works contract whose value is equal to or less than the prescribed amount unless they have complied with such conditions as may be prescribed by regulations made by the Secretary of State.
[F36](1A) A local authority may not enter into a works contract under which they are to carry out work unless the competition condition is fulfilled, that is, the other party to the contract, in entering into it and doing anything else in connection with it before entering into it, did not act in a manner having the effect or intended or likely to have the effect of restricting, distorting or preventing competition.

(1B) Subsection (1A) above shall prevent the local authority from entering into the contract [F37] unless the local authority have become aware, before entering into the contract, of the failure to fulfill the competition condition]

(2) In this section “the prescribed amount ” means an amount specified in regulations made by the Secretary of State.

(3) For the purposes of this Part of this Act an authority enter into a contract as the result of acceptance of a tender if—
   (a) the contract was made by acceptance of an offer on their part to carry out the work in question; and
   (b) they made the offer in response to an invitation to submit such offers; and
   (c) the invitation was extended to at least three other persons [F38 who are not, or include at least three persons who are not, local authorities or development bodies].

(4) The Secretary of State may by regulations—
   (a) direct the manner in which the value of a contract is to be determined for the purposes of this section; and
   (b) specify descriptions of contract to which subsection (1) above is not to apply; and
   (c) specify for the purposes of subsection (3)(c) above a number of persons different from three.

(5) Without prejudice to the generality of subsection (4) above, regulations made by virtue of paragraph (a) of that subsection may direct that a number of contracts shall be treated as if they were one contract for the purpose of determining whether the prescribed amount is exceeded.

(6) Regulations under this section may make different provision in relation to different contracts and descriptions of contracts.

(7) A statutory instrument containing regulations under this section shall be subject to annulment in pursuance of a resolution of either House of Parliament.

(2) As soon as practicable after he has received what appears to him to be sufficient information for the purpose, the Secretary of State shall make a conclusive calculation if the said amounts and notify the result of that calculation to each local authority.

(5) The further payment shall be an amount equal to the difference between the amount previously paid to the authority for the year concerned on account of block grant and the amount recalculated as specified in subsection (2) above.

Objects and general powers.

(1) The object of an urban development corporation shall be to secure the regeneration of its area.

(2) The object is to be achieved in particular by the following means (or by such of them as seem to the corporation to be appropriate in the case of its area), namely, by bringing land and buildings into effective use, encouraging the development of existing and new industry and commerce, creating an attractive environment and ensuring that housing and social facilities are available to encourage people to live and work in the area.

(3) Subject to sections 137 and 138 below, for the purpose of achieving the object an urban development corporation may—
   (a) acquire, hold, manage, reclaim and dispose of land and other property;
   (b) carry out building and other operations;
   (c) seek to ensure the provision of water, electricity, gas, sewerage and other services;
   (d) carry on any business or undertaking for the purposes of the object; and
   (e) generally do anything necessary or expedient for the purposes of the object or for purposes incidental to those purposes.

(4) No provision of this Part of this Act by virtue of which any power is exercisable by an urban development corporation shall be construed as limiting the effect of subsection (3) above.

(5) Without prejudice to the generality of the powers conferred on urban development corporations by this Act, such a corporation, for the purpose of achieving the object,—
   (a) may, with the consent of the Secretary of State, contribute such sums as he with the Treasury’s concurrence may determine towards expenditure incurred or to be incurred by any local authority or statutory undertakers in the performance of any statutory functions of the authority or undertakers, including expenditure so incurred in the acquisition of land; and
   (b) may, with the like consent, contribute such sums as the Secretary of State with the like concurrence may determine by way of assistance towards the provision of amenities.

(6) To avoid doubt it is declared that subsection (3) above relates only to the capacity of an urban development corporation as a statutory corporation; and nothing in this section authorises such a corporation to disregard any enactment or rule of law.

(7) A transaction between a person and an urban development corporation shall not be invalidated by reason of any failure by the corporation to observe the object in subsection (1) above or the requirement in subsection (3) above that the corporation shall exercise the powers conferred by that subsection for the purpose of achieving that object.

(1) An order under section 135 above may provide that any functions which may be exercisable by an urban development corporation by virtue of this Part of this Act and which are specified in the order are not to be exercised by the corporation established by the order, either as regards the whole of its area or as regards a portion of that area; and this Part of this Act shall apply to the corporation accordingly.

(3) Nothing in subsection (2) above shall prejudice the operation of section 14 of the Interpretation Act 1978 (power to amend orders etc.).

138 **Restrictions on powers.**

(1) Without prejudice to any provision of this Act requiring the consent of the Secretary of State to be obtained for anything to be done by an urban development corporation, he may give directions to such a corporation for restricting the exercise by it of any of its powers under this Act or for requiring it to exercise those powers in any manner specified in the directions.

(2) Before giving a direction under subsection (1) above, the Secretary of State shall consult the corporation, unless he is satisfied that because of urgency consultation is impracticable.

(3) A transaction between a person and an urban development corporation acting in purported exercise of its powers under this Act shall not be void by reason only that it was carried out in contravention of a direction given under subsection (1) above, and such a person shall not be concerned to see or enquire whether a direction under that subsection has been given or complied with.

139 **Allocation or transfer of functions.**

(1) If it appears to the Secretary of State, in the case of an urban development area, that there are exceptional circumstances which render it expedient that the functions of an urban development corporation under this Part of this Act should be performed by the urban development corporation established for the purposes of any other area
instead of by a separate corporation established for the purpose, he may, instead of establishing such a separate corporation, by order direct that those functions shall be performed by the urban development corporation established for the other area.

(2) If it appears to the Secretary of State that there are exceptional circumstances which render it expedient that the functions of an urban development corporation established for one area should be transferred to the urban development corporation established for the purposes of another area, or to a new urban development corporation to be established for the first-mentioned area, he may, by order, provide for the dissolution of the first-mentioned corporation and for the transfer of its functions, property, rights and liabilities to the urban development corporation established for the purposes of the other area or (as the case may be) to a new corporation established for the purposes of the first-mentioned area by the order.

(3) Without prejudice to section 14 of the Interpretation Act 1978, an order under this section providing for the exercise of functions in relation to an area by the urban development corporation established for the purposes of another area, or for the transfer of such functions to such a corporation, may modify the name and constitution of that corporation in such manner as appears to the Secretary of State to be expedient, and for the purposes of this Act that corporation shall be treated as having been established for the purposes of each of those areas.

(4) Before making an order under this section providing for the transfer of functions from or to an urban development corporation or for the exercise of any functions by such a corporation, the Secretary of State shall consult that corporation.

(5) An order under this section shall make, with regard to a corporation on which functions are conferred by the order, the same provision as that which may be made with regard to a corporation under section 137 above.

(6) An order under this section shall be made by statutory instrument.

(7) No order under this section shall have effect until approved by a resolution of each House of Parliament.

### Consultation with local authorities.

140

(1) An urban development corporation shall prepare a code of practice as to consultation with the relevant local authorities about the exercise of its powers.

(2) In this section “the relevant local authorities” means local authorities the whole or any part of whose area is included in the urban development area.

(3) Preparation of the code shall be completed not later than the expiration of the period of 12 months from the date of the establishment of the corporation.

(4) A corporation may from time to time revise the whole or any part of its code.

(5) Compensation under the Land Compensation Act 1961 or, in Scotland, the Land Compensation (Scotland) Act 1963, as applied by subsection (4) above and Schedule 27 to this Act, shall be assessed by reference to values current on the date the order under this section comes into force.

1 (1) In each year an amount in the pound shall be specified in the Rate Grant Support for the purposes of section 48 of the General Rate Act 1967 (reduction of rates on dwellings).

(2) Different amounts in the pound may be specified under sub-paragraph (1) above for different rating areas.

(3) In specifying the amount or amounts in the pound under this paragraph for any year the Secretary of State shall seek to secure that the total amount of the reduction under section 48 of the General Rate Act 1967 for all rating areas will correspond to the aggregate amount of the domestic rate relief grant.

(4) In this paragraph “rating area” has the same meaning as in the General Rate Act 1967.

Distribution of domestic rate relief grant

2 (1) The amount of the domestic rate relief grant payable to a local authority for any year shall be calculated by multiplying the aggregate amount of the domestic rate relief grant by

\[ \frac{a}{A} \]

where—

- \(a\) is the domestic rateable value of the area of the local authority for the year multiplied by the amount of the reduction specified in relation to that area in the Rate Support Grant Report, and
- \(A\) is the aggregate of the amounts calculated as for \(a\) in respect of each local authority entitled to receive domestic rate relief in the year.

(2) For the purposes of this paragraph the domestic rateable value of the area of a local authority shall be the amount, divided by two, of the aggregate of the rateable values of dwelling houses in the area shown in the valuation list on 1st April and 31st March in the year as certified by the valuation officer.

(3) No payment in respect of the domestic rate relief grant shall be made to the Sub-Treasurer of the Inner Temple or the Under Treasurer of the Middle Temple if no rate in the nature of a general rate is levied in the Temple in question during the year.
Apportionment of rate reductions in the City of London by reference to the domestic rate relief grant

3 (1) Section 48 of the General Rate Act 1967 (which provides for the reduction of rates on dwellings by reference to the domestic rate relief grant) and paragraph 1 above shall, in their application to the City of London, have effect subject to the provisions of this paragraph.

(2) Reductions of rates under the said provisions shall be apportioned between the poor rate and the general rate in the relevant proportions (taken to the nearest whole penny).

(3) Payments in respect of the domestic rate relief grant shall be treated as being, in the relevant proportions, the proceeds of the poor rate and the general rate.

(4) In this paragraph “the relevant proportions” means the proportions which, for the year, the number of pence in the pound of the poor rate and the general rate bear respectively to the aggregate of the number of pence in the pound of both the said rates.

21 Section 74A of the Local Government (Scotland) Act 1973 (no local authority in Scotland to dispose of certain interests in land without Secretary of State’s consent) shall cease to have effect.
Section 17 of Land Compensation Act 1961

Certification of appropriate alternative development.

17 (1) Where an interest in land is proposed to be acquired by an authority possessing compulsory purchase powers, and that land or part thereof does not consist or form part of—
   (a) an area defined in the development plan as an area of comprehensive development, or
   (b) an area shown in the development plan as an area allocated primarily for a use which is of a residential, commercial or industrial character, or for a range of two or more uses any of which is of such a character,

then, subject to subsection (2) of this section, either of the parties directly concerned may apply to the local planning authority for a certificate under this section.

(2) If, in the case of an interest in land falling within subsection (1) of this section, the authority proposing to acquire it have served a notice to treat in respect thereof, or an agreement has been made for the sale thereof to that authority, and a reference has been made to the Lands Tribunal to determine the amount of the compensation payable in respect of that interest, no application for a certificate under this section shall be made by either of the parties directly concerned after the date of that reference except either—
   (a) with the consent in writing of the other of those parties, or
   (b) with the leave of the Lands Tribunal.

(3) An application for a certificate under this section—
   (a) shall state whether or not there are, in the applicant’s opinion, any classes of development which, either immediately or at a future time, would be appropriate for the land in question if it were not proposed to be acquired by any authority possessing compulsory purchase powers and, if so, shall specify the classes of development and the times at which they would be so appropriate;
   (b) shall state the applicant’s grounds for holding that opinion; and
(c) shall be accompanied by a statement specifying the date on which a copy of the application has been or will be served on the other party directly concerned.

(4) Where an application is made to the local planning authority for a certificate under this section in respect of an interest in land, the local planning authority shall, not earlier than twenty-one days after the date specified in the statement mentioned in paragraph (c) of subsection (3) of this section, issue to the applicant a certificate stating either of the following to be the opinion of the local planning authority regarding the grant of planning permission in respect of the land in question, if it were not proposed to be acquired by an authority possessing compulsory purchase powers, that is to say—

(a) that planning permission for development of one or more classes specified in the certificate (whether specified in the application or not) would have been granted; or

(b) that planning permission would not have been granted for any development other than the development (if any) which is proposed to be carried out by the authority by whom the interest is proposed to be acquired.

(5) Where, in the opinion of the local planning authority, planning permission would have been granted as mentioned in paragraph (a) of subsection (4) of this section, but would only have been granted subject to conditions, or at a future time, or both subject to conditions and at a future time, the certificate shall specify those conditions, or that future time, or both, as the case may be, in addition to the other matters required to be contained in the certificate.

(6) For the purposes of subsection (5) of this section, a local planning authority may formulate general requirements applicable to such classes of case as may be described therein; and any conditions required to be specified in the certificate in accordance with that subsection may, if it appears to the local planning authority to be convenient to do so, be specified by reference to those requirements, subject to such special modifications thereof (if any) as may be set out in the certificate.

(7) In determining, for the purposes of the issue of a certificate under this section, whether planning permission for any particular class of development would have been granted in respect of any land, the local planning authority shall not treat development of that class as development for which planning permission would have been refused by reason only that it would have involved development of the land in question (or of that land together with other land) otherwise than in accordance with the provisions of the development plan relating thereto.

(8) Where an application for a certificate under this section relates to land of which part (but not the whole) consists or forms part of such an area as is mentioned in paragraph (a) or paragraph (b) of subsection (1) of this section, any certificate issued under this section in pursuance of that application shall be limited to so much of that land as does not fall within any such area.

(a) an area defined in the development plan as an area of comprehensive development, or

(b) an area shown in the development plan as an area allocated primarily for a use which is of a residential, commercial or industrial character, or for a range of two or more uses any of which is of such a character,

then, subject to subsection (2) of this section, either of the parties directly concerned may apply to the planning authority for a certificate under this section.

(2) If, in the case of an interest in land falling within subsection (1) of this section, the authority proposing to acquire it have served a notice to treat in respect thereof, or an agreement has been made for the sale thereof to that authority, and a reference has been made to the Land Tribunal for Scotland to determine the amount of the compensation payable in respect of that interest, no application for a certificate under this section shall be made by either of the parties directly concerned after the date of that reference except either—

(a) with the consent in writing of the other of those parties, or

(b) with the leave of the Lands Tribunal for Scotland.

(3) An application for a certificate under this section—

(a) shall state whether or not there are in the applicant’s opinion, any classes of development which, either immediately or at a future time, would be appropriate for the land in question if it were not proposed to be acquired by any authority possessing compulsory purchase powers and, if so, shall specify the classes of development and the times at which they would be so appropriate;

(b) shall state the applicant’s grounds for holding that opinion; and

(c) shall be accompanied by a statement specifying the date on which a copy of the application has been or will be served on the other party directly concerned.

(4) Where an application is made to the planning authority for a certificate under this section in respect of an interest in land, the planning authority shall, not earlier than twenty-one days after the date specified in the statement mentioned in subsection (3)(c) of this section, issue to the applicant a certificate stating that, in the opinion of the planning authority in respect of the land in question, either—

(a) planning permission for development of one or more classes specified in the certificate (whether specified in the application or not) would have been granted; or
(b) planning permission would not have been granted for any development other than the development (if any) which is proposed to be carried out by the authority by whom the interest is proposed to be acquired.

(5) Where, in the opinion of the planning authority, planning permission would have been granted as mentioned in subsection (4)(a) of this section, but would only have been granted subject to conditions, or at a future time, or both subject to conditions and at a future time the certificate shall specify those conditions, or that future time, or both, as the case may be, in addition to the other matters required to be contained in the certificate.

(6) For the purposes of subsection (5) of this section, a planning authority may formulate general requirements applicable to such classes of case as may be described therein; and any conditions required to be specified in the certificate in accordance with that subsection may, if it appears to the planning authority to be convenient to do so, be specified by reference to those requirements, subject to such special modifications thereof (if any) as may be set out in the certificate.

(7) In determining, for the purposes of the issue of a certificate under this section, whether planning permission for any particular class of development would have been granted in respect of any land, the planning authority shall not treat development of that class as development for which planning permission would have been refused by reason only that it would have involved development of the land in question (or of that land together with other land) otherwise than in accordance with the provisions of the development plan relating thereto.

(8) Where an application for a certificate under this section relates to land of which part (but not the whole) consists or forms part of such an area as is mentioned in subsection (1)(a) or subsection (1)(b) of this section, any certificate issued under this section in pursuance of that application shall be limited to so much of that land as does not fall within any such area.

(9) On issuing to either of the parties directly concerned a certificate under this section in respect of an interest in land, the planning authority shall serve a copy of the certificate on the other of those parties.

(a) the compulsory acquisition under the Part of this Act of any land in which an interest was held, or which was used, for the purpose of the carrying on of the undertaking of the statutory undertakers;

(b) the extinguishment of a right or the imposition of any requirement by virtue of paragraph 14 above.

(3) As soon as may be after making a representation to the appropriate Minister under sub-paragraph (1) above, the appropriate statutory undertakers shall, as may be directed by the appropriate Minister, either publish (in such form and manner as may be so directed) a notice giving such particulars as may be so directed of the matters to which the representation relates, and specifying the time within which, and the manner in which, objections to the making of an order on the representation may be made, or serve such a notice on such persons, or persons of such classes, as may be so directed, or both publish and serve such notices.

(4) If any objection to the making of an order under this paragraph is duly made and is not withdrawn before the order is made, the order shall be subject to special parliamentary procedure.

(5) Immediately after an order is made under his paragraph by the appropriate Minister, he shall publish a notice stating that the order has been made and naming a place where a copy of it may be seen at all reasonable hours, and shall serve a like notice—
(a) on any person who duly made an objection to the order and has sent to
the appropriate Minister a request in writing to serve him with the notice
required by this sub-paragraph, specifying an address for service, and

(b) on such other persons (if any) as the appropriate Minister thinks fit.

(6) Subject to the following provisions of this paragraph, an order under this paragraph
shall become operative on the date on which the notice required by sub-paragraph (5)
above is first published.

(7) Where in accordance with sub-paragraph (4) above the order is subject to special
parliamentary procedure, sub-paragraph (6) above shall not apply.

(8) If any person aggrieved by an order under this paragraph wishes to question the
validity of the order on the ground that it is not within the powers conferred by this
paragraph, or that any requirement of this paragraph has not been complied with in
relation to the order, he may, within six weeks from the date on which the notice
required by sub-paragraph (5) above is first published, make an application to the
High Court (or in Scotland the Court of Session) under this paragraph.

(9) On any application under sub-paragraph (8) above the High Court (or the Court of
Session)—

(a) may by interim order wholly or in part suspend the operation of the order,
either generally or in so far as it affects any property of the applicant, until
the final determination of the proceedings;

(b) if satisfied that the order is wholly or to any extent outside the powers
conferred by this paragraph, or that the interests of the applicant have been
substantially prejudiced by the failure to comply with any requirement of
this paragraph, may wholly or in part quash the order, either generally or in
so far as it affects any property of the applicant.

(10) Subject to sub-paragraph (8) above, the validity of an order under this paragraph
shall not be questioned in any legal proceedings whatsoever, either before or after
the order has been made.

(1) For the purposes of paragraphs 17 and 19 above, an objection to the making of an
order thereunder shall not be treated as duly made unless—

(a) the objection is made within the time and in the manner specified in the
notice required by paragraph 18 or (as the case may be) 19 above; and

(b) a statement in writing of the grounds of the objection is comprised in or
submitted with the objection.

(2) Where an objection to the making of such an order is duly made in accordance
with sub-paragraph (1) above and is not withdrawn, the following provisions of
this paragraph shall have effect in relation thereto; but, in the application of those
provisions to an order under paragraph 17 above, any reference to the appropriate
Minister shall be construed as a reference to the Secretary of State and the appropriate
Minister.

(3) Unless the appropriate Minister decides apart from the objection not to make an
order, or decides to make a modification which is agreed to by the objector as meeting
the objection, the appropriate Minister, before making a final decision, shall consider
the grounds of the objection as set out in the statement, and may, if he thinks fit,
require the objector to submit within a specified period a further statement in writing
as to any of the matters to which the objection relates.
(4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.

(5) If, after considering the grounds of the objection as set out in the original statement and in any such further statement, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the appropriate Minister may make a final decision without further investigation as to those matters.

(6) Subject to sub-paragraphs (4) and (5) above, the appropriate Minister, before making a final decision, shall afford to the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the appropriate Minister; and if the objector avails himself of that opportunity, the appropriate Minister shall afford an opportunity of appearing and being heard on the same occasion to the statutory undertakers, local authority or Minister on whose representation the order is proposed to be made, and to any other persons to whom it appears to the appropriate Minister to be expedient to afford such an opportunity.

(7) Notwithstanding anything in the preceding provisions of this paragraph, if it appears to the appropriate Minister that the matters to which the objection relates are such as to require investigation by public local inquiry before he makes a final decision, he shall cause such an inquiry to be held; and where he determines to cause such an inquiry to be held, any of the requirements of those provisions to which effect has not been given at the time of that determination shall be dispensed with.

(8) In this paragraph any reference to making a final decision, in relation to an order, is a reference to deciding whether to make the order or what modification (if any) ought to be made.

**Adaptation of Part I of 1965 Act**

23 (1) In the Compulsory Purchase Act 1965 (hereafter in this Part of this Schedule referred to as “the Act”) for section 7 (which relates to compensation) there shall be substituted the following—

"7 (1) In assessing the compensation to be paid by the acquiring authority under this Act regard shall be had not only to the extent, if any, to which the value of the land over which the right is purchased is depreciated by the purchase but also to the damage, if any, to be sustained by the owner of the land by reason of injurious affection of other land of the owner by the exercise of the right.

(2) The modifications subject to which subsection (1) of section 44 of the Land Compensation Act 1973 is to have effect, as applied by subsection (2) of that section to compensation for injurious affection under this section, are that for the words “land is acquired or taken” there shall be substituted the words “a right over land is purchased ” and for the words “acquired or taken from him” there shall be substituted the words “over which the right is exercisable ”.

(2) For section 8 of the Act (which relates to cases in which a vendor cannot be required to sell part only of a building or garden) there shall be substituted the following—

"8 (1) Where in consequence of the service on a person in pursuance of section 5 of this Act of a notice to treat in respect of a right over land consisting of a house, building or manufactory or of a park or garden belonging to a house (hereafter in this subsection referred to as “the relevant land”)—
(a) a question of disputed compensation in respect of the purchase of the right would apart from this section fall to be determined by the Lands Tribunal (hereafter in this section referred to as “the Tribunal”); and

(b) before the Tribunal has determined that question the person satisfies the Tribunal that he has an interest which he is able and willing to sell in the whole of the relevant land and—

(i) where that land consists of a house, building or manufactory, that the right cannot be purchased without material detriment to that land, or

(ii) where that land consists of such a park or garden, that the right cannot be purchased without seriously affecting the amenity or convenience of the house to which that land belongs, the compulsory purchase order to which the notice to treat relates shall, in relation to that person, cease to authorise the purchase of the right and be deemed to authorise the purchase of that person’s interest in the whole of the relevant land including, where the land consists of such a park or garden, the house to which it belongs, and the notice shall be deemed to have been served in respect of that interest on such date as the Tribunal directs.

(2) Any question as to the extent of the land in which a compulsory purchase order is deemed to authorise the purchase of an interest by virtue of the preceding subsection shall be determined by the Tribunal.

(3) Where in consequence of a determination of the Tribunal that it is satisfied as mentioned in subsection (1) of this section a compulsory purchase order is deemed by virtue of that subsection to authorise the purchase of an interest in land, the acquiring authority may, at any time within the period of six weeks beginning with the date of the determination, withdraw the notice to treat in consequence of which the determination was made; but nothing in this subsection prejudices any other power of the authority to withdraw the notice.

(4) The modifications subject to which subsection (1) of section 58 of the Land Compensation Act 1973 is to have effect, as applied by subsection (2) of that section to the duty of the Tribunal in determining whether it is satisfied as mentioned in subsection (1) of this section, are that at the beginning of paragraphs (a) and (b) there shall be inserted the words “a right over”, for the word “severance” there shall be substituted the words “right on the whole of the house, building or manufactory or of the house and the park or garden” and for the words “part proposed” and “part is” there shall be substituted respectively the words “right proposed” and “right is”.

(3) The following provisions of the Act (which state the effect of a deed poll executed in various circumstances, where there is no conveyance by persons with interests in the land), namely—

section 9(4) (failure of owners to convey);
paragraph 10(3) of Schedule 1 (owners under incapacity);
paragraph 2(3) of Schedule 2 (absent and untraced owners); and
paragraphs 2(3) and 7(2) of Schedule 4 (common land),
shall be so modified as to secure that, as against persons with interests in the land which are expressed to be overriden by the deed, the right which is to be purchased compulsorily is vested absolutely in the acquiring authority.

(4) Section 11 of the Act (powers of entry) shall be so modified as to secure that, as from the date on which the acquiring authority has served notice to treat in respect of any right, it has power, exercisable in the like circumstances and subject to the like conditions, to enter for the purpose of exercising that right (which shall be deemed for this purpose to have been created on the date of service of the notice); and sections 12 (penalty for unauthorised entry) and 13 (entry on sheriff’s warrant in the event of obstruction) of the Act shall be modified correspondingly.

(5) Section 20 of the Act (compensation for short-term tenants) shall apply with the modifications necessary to secure that persons with such interests as are mentioned in that section are compensated in a manner corresponding to that in which they would be compensated on a compulsory acquisition of the interests but taking into account only the extent (if any) of such interference with such interests as is actually caused, or likely to be caused, by the exercise of the right in question.

(6) Section 22 of the Act (protection of acquiring authority’s possession of land where by inadvertence an interest in the land has not been purchased) shall be so modified as to enable the acquiring authority, in circumstances corresponding to those referred to in that section, to continue to be entitled to exercise the right in question, subject to compliance with that section as respects compensation.
